PREFACE

The Mississippi Code of 1972, which became effective on November 1, 1973, is the culmination of nearly four years of effort on the part of the Legislature, the Attorney General's office and the publishers, which brings together provisions of general statutory law having a common subject matter into a more orderly and logical framework of code titles and chapters, and employing a modern and effective section numbering system. A major by-product of the code revision will be the state-owned magnetic computer tape containing the Mississippi Code of 1972, which will be of invaluable assistance to the Legislature and to the state.

The enabling act for the code was a recommendation of the Mississippi State Bar, which resulted in the consideration and passage of Senate Bill 1964, Chapter 465, Laws of 1970, signed into law by Governor John Bell Williams.

The Code Committee provided for in that act was comprised of A. F. Summer, Attorney General, Heber Ladner, Secretary of State, Representative Edgar J. Stephens, Jr., Chairman, House Appropriations Committee, Senator William G. Burgin, Jr., Chairman, Senate Appropriations Committee, Representative H. L. Meredith, Jr., Chairman, House Judiciary "A" and Judiciary en banc Committees, Senator E. K. Collins, Chairman, Senate Judiciary "A" and Judiciary en banc Committees, Representative Ney McKinley Gore, Jr., Chairman, House Judiciary "B" Committee, and Senator William E. Alexander, Chairman, Senate Judiciary "B" Committee. In 1972, Representative Marby Robert Penton and Senator Herman B. Decell, Chairman of House and Senate Judiciary "B" Committees, respectively, became members of the Committee, replacing Representative Gore and Senator Collins, Senator Alexander having been appointed Chairman of Senate Judiciary "A" and Judiciary en banc Committees. The Deputy Attorney General, Delos H. Burks, served the Code Committee as Secretary. Special Assistant Attorney General Fred J. Lotterhos, under the supervision of the Attorney General, was assigned the principal responsibility for the supervision of the recodification, including the consideration and treatment of some 16,000 sections of code manuscript.

Final legislative approval was given to the Mississippi Code of 1972 by passage of Senate Bill 2034, Laws of 1972, which was signed by Governor William L. Waller on April 26, 1972. A copy of that act is set out in Volume 1, following the Publisher's Foreword.

The Code Committee is of the opinion that the recodification has been thoroughly and well accomplished, and will result in a greatly improved repository of the general statutory law of the state.

PUBLISHER'S FOREWORD

This 2011 Replacement Volume 11B of the Mississippi Code of 1972 Annotated represents material appearing in the original 1973 bound volume, the 2004 Replacement Volume 11B, and the 2000 Replacement Volume 11A, as well as reflecting amendments, repeals, and new Code provisions enacted by the Mississippi Legislature through the 2011 Regular Legislative Session.

This volume contains the text of Titles 45 and 47, of the Mississippi Code of 1972 Annotated, as amended through the 2011 Regular Legislative Session.

Case annotations are included based on decisions of the State and federal courts in cases arising in Mississippi. Many of these cases were decided under the former statutes in effect prior to the enactment of the Code of 1972. These earlier cases have been moved to pertinent sections of the Code where they may be useful in interpreting the current statutes. Annotations to collateral research references are also included.

To better serve our customers by making our annotations more current, LexisNexis has changed the sources that are read to create annotations for this publication. Rather than waiting for cases to appear in printed reporters, we now read court decisions as they are released by the courts. A consequence of this more current reading of cases, as they are posted online on LexisNexis, is that the most recent cases annotated may not yet have print reporter citations. These will be provided, as they become available, through later publications.

This publication contains annotations taken from decisions of the Mississippi Supreme Court and the Court of Appeals with decision dates up to August 17, 2010, and decisions of the appropriate federal courts with decision dates up to May 27, 2010. These cases will be printed in the following reporters:

- Southern Reporter, 3rd Series
- United States Supreme Court Reports
- Supreme Court Reporter
- United States Supreme Court Reports, Lawyers' Edition, 2nd Series
- Federal Reporter, 3rd Series
- Federal Supplement, 2nd Series
- Federal Rules Decisions
- Bankruptcy Reporter

Additionally, annotations have been taken from the following sources:

- American Law Reports, 6th Series
- American Law Reports, Federal Series
- Mississippi College Law Review
- Mississippi Law Journal

Finally, published Opinions of the Attorney General and opinions of the Ethics Commission have been examined for annotations.

A comprehensive Index appears at the end of this volume.

ADVANCE CODE SERVICE

Three times a year, at roughly quarterly intervals between delivery of Code supplement pocket parts, we publish the Mississippi Advance Code Service pamphlets. These pamphlets contain updated statutory material and annotations to Attorney General opinions, research and practice references, and recent court decisions construing the Code. Each pamphlet is cumulative, so that each is a "one-stop" source of case notes updating those in your Code bound volumes and pocket parts.

ADVANCE SHEETS

The Advance Sheets consist of a series of pamphlets issued in the spring. The series reproduces the acts passed by the Mississippi Legislature and

USER'S GUIDE

approved by the Governor during the legislative session. Features include tables showing the impact of legislation on sections of the Mississippi Code of 1972 Annotated, and a cumulative index. These pamphlets enable the user to receive a preview of approved legislation prior to supplement availability, and serve as an excellent source of legislative history.

AMENDMENT NOTES

Every time a Code provision is amended, we prepare a note describing the effect of the amendment. By reading the note, you can ascertain the impact of the change without having to check the former statute itself.

Amendment notes are retained in the Supplement until the bound volume is replaced, at which time notes from all but the last two years are deleted.

Amendment notes are available online from 1991 until the present in the Mississippi Legislative Archive.

ANALYSES

Each title, chapter, and article appearing in a bound volume or supplement is preceded by an analysis. The analysis details the scope of the title, chapter, and article and enables you to see at a glance the content of the title, chapter, and article without resorting to a page-by-page examination in the bound volume or supplement.

ATTORNEY GENERAL OPINIONS

Opinions of the Attorney General for the State of Mississippi have been read for constructions of Mississippi law. Notes describing the subject matter of the opinions have been placed under relevant Code provisions under the heading "Attorney General Opinions." The citation at the end of each note refers to the person requesting the opinion, the date of the opinion, and the opinion number.

CODE STATUS

The Mississippi Code of 1972 Annotated is Mississippi's official code and is considered evidence of the statute law of the State of Mississippi (see § 1-1-8). The Code was enacted by Chapter 394 of the Laws of 1972, which was signed by the Governor on April 26, 1972.

Title 1, Chapters 1 through 5 of the Code contain statutes governing the status and construction of the Code.

COMPARABLE LEGISLATION FROM OTHER STATES

Notes to comparable legislation from other states appear for uniform laws, interstate compacts, statutory provisions pertaining to reciprocity and cooper-

USER'S GUIDE

ation with other states, and various important statutes of general interest. Other states' statutes that are similar in subject matter and scope to those of Mississippi are cited, generally, under the first section of the chapter or article to which they pertain. Occasionally, comparable legislation pertains to only one section, in which case it is cited under that section rather than at the chapter or article level.

See also *Federal Aspects*.

COURT RULES

The Mississippi Court Rules are published separately by LexisNexis in a fully annotated softcover volume which is replaced annually and supplemented semi-annually.

The Court Rules volume contains statewide rules of procedure of the state courts, the local rules of the United States district courts and bankruptcy courts for Mississippi, and the rules of the United States Court of Appeals for the Fifth Circuit. Rules are received from the courts and edited only for stylistic consistency. For further information, see the Preface to the Mississippi Court Rules volume.

CROSS REFERENCES

Cross references refer you to notes under other Code sections, that may affect a law or place it in context. Cross references also are used under repealed provisions to refer you to an existing law on a similar subject. Cross references do not cite all related statutes, however, since these can be identified by using the General Index.

See also *Comparable Legislation from other States* and *Federal Aspects*.

EDITOR'S NOTES

Editor's notes are notes prepared by the Publisher that contain information about important or unusual features of a law, or special circumstances surrounding passage of the law, that are not apparent from the law's text.

See also *Effective Dates*.

EFFECTIVE DATES

Absent a specific effective date provision within an act, Mississippi laws generally take effect upon approval date, which is the date the act is signed into law by the Governor. Acts affecting voting rights and procedures take effect on the date the United States Attorney General interposes no objection under § 5 of the Voting Right Act of 1965.

USER'S GUIDE

FEDERAL ASPECTS

Notes to federal legislation that is similar in subject matter and scope to the laws of Mississippi are referenced throughout the Code. In addition, the Code contains the United States Code Service citation for any federal law that is referred to in a Mississippi statute by its popular name or by its session law designation.

See also *Comparable Legislation from other States*.

INDEX

The Code is completely indexed in two softcover Index volumes, which are updated and replaced annually. In addition, each volume of the Code is followed by its own index. As accurate and thorough as the Index is, your best defense against index wild goose chases is familiarity with indexing techniques. To that end, an explanatory Foreword to the Index appears in the first Index volume.

JOINT LEGISLATIVE COMMITTEE NOTES

Joint Legislative Committee notes are included in the Code to describe codification decisions made by the Mississippi Joint Legislative Committee on Compilation, Revision and Publication of Legislation. Examples of Committee actions that warrant the inclusion of a note are the integration of multiple amendments to a single Code section during the same legislative session, and the correction of typographical errors appearing in the Code.

JUDICIAL DECISIONS

Every reported case from the Supreme Court of Mississippi, the Court of Appeals of Mississippi, federal district courts for Mississippi, the federal Fifth Circuit Court of Appeals and the United States Supreme Court has been read for constructions of Mississippi law. These constructions are noted under pertinent sections of the statutes or Mississippi Constitution provisions, under the heading "Judicial Decisions." Where a decision has been reviewed by a higher court, subsequent judicial history and disposition is noted in the case note if such disposition has any bearing on the annotated material. Where two or more decisions state the same rule of law, the case citations are cumulated under one case note.

Case notes are grouped together under headings called "catchlines." The catchlines identify the basic subject matter of the case notes and assist the user in locating pertinent notes. Catchlines are numbered and arranged thematically, with "In general" first. Where there are two or more catchlines, an analysis, listing all the catchlines, precedes the annotations.

Frequently, statutes carry notes to cases that arose under earlier laws on the same subject. Case notes are retained so long as the editor believes the note

will have some relevance under current law, though of course the relevance may be diminished by later changes in the law. These case notes appear under the heading "Decisions under former law."

ORGANIZATION AND NUMBERING SYSTEM

The Code is organized by titles, chapters, articles, subarticles, undesignated centered headings and sections. Analyses at the beginning of each title, chapter, article, and subarticle help you understand the internal arrangement of each Code unit (see *Analyses*).

Odd numbers are generally used for the numbering of titles, chapters and sections. Even numbers have been used for some chapters and sections so that a particular new chapter or section might be logically placed with other chapters and sections dealing with the same or similar subject matter. Similarly, the use of numbers with decimal points has been used for some sections in order that they may be inserted among other sections pertaining to the same subject.

The title, chapter, and section for each Code section is revealed by its section number. Thus, in the designation "§ 1-3-65," the first digit ("1") means the provision is in Title 1 ("Laws and Statutes"); the second ("3") indicates Chapter 3 ("Construction of Statutes"); and the last two digits ("65") mean the 65th section in that chapter ("Construction of terms generally").

Articles and subarticles are not reflected by section number designations.

Within sections, subsections and paragraphs usually are designated following this pattern: (1)(a)(i)1. or (1)(a)(i)A. A distinctive indention scheme is applied to suggest the relative value of each unit within this hierarchy.

PLACEMENT OF NOTES

Where a note pertains to a single statute section, it will of course be set out following that section. In many instances, however, a note applies equally to several statute sections or to an entire chapter or article. If the pertinent sections are scattered, or few in number, the note will be duplicated for each section. But where the note applies to all or most of the sections in a chapter or article, we prevent the space-consuming repetition of notes by placing the note at the very beginning of the chapter or article.

REPLACEMENT VOLUMES

The Code is periodically updated and streamlined by the replacement of volumes. Although a current set of the Code contains all currently applicable statutes, we encourage you to retain replaced volumes and their supplement pockets parts for historical reference.

USER'S GUIDE

RESEARCH AND PRACTICE REFERENCES

Citations to references in American Jurisprudence, American Jurisprudence Pleading and Practice, American Jurisprudence Proof of Facts, American Jurisprudence Trials, American Law Reports, First through Sixth Series, ALR Federal, Corpus Juris Secundum, various other treatises and practice guides, and Mississippi law journals are given under this heading, wherever the references appear to discuss the statute under which the citation appears, or a topic related to the statute. These citations are intended only to give you a starting point for your library research. The Mississippi law journals include Mississippi Law Journal and Mississippi College Law Review.

SOURCE NOTES

Each section of the Code is followed by a brief note showing the acts of the legislature on which it is based, including the act that originally enacted the section and any subsequent amendments.

The source note follows the section text, preceding any other annotations for the section. Information in the source note is listed in chronological order, with the most recent information listed last. If a section has been renumbered, the former number will appear in the source note. :

The tables volume should also be consulted when researching the history of a statutory section, since it contains cross reference tables that provide a statutory citation for each section of the session laws and the date each act went into effect.

STATUTE HEADINGS

Headings or “catchlines” for Code sections and subsections are generally created and maintained by the publisher. They are mere catchwords and are not to be deemed or taken as the official title of a section or as a part of the section. Your suggestions for the improvement of particular catchlines are invited.

TABLES

The Mississippi Code of 1972 Annotated contains several tables that can assist you in your research. These are published in the Statutory Tables volume of the Code, and include the following:

- Sections of the Code of 1942 carried into the Code of 1972.

ATTORNEY GENERAL OPINIONS

Miss. Code Section 45-1-2 establishes organization of department of public safety; department is headed by commissioner of public safety, appointed by Governor; commissioner appoints six heads of offices who serve at will and pleasure of commissioner; and, commissioner is given great latitude in how to organize various offices. Head, Feb. 25, 1993, A.G. Op. #92-1007.

A municipal police department has concurrent jurisdiction with state security personnel over criminal activity that oc-

curs on state-owned property located within the municipal boundaries, but since there is no authority which gives primary jurisdiction to one agency over another, a cooperative effort should be made on the part of all agencies with jurisdiction to evaluate each occurrence of criminal activity on an individual basis and make a decision as to who should have primary jurisdiction based on the circumstances of the incident and the resources of each investigating agency. Pri-
chard, January 16, 1998, #98-0009.

§ 45-1-3. Rule-making power of commissioner.

When not otherwise specifically provided, the commissioner is authorized to make and promulgate reasonable rules and regulations to be coordinated, and carry out the general provisions of the Highway Safety Patrol and Driver's License Law of 1938.

SOURCES: Codes, 1942, § 8090; Laws, 1938, ch. 143.

Cross References — Highway Safety Patrol and Driver's License Law of 1938, see § 45-3-1 et seq. and 63-1-1 et seq.

Duty of commissioner to adopt a uniform system of traffic control devices, see § 63-3-301.

Department's authority to aid in establishment of education program for first offenders convicted of driving while intoxicated, see § 63-11-32.

§ 45-1-5. Employment of administrative, clerical and other employees.

The Commissioner of Public Safety is authorized and empowered to employ such administrative, professional, technical, stenographic, clerical and other employees as may be necessary to perform the duties of the Mississippi Highway Safety Patrol to comply with the provisions of the Mississippi Motor Vehicle Safety-Responsibility Law, being Chapter 15 of Title 63 of the Mississippi Code of 1972, and to perform the duties under all other laws required to be administered under the supervision of the commissioner. The commissioner shall fix the salaries of all such employees where such salaries are not otherwise fixed by law.

Editor's Note — Laws of 1993, ch. 508, § 13, effective July 1, 1993, provides as follows:

“SECTION 13. It is the intent of the Legislature that the Department of Public Safety shall assist the Mississippi Agricultural and Livestock Theft Bureau [established in § 69-29-1] until such time as the Bureau is fully funded and operational.”

JUDICIAL DECISIONS

1. In general.

Because of the pattern of past racial discrimination by the department of public safety in hiring non-sworn personnel, entrance examinations for such personnel were required to be validated and shown to be non-discriminatory; and the depart-

ment was temporarily required to first hire every black applicant who met minimal requirements set by the court. *Morrow v. Dillard*, 412 F. Supp. 494 (S.D. Miss. 1976), rev'd on other grounds, 580 F.2d 1284 (5th Cir. 1978).

§ 45-1-6. Special contract agents authorized; powers; qualifications; form of contract; agents not considered employees of Mississippi Bureau of Investigation.

(1) The Director of the Mississippi Bureau of Investigation is authorized to retain on a contractual basis such persons as he shall deem necessary to detect and apprehend violators of the criminal statutes of this state.

(2) Those persons contracting with the Director of the Mississippi Bureau of Investigation pursuant to subsection (1) shall be known and hereinafter referred to as “special contract agents.”

(3) The investigative services provided for in this section shall be designed to support local law enforcement efforts.

JUDICIAL DECISIONS

1. In general.

In an action by the state executive committee of a political party against the state commissioner for public safety in connection with a dispute over the proper fee for access to the complete drivers license records of the state, under §§ 25-61-7 and 45-1-21, the amount of the fee to be commensurate with the actual cost to the state of providing the copies of those records. *Roberts v. Mississippi Republican Party State Executive Comm.*, 465 So. 2d 1050 (Miss. 1985).

Political party provided with access to drivers license records may be charged

only for actual cost of providing copies of records. *Roberts v. Mississippi Republican Party State Executive Comm.*, 465 So. 2d 1050 (Miss. 1985).

In dispute over reasonableness of fee charged for providing drivers license records to political party, both § 25-61-7 and § 45-1-21 must be given effect since there is no express repeal of § 45-1-21 and no irreconcilable conflict between statutes. *Roberts v. Mississippi Republican Party State Executive Comm.*, 465 So. 2d 1050 (Miss. 1985).

(1) There is established a statewide alert system known as “Blue Alert” which shall be developed and implemented by the Bureau of Investigation of the Department of Public Safety.

(2) As used in this section, unless the context requires a different definition, the following terms shall have the following meanings:

(a) “Law enforcement agency” means a law enforcement agency with jurisdiction over the search for a suspect in a case involving the death or serious injury of a peace officer.

(b) “Peace Officer” means a law enforcement officer as defined in Section 45-6-3.

(c) “Director” means the director of the Bureau of Investigation.

(3) The “Blue Alert” system may be activated when a suspect for a crime involving the death or serious injury of a peace officer has not been apprehended, and law enforcement personnel have determined that the suspect may be a serious threat to the public.

(4) Upon notification by a law enforcement agency that a suspect in a case involving the death or serious injury of a peace officer has not been apprehended and may be a serious threat to the public, the director shall activate the “Blue Alert” system and notify appropriate participants in the “Blue Alert” system, as established by rule, if:

(a) A law enforcement agency believes that a suspect has not been apprehended;

(b) A law enforcement agency believes that the suspect may be a serious threat to the public; and

(c) Sufficient information is available to disseminate to the public that could assist in locating the suspect.

The area of the alert may be less than statewide if the director determines that the nature of the event makes it probable that the suspect did not leave a certain geographic location.

(5) Before requesting activation of the “Blue Alert” system, a law enforcement agency shall verify that the criteria described by this section have been satisfied. The law enforcement agency shall assess the appropriate boundaries of the alert based on the nature of the suspect and the circumstances surrounding the crime.

(6) The director shall terminate any activation of the “Blue Alert” system with respect to a particular suspect if:

(a) The suspect is located or the incident is otherwise resolved; or

(b) The director determines that the “Blue Alert” system is no longer an effective tool for locating the suspect.

(7) Any entity or individual involved in the dissemination of a “Blue Alert” generated pursuant to this section shall not be liable for any civil damages arising from that dissemination.

JUDICIAL DECISIONS

1. In general.

Highway patrolmen are not peace officers within the sense that sheriffs, constables and policemen are such to enforce general laws of state, but act within limited sphere of authority granted them under this statute [Code 1942, § 8079] and Code 1942, § 8082. *Smith v. Rankin County*, 208 Miss. 792, 45 So. 2d 592 (1950).

State highway patrolman, not being peace officer, has same authority that pri-

vate citizen would have to make arrest of a fleeing homicide under the same circumstances, and no more, and would be entitled to receive statutory reward the same as if he had been private citizen and had made arrest and delivery of prisoner under circumstances provided for by Code 1942, § 2482. *Smith v. Rankin County*, 208 Miss. 792, 45 So. 2d 592 (1950).

Editor's Note — Laws of 1984, ch. 518, § 5, as amended by Laws of 1984, 1st ex sess., ch. 28, § 3 and as amended by Laws of 1985, ch. 504, § 7, effective July 1, 1985, provides as follows:

“SECTION 5. (1) Nothing in Section 27-5-75 or 49-1-15 shall be construed to require employees who were hired prior to July 1, 1985, to retire prior to attaining the age of

sixty-five (65) years unless, after attaining the age of sixty-two (62) years on or before June 30, 1986, and those who attain the age of sixty (60) years thereafter, they have completed four (4) years of creditable service for purposes of the Public Employees' Retirement System, at which time they shall be retired forthwith.

"(2) Nothing in Section 27-5-75 or 49-1-15 shall be construed to prevent the State Tax Commission or the Mississippi Department of Wildlife Conservation from operating under an interim retirement policy until June 30, 1985, provided that said policy conforms with the provisions of The Age Discrimination In Employment Act of 1967, 29 U.S.C., Sections 621 et seq., including Section 623(f) thereof.

"(3) No inspection station employee or field inspector employed by the State Tax Commission, or conservation officer employed in the Bureau of Fisheries and Wildlife, shall be dismissed prior to July 1, 1985, solely because of his age, if said employee has not reached the age of seventy (70) years."

Amendment Notes — The 2010 amendment added the (1) designation, and therein, in the introductory paragraph, deleted "however, they may be less than twenty-one (21) years of age provided they hold a degree from an accredited four-year senior college or university" from the end, and added "and shall have"; added (1)(a) through (1)(c); and designated the former last sentence of the section as (2).

The 2011 amendment deleted "and one (1) year of continued satisfactory work experience in the field of law enforcement" at the end of (1)(a); rewrote (1)(b); and added (1)(d).

JUDICIAL DECISIONS

1. In general.

In order to eradicate the effects of past racial discrimination in hiring of highway patrol officers, the district court, pursuant to a mandate from the circuit court of appeals to insure an increase in the number of blacks, ordered the Department of Public Safety to submit a plan providing for a more extensive recruiting program, administration of a job related test, and, though quota hiring was not necessary, providing for, temporarily, giving first chance at employment to black applicants meeting minimal testing, physical, training and background requirements; the Department of Public Safety was also required to compile records and submit periodic reports to the district court so that court could determine whether the goal of increasing the number of blacks was met. *Morrow v. Dillard*, 412 F. Supp. 494 (S.D. Miss. 1976), rev'd on other grounds, 580 F.2d 1284 (5th Cir. 1978).

The requirement that highway patrol officers have a high school education or its equivalent bore a demonstrable relationship to successful performance of the job, was not shown to have a racially discriminatory impact, and thus did not violate the constitutional rights of minority races. *Morrow v. Dillard*, 412 F. Supp. 494 (S.D.

Miss. 1976), rev'd on other grounds, 580 F.2d 1284 (5th Cir. 1978).

In case involving alleged racial discrimination in employment practices of Mississippi Highway Patrol, U. S. District Court failed to order sufficient affirmative relief to eradicate state's unconstitutional practices, and case would be remanded, with guidelines, to fashion an appropriate decree which will have the certain result of increasing the number of blacks on the Highway Patrol. *Morrow v. Crisler*, 491 F.2d 1053 (5th Cir. 1974), stay denied, 417 U.S. 965, 94 S. Ct. 3169, 41 L. Ed. 2d 1137 (1974), cert. denied, 419 U.S. 895, 95 S. Ct. 173, 42 L. Ed. 2d 139 (1974), on remand, 412 F. Supp. 494 (S.D. Miss. 1976).

Highway patrolmen are not peace officers within the sense that sheriffs, constables and policemen are such to enforce general laws of state, but act within limited sphere of authority granted them under this statute [Code 1942, § 8079] and Code 1942, § 8082. *Smith v. Rankin County*, 208 Miss. 792, 45 So. 2d 592 (1950).

State highway patrolman, not being peace officer, has same authority that private citizen would have to make arrest of a fleeing homicide under the same circum-

stances, and no more, and would be entitled to receive statutory reward the same as if he had been private citizen and had made arrest and delivery of prisoner un-

der circumstances provided for by Code 1942, § 2482. *Smith v. Rankin County*, 208 Miss. 792, 45 So. 2d 592 (1950).

§ 45-3-21. Powers and duties of patrol, generally.

(1) The powers and duties of the Highway Safety Patrol shall be, in addition to all others prescribed by law, as follows:

(a) To enforce all of the traffic laws, rules and regulations of the State of Mississippi upon all highways of the state highway system and the rights-

off-way of such highways; provided, however, that if any person commits an offense upon the state highway system and be pursued by a member of the Highway Safety Patrol, such patrol officer may pursue and apprehend such offender upon any of the highways or public roads of this state, or to any other place to which such offender may flee.

(b) To enforce all rules and regulations of the commissioner promulgated pursuant to legal authority.

(c) When so directed by the Governor, to enforce any of the laws of this state upon any of the highways or public roads thereof.

(d) Upon the request of the State Tax Commission, and with the approval of the Governor, to enforce all of the provisions of law with reference to the registration, license and taxation of vehicles using the highways of this state, and relative to the sizes, weights and load limits of such vehicles, and to enforce the provisions of all other laws administered by the State Tax Commission upon any of the highways or public roads of this state; and for such purpose the Highway Safety Patrol shall have the authority to collect and receive all taxes which may be due under any of such laws, and to report and remit same to the State Tax Commission in the manner required by law, or the rules and regulations of the commission.

(e) Upon request of the Mississippi Transportation Commission, and when so instructed by the commissioner, to aid and assist in the enforcement of all laws which such agencies are authorized or required to enforce, and in the enforcement of the rules and regulations of such agencies, including the Mississippi Motor Carrier Regulatory Law of 1938 and rules and regulations promulgated thereunder.

(f) To arrest without warrant any person or persons committing or attempting to commit any misdemeanor, felony or breach of the peace within their presence or view, and to pursue and so arrest any person committing such an offense to and at any place in the State of Mississippi where he may go or be. Nothing herein shall be construed as granting the Mississippi Highway Safety Patrol general police powers.

(g) To aid and assist any law enforcement officer whose life or safety is in jeopardy. Additionally, officers of the Highway Safety Patrol may arrest without warrant any fugitive from justice who has escaped or who is using the highways of the state in an attempt to flee. With the approval of the commissioner or his designee, officers of the Highway Safety Patrol may assist other law enforcement agencies in manhunts for convicted felons who have escaped and/or for alleged felons where there is probable cause to believe that the person being sought committed the felony and a felony had actually been committed.

(h) To cooperate with the State Forest Service by reporting all forest fires.

(i) Upon request of the sheriff or his designee, or board of supervisors of any county or the chief of police or mayor of any municipality, and when so instructed by the commissioner or his designee, to respond to calls for assistance in a law enforcement incident; such request and action shall be

noted and clearly reflected on the radio logs of both the Mississippi Highway Safety Patrol district substation and that of the requesting agency, entered on the local NCIC terminal, if available, and a request in writing shall follow within forty-eight (48) hours. Additionally, the time of commencement and termination of the specific law enforcement incident shall be clearly noted on the radio logs of both law enforcement agencies.

(2) The Legislature declares that the primary law enforcement officer in any county in the State of Mississippi is the duly qualified and elected sheriff thereof, but for the purposes of this subsection there is hereby vested in the Department of Public Safety, in addition to the powers hereinabove mentioned and the other provisions of this section under the terms and limitations hereinafter mentioned and for the purpose of insuring domestic tranquility and for the purpose of preventing or suppressing, or both, crimes of violence, acts and conduct calculated to, or which may, provoke or lead to violence and/or incite riots, mobs, mob violence, a breach of the peace, and acts of intimidation or terror, the powers and duties to include the enforcement of all the laws of the State of Mississippi relating to such purposes, to investigate any violation of the laws of the State of Mississippi and to aid in the arrest and prosecution of persons charged with violating the laws of the State of Mississippi which relate to such purposes. Investigators of the Bureau of Investigation of the Department of Public Safety shall have general police powers to enforce all the laws of the State of Mississippi. All officers of the Department of Public Safety charged with the enforcement of the laws administered by that agency, for the purposes herein set forth, shall have full power to investigate, prevent, apprehend and arrest law violators anywhere in the state, and shall be vested with the power of general police officers in the performance of their duties. The officers of the Department of Public Safety are authorized and empowered to carry and use firearms and other weapons deemed necessary in the discharge of their duties as such and are also empowered to serve warrants and subpoenas issued under the authority of the State of Mississippi. The Governor shall be authorized to offer and pay suitable rewards to persons aiding in the investigation, apprehension and conviction of persons charged with acts of violence, or threats of violence or intimidation or acts of terrorism. The additional powers herein granted to or vested in the Department of Public Safety or any of its officers or employees by this section, excepting investigating powers, and those powers of investigators who shall have general police power, being the investigators in the Bureau of Investigation of the Department of Public Safety, shall not be exercised by the Department of Public Safety, or any of its officers or employees, except upon authority and direction of the Governor or Acting Governor, by proclamation duly signed, in the following instances, to wit:

(a) When requested by the sheriff or board of supervisors of any county or the mayor of any municipality on the grounds that mob violence, crimes of violence, acts and conduct of terrorism, riots or acts of intimidation, or either, calculated to or which may provoke violence or incite riots, mobs, mob violence, violence, or lead to any breach of the peace, or either, and acts of

intimidation or terror are anticipated, and when such acts or conduct in the opinion of the Governor or Acting Governor would provoke violence or any of the foregoing acts or conduct set out in this subsection, and the sheriff or mayor, as the case may be, lacks adequate police force to prevent or suppress the same.

(b) Acting upon evidence submitted to him by the Department of Public Safety, or other investigating agency authorized by the Governor or Acting Governor to make such investigations, because of the failure or refusal of the sheriff of any county or mayor of any municipality to take action or employ such means at his disposal, to prevent or suppress the acts, conduct or offenses provided for in subsection (1) of this section, the Governor or Acting Governor deems it necessary to invoke the powers and authority vested in the Department of Public Safety.

(c) The Governor or Acting Governor is hereby authorized and empowered to issue his proclamation invoking the powers and authority vested by this paragraph, as provided in paragraphs (a) and (b) of this subsection, and when the Governor or Acting Governor issues said proclamation in accordance herewith, said proclamation shall become effective upon the signing thereof and shall continue in full force and effect for a period of ninety (90) days, or for a shorter period if otherwise ordered by the Governor or Acting Governor. At the signing of the proclamation by the Governor or Acting Governor, the Department of Public Safety and its officers and employees shall thereupon be authorized to exercise the additional power and authority vested in them by this paragraph. The Governor and Acting Governor may issue additional proclamations for periods of ninety (90) days each under the authority of paragraphs (a) and (b) of this subsection (2).

(3) All proclamations issued by the Governor or Acting Governor shall be filed in the Office of the Secretary of State on the next succeeding business day.

(4) It is not the intention of this section to vest the wide powers and authority herein provided for, as general powers of the Department of Public Safety, and the same are not hereby so vested, but to limit these general powers to cases and incidents wherein it is deemed necessary to prevent or suppress the offenses and conditions herein mentioned in this and other subsections of this section, and under the terms and conditions hereinabove enumerated, it being the sense of the Legislature that the prime duties of the Department of Public Safety are to patrol the highways of this state and enforce the highway safety laws.

(5) Patrol officers shall have no interest in any costs in the prosecution of any case through any court; nor shall any patrol officer receive any fee as a witness in any court held in this state, whether a state or federal court.

(6) Provided, however, that the general police power vested by virtue of the terms of subsection (2) of this section is solely for the purposes set out in said subsection.

JUDICIAL DECISIONS

1. In general.

Highway patrolmen are not peace officers in the sense that sheriffs, constables and policemen are such to enforce general laws of state, but act within limited sphere of authority granted them under this statute [Code 1942, § 8082] and Code 1942, § 8079. *Smith v. Rankin County*, 208 Miss. 792, 45 So. 2d 592 (1950).

State highway patrolman, not being peace officer, has same authority that private citizen would have to make arrest of fleeing homicide under same circumstances, and no more, and would be enti-

tled to receive statutory reward the same as if he had been private citizen and had made arrest and delivery of prisoner under circumstances provided for by Code 1942, § 2482. *Smith v. Rankin County*, 208 Miss. 792, 45 So. 2d 592 (1950).

A highway patrolman is not vested with authority to begin chasing a motorist on the highway unless at the time he has good reason to believe, and does believe, that the motorist has or is violating the law at the time that the chase is begun. *Gause v. State*, 203 Miss. 377, 34 So. 2d 729 (1948).

ATTORNEY GENERAL OPINIONS

Legislature removed limitation on highway patrol that it could make arrest for crime committed in presence of officer only upon highway or rights-of-way, and that highway patrol officer may make arrest for misdemeanor, felony or breach of peace committed in his or her presence

anywhere in State of Mississippi. *Huffman*, April 26, 1990, A.G. Op. #90-0278.

Highway patrolman may not enforce municipal ordinances, including traffic ordinances; highway patrolman may pursue person who has committed offense upon state highway system onto any of high-

ways or public roads of state and additionally, highway patrolmen may assist chief of police in a law enforcement incident.

Buffington Sept. 1, 1993, A.G. Op. #93-0601.

abstracts, it shall be the duty of the commissioner to retain a copy for the use of, and inspection by, the State Auditor.

Nothing in this section, however, shall be construed to prevent or preclude the boards of supervisors of the several counties from employing county highway patrolmen as presently authorized by law, and said county patrolmen shall, when authorized by the commissioner and under rules and regulations with respect thereto, after completing such examinations and meeting such requirements as are specified by the commissioner, be entitled to wear the uniform and insignia of state highway safety patrolmen and discharge the duties thereof.

(2) It shall not be unlawful or a violation of this section for a retired State Highway Safety Patrol officer to wear the uniform and insignia of the State Highway Safety Patrol when making presentations, delivering speeches or addressing public or private audiences for the purpose of entertaining or amusing such audiences provided such retired officer obtains written authori-

JUDICIAL DECISIONS

1. In general.

While the drastic remedy of quota hiring is not indicated or necessary at this time, pattern of past racial discrimination by the Mississippi Highway Patrol mandates that the Patrol be temporarily required to first offer appointment to every black applicant who meets the following minimal qualifications which the court has determined to be valid: (1) the applicant passes the approved test; (2) he/she meets the statutory educational requirement; (3) he/she passes the physical examination and successfully completes training school; (4) he/she passes the Patrol's standardized background investigation. *Morrow v. Dillard*, 412 F. Supp. 494 (S.D. Miss. 1976), rev'd on other grounds, 580 F.2d 1284 (5th Cir. 1978).

In case involving alleged racial discrimination in employment practices of Mississippi Highway Patrol, U. S. District Court failed to order sufficient affirmative relief to eradicate state's unconstitutional practices, and case would be remanded, with guidelines, to fashion an appropriate decree which will have the certain result of increasing the number of blacks on the Highway Patrol. *Morrow v. Crisler*, 491 F.2d 1053 (5th Cir. 1974), stay denied, 417 U.S. 965, 94 S. Ct. 3169, 41 L. Ed. 2d 1137 (1974), cert. denied, 419 U.S. 895, 95 S. Ct. 173, 42 L. Ed. 2d 139 (1974), on remand, 412 F. Supp. 494 (S.D. Miss. 1976).

§ 45-3-49. Penalty for violating provisions of chapter.

It is a misdemeanor for any person to violate any of the provisions of this chapter unless such violation is declared by such law or other law of this state to be a felony.

Unless another penalty is provided in this chapter or by the laws of this state, every person convicted of a misdemeanor for the violation of any provision of this chapter shall be punished by fine of not more than Five Hundred Dollars (\$500.00) or by imprisonment for not more than six (6) months, or by both such fine and imprisonment.

(2) Jail officers serving under permanent appointment on January 1, 2000, shall not be required to meet certification requirements of this section as a condition of continued employment; nor shall failure of any such jail officer to fulfill such requirements make that person ineligible for any promotional examination for which that person is otherwise eligible. If any jail officer certified under this chapter leaves his employment and does not become employed as a jail officer within two (2) years from the date of termination of his prior employment, he shall be required to comply with board policy as to rehiring standards in order to be employed as a jail officer.

(3) In addition to the other requirements of this section, the Board on Jail Officer Standards and Training, by rules and regulations consistent with other provisions of law, shall fix other qualifications for the employment of jail officers, including education, physical and mental standards, citizenship, good moral character, experience and such other matters as relate to the compe-

Additionally, the board shall fix qualifications for the appointment or employment of part-time jail officers to essentially the same standards and requirements as jail officers. The board shall develop and implement a part-time jail officer training program that meets the same performance objectives and has essentially the same or similar content as the programs approved by the board for full-time jail officers.

(2) The board shall authorize, but only from such funds authorized and appropriated by the Legislature, the reimbursement to each governmental entity of at least fifty percent (50%) of the allowable salary and allowable tuition, living and travel expense incurred by jail officers in attendance at approved training programs, if the governmental entity does in fact adhere to the training standards established by the board. The board shall authorize, but only from such funds authorized and appropriated by the Legislature, the direct funding of a part-time jail officer training program. The board shall require the payment of a reasonable tuition fee to aid in funding the costs of administering the part-time jail officer training program.

§ 45-5-7. Instructors and curriculum.

The commissioner may furnish suitable instructors in the subject matter fields to be taught by assigning members of the Mississippi Highway Safety Patrol or by calling upon other agencies, departments, institutions or private individuals to provide competent instructors in their respective fields. In the alternative, the requesting authority may specify in its request that only the facilities be made available, the instructors being furnished by the requesting authority.

The curriculum of the academy shall be as prescribed by the commissioner; provided, however, that upon requesting the use of the academy the requesting authority may also request a particular course of instruction if the same be available.

The sheriff of each county, and the mayor of each municipality, is hereby authorized and empowered to appoint as many extra deputy sheriffs and as many extra deputy police officers, as the case may be, as he deems necessary for the purposes herein. Each applicant to the academy herein created shall be subject to approval by the Commissioner of Public Safety who shall be the sole judge of the qualifications of such applicant, and when deemed necessary for the purposes herein, the sheriff and mayor, as the case may be, shall have the power and authority to order said deputies to perform any of the duties required under this chapter, and all such deputies ordered to do so shall have the full power and authority so to do as is vested in other police or peace officers of this state. Such deputies shall be paid for services rendered such compensation and may be furnished such uniforms and equipment as may be agreed upon by the sheriff with approval of the board of supervisors, and by the mayor, with the approval of the governing authorities of such municipality, same to be paid from any available county funds, and/or any available municipal funds, as the case may be. Each such deputy shall give bond, with sufficient surety, to be payable, conditioned and approved as provided by law, in a penalty not less than Fifty Thousand Dollars (\$50,000.00). All municipalities, counties, districts, other political subdivisions and agencies of the state shall comply with subsection (4) of Section 45-6-13 in the event that an officer leaves one governmental entity and becomes employed by another governmental entity within three (3) years. The Legislature finds that the administration of criminal justice is of statewide concern, and that the activities of law enforcement officers are important to the health, safety and welfare of the people of this state and are of such nature as to require selection, education and training of a professional nature upon entrance and during the careers of law enforcement officers. It is the intent of the Legislature to provide for the coordination of training programs for law enforcement officers and to set standards therefor.

§ 45-6-3. Definitions.

For the purposes of this chapter, the following words shall have the meanings ascribed herein, unless the context shall otherwise require:

(a) "Commission" means the Criminal Justice Planning Commission.

(b) "Board" means the Board on Law Enforcement Officer Standards and Training.

(c) "Law enforcement officer" means any person appointed or employed full time by the state or any political subdivision thereof, or by the state military department as provided in Section 33-1-33, who is duly sworn and vested with authority to bear arms and make arrests, and whose primary responsibility is the prevention and detection of crime, the apprehension of criminals and the enforcement of the criminal and traffic laws of this state and/or the ordinances of any political subdivision thereof. The term "law enforcement officer" also includes employees of the Department of Corrections who are designated as law enforcement officers by the Commissioner of Corrections pursuant to Section 47-5-54, and includes those district attorney criminal investigators who are designated as law enforcement officers. However, the term "law enforcement officer" shall not mean or include any elected official or any person employed as a legal assistant to a district attorney in this state, compliance agents of the State Board of Pharmacy, or any person or elected official who, subject to approval by the board, provides some criminal justice related services for a law enforcement agency. As used in this paragraph, "appointed or employed full time" means any person who is receiving gross compensation for his duties as a law enforcement officer of Two Hundred Fifty Dollars (\$250.00) or more per week or One Thousand Seventy-five Dollars (\$1,075.00) or more per month.

(d) "Part-time law enforcement officer" shall mean any person appointed or employed in a part-time, reserve or auxiliary capacity by the state or any political subdivision thereof who is duly sworn and vested with authority to bear arms and make arrests, and whose primary responsibility is the prevention and detection of crime, the apprehension of criminals and the enforcement of the criminal and traffic laws of this state or the ordinances of any political subdivision thereof. However, the term "part-time law enforcement officer" shall not mean or include any person or elected official who, subject to approval by the board, provides some criminal justice related services for a law enforcement agency. As used in this paragraph, "appointed or employed" means any person who is performing such duties at any time whether or not they receive any compensation for duties as a law enforcement officer provided that such compensation is less than Two Hundred Fifty Dollars (\$250.00) per week or One Thousand Seventy-five Dollars (\$1,075.00) per month.

(e) "Law enforcement trainee" shall mean any person appointed or employed in a full-time, part-time, reserve or auxiliary capacity by the state or any political subdivision thereof for the purposes of completing all the selection and training requirements established by the board to become a law enforcement officer or a part-time law enforcement officer. Such individuals shall not have the authority to use force, bear arms, make arrests or exercise any of the powers of a peace officer unless:

(i) The trainee is under the direct control and supervision of a law enforcement officer;

- (ii) The trainee was previously certified under this chapter; or
- (iii) The trainee is a certified law enforcement officer in a reciprocating state.

JUDICIAL DECISIONS

1. In general.

In a prosecution for simple assault upon a law enforcement officer, the trial court did not err in finding that the victim was a "law enforcement officer" acting within the scope of his duties at the time of the offense, even though he had not attended the law enforcement training academy as required by § 45-6-3(c), since he was a "de jure deputy sheriff" where he was appointed by the sheriff pursuant to § 19-25-19 to act as a jailer, and he was wearing a signed identification card and a uniform at the time of the offense. *Amerson v. State*, 648 So. 2d 58 (Miss. 1994).

Section 45-6-3(c), which establishes the requirements for training of law enforcement officers who have been given traditional law enforcement duties, was not applicable in a prosecution for simple assault upon a law enforcement officer in which the defendant contended that the victim was not a "law enforcement officer" within the meaning of § 97-3-7 because he had not attended the training academy as required by § 45-6-3(c). *Amerson v. State*, 648 So. 2d 58 (Miss. 1994).

A capital murder indictment charging the defendant with the killing of a police officer "while acting in his official capacity ... with knowledge that the victim was a peace officer" was not defective, despite the defendant's argument that the victim was not authorized to exercise the powers of an officer pursuant to § 45-6-11 because he had one year from the date he became employed as a law enforcement officer to obtain his certification from the State of Mississippi Board on Law Enforcement Standards and Training and the victim did not have this certification though he had been employed by the police department for 14 months, where the victim had been a part time police officer until 3 or 4 months prior to his death when he had become full time, and therefore he had 8 or 9 months until certification was necessary since he met the definition of a law enforcement officer for only 3 or 4 months in accordance with § 45-6-3(c), which defines a law enforcement officer as "any person appointed or employed full time by the State or any political subdivision thereof ..." (emphasis added). *Green v. State*, 614 So. 2d 926 (Miss. 1992).

ATTORNEY GENERAL OPINIONS

Any law enforcement officer who has had certificate suspended, canceled or recalled may not work, even on part-time

basis, but prohibition of § 45-6-11 as to part-time work does not apply to person who never had certificate or who has one

that has not been suspended, canceled or recalled. Gregory, July 14, 1993, A.G. Op. #93-0418.

Deputy sheriff who is performing law enforcement duties as defined in Section 45-6-3(c) is considered law enforcement officer for purposes of Section 45-6-13. Whitmore, March 3, 1994, A.G. Op. #93-0932.

The town marshal must be certified by the Board of Law Enforcement Officers Standards and Training if he is a "full time law enforcement officer" under 45-6-3 or he may be grandfathered under Section 45-6-11(1). Smith, August 23, 1995, A.G. Op. #95-0564.

An Animal Control Officer, who also issues parking tickets, is required by state law to attend the police academy, as are other police officers who are employed by the City Police Department, if that employee meets the definition of law enforcement officer found at Section 45-6-3. Peebles, September 27, 1995, A.G. Op. #95-0617.

An employee who makes \$6.49 an hour may work up to 19 hours per week or 77 hours per month as a law enforcement officer without being classified a full time law enforcement officer. Booth, Aug. 1, 1997, A.G. Op. #97-0456.

The statute allows a law enforcement agency to hire an individual to perform criminal justice related services, such as service of process, without giving that individual full law enforcement authority. Simmons, August 28, 1998, A.G. Op. #98-0505.

A noncompensated special contract agent with the Mississippi Bureau of Narcotics meets the definition of "part-time law enforcement officer" within the meaning of the statute. Jones, September 29, 1998, A.G. Op. #98-0512.

The Board of Levee Commissioners for the Yazoo-Mississippi Delta does not have the lawful authority to establish and maintain independently of any other law enforcement agency a department charged with the enforcement of law in respect to the levee over which it has responsibility. Chaffin, July 9, 1999, A.G. Op. #99-0336.

As long as a county board of supervisors specifies that an individual will receive

less than \$500.00 per month for law enforcement duties performed during a month and any other amount of compensation will be as a result of his administrative duties, the officer may be classified as part-time. Munn, Aug. 31, 2001, A.G. Op. #01-0528.

The cumulative total compensation paid to a part-time law enforcement officer from all political subdivisions must be less than \$500.00 per month; thus, the governing authorities of a political subdivision may not pay a part-time law enforcement officer an amount that would cause the officer's compensation to exceed the statutory limit, but any compensation received by the part-time law enforcement officer from sources other than a political subdivision are not counted against the statutory limit. Hatcher, Feb. 8, 2002, A.G. Op. #02-0018.

If a law enforcement officer has completed the required training and has been certified by the Board on Law Enforcement Standards and Training, he has the authority to exercise all of the powers and duties of a law enforcement officer, regardless of the compensation he receives; however, if the individual has not completed the required training he would be considered a law enforcement trainee and could only exercise the law enforcement authority if he were under the control and supervision of a properly trained officer. Pitts, Apr. 26, 2002, A.G. Op. #02-0197.

A constable may not work as a municipal police officer under the constable's training certificate. Stone, May 2, 2003, A.G. Op. 03-0201.

A law enforcement trainee does not have the authority to use force, bear arms, make arrests or exercise any of the powers of a peace officer unless under the direct control and supervision of a law enforcement officer that has been certified. Stone, May 2, 2003, A.G. Op. 03-0201.

A police officer of a municipality must be sworn before assuming any law enforcement duties, however, there is no requirement that a police officer must be sworn in by the Mayor or Vice-Mayor; a municipal court judge is the 'police justice' of a municipality and, therefore, could administer the oath of office. Thomas, May 9, 2003, A.G. Op. 03-0212.

There is no prohibition against a part time law enforcement officer serving as a police chief, or in another supervisory capacity in which he or she will supervise full time law enforcement officers. Jones, July 7, 2004, A.G. Op. 04-0288.

The term "under the direct control and supervision of a law enforcement officer" mean that a law enforcement trainee must have some on-site or on-location supervision by a certified law enforcement officer. Miller, Aug. 19, 2004, A.G. Op. 04-0388.

A non-certified law enforcement trainee has the same power and authority as a law enforcement officer while they are under the direct control and supervision of a certified law enforcement officer. Miller, Aug. 19, 2004, A.G. Op. 04-0388.

A non-certified law enforcement trainee who has personal knowledge of a crime may make an affidavit to such effect and present it to a judge. This would include information concerning traffic violations. However, any warrant that might be issued by the judge would only be able to be

served by the law enforcement trainee if he were under the direct control and supervision of a certified officer. Miller, Aug. 19, 2004, A.G. Op. 04-0388.

A non-certified law enforcement trainee has the same power and authority as a law enforcement officer while under the direct control and supervision of a certified law enforcement officer. Sanders, Dec. 9, 2005, A.G. Op. 05-0587.

Authority to hire, fire, set compensation, and define duties of municipal employees rests solely with the board of aldermen, subject to mayoral veto power. Whether a part-time police chief is sufficient to satisfy the municipality's statutory duty to provide police protection is a factual determination to be made by the governing authority. If a municipality does not have a police chief, the board of aldermen must appoint one. An untrained part-time police officer is a law enforcement trainee who must be supervised by a certified officer and has two years from hiring to become certified. McLain, March 2, 2007, A.G. Op. #07-00069, 2007 Miss. AG LEXIS 82.

The board shall adopt rules and regulations governing times and places for meetings and governing the manner of conducting its business, but the board shall meet at least every three (3) months.

(6) The Governor shall call an organizational meeting of the board not later than thirty (30) days after April 7, 1981.

ATTORNEY GENERAL OPINIONS

§ 45-6-7. Powers of board.

In addition to the powers conferred upon the board elsewhere in this chapter, the board shall have power to:

(a) Promulgate rules and regulations for the administration of this chapter, including the authority to require the submission of reports and information by law enforcement agencies of the state and its political subdivisions.

(c) Certify persons as being qualified under the provisions of this chapter to be law enforcement officers or part-time law enforcement officers.

(d) Revoke certification for cause and in the manner provided in this chapter. The board is authorized to subpoena documents regarding revocations. (i) Approve law enforcement officer training schools for operation by or for the state or any political subdivision thereof for the specific purpose of training personnel defined in this chapter.

(k) Upon request of agencies within the purview of this chapter, conduct general and specific management surveys and studies of the operations of the requesting agencies at no cost to those agencies. The role of the board under this subsection shall be that of management consultant.

(m) Enter into contracts or do such things as may be necessary and incidental to the administration of this chapter.

ATTORNEY GENERAL OPINIONS

If a law enforcement officer who was certified prior to March 11, 2004 and who participated in a pretrial diversion program prior to that date is later laterally transferred from one law enforcement agency to another, the officer may not be denied transfer of certification to the new

agency because of a March 11, 2004 change in the Professional Certification Policy of the Mississippi Board of Law Enforcement Officer Standards and Training. Davis, March 30, 2007, A.G. Op. #07-00148, 2007 Miss. AG LEXIS 66.

§ 45-6-9. Administrative and fiscal support provided by criminal justice planning commission.

The criminal justice planning commission shall provide administrative and fiscal support for the board on law enforcement officer standards and training, and the executive director of the commission shall serve as the director of the board.

§ 45-6-11. Law enforcement officer qualifications; recertification after leaving law enforcement; certification; reprimand, suspension or revocation of certification.

(1) Law enforcement officers already serving under permanent appointment on July 1, 1981, and personnel of the Division of Community Services under Section 47-7-9, Mississippi Code of 1972, serving on July 1, 1994, shall not be required to meet any requirement of subsections (3) and (4) of this section as a condition of continued employment; nor shall failure of any such law enforcement officer to fulfill such requirements make that person ineligible for any promotional examination for which that person is otherwise eligible. Provided, however, if any law enforcement officer certified under the provisions of this chapter leaves his employment as such and does not become employed as a law enforcement officer within two (2) years from the date of termination of his prior employment, he shall be required to comply with board policy as to rehiring standards in order to be employed as a law enforcement officer; except, that, if any law enforcement officer certified under this chapter leaves his employment as such to serve as a sheriff, he may be employed as a law enforcement officer after he has completed his service as a sheriff without being required to comply with board policy as to rehiring standards. Part-time law enforcement officers serving on or before July 1, 1998, shall have until July 1, 2001, to obtain certification as a part-time officer.

(2)(a) Any person who has twenty (20) years of law enforcement experience and who is eligible to be certified under this section shall be eligible for recertification after leaving law enforcement on the same basis as someone who has taken the basic training course. Application to the board to qualify under this paragraph shall be made no later than June 30, 1993.

(b) Any person who has twenty-five (25) years of law enforcement experience, whether as a part-time, full-time, reserve or auxiliary officer, and who has received certification as a part-time officer, may be certified as a law enforcement officer as defined in Section 45-6-3(c) without having to meet further requirements. Application to the board to qualify under this paragraph shall be made no later than June 30, 2009.

(3)(a) No person shall be appointed or employed as a law enforcement officer or a part-time law enforcement officer unless that person has been certified as being qualified under the provisions of subsection (4) of this section.

(b) No person shall be appointed or employed as a law enforcement trainee by any law enforcement unit for a period to exceed two (2) years. The

prohibition against the appointment or employment of a law enforcement trainee for a period not to exceed two (2) years may not be nullified by terminating the appointment or employment of such a person before the expiration of the time period and then rehiring the person for another period. Any person, who, due to illness or other events beyond his control, could not attend the required school or training as scheduled, may serve with full pay and benefits in such a capacity until he can attend the required school or training.

(c) No person shall serve as a law enforcement officer in any full-time, part-time, reserve or auxiliary capacity during a period when that person's certification has been suspended, cancelled or recalled pursuant to the provisions of this chapter.

(4) In addition to the requirements of subsections (3), (7) and (8) of this section, the board, by rules and regulations consistent with other provisions of law, shall fix other qualifications for the employment of law enforcement officers, including minimum age, education, physical and mental standards, citizenship, good moral character, experience and such other matters as relate to the competence and reliability of persons to assume and discharge the responsibilities of law enforcement officers, and the board shall prescribe the means for presenting evidence of fulfillment of these requirements. Additionally, the board shall fix qualifications for the appointment or employment of part-time law enforcement officers to essentially the same standards and requirements as law enforcement officers. The board shall develop and implement a part-time law enforcement officer training program that meets the same performance objectives and has essentially the same or similar content as the programs approved by the board for full-time law enforcement officers and the board shall provide that such training shall be available locally and held at times convenient to the persons required to receive such training.

(5) Any elected sheriff, constable, deputy or chief of police may apply for certification. Such certification shall be granted at the request of the elected official after providing evidence of satisfaction of the requirements of subsections (3) and (4) of this section. Certification granted to such elected officials shall be granted under the same standards and conditions as established by law enforcement officers and shall be subject to recall as in subsection (7) of this section.

(6) The board shall issue a certificate evidencing satisfaction of the requirements of subsections (3) and (4) of this section to any applicant who presents such evidence as may be required by its rules and regulations of satisfactory completion of a program or course of instruction in another jurisdiction equivalent in content and quality to that required by the board for approved law enforcement officer education and training programs in this state, and has satisfactorily passed any and all diagnostic testing and evaluation as required by the board to ensure competency.

(7) Professional certificates remain the property of the board, and the board reserves the right to either reprimand the holder of a certificate, suspend a certificate upon conditions imposed by the board, or cancel and recall any certificate when:

- (a) The certificate was issued by administrative error;
- (b) The certificate was obtained through misrepresentation or fraud;
- (c) The holder has been convicted of any crime involving moral turpitude;
- (d) The holder has been convicted of a felony;
- (e) The holder has committed an act of malfeasance or has been dismissed from his employing law enforcement agency; or
- (f) Other due cause as determined by the board.

(8) When the board believes there is a reasonable basis for either the reprimand, suspension, cancellation of, or recalling the certification of a law enforcement officer or a part-time law enforcement officer, notice and opportunity for a hearing shall be provided in accordance with law prior to such reprimand, suspension or revocation.

(9) Any full- or part-time law enforcement officer aggrieved by the findings and order of the board may file an appeal with the chancery court of the county in which such person is employed from the final order of the board. Such appeals must be filed within thirty (30) days of the final order of the board.

(10) Any full- or part-time law enforcement officer whose certification has been cancelled pursuant to this chapter may reapply for certification, but not sooner than two (2) years after the date on which the order of the board cancelling such certification becomes final.

Amendment Notes — The 2009 amendment designated the former provisions of (2) as (2)(a), added (b), and substituted “this paragraph” for “this subsection” in the last sentence of (a); and in (7), added (e), and redesignated former (e) as present (f), and made a minor stylistic change.

JUDICIAL DECISIONS

1. In general.
2. Illness or other events.
3. Suspension or revocation of certification.

1. In general.

This section only permits the grandfathering of law enforcement officers in service in Mississippi on July 1, 1981, and does not allow grandfathering of law enforcement officers employed in other states on that date. Board on Law Enforcement Officer Stds. & Training v. Voyles, 732 So. 2d 216 (Miss. 1999).

Unemployment compensation claimant's failure to pass physical fitness test required to receive certification as police officer after his first year of employment was "misconduct" disqualifying him from receiving benefits; claimant's actions were clearly in wanton disregard of employer's interest, and claimant had ability to pass physical test within his personal control but evidence showed that he did not attempt to keep his physical fitness up to standards required to pass test. City of Clarksdale v. Mississippi Emp. Sec. Comm'n, 699 So. 2d 578 (Miss. 1997).

Section 45-6-11 does not create private right of action for recovery of damages, therefore any claim attempted to be directly asserted under that section, in action by arrestee against city and police chief under 42 USCS § 1983 alleging that arrestee was arrested by inadequately trained officer and detained for 8 hours without being informed about charges against him, should be dismissed. White v. Taylor, 775 F. Supp. 962 (S.D. Miss. 1990), rev'd on other grounds, 959 F.2d 539 (5th Cir. 1992).

A capital murder indictment charging the defendant with the killing of a police officer "while acting in his official capacity...with knowledge that the victim was a peace officer" was not defective, despite the defendant's argument that the victim was not authorized to exercise the powers of an officer pursuant to § 45-6-11 because he had one year from the date he became employed as a law enforcement officer to obtain his certification from the State of Mississippi Board on Law En-

forcement Standards and Training and the victim did not have this certification though he had been employed by the police department for 14 months, where the victim had been a part time police officer until 3 or 4 months prior to his death when he had become full time, and therefore he had 8 or 9 months until certification was necessary since he met the definition of a law enforcement officer for only 3 or 4 months in accordance with § 45-6-3(c), which defines a law enforcement officer as "any person appointed or employed full time by the State or any political subdivision thereof. . ." (emphasis added). Green v. State, 614 So. 2d 926 (Miss. 1992).

2. Illness or other events.

The exception for a person, who, due to illness or other events beyond his control, could not attend the required school or training as scheduled, applies only to one who will later be able to attend and does not apply to a person with a degenerative medical condition that will not improve. Board on Law Enforcement Officer Stds. & Training v. Voyles, 732 So. 2d 216 (Miss. 1999).

3. Suspension or revocation of certification.

Chancery court improperly reversed the cancellation of a police officer's certificate by the Board on Law Enforcement Officer Standards and Training under Miss. Code Ann. § 45-6-11 because the board's findings as to the officer's cocaine possession were based on substantial evidence, notwithstanding the officer's previous acquittal on criminal charges and award of unemployment compensation benefits. Miss. Bd. on Law Enforcement Officer Stds. & Training v. Clark, 964 So. 2d 570 (Miss. Ct. App. 2007).

A law enforcement officer's certificate was properly recalled where the officer pled guilty for the limited purpose of treating his offense under § 99-15-26, he successfully completed the conditions imposed by the court upon such plea, and the cause was dismissed without a formal adjudication of guilt. Board on Law Enforcement Officer Stds. & Training v.

Rushing, 752 So. 2d 1085 (Miss. Ct. App. 1999).

ATTORNEY GENERAL OPINIONS

Individual whose license has been canceled is not eligible for reinstatement as full-time law enforcement officer. Windom, Jan. 24, 1990, A.G. Op. #90-0025.

Law enforcement officer, whose certification is suspended, cannot, under Miss. Code Section 45-6-11(2), be employed on part-time reserve status. Sullivan, June 8, 1993, A.G. Op. #0355.

Any law enforcement officer who has had certificate suspended, canceled or recalled may not work, even on part-time basis, but prohibition as to part-time work does not apply to person who never had certificate or who has one that has not been suspended, canceled or recalled. Gregory, July 14, 1993, A.G. Op. #93-0418.

If a constable has been in office more than twenty-four months, as provided in Section 45-6-11, the statute would preclude a county from compensating a constable for fees generated under Section 25-7-27(e), for serving warrants and other process, attending all trials in state cases in which the state fails in the prosecution, prior to satisfying the training requirement of Section 19-19-5(2). Carroll, February 16, 1995, A.G. Op. #95-0072.

The town marshal must be certified by the Board of Law Enforcement Officers Standards and Training if he is a "full time law enforcement officer" under 45-6-3 or he may be grandfathered under Section 45-6-11(1). Smith, August 23, 1995, A.G. Op. #95-0564.

A full-time law enforcement officer who was appointed or hired prior to July 1, 1998, but has not received training or been certified as a law enforcement officer, may continue to serve in his capacity as a full-time officer with full authority as a peace officer without being under the direct control and supervision of a certified law enforcement officer for up to one year after being appointed or hired before he is required to obtain the proper training and become certified. Lawrence, August 10, 1998, A.G. Op. #98-0472.

If a law enforcement officer has been grandfathered with respect to certification and has continued to work as a law enforcement officer without a break in service, he may continue to serve in a law enforcement capacity without certification. Lewers, Aug. 31, 2001, A.G. Op. 01-0522.

A law enforcement trainee has two years to become certified with such two year period being cumulative and not starting over upon termination and rehire. Brinkley, Nov. 2, 2001, A.G. Op. 01-0675.

Unless a law enforcement officer has been grandfathered with respect to certification and has continued to work as a law enforcement officer without a break in service he may not serve as chief of police. Miller, Feb. 4, 2005, A.G. Op. 04-0649.

Authority to hire, fire, set compensation, and define duties of municipal employees rests solely with the board of aldermen, subject to mayoral veto power. Whether a part-time police chief is sufficient to satisfy the municipality's statutory duty to provide police protection is a factual determination to be made by the governing authority. If a municipality does not have a police chief, the board of aldermen must appoint one. An untrained part-time police officer is a law enforcement trainee who must be supervised by a certified officer and has two years from hiring to become certified. McLain, March 2, 2007, A.G. Op. #07-00069, 2007 Miss. AG LEXIS 82.

If a law enforcement officer who was certified prior to March 11, 2004 and who participated in a pretrial diversion program prior to that date is later laterally transferred from one law enforcement agency to another, the officer may not be denied transfer of certification to the new agency because of a March 11, 2004 change in the Professional Certification Policy of the Mississippi Board of Law Enforcement Officer Standards and Training. § 45-6-13. Reimbursement for attending training program; professional library.

(1) The board shall establish, provide or maintain law enforcement training programs through such agencies and institutions as the board may deem appropriate.

(2) The board shall authorize, but only from such funds authorized and appropriated by the Legislature, the reimbursement to each political subdivision and to state agencies of at least fifty percent (50%) of the allowable salary and allowable tuition, living and travel expense incurred by law enforcement officers in attendance at approved training programs, provided said political subdivisions and state agencies do in fact adhere to the selection and training standards established by the board. The board shall authorize, but only from such funds authorized and appropriated by the Legislature, the direct funding of a part-time law enforcement officer training program. The board shall require the payment of a reasonable tuition fee to aid in funding the costs of administering the part-time law enforcement officer training program.

(3) The board is authorized to expend funds for the purpose of providing a professional library and training aids that will be available to state agencies and political subdivisions.

(4) If any full- or part-time law enforcement officer in this state who is employed by a municipality, county or other governmental entity shall, within three (3) years after the date of his employment, resign from, or be terminated from, employment by such entity and immediately become employed by another governmental entity in a law enforcement capacity, then the governmental entity by which the resigned or terminated officer is employed shall reimburse the governmental entity from which the officer resigned or was terminated a proportionate share of the officer's law enforcement training expenses which were incurred by such entity, if any.

ATTORNEY GENERAL OPINIONS

Deputy sheriff is not law enforcement officer as defined in Section 45-6-3(c) at time of appointment, but is considered law enforcement officer at time he or she begins to perform law enforcement duties. Whitmore, March 3, 1994, A.G. Op. #93-0932.

Under Section 45-6-13(4), a law enforcement agency that terminates an officer

within three years of the date of his employment is entitled to reimbursement of training expenses from another agency if that officer is hired by the other agency within thirty days from the termination. Best, August 31, 1995, A.G. Op. #95-0602.

Under Section 45-6-13(4), only the actual expenses incurred by the police agency for the training of the officer

should be reimbursed. These include the same expenses reimbursable under Section 46-6-13(2). Russell, August 31, 1995, A.G. Op. #95-0576.

Pursuant to Section 45-6-13(4), "law enforcement training expenses" which must be reimbursed are those listed in subsection (2), namely, "the salary and allowable tuition, living and travel expense incurred by the officers in attendance at approved training programs ..." Proportionate share would be determined on a total 3 year basis pro rated over 36 months, for example: if the officer worked 24 months for the first entity, the second entity would have to reimburse the first for 12/36ths of the total expenses. See paragraph 20.3.1, Policy and Procedures of the Board of Law Enforcement Officers Standards and Training. McWilliams, December 20, 1996, A.G. Op. #96-0801.

Any money received from a federal grant that is used to pay for training expenses of a law enforcement officer will be included in the actual expense incurred by an entity when calculating the transfer reimbursement amount that a hiring entity is obligated to pay to the entity from which the officer is leaving; in other

words, a federal grant does not change the amount of transfer reimbursement that is owed by a hiring entity to the entity from which the law enforcement officer is leaving. Thach, January 22, 1999, A.G. Op. #99-0013.

A governmental entity may recover a proportionate share of the law enforcement training expenses incurred by it for any officer that leaves employment within three years after the date of his employment with that entity and immediately becomes employed by another governmental entity in a law enforcement capacity; this would include any training expenses incurred by an entity that were paid to another entity as reimbursement of the officer's original training expenses. White, June 25, 1999, A.G. Op. #99-0298.

Clothing expenses incurred on behalf of an officer sent to a police academy are not part of the training expenses that constitute the transfer reimbursement as specified in Section 45-6-13(4). Lawrance, Apr. 11, 2003, A.G. Op. 03-0156.

The phrase "within three (3) years after the date of employment" in subsection (4) of this section refers to the date of hire. Richardson, Feb. 14, 2005, A.G. Op. 05-0025.

§ 45-6-15. Law Enforcement Officers Training Fund.

(1)(a) Such assessments as are collected under Section 99-19-73, Mississippi Code of 1972, and contributions, grants and other monies received by the board under the provisions of this chapter shall be deposited in a special fund hereby created in the State Treasury and designated the "Law Enforcement Officers Training Fund," which shall be expended by the board to defray the expenses of the program as authorized and appropriated by the Legislature.

(b) Twenty-five percent (25%) of the assessments collected under Section 99-19-73, Mississippi Code of 1972, shall be deposited into the "Jail Officer Training Account" which is hereby created in the "Law Enforcement Officers Training Fund." The funds in such account shall be expended by the Board on Jail Officer Standards and Training to defray the expenses of the jail officers training program as authorized and appropriated by the Legislature.

(c) Unexpended amounts remaining in the fund and account at the end of the fiscal year shall not lapse into the State General Fund and any interest earned on the fund shall be deposited to the credit of the fund.

(2) The board may accept for any of its purposes and functions under this chapter any and all donations, both real and personal property, and grants of

money from any governmental unit or public agency, or from any institution, person, firm or corporation.

(3) Money authorized and appropriated by the Legislature shall be paid by the State Treasurer upon warrants issued by the Department of Finance and Administration, which shall issue its warrants upon requisitions signed by the proper person, officer or officers of the commission, in the manner provided by law.

(2) Any state agency or political subdivision that employs a person as a full- or part-time law enforcement officer who does not meet the requirements of this chapter, or who employs a person whose certificate has been suspended or revoked under provisions of this chapter, is prohibited from paying the salary of such person, or providing any public monies for the equipment or support of the law enforcement activities of such person and any person violating this subsection shall be personally liable for making such payment.

§ 45-6-19. Continuing education requirement for municipal police chiefs and officers.

(1) The chief of police of any municipality in the State of Mississippi is required to annually complete twenty (20) hours of executive level continuing education courses which are approved by the Mississippi Board on Law Enforcement Officers Standards and Training. Any new chief of police having never previously served in that capacity, is required to complete forty (40) hours of executive level continuing education courses for his first year of service. Such education courses may be provided by an accredited law enforcement academy or by the Mississippi Association of Chiefs of Police.

(2) Any police officer of any municipality in the State of Mississippi is required to annually complete a specified number of hours, as stated in this subsection, of continuing education courses which are approved by the Mississippi Board on Law Enforcement Officers Standards and Training. The following number of hours of continuing education courses is required for municipal police officers based upon the number of years following July 1, 2004:

- 0-2 years after July 1, 20048 hours of annual training
- 3-4 years after July 1, 200416 hours of annual training
- 5 or more years after July 1, 200424 hours of annual training

Such education courses may be provided by an accredited law enforcement academy or by the Mississippi Association of Chiefs of Police.

(3) The Mississippi Board on Law Enforcement Officers Standards and Training shall reimburse each municipality for the expense incurred for chiefs of police and municipal police officers in attendance at approved training programs as required by this section.

(4) Any chief of police or municipal police officer who fails to comply with the provisions of this section shall be subject to having his certification as a chief of police or municipal police officer revoked by the Mississippi Board on Law Enforcement Officers Standards and Training, in accordance with Section 45-6-11.

(5) The Mississippi Board on Law Enforcement Officers Standards and Training is authorized to institute and promulgate all rules necessary for considering the revocation of any municipal chief of police or municipal police officer who does not comply with the provisions of this section, and may grant, for sufficient cause shown, an extension of time in which compliance with the provisions of this section may be made.

(6) Any chief of police or municipal police officer who is aggrieved by any order or ruling made under the provisions of this section has the same rights and procedure of appeal as from any other order or ruling of the Mississippi Board on Law Enforcement Officers Standards and Training.

§ 45-7-1. Counties may employ men to enforce road laws.

The board of supervisors of any county is hereby authorized to employ, in its discretion, not exceeding three (3) men in counties of Classes 1 and 2, and not exceeding two (2) men to be regularly employed at any time in counties of other classes, whose duty it shall be to patrol the roads of the county and to enforce the road and motor vehicle laws.

It is hereby expressly provided that such patrol officers shall not have the power and authority, nor shall they be authorized by the motor vehicle comptroller or the tax collector of any county, to enforce any of the provisions of law relating to the taxation of motor vehicles using the highways of this state; nor shall they receive or collect any taxes due or alleged to be due under any of such laws. This shall not apply to a county where the federal government owns thirty-five percent (35%) or more of the total acreage of the county.

JUDICIAL DECISIONS

1. In general.

The provision of the statute which authorizes patrol officers to do and perform all acts authorized to be done by the sheriff, constables or any peace officer was intended to vest in patrol officers only such police powers as may be necessary to

enable them to perform properly the duties imposed upon them by the statute as county road patrolmen. *State v. Necaize*, 228 Miss. 542, 87 So. 2d 922 (1956).

It was not the intention of the legislature to authorize patrol officers who were employed "to patrol roads of the county

and to enforce the road and motor vehicle laws", to take over the duties or exercise the powers of the sheriff, or constable or other peace officer, in the enforcement of the general criminal laws of the state, or in the service of criminal or civil process in

cases which do not arise out of and have no relation to the performance of their duties as county road patrolmen. *State v. Necaie*, 228 Miss. 542, 87 So. 2d 922 (1956).

§ 45-7-3. Duties of patrol officers; uniforms.

Said patrol officers are hereby authorized to do and perform all acts authorized to be done by the sheriff, constable, or any peace officer. Said patrol officers in addition to their duties as peace officers, shall note the condition of the roads and bridges of the county and make report thereof to the board of supervisors as may be required by said board.

Such patrol officer shall not have the power and authority to enforce the traffic laws, rules and regulations of this state, or any related laws upon any highway of the state highway system, unless and until they have been authorized and empowered to enforce such laws and to aid and assist in the enforcement thereof by the commissioner of public safety. The commissioner of public safety may grant or withhold such authority to the patrolmen of each individual county in his discretion, and may provide and promulgate reasonable rules and regulations under which the patrol officers to whom such authority has been granted shall act in enforcing such laws.

In the performance of their official duties such patrol officers shall have the power and authority to wear uniforms, but they shall not wear the same uniforms as are worn by members of the highway safety patrol of Mississippi, nor shall they wear uniforms substantially identical thereto.

(7)(a) If the Department of Public Safety denies the issuance of a license, or suspends or revokes a license, the party aggrieved may appeal such denial, suspension or revocation to the Commissioner of Public Safety, or his authorized agent, within thirty (30) days after the aggrieved party receives written notice of such denial, suspension or revocation. The Commissioner of Public Safety, or his duly authorized agent, shall rule upon such appeal within thirty (30) days after the appeal is filed and failure to rule within this thirty-day period shall constitute sustaining such denial, suspension or revocation. Such review shall be conducted pursuant to such reasonable rules and regulations as the Commissioner of Public Safety may adopt.

(b) If the revocation, suspension or denial of issuance is sustained by the Commissioner of Public Safety, or his duly authorized agent pursuant to paragraph (a) of this subsection, the aggrieved party may file within ten (10) days after the rendition of such decision a petition in the circuit or county court of his residence for review of such decision. A hearing for review shall be held and shall proceed before the court without a jury upon the record

made at the hearing before the Commissioner of Public Safety or his duly authorized agent. No such party shall be allowed to carry a stun gun, concealed pistol or revolver pursuant to the provisions of this section while any such appeal is pending.

(8) The Department of Public Safety shall maintain an automated listing of license holders and such information shall be available online, upon request, at all times, to all law enforcement agencies through the Mississippi Crime Information Center. However, the records of the department relating to applications for licenses to carry stun guns, concealed pistols or revolvers and records relating to license holders shall be exempt from the provisions of the Mississippi Public Records Act of 1983 for a period of forty-five (45) days from the date of the issuance of the license or the final denial of an application.

(9) Within thirty (30) days after the changing of a permanent address, or within thirty (30) days after having a license lost or destroyed, the licensee shall notify the Department of Public Safety in writing of such change or loss. Failure to notify the Department of Public Safety pursuant to the provisions of this subsection shall constitute a noncriminal violation with a penalty of Twenty-five Dollars (\$25.00) and shall be enforceable by a summons.

(12)(a) No less than ninety (90) days prior to the expiration date of the license, the Department of Public Safety shall mail to each licensee a written notice of the expiration and a renewal form prescribed by the department. The licensee must renew his license on or before the expiration date by filing with the department the renewal form, a notarized affidavit stating that the licensee remains qualified pursuant to the criteria specified in subsections (2) and (3) of this section, and a full set of fingerprints administered by the Department of Public Safety or the sheriff of the county of residence of the licensee. (b) The Department of Public Safety shall forward the full set of fingerprints of the applicant to the appropriate agencies for state and federal

processing. The license shall be renewed upon receipt of the completed renewal application and appropriate payment of fees.

(c) A licensee who fails to file a renewal application on or before its expiration date must renew his license by paying a late fee of Fifteen Dollars (\$15.00). No license shall be renewed six (6) months or more after its expiration date, and such license shall be deemed to be permanently expired. A person whose license has been permanently expired may reapply for licensure; however, an application for licensure and fees pursuant to subsection (5) of this section must be submitted, and a background investigation shall be conducted pursuant to the provisions of this section.

(13) No license issued pursuant to this section shall authorize any person to carry a stun gun, concealed pistol or revolver into any place of nuisance as defined in Section 95-3-1, Mississippi Code of 1972; any police, sheriff or highway patrol station; any detention facility, prison or jail; any courthouse; any courtroom, except that nothing in this section shall preclude a judge from carrying a concealed weapon or determining who will carry a concealed weapon in his courtroom; any polling place; any meeting place of the governing body of any governmental entity; any meeting of the Legislature or a committee thereof; any school, college or professional athletic event not related to firearms; any portion of an establishment, licensed to dispense alcoholic beverages for consumption on the premises, that is primarily devoted to dispensing alcoholic beverages; any portion of an establishment in which beer or light wine is consumed on the premises, that is primarily devoted to such purpose; any elementary or secondary school facility; any junior college, community college, college or university facility unless for the purpose of participating in any authorized firearms-related activity; inside the passenger terminal of any airport, except that no person shall be prohibited from carrying any legal firearm into the terminal if the firearm is encased for shipment, for purposes of checking such firearm as baggage to be lawfully transported on any aircraft; any church or other place of worship; or any place where the carrying of firearms is prohibited by federal law. In addition to the places enumerated in this subsection, the carrying of a stun gun, concealed pistol or revolver may be disallowed in any place in the discretion of the person or entity exercising control over the physical location of such place by the placing of a written notice clearly readable at a distance of not less than ten (10) feet that the "carrying of a pistol or revolver is prohibited." No license issued pursuant to this section shall authorize the participants in a parade or demonstration for which a permit is required to carry a stun gun, concealed pistol or revolver.

(14) A law enforcement officer as defined in Section 45-6-3, chiefs of police, sheriffs and persons licensed as professional bondsmen pursuant to Chapter 39, Title 83, Mississippi Code of 1972, shall be exempt from the licensing requirements of this section.

(15) Any person who knowingly submits a false answer to any question on an application for a license issued pursuant to this section, or who knowingly submits a false document when applying for a license issued pursuant to this section, shall, upon conviction, be guilty of a misdemeanor and shall be punished as provided in Section 99-19-31, Mississippi Code of 1972.

(16) All fees collected by the Department of Public Safety pursuant to this section shall be deposited into a special fund hereby created in the State Treasury and shall be used for implementation and administration of this section. (18) Nothing in this section shall be construed to require or allow the registration, documentation or providing of serial numbers with regard to any stun gun or firearm. Further, nothing in this section shall be construed to allow the open and unconcealed carrying of any stun gun or a deadly weapon as described in Section 97-37-1, Mississippi Code of 1972.

(19) Any person holding a valid unrevoked and unexpired license to carry stun guns, concealed pistols or revolvers issued in another state shall have such license recognized by this state to carry stun guns, concealed pistols or revolvers, provided that the issuing state authorizes license holders from this state to carry stun guns, concealed pistols or revolvers in such issuing state and the appropriate authority has communicated that fact to the Department of Public Safety.

(20) The provisions of this section shall be under the supervision of the Commissioner of Public Safety. The commissioner is authorized to promulgate reasonable rules and regulations to carry out the provisions of this section.

(21) For the purposes of this section, the term "stun gun" means a portable device or weapon from which an electric current, impulse, wave or beam may be directed, which current, impulse, wave or beam is designed to incapacitate temporarily, injure, momentarily stun, knock out, cause mental disorientation or paralyze.

DOCKET OF DEADLY WEAPONS SEIZED

SEC.

45-9-151. Docket of deadly weapons seized.

§ 45-9-151. Docket of deadly weapons seized.

(1) Every law enforcement agency of the state or of any political subdivision thereof shall maintain a docket which shall contain a record of all deadly weapons that are seized by employees of such law enforcement agency. Such docket shall include the name of the arresting officer, the date of the arrest, the charge upon which the seizure was based, the name of the person from whom such deadly weapon was seized, the physical description of the deadly weapon, the serial number, if any, of the deadly weapon, and the chain of custody of the deadly weapon.

(2) Every deadly weapon seized by any law enforcement officer shall be entered into the docket required to be maintained pursuant to subsection (1) of this section within ten (10) days after the occurrence of such seizure.

(3) If the court orders any seized deadly weapon to be forfeited and disposed of by sale, the proceeds of such sale shall be deposited into the general fund of the governmental entity of which such law enforcement agency is a part and shall be budgeted to such law enforcement agency. The provisions of this subsection shall not apply to deadly weapons that are subject to forfeiture pursuant to Section 41-29-153, Mississippi Code of 1972.

(4) Any law enforcement officer who knowingly fails to cause a seized deadly weapon to be entered into the docket within the time limit specified in subsection (2) of this section shall be guilty of a misdemeanor and, upon conviction thereof, may be fined not more than One Thousand Dollars (\$1,000.00). A conviction under the provisions of this section shall not be used as the basis for removal of a person from elective office.

ATTORNEY GENERAL OPINIONS

The manner in which deadly weapons should be disposed of depends on the manner in which they were seized; specifically, Section 41-29-177 provides for the manner in which a weapon that has been seized and forfeited under the Uniform Controlled Substances Law should be disposed of; for all other deadly weapons that are seized, Section 45-9-151 should be followed; Section 21-39-21 is a general statute with regard to lost, stolen, abandoned or misplaced property, but Section 45-9-151 is specific to deadly weapons and

therefore the more specific statute should be followed. Malta, May 26, 2000, A.G. Op. #2000-0221.

A law enforcement agency or any political subdivision of the state that is required to maintain a docket of deadly weapons seized in accordance with this section may keep such a docket via computer. Please note that a computer docket must still be accessible to the public and comply with the Public Records Act. Acey, Dec. 19, 2003, A.G. Op. 03-0664.

UNIFORM MINIMUM TRAINING STANDARDS FOR FIREFIGHTERS

SEC.

45-11-203. Employment of persons not completing training standards prohibited; training standards.

§ 45-11-201. Legislative findings and intent; minimum standards for training.

The Legislature finds that the specialized and hazardous nature of fire fighting requires that fire fighters possess the requisite knowledge and demonstrate the ability to perform certain skills to carry out their responsibilities. The activities of fire fighters are important to the health, safety and welfare of the people of this state and are of such a nature to require education and training of a professional nature. It is the intent of the Legislature to require and provide minimum standards for training and to declare that the State Fire Academy is the principal facility for such purposes.

This chapter shall be known and may be cited as the “Mississippi Fire Safety Standard and Firefighter Protection Act.”

SOURCES: Laws, 2009, ch. 473, § 1, eff from and after July 1, 2010.

Editor's Note — Laws of 2009, ch. 473, § 13, provides:

(d) “Cigarette” means:

(i) Any roll of tobacco wrapped in paper or in any substance not containing tobacco; or

(f) “Quality control and quality assurance program” means the laboratory procedures implemented to ensure that operator bias, systematic and nonsystematic methodological errors, and equipment-related problems do not affect the results of the testing. Such a program ensures that the testing repeatability remains within the required repeatability values stated in subsection (1)(f) of Section 45-12-5 for all test trials used to certify cigarettes in accordance with this chapter.

SOURCES: Laws, 2009, ch. 473, § 2, eff from and after July 1, 2010.

Editor’s Note — Laws of 2009, ch. 473, § 13, provides:

“SECTION 13. This act shall take effect and be in force from and after July 1, 2010; however, subsection (1) of Section 7 of this act [§ 45-12-13] and Section 12 of this act [§ 45-12-23] shall take effect and be in force from and after the passage of this act [March 30, 2009].”

Section 27-3-4 provides that the term “chairman of the State Tax Commission” shall mean the Commissioner of Revenue of the Department of Revenue.

§ 45-12-5. Test method and performance standard [For contingent repeal of this section, see § 45-12-21].

(1) Except as provided in subsection (7) of this section, no cigarettes may be sold or offered for sale in this state or offered for sale or sold to persons located in this state unless the cigarettes have been tested in accordance with the test method and meet the performance standard specified in this section, a written certification has been filed by the manufacturer with the State Fire Marshal in accordance with Section 45-12-7, and the cigarettes have been marked in accordance with Section 45-12-9.

(a) Testing of cigarettes shall be conducted in accordance with the American Society of Testing and Materials (ASTM) Standard E2187-04, "Standard Test Method for Measuring the Ignition Strength of Cigarettes."

(b) Testing shall be conducted on ten (10) layers of filter paper.

(c) No more than twenty-five percent (25%) of the cigarettes tested in a test trial in accordance with this section shall exhibit full-length burns. Forty (40) replicate tests shall comprise a complete test trial for each cigarette tested.

(d) The performance standard required by this section shall only be applied to a complete test trial.

(e) Written certifications shall be based upon testing conducted by a laboratory that has been accredited pursuant to Standard ISO/IEC 17025 of the International Organization for Standardization (ISO), or other comparable accreditation standard required by the State Fire Marshal.

(f) Laboratories conducting testing in accordance with this section shall implement a quality control and quality assurance program that includes a procedure that will determine the repeatability of the testing results. The repeatability value shall be no greater than nineteen percent (19%).

(g) This section does not require additional testing if cigarettes are tested consistent with this chapter for any other purpose.

(h) Testing performed or sponsored by the State Fire Marshal to determine a cigarette's compliance with the performance standard required shall be conducted in accordance with this section.

(2) Each cigarette listed in a certification submitted pursuant to Section 45-12-7 that uses lowered permeability bands in the cigarette paper to achieve compliance with the performance standard set forth in this section shall have at least two (2) nominally identical bands on the paper surrounding the tobacco column. At least one (1) complete band shall be located at least fifteen (15) millimeters from the lighting end of the cigarette. For cigarettes on which the bands are positioned by design, there shall be at least two (2) bands fully located at least fifteen (15) millimeters from the lighting end and ten (10) millimeters from the filter end of the tobacco column, or ten (10) millimeters from the labeled end of the tobacco column for nonfiltered cigarettes.

(3) A manufacturer of a cigarette that the State Fire Marshal determines cannot be tested in accordance with the test method prescribed in paragraph (a) of subsection (1) shall propose a test method and performance standard for

the cigarette to the State Fire Marshal. Upon approval of the proposed test method and a determination by the State Fire Marshal that the performance standard proposed by the manufacturer is equivalent to the performance standard prescribed in paragraph (c) of subsection (1), the manufacturer may employ such test method and performance standard to certify such cigarette pursuant to Section 45-12-7. If the State Fire Marshal determines that another state has enacted reduced cigarette ignition propensity standards that include a test method and performance standard that are the same as those contained in this section, and the State Fire Marshal finds that the officials responsible for implementing those requirements have approved the proposed alternative test method and performance standard for a particular cigarette proposed by a manufacturer as meeting the fire safety standards of that state's law or regulation under a legal provision comparable to this section, then the State Fire Marshal shall authorize that manufacturer to employ the alternative test method and performance standard to certify that cigarette for sale in this state, unless the State Fire Marshal demonstrates a reasonable basis why the alternative test should not be accepted under this section. All other applicable requirements of this section shall apply to the manufacturer.

(4) Each manufacturer shall maintain copies of the reports of all tests conducted on all cigarettes offered for sale for a period of three (3) years, and shall make copies of these reports available to the State Fire Marshal and the Attorney General upon written request. Any manufacturer who fails to make copies of these reports available within sixty (60) days of receiving a written request shall be subject to a civil penalty not to exceed Ten Thousand Dollars (\$10,000.00) for each day after the sixtieth day that the manufacturer does not make such copies available.

(5) The State Fire Marshal may promulgate a subsequent ASTM Standard Test Method for Measuring the Ignition Strength of Cigarettes upon a finding that such subsequent method does not result in a change in the percentage of full-length burns exhibited by any tested cigarette when compared to the percentage of full-length burns the same cigarette would exhibit when tested in accordance with ASTM Standard E2187-04 and the performance standard in paragraph (c) of subsection (1).

(6) The State Fire Marshal shall review the effectiveness of this section and report every three (3) years to the Legislature his findings and, if appropriate, recommendations for legislation to improve the effectiveness of this chapter. The report and legislative recommendations shall be submitted no later than June 30 following the conclusion of each three-year period.

(7) The requirements of subsection (1) shall not prohibit:

(a) Wholesale or retail dealers from selling their existing inventory of cigarettes on or after July 1, 2010, if the wholesale or retail dealer can establish that state tax stamps were affixed to the cigarettes prior to July 1, 2010, and the wholesale or retail dealer can establish that the inventory was purchased prior to July 1, 2010, in comparable quantity to the inventory purchased during the same period of the prior year; or

(b) The sale of cigarettes solely for the purpose of consumer testing. For purposes of this subsection, the term "consumer testing" means an assess-

ment of cigarettes that is conducted by a manufacturer (or under the control and direction of a manufacturer), for the purpose of evaluating consumer acceptance of such cigarettes, utilizing only the quantity of cigarettes that is reasonably necessary for such assessment.

(8) This chapter shall be so interpreted and construed as to effectuate its general purpose to make uniform this chapter with the laws of those states that have enacted reduced cigarette ignition propensity laws as of July 1, 2010.

- (3) The State Fire Marshal shall make certifications available to the Attorney General for purposes consistent with this chapter and the commissioner for the purposes of ensuring compliance with this section.
- (4) Each cigarette certified under this section shall be recertified every three (3) years.
- (5) For each brand family of cigarettes listed for certification, a manufacturer shall pay a fee of One Thousand Dollars (\$1,000.00) to the State Fire Marshal. The fee paid shall apply to all cigarettes within the brand family certified and shall include any new cigarette certified within the brand family during the three-year certification period.
- (6) If a manufacturer has certified a cigarette pursuant to this section, and thereafter makes any change to such cigarette that is likely to alter its compliance with the reduced cigarette ignition propensity standards required by this section, that cigarette shall not be sold or offered for sale in this state until the manufacturer retests the cigarette in accordance with the testing standards set forth in Section 45-12-5 and maintains records of that retesting as required by Section 45-12-5. The marking shall be in eight-point type or larger and consist of the letters "FSC," which signifies Fire Standard Compliant, permanently printed, stamped, engraved or embossed on the package at or near the UPC Code.

(2) A manufacturer shall use only one (1) marking, and shall apply this marking uniformly for all packages, including, but not limited to, packs, cartons, and cases, and brands marketed by that manufacturer.

(3) Manufacturers certifying cigarettes in accordance with Section 45-12-7 shall provide a copy of the certifications to all wholesale dealers and agents to which they sell cigarettes. JUDICIAL DECISIONS

1. In general.

This section codifies duty of person having possession and control of dangerous explosives to exercise highest degree of care, so that utmost caution must be used to ensure that no harm comes to other persons coming in contact with them. *Kallas v. United States*, 763 F. Supp. 866 (S.D. Miss. 1991).

In action for wrongful death and personal injury to children killed or injured by explosion of Army rocket with which they were playing on private property, evidence failed to present sufficient facts for court to determine liability of defendant United States under statute requiring person engaged in business of using

explosives to keep such items under control and secure from theft or pilferage, as evidence did not permit reasoned evaluation and determination of circumstances and events surrounding removal of rocket from Army camp or other military installation; mere fact that it appeared at private residence does not necessarily imply statute was violated. Moreover, occurrence of theft does not necessarily establish violation of section. Also, in absence of proof as to date of removal of rocket from government property, court could not determine if removal occurred prior to effective date of statute. *Breland ex rel. Breland v. United States*, 791 F. Supp. 1128 (S.D. Miss. 1990).

§ 45-13-109. Reports of importation of explosives; fees; penalties.

Every person transporting or bringing dynamite, nitroglycerine, explosives, gas bombs, dynamite caps, nitroglycerine caps, fuses, detonators or other similar explosives into the State of Mississippi shall immediately report to the sheriff of the county of original entry, identify himself, give his destination and an inventory which shall be filed in a register to be kept by the sheriff. The

sheriff shall, within twenty-four (24) hours, after receiving the name, destination and inventory, report same to the commissioner of public safety. For such registering and reporting, the sheriff shall be paid a fee of Three Dollars (\$3.00) by the person transporting the explosives. A person transporting dynamite, nitroglycerine, explosives, gas bombs, dynamite caps, nitroglycerine caps, fuses, detonators or other similar explosives who fails to report his name, destination and inventory shall, upon conviction, be punished by imprisonment in the penitentiary not exceeding twenty (20) years.

§ 45-14-25. Transportation of radioactive materials.

(1) The agency is authorized to adopt, promulgate, amend and repeal rules and regulations governing the transportation of radioactive materials in Mississippi, which, in the judgment of the council, shall promote the public health, safety or welfare and protect the environment.

(a) Such rules and regulations may include, but shall not be limited to, provisions for the use of signs designating radioactive material cargo, for the packaging, marking, loading and handling of radioactive materials and the precautions necessary to determine whether the material when offered is in

proper condition for transport, and may include designation of routes in this state which are to be used for the transportation of radioactive materials.

(b) Such rules and regulations shall not include the carrier vehicle or its equipment, the licensing of packages, nor shall they apply to the handling or transportation of radioactive material within the confines of a facility licensed by or owned by a federal agency.

(c) The agency, in consultation with the council, is authorized to adopt by reference, in whole or in part, such federal rules and regulations governing the transportation of radioactive material which are established by the United States Nuclear Regulatory Commission, the United States Federal Aviation Agency, the United States Department of Transportation, the United States Coast Guard or the United States Post Office (or any federal agency which is a successor to any of the foregoing agencies), as such federal rules may be amended from time to time.

(d) The agency shall not promulgate any rules or regulations pertaining to matters within the jurisdiction of the United States Department of Transportation or the United States Federal Aviation Administration under the Hazardous Materials Transportation Act, except to the extent that the agency adopts by reference rules or regulations issued by the United States Department of Transportation or the United States Federal Aviation Administration, and except as provided in 49 USCS Section 1811(b).

(2) The agency is authorized to enter into agreements with the respective federal agencies designed to avoid duplication of effort and/or conflict in enforcement and inspection activities so that:

(a) Rules and regulations adopted by the agency pursuant to this chapter may be enforced, within their respective jurisdictions, by any authorized representatives of the agency and other state agencies, according to mutual understandings between such agencies of their respective responsibilities and authorities.

(b) The agency, through any authorized representative, is authorized to inspect any records of persons engaged in the transportation of radioactive materials during the hours of business operation when such records reasonably relate to the method or contents of packaging, marking, loading, handling or shipping of radioactive materials within the state.

(c) The agency, through any authorized representative, may enter upon and inspect the premises or vehicles of any person engaged in the transportation of radioactive materials during hours of business operation, with or without a warrant, for the purpose of determining compliance with the provisions of this chapter and the rules and regulations promulgated hereunder.

(3) Upon a determination by the agency that any provision of this chapter, or the rules and regulations promulgated hereunder, are being violated or that any practice in the transportation of radioactive materials constitutes a clear and imminent danger to the public health, property or safety, it may issue an order requiring correction.

Editor's Note — 49 USCS Section 1811(b), referenced in this section, was revised and recodified by Pub. L. No. 103-272, 108 Stat. 745, effective July 5, 1994, and now appears as 49 USCS § 5125(g).

§ 45-14-27. Liability for state coordination of decontamination of radiation accidents or perpetual maintenance and custody of radioactive materials.

(1) Upon completion of any project or activity regarding emergency response to and coordination of decontamination of radiation accidents or perpetual maintenance and custody of radioactive materials, each agency of the state that has participated by furnishing personnel, equipment or material shall deliver to the agency record of the expenses incurred by that agency. The amount of incurred expenses shall be disbursed by the secretary and executive officer of the state board of health to each agency from funds available therefor. Upon completion of such project or activity, the agency shall prepare a statement of all expenses and costs for the project or activity expended by the state and shall make demand for payment upon the person having control over the radioactive materials or the release thereof which necessitated said project or activity. Any person having control over the radioactive materials or the release thereof and any other person causing or contributing to an incident necessitating such project or activity stated in this subsection shall be directly liable to the state for the necessary expenses incurred thereby and the state shall have a cause of action to recover from any or all such persons. If the person having control over the radioactive materials or the release thereof shall fail or refuse to pay the sum expended by the state, the agency shall refer the matter to the Attorney General of Mississippi who shall institute an action in the name of the state in the chancery court of the county in which the project or activity was undertaken by the state to recover such cost and expenses.

(2) In any action instituted by the attorney general under this chapter, a verified and itemized statement of the expenses incurred by the state in any project or activity stated in subsection (1) of this section, shall be filed with the complaint and shall constitute a prima facie case, and the state shall be entitled to a judgment thereon in the absence of allegation and proof on the part of the defendant or defendants that:

(a) the statement of expenses incurred by the state is not correct because of an error in the calculation of the amount due; or

(b) the statement of the amount due is not correct because of an error in not properly crediting the account with any cash payment, or payments, or other satisfaction, which may have been made thereon.

Such bond, insurance or other security shall:

(a) run in favor of the State of Mississippi in the amount set by the agency which shall be a reasonable amount commensurate with the possible danger and potential damage which may occur due to the use, manufacture, production, transportation, transfer, receipt, acquisition or possession of radioactive materials; provided, however, that the minimum amounts shall be as follows:

§ 45-14-51. Short title.

Sections 45-14-51 through 45-14-69 shall be known and may be cited as the "Mississippi Radioactive Waste Transportation Act."

SOURCES: Laws, 1982, ch. 432, § 1, eff from and after passage (approved April 1, 1982).

§ 45-14-53. Legislative purpose.

The Legislature finds that the transportation of radioactive waste poses a potential threat to the health and safety of the people of Mississippi. The protection of public health and safety in the event of a transportation accident involving radioactive waste requires the preparation of emergency response

procedures and the training of public safety officials in the proper response to such an incident. The costs of radiological emergency response planning for transportation accidents should properly be borne by shippers of radioactive waste.

(c) "Person" means a natural person, firm, copartnership, association, corporation or governmental entity.

(d) "Authorized person" means:

(i) An employee or agent of an electric utility which generates, transmits or delivers electricity.

(ii) An employee or agent of a utility which provides and whose work relates to communication services or state, county or municipal agencies which have authorized circuit construction on or near the poles or structures of a utility.

(iii) An employee or agent of an industrial plant whose work relates to the electrical system of the industrial plant.

§ 45-15-3. Activities performed in close proximity to high voltage overhead lines; precautions.

Unless the procedures have been followed as provided by Sections 45-15-9 and 45-15-11, Mississippi Code of 1972, to deter contact with high voltage overhead lines:

(a) No person shall, individually or through an agent or employee, perform or require any other person to perform any function or activity upon any land, building, highway or other premises if at any time during the performance of that function or activity the person performing the function or activity could be reasonably expected to move or be placed within ten (10) feet of any high voltage overhead line or if any equipment or part of any tool or material used by the person could be reasonably expected to move or be placed within ten (10) feet of any high voltage overhead line during the performance of any function or activity.

JUDICIAL DECISIONS

1. In general.

Section 45-15-3 is designed not only to protect workers performing activities in close proximity to high power lines at the time they are performing that activity, but also to protect all other persons from the creation of a dangerous condition as a result of the erection of a building. *Monroe County Elec. Power Ass'n v. Pace*, 461 So. 2d 739 (Miss. 1984).

The mere fact that one unintentionally, but negligently, violates this section [Code 1942, § 7015-12], by bringing equipment within eight feet of a high voltage overhead electric power line does not mean that he has committed a misdemeanor, and moreover if one violates this statute, this act alone does not insulate the power company against its own negligence in failing to exercise due care in properly

constructing its lines and maintaining and inspecting them so as to keep them in a safe condition. *White v. Mississippi Power & Light Co.*, 196 So. 2d 343, 30 A.L.R.3d 754 (Miss. 1967).

The mere taking of the precautions prescribed by statute will not excuse an elec-

tric company having reasonable cause to anticipate danger to persons who are in close proximity to its line. *Mississippi Power & Light Co. v. Walters*, 248 Miss. 206, 158 So. 2d 2 (1963), corrected, 248 Miss. 268, 160 So. 2d 908 (1964).

§ 45-15-7. Certain methods not to be employed in obtaining the required ten-foot clearance.

The ten-foot clearance required in Section 45-15-3 shall not be provided by movement of the high voltage overhead line through strain impressed, by attachments, or otherwise.

SOURCES: Codes, 1942, § 7015-14; Laws, 1960, ch. 257, § 4; Laws, 1988, ch. 530, § 4, eff from and after July 1, 1988.

§ 45-15-9. Performance of work in closer proximity to high voltage lines than permitted; notice to utility; arrangements for deterring contact with lines; binding arbitration.

(1) If any person desires to carry on any function, activity, work or operation in closer proximity to any high voltage overhead line than permitted by this chapter, the person responsible for performing the work shall promptly notify the electric utility operating the high voltage overhead line, in writing, on a form to be provided by such electric utility, and shall not perform the work until mutually satisfactory arrangements have been made between such electric utility and the person or business entity responsible for performing the work, to deter contact with the high voltage overhead lines as provided in subsection (2) below, however, this requirement shall not apply to persons lawfully occupying the land where the line is located and engaged in the regular and ordinary functions and activities of farming, ranching or other agricultural pursuits.

(2) The person responsible for performing the work in the vicinity of the high voltage overhead lines shall at no cost, receive a written cost estimate from the utility for providing the necessary safety arrangements. If such person disagrees with the reasonableness of any written cost proposal or believes that the cost proposal calls for more work than is reasonably necessary to protect those working in close proximity to the high voltage overhead lines, the following options are available to such person:

(a) The electric utility shall be directed to commence work under protest; such person shall pay the electric utility for the work in accordance with the cost proposal, but shall be entitled to seek recovery of all or any part of the money paid to the electric utility in binding arbitration as is hereinafter provided; or

(b) Prior to directing the work to be performed, the person responsible for performing the work in the vicinity of high voltage overhead power lines may submit to binding arbitration, as hereinafter provided, to resolve the issues of the reasonableness and necessity of the cost, and the description of the work to be performed by the electric utility under its written cost proposal.

(3) In the event of a disagreement between the electric utility and the person responsible for performing work in the vicinity of the high voltage overhead line regarding the reasonableness or necessity of the price or the work to be performed to deter contact with high voltage overhead lines, the disputes shall be submitted to binding arbitration in accordance with the procedures set forth in Sections 11-15-101 through 11-15-143, Mississippi Code of 1972. The Public Service Commission shall serve as arbitrator for the purposes of this chapter. The demand for arbitration shall be specifically enforceable in any court of law or equity. The decision of the arbitrators as to the reasonableness or necessity of the cost or the work to be performed shall be final and binding upon the parties.

(4) The electric utility shall commence arrangements as provided herein within five (5) working days of the mutual agreement, notice to proceed under protest, or the decision of the arbitrators. Once initiated, the clearance work will continue without unreasonable interruption to completion. Should the electric utility fail to provide for temporary clearances or safety measures in a timely manner as required by this chapter, the electric utility shall be liable for costs or loss of production of the person requesting assistance to work in close proximity to high voltage overhead lines. In locations where identity of the electric utility operating the high voltage overhead lines is not easily known, the Mississippi Public Service Commission shall, upon request, provide the name, address and telephone number of such utility for notification purposes.

JUDICIAL DECISIONS

1. In general.

The mere fact that one unintentionally, but negligently, violates this section [Code 1942, § 7015-16] by bringing equipment within eight feet of a high voltage overhead electric power line does not mean that he has committed a misdemeanor, and moreover, if one violates this statute [Code 1942, § 7015-16], this act alone

does not insulate the power company against its own negligence in failing to exercise due care in properly constructing its lines and maintaining and inspecting them so as to keep them in a safe condition. *White v. Mississippi Power & Light Co.*, 196 So. 2d 343, 30 A.L.R.3d 754 (Miss. 1967).

§ 45-15-13. Violation of chapter; application of chapter.

(1) Any person who knowingly violates this chapter may be subject to a civil penalty in an amount not to exceed Five Thousand Dollars (\$5,000.00) to be imposed by a court of competent jurisdiction against said person and such penalty shall be deposited in the General Fund.

(2) There is hereby created a right of action on behalf of any electric utility which is required to pay any sum for injury or death of any person resulting from contact with a high voltage overhead line against any person whose negligence is a proximate contributing cause of such injury or death for that portion of any non-agreed judgment for damages rendered against and paid by the electric utility and attributable to the negligence of such person, however, the electric utility may not recover any portion of such sum which is attributable to its own negligence. The right of action created hereby shall not be available against persons who comply with the provisions of this chapter, and violations of this chapter shall not be considered negligence per se but may be considered as evidence of negligence.

(3) Nothing contained in this chapter shall be construed to alter, amend, restrict or limit the liability of persons as defined herein for violation of his duty under current law to use a high degree of care in the construction, maintenance and supply of electricity; nor shall any person be relieved from liability as a result of violations of standards under existing law regarding the construction, maintenance and supply of electricity, where such failure to use a high degree of care or violations of existing standards are found to be a cause of damage to property, personal injury or death.

(4) Other than an electric utility filing a claim under this chapter, nothing contained herein shall be construed to alter, amend or expand in any way the provisions of Section 71-3-9, Mississippi Code of 1972, as to an employee, his legal representative, husband or wife, parents, dependents, next of kin or anyone otherwise entitled to recover damages at common law or otherwise from such employer on account of such injury or death.

(5) Nothing contained herein shall be considered as a waiver of immunity in whole or in part as to any governmental entity or construed to alter, amend, restrict or limit in any way the protections provided in Sections 11-46-1 et seq., Mississippi Code of 1972.

(6) The provisions contained in this chapter do not apply to construction, reconstruction, operation or maintenance by an authorized person of overhead electrical or communication circuits or conductors and their supporting structures or electrical generating, transmission or distribution systems or communication systems.

JUDICIAL DECISIONS

1. Liability — Apportionement of fault.

Even though an employer of a decedent was immune from suit, it was proper to allocate a portion of fault to the employer

in an action against an electric company for wrongful death by electrocution from the company's power lines. *Ware v. Entergy Miss., Inc.*, 887 So. 2d 763 (Miss. 2003).

§ 45-18-3. Authorization of execution of compact; terms of compact.

The Legislature of the State of Mississippi hereby authorizes the Governor of the State of Mississippi to enter into a compact on behalf of the State of Mississippi with any other state legally joining therein, in the form substantially as follows:

EMERGENCY MANAGEMENT ASSISTANCE COMPACT

ARTICLE I — PURPOSE AND AUTHORITIES

This compact is made and entered into by and between the participating member states which enact this compact, hereinafter called party states. For the purposes of this agreement, the term “states” is taken to mean the several states, the Commonwealth of Puerto Rico, the District of Columbia, and all United States territorial possessions.

The purpose of this compact is to provide for mutual assistance between the states entering into this compact in managing any emergency or disaster that is duly declared by the Governor of the affected state(s), whether arising from natural disaster, technological hazard, man-made disaster, civil emergency aspects of resources shortages, community disorders, insurgency, or enemy attack.

This compact shall also provide for mutual cooperation in emergency-related exercises, testing, or other training activities using equipment and personnel simulating performance of any aspect of the giving and receiving of aid by party states or subdivisions of party states during emergencies, such actions occurring outside actual declared emergency periods. Mutual assis-

tance in this compact may include the use of the states' National Guard forces, either in accordance with the National Guard Mutual Assistance Compact or by mutual agreement between states.

ARTICLE II — GENERAL IMPLEMENTATION

Each party state entering into this compact recognizes many emergencies transcend political jurisdictional boundaries and that intergovernmental coordination is essential in managing these and other emergencies under this compact. Each state further recognizes that there will be emergencies which require immediate access and present procedures to apply outside resources to make a prompt and effective response to such an emergency. This is because few, if any, individual states have all the resources they may need in all types of emergencies or the capability of delivering resources to areas where emergencies exist.

The prompt, full and effective utilization of resources of the participating states, including any resources on hand or available from the federal government or any other source, that are essential for the safety, care and welfare of the people in the event of any emergency or disaster declared by a party state, shall be the underlying principle on which all articles of this compact shall be understood.

On behalf of the Governor of each state participating in the compact, the legally designated state official who is assigned responsibility for emergency management will be responsible for formulation of the appropriate interstate mutual aid plans and procedures necessary to implement this compact.

ARTICLE III — PARTY STATE RESPONSIBILITIES

A. It shall be the responsibility of each party state to formulate procedural plans and programs for interstate cooperation in the performance of the responsibilities listed in this article. In formulating such plans, and in carrying them out, the party states, insofar as practical, shall:

- i. Review individual state hazards analyses and, to the extent reasonably possible, determine all those potential emergencies the party states might jointly suffer, whether due to natural disaster, technological hazard, man-made disaster, emergency aspects of resource shortages, civil disorders, insurgency, or enemy attack.

- ii. Review party states' individual emergency plans and develop a plan which will determine the mechanism for the interstate management and provision of assistance concerning any potential emergency.

- iii. Develop interstate procedures to fill any identified gaps and to resolve any identified inconsistencies or overlaps in existing or developed plans.

- iv. Assist in warning communities adjacent to or crossing the state boundaries.

v. Protect and assure uninterrupted delivery of services, medicines, water, food, energy and fuel, search and rescue, and critical lifeline equipment, services and resources, both human and material.

vi. Inventory and set procedures for the interstate loan and delivery of human and material resources, together with procedures for reimbursement or forgiveness.

vii. Provide, to the extent authorized by law, for temporary suspension of any statutes or ordinances that restrict the implementation of the above responsibilities.

B. The authorized representative of a party state may request assistance of another party state by contacting the authorized representative of that state. The provisions of this agreement shall only apply to requests for assistance made by and to authorized representatives. Requests may be verbal or in writing. If verbal, the request shall be confirmed in writing within thirty (30) days of the verbal request. Requests shall provide the following information:

i. A description of the emergency service function for which assistance is needed, such as, but not limited to, fire services, law enforcement, emergency medical, transportation, communications, public works and engineering, building inspection, planning and information assistance, mass care, resource support, health and medical services, and search and rescue.

ii. The amount and type of personnel, equipment, materials and supplies needed, and a reasonable estimate of the length of time they will be needed.

iii. The specific place and time for staging of the assisting party's response and a point of contact at that location.

C. There shall be frequent consultation between state officials who have assigned emergency management responsibilities and other appropriate representatives of the party states with affected jurisdictions and the United States Government, with free exchange of information, plans and resource records relating to emergency capabilities.

ARTICLE IV — LIMITATIONS

Any party state requested to render mutual aid or conduct exercises and training for mutual aid shall take such action as is necessary to provide and make available the resources covered by this compact in accordance with the terms hereof; provided that it is understood that the state rendering aid may withhold resources to the extent necessary to provide reasonable protection for such state. Each party state shall afford to the emergency forces of any party state, while operating within its state limits under the terms and conditions of this compact, the same powers (except that of arrest unless specifically authorized by the receiving state), duties, rights and privileges as are afforded forces of the state in which they are performing emergency services. Emergency forces will continue under the command and control of

their regular leaders, but the organizational units will come under the operational control of the emergency services authorities of the state receiving assistance. These conditions may be activated, as needed, only subsequent to a declaration of a state of emergency or disaster by the Governor of the party state that is to receive assistance or commencement of exercises or training for mutual aid and shall continue so long as the exercises or training for mutual aid are in progress, the state of emergency or disaster remains in effect or loaned resources remain in the receiving state(s), whichever is longer.

ARTICLE V — LICENSES AND PERMITS

Whenever any person holds a license, certificate or other permit issued by any party state to the compact evidencing the meeting of qualifications for professional, mechanical or other skills, and when such assistance is requested by the receiving party state, such person shall be deemed licensed, certified or permitted by the state requesting assistance to render aid involving such skill to meet a declared emergency or disaster, subject to such limitations and conditions as the Governor of the requesting state may prescribe by executive order or otherwise.

ARTICLE VI — LIABILITY

Officers or employees of a party state rendering aid in another state pursuant to this compact shall be considered agents of the requesting state for tort liability and immunity purposes; and no party state or its officers or employees rendering aid in another state pursuant to this compact shall be liable on account of any act or omission in good faith on the part of such forces while so engaged or on account of the maintenance or use of any equipment or supplies in connection therewith. Good faith in this article shall not include willful misconduct, gross negligence or recklessness.

ARTICLE VII — SUPPLEMENTARY AGREEMENTS

Inasmuch as it is probable that the pattern and detail of the machinery for mutual aid among two (2) or more states may differ from that among the states that are party hereto, this instrument contains elements of a broad base common to all states, and nothing herein contained shall preclude any state from entering into supplementary agreements with another state or affect any other agreements already in force between states. Supplementary agreements may comprehend, but shall not be limited to, provisions for evacuation and reception of injured and other persons and the exchange of medical, fire, police, public utility, reconnaissance, welfare, transportation and communications personnel and equipment and supplies.

ARTICLE VIII — COMPENSATION

Each party state shall provide for the payment of compensation and death benefits to injured members of the emergency forces of that state and

representatives of deceased members of such forces in case such members sustain injuries or are killed while rendering aid pursuant to this compact, in the same manner and on the same terms as if the injury or death were sustained within their own state.

ARTICLE IX — REIMBURSEMENT

Any party state rendering aid in another state pursuant to this compact shall be reimbursed by the party state receiving such aid for any loss or damage to or expense incurred in the operation of any equipment and the provision of any service in answering a request for aid and for the costs incurred in connection with such requests; provided, that any aiding party state may assume in whole or in part such loss, damage, expense or other cost, or may loan such equipment or donate such services to the receiving party state without charge or cost; and provided further, that any two (2) or more party states may enter into supplementary agreements establishing a different allocation of costs among those states. Article VIII expenses shall not be reimbursable under this provision.

ARTICLE X — EVACUATION

Plans for the orderly evacuation and interstate reception of portions of the civilian population as the result of any emergency or disaster of sufficient proportions to so warrant, shall be worked out and maintained between the party states and the emergency management/services directors of the various jurisdictions where any type of incident requiring evacuations might occur. Such plans shall be put into effect by request of the state from which evacuees come and shall include the manner of transporting such evacuees, the number of evacuees to be received in different areas, the manner in which food, clothing, housing and medical care will be provided, the registration of the evacuees, the providing of facilities for the notification of relatives or friends, and the forwarding of such evacuees to other areas or the bringing in of additional materials, supplies and all other relevant factors. Such plans shall provide that the party state receiving evacuees and the party state from which the evacuees come shall mutually agree as to reimbursement of out-of-pocket expenses incurred in receiving and caring for such evacuees, for expenditures for transportation, food, clothing, medicines and medical care and like items. Such expenditures shall be reimbursed as agreed by the party state from which the evacuees come. After the termination of the emergency or disaster, the party state from which the evacuees come shall assume the responsibility for the ultimate support of repatriation of such evacuees.

ARTICLE XI — IMPLEMENTATION

A. This compact shall become operative immediately upon its enactment into law by any two (2) states; thereafter, this compact shall become effective as to any other state upon its enactment by such state.

B. Any party state may withdraw from this compact by enacting a statute repealing the same, but no such withdrawal shall take effect until thirty (30) days after the Governor of the withdrawing state has given notice in writing of such withdrawal to the Governors of all other party states. Such action shall not relieve the withdrawing state from obligations assumed hereunder prior to the effective date of withdrawal.

C. Duly authenticated copies of this compact and of such supplementary agreements as may be entered into shall, at the time of their approval, be deposited with each of the party states and with the Federal Emergency Management Agency and other appropriate agencies of the United States government.

ARTICLE XII — VALIDITY

This compact shall be construed to effectuate the purposes stated in Article I hereof. If any provision of this compact is declared unconstitutional, or the applicability thereof to any person or circumstances is held invalid, the constitutionality of the remainder of this compact and the applicability thereof to other persons and circumstances shall not be affected thereby.

ARTICLE XIII — ADDITIONAL PROVISIONS

Nothing in this compact shall authorize or permit the use of military force by the National Guard of a state at any place outside that state in any emergency for which the President is authorized by law to call into federal service the militia, or for any purpose for which the use of the Army or the Air Force would in the absence of express statutory authorization be prohibited under Section 1385 of Title 18, United States Code.

(2) If a court action or proceeding has been instituted against the holder of such permit, then the sheriff shall place such cash bond with such court where such action or proceeding has been instituted to be placed in escrow. If no such court action or proceeding has been instituted but a fine assessed against the holder of such permit for failure to comply with the health and safety regulations remains unpaid, or if any additional law enforcement expense remains unpaid, then the sheriff shall reimburse the political subdivision reasonably incurring such legitimate additional law enforcement expenses, the sheriff shall forward to the court assessing such fine portions of the cash bond to meet such obligations and the sheriff shall forward the remainder

§ 45-27-1. Legislative findings and declaration of purpose.

The Legislature finds and declares that a more effective administrative structure now is required to control the collection, storage, dissemination and use of criminal offender record information. These improvements in the organization and control of criminal offender record keeping are imperative both to strengthen the administration of criminal justice and to assure appropriate protection of rights of individual privacy. The purposes of this chapter are (a) to control and coordinate criminal offender record keeping within this state; (b) to assure periodic reporting to the Governor and Legislature concerning such record keeping; and (c) to establish a more effective administrative structure for the collection, maintenance, retrieval and dissemination of criminal history record information described in this chapter, consistent with those principles of scope and security prescribed by this chapter, and to facilitate the practical use of criminal offender record information within the criminal justice system.

JUDICIAL DECISIONS

1. In general.

Records of criminal offenses are kept pursuant to § 45-27-1. The legislature of Mississippi has specifically authorized expungement of criminal offender records in limited cases-youth court cases, §§ 43-21-159 and 43-21-265; first offense misdemeanor convictions occurring prior to age 23, § 99-19-71; drug possession convictions occurring prior to age 26, § 41-29-150; purchase of alcoholic beverages by one under age 21, § 67-3-70; and municipal court convictions, § 21-23-7. Expungement of felony convictions which arose pursuant to guilty pleas are governed by § 99-15-57 which provides that any person who pled guilty within 6 months prior to the effective date of § 99-15-26 may apply to the court for an order expunging his or her criminal records. Under §§ 99-15-57 and 99-15-26 a circuit court has the power to expunge a felony conviction pursuant to a guilty plea under certain conditions. Accordingly, a petitioner who pled guilty to the felony of burglary might have been eligible for relief pursuant to §§ 99-15-57 and 99-15-26 if his guilty plea had occurred on or after October 1, 1982, that being the earliest date to satisfy the "within 6 months prior to" March 31, 1983, requirement of § 99-15-57. However, the petitioner pleaded guilty to burglary on October 9, 1979, 3 years prior to

October 1, 1982, and admitted that he did not fall within the criterion in any of the statutes authorizing expungement, and thus the trial court did not err in denying his petition for expungement. *Caldwell v. State*, 564 So. 2d 1371 (Miss. 1990).

To require a prisoner to exhibit himself for the purpose of identification or to submit to the taking of photographs and fingerprints does not violate the prisoner's constitutional rights against self-incrimination. *Smith v. State*, 229 So. 2d 551 (Miss. 1969).

After the defendant had confessed to an indictable offense, the interrogating officer had sufficient grounds upon which to arrest him and thereafter to take the picture and fingerprints of the defendant. *Smith v. State*, 229 So. 2d 551 (Miss. 1969).

Fingerprints are admissible in evidence in order to establish the identity of a party where the comparison of a developed fingerprint with that of the party alleged to have made it is shown. *McLain v. State*, 198 Miss. 831, 24 So. 2d 15 (1945).

Superintendent of identification of a city police department, who was a graduate of a recognized fingerprint school, had twelve years practical experience, and was an officer of an international association for identification, was fully qualified as a fingerprint expert. *McLain v. State*, 198 Miss. 831, 24 So. 2d 15 (1945).

ATTORNEY GENERAL OPINIONS

Under Section 45-27-1 a policeman or a sheriff can trace a person's tag number on NCIC's computer if they have been given a tip or have reason to believe a certain vehicle may be violating some alcoholic beverage law. Capps, December 7, 1995, A.G. Op. #95-0800.

The Mississippi Justice Information Act creates a comprehensive scheme for the

collection, storage, and dissemination of criminal records, and the information contained in the Mississippi Justice Information Center's database is not subject to release under the Mississippi Public Records Act of 1983. Spann, Oct. 27, 2000, A.G. Op. #2000-0553.

(d) "Criminal justice information" means the following classes of information:

(i) "Secret data" which includes information dealing with those elements of the operation and programming of the Mississippi Justice Information Center computer system and the communications network and satellite computer systems handling criminal justice information which prevents unlawful intrusion into the system.

(ii) "Criminal history record information," which means information collected by criminal justice agencies on individuals consisting of identifiable descriptions and notations of arrests, detentions, indictments, affidavits, information or other formal charges and any disposition arising therefrom, sentencing, correctional supervision and release. The term does not include identification information such as fingerprint records or images to the extent that such information does not indicate involvement of the individual in the criminal justice system.

(iii) "Sensitive data," which contains statistical information in the form of reports, lists and documentation which may identify a group characteristic, such as "white" males or "stolen" guns.

(iv) "Restricted data," which contains information relating to data-gathering techniques, distribution methods, manuals and forms.

(f) "Department" means the Mississippi Department of Public Safety.

(g) "Conviction information" means criminal history record information disclosing that a person was found guilty of, or has pleaded guilty or nolo contendere to, a criminal offense in a court of law, together with any sentencing information. This includes a conviction in a federal or military tribunal, including a court martial conducted by the Armed Forces of the United States, or a conviction for an offense committed on an Indian Reservation or other federal property, or any court of a state of the United States.

(h) "Nonconviction information" means arrest without disposition information if an interval of one (1) year has elapsed from the date of arrest and no active prosecution for the charge is pending, as well as, all acquittals and all dismissals.

ATTORNEY GENERAL OPINIONS

Agencies that are not criminal justice agencies may receive information only upon a showing that the information will be used for the prevention or detection of crime or the apprehension of criminal offenders; this ordinarily does not include background checks of employees of agencies that are not criminal justice agencies. Spann, Jan. 24, 2000, A.G. Op. #99-0694.

If fingerprint information is maintained as part of a record of a conviction that is ordered expunged, the fingerprint information must be expunged; however, if fingerprint information is obtained and maintained for other purposes, the destruction of the information is not mandated. Spann, Jan. 24, 2000, A.G. Op. #99-0694.

§ 45-27-5. Mississippi Justice Information System established; director; personnel.

(1) There is hereby established within the Mississippi Department of Public Safety a system for the communication of vital information relating to crimes, criminals and criminal activity to be known as the Mississippi Justice Information Center. Central responsibility for the development, maintenance and operation of the center shall be vested with the director of the Mississippi Justice Information Center.

(2) The director of the center shall maintain the necessary staff to enable the effective and efficient performance of the duties and responsibilities ascribed to the center. Such staff shall include but not be limited to statistical analysis personnel and field monitoring personnel, along with the support services to be procured within state government.

(3) All personnel of the center shall be subject to approval by the state personnel board, with due recognition to be given to the special qualifications and availability of the types of individuals required for such employment.

§ 45-27-7. Duties and functions of the Justice Information Center.

(1) The Mississippi Justice Information Center shall:

(a) Develop, operate and maintain an information system which will support the collection, storage, retrieval and dissemination of all data described in this chapter, consistent with those principles of scope, security and responsiveness prescribed by this chapter.

(b) Cooperate with all criminal justice agencies within the state in providing those forms, procedures, standards and related training assistance necessary for the uniform operation of the statewide center.

(c) Offer assistance and, when practicable, instruction to all local law enforcement agencies in establishing efficient local records systems.

(d) Make available, upon request, to all local and state criminal justice agencies, to all federal criminal justice agencies and to criminal justice agencies in other states any information in the files of the center which will aid such agencies in the performance of their official duties. For this purpose the center shall operate on a twenty-four-hour basis, seven (7) days a week. Such information, when authorized by the director of the center, may also be made available to any other agency of this state or any political subdivision thereof and to any federal agency, upon assurance by the agency concerned that the information is to be used for official purposes only in the prevention or detection of crime or the apprehension of criminal offenders.

(e) Cooperate with other agencies of this state, the crime information agencies of other states, and the national crime information center systems of the Federal Bureau of Investigation in developing and conducting an interstate, national and international system of criminal identification and records.

(f) Make available, upon request, to nongovernmental entities or employers certain information for noncriminal justice purposes as specified in Section 45-27-12.

(g) Institute necessary measures in the design, implementation and continued operation of the justice information system to ensure the privacy and security of the system. Such measures shall include establishing complete control over use of and access to the system and restricting its integral resources and facilities and those either possessed or procured and controlled by criminal justice agencies. Such security measures must meet standards developed by the center as well as those set by the nationally operated systems for interstate sharing of information.

(h) Provide data processing for files listing motor vehicle drivers' license numbers, motor vehicle registration numbers, wanted and stolen motor

vehicles, outstanding warrants, identifiable stolen property and such other files as may be of general assistance to law enforcement agencies; provided, however, that the purchase, lease, rental or acquisition in any manner of "computer equipment or services," as defined in Section 25-53-3, Mississippi Code of 1972, shall be subject to the approval of the Mississippi Information Technology Services.

(i) Maintain a field coordination and support unit which shall have all the power conferred by law upon any peace officer of this state.

(2) The department, including the investigative division or the center, may:

(a) Obtain and store fingerprints, descriptions, photographs and any other pertinent identifying data from crime scenes and on persons who:

(i) Have been or are hereafter arrested or taken into custody in this state:

1. For an offense which is a felony;
2. For an offense which is a misdemeanor;
3. As a fugitive from justice; or

(ii) Are or become habitual offenders; or

(iii) Are currently or become confined to any prison, penitentiary or other penal institution; or

(iv) Are unidentified human corpses found in the state; or

(v) Have submitted fingerprints for conducting criminal history record checks.

(b) Compare all fingerprint and other identifying data received with that already on file and determine whether or not a criminal record is found for such person, and at once inform the requesting agency or arresting officer of those facts that may be disseminated consistent with applicable security and privacy laws and regulations. A record shall be maintained for a minimum of one (1) year of the dissemination of each individual criminal history, including at least the date and recipient of such information.

(c) Establish procedures to respond to those individuals who file requests to review their own records, pursuant to Sections 45-27-11 and 45-27-12, and to cooperate in the correction of the central center records and those of contributing agencies when their accuracy has been successfully challenged either through the related contributing agencies or by court order issued on behalf of an individual.

(d) Retain in the system the fingerprints of all law enforcement officers and part-time law enforcement officers, as those terms are defined in Section 45-6-3, and of all applicants to law enforcement agencies.

(3) There shall be a presumption that a copy of any document submitted to the center in accordance with the provisions of Section 45-27-9 that has been processed as set forth in this chapter and subsequently certified and provided by the center to a law enforcement agency or a court shall be admissible in any proceeding without further authentication unless a person objecting to that admissibility has successfully challenged the document under the provisions of Section 45-27-11.

Joint Legislative Committee Note — Pursuant to Section 1-1-109, the Joint Legislative Committee on Compilation, Revision and Publication of Legislation corrected a typographical error in (2)(d). The word “enforcement” was inserted following “part-time law.” The Joint Committee ratified the correction at its May 31, 2006, meeting.

Editor’s Note — Chapter 622 of Laws of 1995 (§ 25-53-3) changed the name of the “Central Data Processing Authority” (CDPA) to the “Mississippi Department of Information Technology Services” (MDITS) and provided that wherever the terms “Central Data Processing Authority” and “authority,” when referring to the Central Data Processing Authority, are used in any law, the same shall mean the Mississippi Department of Information Technology Services.

ATTORNEY GENERAL OPINIONS

The release of information pursuant to subsection (d) is not limited to personnel of those agencies who meet the definition

of a “law enforcement officer” under Section 45-6-3 and is, therefore, certified. Spann, Jan. 24, 2000, A.G. Op. #99-0694.

§ 45-27-9. Submission of data to center by criminal justice agencies; center to promptly purge records upon receipt of lawful expunction order; new or upgraded computerized records management systems to be formatted to Department of Justice approved format.

(1) All criminal justice agencies within the state shall submit to the center fingerprints, descriptions, photographs (when specifically requested), and other identifying data on persons who have been lawfully arrested or taken into custody in this state for all felonies and misdemeanors as described in Section 45-27-7(2)(a). It shall be the duty of all chiefs of police, sheriffs, district attorneys, courts, court clerks, judges, parole and probation officers, wardens or other persons in charge of correctional institutions in this state to furnish the center with any other data deemed necessary by the center to carry out its responsibilities under this chapter.

(2) All persons in charge of law enforcement agencies shall obtain, or cause to be obtained, fingerprints according to the fingerprint system of identification established by the Director of the Federal Bureau of Investigation, full face and profile photographs (if equipment is available) and other available identifying data, of each person arrested or taken into custody for an offense of a type designated in subsection (1) of this section, of all persons arrested or taken into custody as fugitives from justice and of all unidentified human corpses in their jurisdictions, but photographs need not be taken if it is known that photographs of the type listed, taken within the previous year, are on file. Any record taken in connection with any person arrested or taken into custody and subsequently released without charge or cleared of the offense through court proceedings shall be purged from the files of the center and destroyed upon receipt by the center of a lawful expunction order. All persons in charge of law enforcement agencies shall submit to the center detailed descriptions of arrests or takings into custody which result in release without charge or subsequent exoneration from criminal liability within twenty-four (24) hours of such release or exoneration.

(3) Fingerprints and other identifying data required to be taken under subsection (2) shall be forwarded within twenty-four (24) hours after taking for filing and classification, but the period of twenty-four (24) hours may be extended to cover any intervening holiday or weekend. Photographs taken shall be forwarded at the discretion of the agency concerned, but, if not forwarded, the fingerprint record shall be marked "Photo Available" and the photographs shall be forwarded subsequently if the center so requests.

(4) All persons in charge of law enforcement agencies shall submit to the center detailed descriptions of arrest warrants and related identifying data immediately upon determination of the fact that the warrant cannot be served for the reasons stated. If the warrant is subsequently served or withdrawn, the law enforcement agency concerned must immediately notify the center of such

service or withdrawal. Also, the agency concerned must annually, no later than January 31 of each year and at other times if requested by the center, confirm all such arrest warrants which continue to be outstanding. Upon receipt of a lawful expunction order, the center shall purge and destroy files of all data relating to an offense when an individual is subsequently exonerated from criminal liability of that offense. The center shall not be liable for the failure to purge, destroy or expunge any records if an agency or court fails to forward to the center proper documentation ordering such action.

(5) All persons in charge of state correctional institutions shall obtain fingerprints, according to the fingerprint system of identification established by the Director of the Federal Bureau of Investigation or as otherwise directed by the center, and full face and profile photographs of all persons received on commitment to such institutions. The prints so taken shall be forwarded to the center, together with any other identifying data requested, within ten (10) days after the arrival at the institution of the person committed. At the time of release, the institution will again obtain fingerprints, as before, and forward them to the center within ten (10) days, along with any other related information requested by the center. The institution shall notify the center immediately upon the release of such person.

(6) All persons in charge of law enforcement agencies, all court clerks, all municipal justices where they have no clerks, all justice court judges and all persons in charge of state and county probation and parole offices, shall supply the center with the information described in subsections (4) and (10) of this section on the basis of the forms and instructions to be supplied by the center.

(7) All persons in charge of law enforcement agencies in this state shall furnish the center with any other identifying data required in accordance with guidelines established by the center. All law enforcement agencies and correctional institutions in this state having criminal identification files shall cooperate in providing the center with copies of such items in such files which will aid in establishing the nucleus of the state criminal identification file.

(8) All law enforcement agencies within the state shall report to the center, in a manner prescribed by the center, all persons wanted by and all vehicles and identifiable property stolen from their jurisdictions. The report shall be made as soon as is practical after the investigating department or agency either ascertains that a vehicle or identifiable property has been stolen or obtains a warrant for an individual's arrest or determines that there are reasonable grounds to believe that the individual has committed a crime. The report shall be made within a reasonable time period following the reporting department's or agency's determination that it has grounds to believe that a vehicle or property was stolen or that the wanted person should be arrested.

(9) All law enforcement agencies in the state shall immediately notify the center if at any time after making a report as required by subsection (8) of this section it is determined by the reporting department or agency that a person is no longer wanted or that a vehicle or property stolen has been recovered. Furthermore, if the agency making such apprehension or recovery is not the one which made the original report, then it shall immediately notify the

originating agency of the full particulars relating to such apprehension or recovery using methods prescribed by the center.

(10) All law enforcement agencies in the state and clerks of the various courts shall promptly report to the center all instances where records of convictions of criminals are ordered expunged by courts of this state as now provided by law. The center shall promptly expunge from the files of the center and destroy all records pertaining to any convictions that are ordered expunged by the courts of this state as provided by law.

(11) The center shall not be held liable for the failure to purge, destroy or expunge records if an agency or court fails to forward to the center proper documentation ordering such action.

(12) Any criminal justice department or agency making an expenditure in excess of Five Thousand Dollars (\$5,000.00) in any calendar year on software or programming upgrades concerning a computerized records management system or jail management system shall ensure that the new or upgraded system is formatted to Department of Justice approved XML format and that no impediments to data sharing with other agencies or departments exist in the software programming.

ATTORNEY GENERAL OPINIONS

When a record of a conviction is ordered expunged, the Mississippi Justice Information Center must destroy electronic entries from its database as well as all paper documents associated with the electronic entries. Spann, Jan. 24, 2000, A.G. Op. #99-0694.

The Mississippi Justice Information Center is not prohibited from entering the following crimes committed by individuals under 18 years of age into its database: (1) crimes punishable under state or federal law by life imprisonment or death; (2) offenses committed by a child on or after his seventeenth birthday where such offenses would be a felony if committed by an adult; (3) a hunting or fishing violation; (4) a traffic violation; (5) a violation of the Mississippi Implied Consent Law; or (6) a

violation of Section 67-3-70. Spann, Jan. 24, 2000, A.G. Op. #99-0694.

A district attorney (as a “person in charge of a law enforcement agency”) or circuit court clerk (as an officer of the court) may comply with Section 45-27-9 by providing to the Mississippi Justice Information Center the information on a capias that either cannot or has not been served within a reasonable time period; if for some reason the sheriff cannot serve the capias on the defendant and returns the capias unserved, the information on the capias may be provided to the Mississippi Justice Information Center without violation of Section 97-9-53 or 99-7-15. Kitchens, Jr., April 17, 2000, A.G. Op. #2000-0192.

§ 45-27-11. Review or challenge of criminal offender records; correction of errors in records.

The center shall make a person's criminal records available for inspection by him or his attorney upon written request. Prior to inspection, the person must submit a set of fingerprints, sign a written authorization for the records check, and provide any other identifying information required by the center. Should such person or his attorney contest the accuracy of any portion of such records, the center shall make available to such person or his attorney a copy of the contested record upon written application identifying the portion of the record contested and showing the reason for the contest of accuracy. Forms, procedures, fees, identification and other related aspects pertinent to such access may be prescribed by the center in making access available.

If an individual believes such information to be inaccurate or incomplete, he may request the original agency having custody or control of the records to purge, modify or supplement them and to so notify the center of such changes. Should the agency decline to so act or should the individual believe the agency's decision to be otherwise unsatisfactory, the individual or his attorney may within thirty (30) days of such decision enter an appeal to the county or circuit court of the county of his residence or to such court in the county where such agency exists. The court in each such case shall conduct a de novo hearing and may order such relief as it finds to be required by law. Such appeals shall be entered in the same manner as other appeals are entered.

Should the record in question be found to be inaccurate or incomplete, the court shall order it to be appropriately expunged, modified or supplemented by an explanatory notation. Each agency or individual in the state with custody, possession or control of any such record shall promptly cause each and every copy thereof in his custody, possession or control to be altered in accordance with the court's order. Notification of each such deletion, amendment and supplementary notation shall be promptly disseminated to any individuals or agencies to which the records in question have been communicated as well as to the individual whose records have been ordered so altered. The center shall not be held liable for the failure to modify, supplement, destroy or expunge records if an agency or court fails to forward to the center proper documentation ordering such action.

Agencies, including the center, at which criminal offender records are sought to be inspected may prescribe reasonable hours and places of inspection and may impose such additional procedures, fees or restrictions, including fingerprinting, as are reasonably necessary both to assure the record's security,

to verify the identities of those who seek to inspect them and to maintain an orderly and efficient mechanism for such access.

Former § 45-33-19 related to immunity for providing or failing to provide information concerning procedures applying to sex offenders and the prohibition against the release of victim identities.

§ 45-33-21. Legislative findings and declaration of purpose.

The Legislature finds that the danger of recidivism posed by criminal sex offenders and the protection of the public from these offenders is of paramount concern and interest to government. The Legislature further finds that law enforcement agencies' efforts to protect their communities, conduct investigations, and quickly apprehend criminal sex offenders are impaired by the lack of information shared with the public, which lack of information may result in the failure of the criminal justice system to identify, investigate, apprehend, and prosecute criminal sex offenders.

The Legislature further finds that the system of registering criminal sex offenders is a proper exercise of the state's police power regulating present and ongoing conduct. Comprehensive registration and periodic address verification will provide law enforcement with additional information critical to preventing sexual victimization and to resolving promptly incidents involving sexual abuse and exploitation. It will allow law enforcement agencies to alert the public when necessary for the continued protection of the community.

Persons found to have committed a sex offense have a reduced expectation of privacy because of the public's interest in safety and in the effective operation of government. In balancing offenders' due process and other rights, and the interests of public security, the Legislature finds that releasing such information about criminal sex offenders to the general public will further the primary governmental interest of protecting vulnerable populations and, in some instances the public, from potential harm.

Therefore, the state's policy is to assist local law enforcement agencies' efforts to protect their communities by requiring criminal sex offenders to register, to record their addresses of residence, to be photographed and fingerprinted, and to authorize the release of necessary and relevant information about criminal sex offenders to the public as provided in this chapter, which may be referred to as the Mississippi Sex Offenders Registration Law.

ATTORNEY GENERAL OPINIONS

As long as the provisions of a municipal ordinance requiring the registration of sex offenders supplement, and do not conflict, with the provisions of Section 45-33-21, a

municipality is within the authority granted it by Section 21-17-5 to enact such an ordinance. Gibson, Apr. 21, 2006, A.G. Op. 05-0382.

ATTORNEY GENERAL OPINIONS

A violation of § 99-29-63, which prohibits photographing or filming another without permission where there is an expectation of privacy, is not a “sex crime” for the

purpose of determining eligibility for parole or the intensive supervision program. Johnson, June 14, 2002, A.G. Op. #02-0336.

§ 45-33-25. Registration shall not be required for an offense that is not a registrable sex offense or for an offender who is under fourteen (14) years of age. JUDICIAL DECISIONS

1. Resident.
2. Registrable offenses.
3. Guilty pleas.

1. Resident.

Defendant’s motion for a directed verdict was denied in a case involving a failure to register as a sex offender under Miss. Code Ann. § 45-33-25 because the state proved that defendant was a resident of Mississippi where a friend testified that defendant had lived beside the defendant for six to nine months, and saw defendant on a regular basis. *Potts v. State*, 955 So. 2d 913 (Miss. Ct. App. 2007).

2. Registrable offenses.

Offender was required to continue registering as a sex offender under Miss. Code Ann. § 45-33-47 due to his guilty plea to a Maryland sex offense because: (1) the offender admitted in his plea that he had placed his hands on the victim’s vagina without her consent; and (2) his conduct and plea satisfied the elements of the Mississippi crime of attempted sexual battery, which was a registrable offense in Mississippi. *Stallworth v. Miss. Dep’t of Pub. Safety*, 986 So. 2d 259 (Miss. 2008).

Neither the record nor the trial court’s order substantiated the petitioner’s state-

ment that the sentencing judge ordered that he did not have to comply with sex offender registration, Miss. Code Ann. § 45-33-25. *Payton v. State*, 845 So. 2d 713 (Miss. Ct. App. 2003), cert. denied, 859 So. 2d 392 (Miss. 2003), cert. denied, 540 U.S. 1078, 124 S. Ct. 931, 157 L. Ed. 2d 751 (2003).

3. Guilty pleas.

Trial judge is not required, prior to accepting a guilty plea, to inform a defendant of the sex offender registration laws, Miss. Code Ann. §§ 45-33-25 through 45-33-31 because Miss. Code Ann. § 45-33-39(1) confers no right on a criminal defendant charged with a sex crime and imposes no duty on trial judges, and since the requirement to register as a sex offender is a collateral consequence of a guilty plea, the trial court will not be put in error for failing to advise a defendant of the registration requirements before accepting his guilty plea; the Mississippi legislative branch of government may not, through procedural legislation, control the function of the judiciary, and subservience to legislation that mandates what trial judges must say to a defendant in a courtroom during a plea hearing would be tantamount to both an abdication of judicial duty, as well as tacit approval of

legislative usurpation of the judicial prerogative. *Magyar v. State*, 18 So. 3d 807 (Miss. 2009), writ of certiorari denied by 130 S. Ct. 3274, 176 L. Ed. 2d 1182, 2010 U.S. LEXIS 3999, 78 U.S.L.W. 3667 (U.S. 2010).

That defendant was not informed of the fact that he would have to register as a sex offender under Miss. Code Ann. § 45-33-25(1) prior to entering his guilty plea did

not equate to a failure to advise defendant of the maximum or minimum penalty of the crime of sexual assault or to a waiver of his rights because the registration requirement was merely a collateral, rather than punitive, consequence of his guilty plea. *Magyar v. State*, 18 So. 3d 851 (Miss. Ct. App. 2008), affirmed by 18 So. 3d 807, 2009 Miss. LEXIS 388 (Miss. 2009).

ATTORNEY GENERAL OPINIONS

In the event the Department of Public Safety discovers an offender in violation of the registration requirement, the violation should be reported to the jurisdiction

in which the individual resided when the failure to make the appropriate report occurred [opinion under prior law]. Spann, Jan. 24, 2000, A.G. Op. #99-0694.

(b) To loiter within five hundred (500) feet of a school building or real property comprising any school while persons under the age of eighteen (18) are present in the building or on the grounds.

(2)(a) A person required to register as a sex offender who is a parent or guardian of a student attending the school and who complies with subsection (3) may be present on school property if the parent or guardian is:

(i) Attending a conference at the school with school personnel to discuss the progress of the sex offender's child academically or socially;

(v) Present at the school because the presence of the sex offender has been requested by the principal for any other reason relating to the welfare of the child.

(b) Subsection (1) of this section shall not apply to a sex offender who is legally enrolled in a particular school or is participating in a school-sponsored educational program located at a particular school when the sex offender is present at that school.

(3)(a) In order to exercise the exemption under subsection (2), a parent or guardian who is required to register as a sex offender must notify the principal of the school of the sex offender's presence at the school unless the offender: (i) has permission to be present from the superintendent or the school board, or (ii) the principal has granted ongoing permission for regular visits of a routine nature.

(b) If permission is granted by the superintendent or the school board, the superintendent or school board president must inform the principal of the school where the sex offender will be present. Notification includes the nature of the sex offender's visit and the hours when the sex offender will be present in the school, and the sex offender is responsible for notifying the principal's office upon arrival and upon departure. If the sex offender is to be present in the vicinity of children, the sex offender has the duty to remain under the direct supervision of a school official.

(4) For the purposes of this section, the following terms shall have the meanings ascribed unless the context clearly requires otherwise:

(a) "School" means a public or private preschool, elementary school or secondary school.

(b) "Loiter" means standing or sitting idly, whether in or out of a vehicle, or remaining in or around school property without a legitimate reason.

(c) "School official" means the principal, a teacher, any other certified employee of the school, the superintendent of schools, or a member of the school board.

(5) A sex offender who violates this section is guilty of a misdemeanor and subject to a fine not to exceed One Thousand Dollars (\$1,000.00), incarceration not to exceed six (6) months in jail, or both.

(6) It is a defense to prosecution under this section that the sex offender did not know and could not reasonably know that the property or conveyance fell within the proscription of this section.

(7) Nothing in this section shall be construed to infringe upon the constitutional right of a sex offender to be present in a school building that is used as a polling place for the purpose of voting.

JUDICIAL DECISIONS

1. Jury instruction as to notice.

Since the issue of whether a defendant had actual or probable knowledge of the duty to register as a sex offender was a factual issue for the jury to decide, the

trial court erred in refusing the defendant's request for jury instruction requiring notice. *Garrison v. State*, 950 So. 2d 990 (Miss. 2006).

§ 45-33-28. Notification of emergency shelter management of person's sex offender status upon entering shelter during declaration of emergency; notification of law enforcement officials of presence of sex offender in shelter.

The sex offender shall provide his full name, date of birth, social security number, and last address of registration prior to the declaration of emergency. Within seventy-two (72) hours of receiving the

notification required by the provisions of this subsection, the sheriff and chief of police shall forward that information to the department.

(2) The manager or director of the emergency shelter shall make a reasonable effort to notify the chief law enforcement officer of the county or municipality in which the shelter is located of the presence of the sex offender in the emergency shelter. No person associated with a nonprofit organization that operates an emergency shelter shall be liable for any injury or claim arising out of the failure of the manager or operator to communicate the presence of a sex offender in the shelter to the appropriate law enforcement official.

(2) Unless otherwise specified, a violation of this chapter shall be considered a felony and shall be punishable by a fine not more than Five Thousand Dollars (\$5,000.00) or imprisonment in the State Penitentiary for not more than five (5) years, or both fine and imprisonment.

The sheriff shall make the appropriate transactions into the Federal Bureau of Investigation's wanted-person database and issue a warrant for the offender's arrest. The department shall notify the United States Marshal Service of the offender's noncompliant status and shall update the registry database and website to show the defendant's noncompliant status as an absconder.

(4) A violation of this chapter shall result in the arrest of the offender.

(5) Any prosecution for a violation of this section shall be brought by a prosecutor in the county of the violation.

JUDICIAL DECISIONS

1. Construction.

Trial judge is not required, prior to accepting a guilty plea, to inform a defendant of the sex offender registration laws, Miss. Code Ann. §§ 45-33-25 through 45-33-31, because Miss. Code Ann. § 45-33-39(1) confers no right on a criminal defendant charged with a sex crime and imposes no duty on trial judges, and since the requirement to register as a sex offender is a collateral consequence of a

guilty plea, the trial court will not be put in error for failing to advise a defendant of the registration requirements before accepting his guilty plea; the Mississippi legislative branch of government may not, through procedural legislation, control the function of the judiciary, and subservience to legislation that mandates what trial judges must say to a defendant in a courtroom during a plea hearing would be tantamount to both an abdication of judi-

cial duty, as well as tacit approval of legislative usurpation of the judicial prerogative. *Magyar v. State*, 18 So. 3d 807 (Miss. 2009), writ of certiorari denied by

§ 45-33-41. Notification to inmates and offenders by Department of Corrections, county or municipal jails, and juvenile detention facilities; victim notification.

(1) The Department of Corrections or any person having charge of a county or municipal jail or any juvenile detention facility shall provide written notification to an inmate or offender in the custody of the jail or other facility due to a conviction of or adjudication for a sex offense of the registration and notification requirements of Sections 45-33-25, 45-33-31, 45-33-32 and 45-33-59 at the time of the inmate's or offender's confinement and release from confinement, and shall receive a signed acknowledgment of receipt on both occasions.

(2) At least ten (10) days prior to the inmate's release from confinement, the Department of Corrections shall notify the victim of the offense or a designee of the immediate family of the victim regarding the date when the offender's release shall occur, provided a current address of the victim or designated family member has been furnished in writing to the Director of Records for such purpose.

At the time a person surrenders a driver's license from another jurisdiction or makes an application for a driver's license, temporary driving permit, intermediate license, commercial driver's license or identification card issued under Section 45-35-3, the department shall provide the applicant with written information on the registration requirements of this chapter and shall require written acknowledgment by the applicant of receipt of the notification.

§ 45-33-47. Petition for relief from duty to register; grounds; minimum period of continuing registration based on three-tier classification of offenses; certain offenders subject to lifetime registration.

(1) A sex offender with a duty to register under Section 45-33-25 shall only be relieved of the duty under subsection (2) of this section.

(2) A person having a duty to register under Section 45-33-25 may petition the circuit court of the sentencing jurisdiction, or for a person whose duty to register arose in another jurisdiction, the county in which the registrant resides, to be relieved of that duty under the following conditions:

(a) The offender has maintained his registration in Mississippi for the required minimum registration from the most recent date of occurrence of at least one (1) of the following: release from prison, placement on parole, supervised release or probation or as determined by the offender's tier classification. Incarceration for any offense will restart the minimum registration requirement. Registration in any other jurisdiction does not reduce the minimum time requirement for maintaining registration in Mississippi.

(b)(i) Tier One requires registration for a minimum of fifteen (15) years in this state and includes any of the following listed sex offenses:

1. Section 97-5-27(1) relating to dissemination of sexually oriented material to children.

2. Any conviction of conspiracy to commit, accessory to commission, or attempt to commit any offense listed in this tier.

(ii) Notwithstanding another provision of this section, an offender may petition the appropriate circuit court to be relieved of the duty to register upon fifteen (15) years' satisfaction of the requirements of this section for the convictions classified as Tier One offenses.

(c)(i) Tier Two requires registration for a minimum of twenty-five (25) years in this state and includes any of the following listed sex offenses:

1. Section 97-5-33(3) through (9) relating to the exploitation of children;

2. Section 97-29-59 relating to unnatural intercourse;

3. Section 97-29-63, relating to filming another without permission where there is an expectation of privacy;

4. Section 97-3-104 relating to crime of sexual activity between law enforcement or correctional personnel and prisoners;

5. Section 97-29-45 relating to obscene electronic communications;

6. Section 43-47-18(2)(a) and (b) relating to gratification of lust or fondling by health care employees or persons in position of trust or authority;

7. Any conviction of conspiracy to commit, accessory to commission, or attempt to commit any offense listed in this tier;

(ii) Notwithstanding another provision of this section, an offender may petition the appropriate circuit court to be relieved of the duty to register upon twenty-five (25) years' satisfaction of the requirements of this section for the convictions classified as Tier Two offenses.

(d) Tier Three requires lifetime registration, the registrant not being eligible to be relieved of the duty to register except as otherwise provided in this paragraph, and includes any of the following listed sex offenses:

- (i) Section 97-3-65 relating to rape;
- (ii) Section 97-3-71 relating to rape and assault with intent to ravish;
- (iii) Section 97-3-95 relating to sexual battery;
- (iv) Subsection (1) or (2) of Section 97-5-33 relating to the exploitation of children;

(v) Section 97-5-41 relating to the carnal knowledge of a stepchild, adopted child or child of a cohabiting partner;

(vi) Section 97-3-53 relating to kidnapping if the victim is under the age of eighteen (18);

(vii) Section 97-3-54.1(1)(c) relating to procuring sexual servitude of a minor;

(viii) Section 97-3-54.3 relating to aiding, abetting or conspiring to violate antihuman trafficking provisions;

(ix) Section 97-5-23 relating to the touching of a child, mentally defective or incapacitated person or physically helpless person for lustful purposes;

(x) Section 97-29-3 relating to sexual intercourse between teacher and student;

(xi) Section 43-47-18 relating to sexual abuse of a vulnerable adult by health care employees or persons in a position of trust or authority;

(xii) Section 97-5-39(1)(c) relating to contributing to the neglect or delinquency of a child, felonious abuse and/or battery of a child, if the victim was sexually abused;

(xiii) Capital murder when one (1) of the above described offenses is the underlying crime;

(xiv) Any conviction for violation of a similar law of another jurisdiction or designation as a sexual predator in another jurisdiction;

(xv) Any conviction of conspiracy to commit, accessory to commission, or attempt to commit any offense listed in this tier; or

(xvi) A first-time offender fourteen (14) years of age or older adjudicated delinquent in a youth court for the crime of rape pursuant to Section 96-3-65, or sexual battery pursuant to Section 97-3-95, is subject to lifetime registration but shall be eligible to petition to be relieved of the duty to register after twenty-five (25) years of registration.

(e) An offender who has two (2) separate convictions for any of the offenses described in Section 45-33-23 is subject to lifetime registration and shall not be eligible to petition to be relieved of the duty to register as long as at least one (1) of the convictions was entered on or after July 1, 1995.

(f) An offender, twenty-one (21) years of age or older, who is convicted of any sex offense where the victim was fourteen (14) years of age or younger shall be subject to lifetime registration and shall not be relieved of the duty to register.

(g) A first-time offender fourteen (14) years of age or older adjudicated delinquent in a youth court for the crime of rape pursuant to Section 96-3-65

or sexual battery pursuant to Section 97-3-95 is subject to lifetime registration and shall be eligible to petition to be relieved of the duty to register after twenty-five (25) years of registration.

(h) Registration following arrest or arraignment for failure to register is not a defense and does not relieve the sex offender of criminal liability for failure to register.

(i) The department shall continue to list in the registry the name and registration information of all registrants who no longer work, reside or attend school in this state even after the registrant moves to another jurisdiction and registers in the new jurisdiction as required by law. The registry shall note that the registrant moved out of state.

(3) In determining whether to release an offender from the obligation to register, the court shall consider the nature of the registrable offense committed and the criminal and relevant noncriminal behavior of the petitioner both before and after conviction. The court may relieve the offender of the duty to register only if the petitioner shows, by clear and convincing evidence, that the registrant properly maintained his registration as required by law and that future registration of the petitioner will not serve the purposes of this chapter and the court is otherwise satisfied that the petitioner is not a current or potential threat to public safety. The district attorney in the circuit in which the petition is filed must be given notice of the petition at least three (3) weeks before the hearing on the matter. The district attorney may present evidence in opposition to the requested relief or may otherwise demonstrate the reasons why the petition should be denied. If the court denies the petition, the petitioner may not again petition the court for relief until one (1) year has elapsed unless the court orders otherwise in its order of denial of relief.

(4) The offender will be required to continue registration for any sex offense conviction unless the conviction is set aside in any post-conviction proceeding, the offender receives a pardon, the charge is dismissed or the offender has received a court order pursuant to this section relieving him of the duty to register. Upon submission of the appropriate documentation to the department of one (1) of these occurrences, registration duties will be discontinued.

In subsection (2)(e), "96-3-65" should probably read "97-3-65."

Amendment Notes — The 2011 amendment rewrote (2)(a); added (2)(b) through (d); and deleted former (5) which read: "The Department of Public Safety shall maintain an Internet site in a manner that will permit the public to obtain relevant information for each sex offender in the registry. The Department of Public Safety shall participate in the Dru Sjodin National Sex Offender Public Web site."

JUDICIAL DECISIONS

3. Violation of similar law of another jurisdiction.

Offender was required to continue registering as a sex offender due to his guilty plea to a Maryland sex offense because: (1) the offender admitted in his plea that he had placed his hands on the victim's va-

gina without her consent; and (2) his conduct and plea satisfied the elements of the Mississippi crime of attempted sexual battery, which was a registrable offense under Miss. Code Ann. § 45-33-25(1). *Stallworth v. Miss. Dep't of Pub. Safety*, 986 So. 2d 259 (Miss. 2008).

§ 45-33-49. Disclosure to public; guidelines for sheriffs as to notification; certain registry information to be available online; participation in Dru Sjodin National Sex Offender Public website; notification of schools and day care centers.

(1) Records maintained pursuant to this chapter shall be open to law enforcement agencies which shall be authorized to release relevant and necessary information regarding sex offenders to the public.

(2) The identity of a victim of an offense that requires registration under this chapter shall not be released.

(3) A sheriff shall maintain records for registrants of the county and shall make available to any person upon request the name, address, place of employment, crime for which convicted, date and place of conviction of any registrant, and any other information deemed necessary for the protection of the public. The sheriffs shall be responsible for verifying their respective registries annually against the department's records to ensure current information is available at both levels.

(4)(a) Upon written request, the department shall provide to any person the name, address, photograph, if available, date of photograph, place of employment, crime for which convicted, date and place of conviction of any registrant, hair, eye color, height, race, sex and date of birth of any registrant, and any other information deemed necessary for the protection of the public.

(b)(i) The Department of Public Safety shall maintain an Internet website in a manner that will permit the public to obtain relevant information for each sex offender in the registry as required in this subsection (4). The website shall permit the public to obtain relevant information for each offender by a single query for any given name, zip code, municipality, county or geographic radius set by the user.

(ii) The Department of Public Safety shall participate in the Dru Sjodin National Sex Offender Public website. The information required to be displayed on the public registry website includes the offender's name and all known aliases; a current photograph; a physical description; the offender's residential addresses including the offender's permanent address and any address at which the offender habitually lives; employer address; school address; the current sex offense for which the offender is registered; criminal history of any other sex offenses for which the offender has been convicted; a description of the offender's vehicle including license

tag number; and the offender's status if designated as noncompliant or an absconder because of failure to comply with the requirements of this chapter.

(iii) The public website shall not display the identity of a victim of an offense that requires registration under this chapter or the registered sex offender's social security number, travel or immigration document numbers, Internet identifiers, telephone numbers, or any arrests not resulting in conviction.

(5) The Department of Education, the Mississippi Private School Association and the Department of Health shall notify all schools and licensed day care centers annually regarding the availability upon request of this information.

(6) Nothing in this section shall be construed to prevent law enforcement officers from notifying members of the public exposed to danger of any circumstances or individuals that pose a danger under circumstances that are not enumerated in this section.

(7) Nothing in this chapter shall be construed to prevent law enforcement officers from providing community notification of any circumstances or individuals that pose or could pose a danger under circumstances that are not enumerated in this chapter.

The release of “relevant information” regarding sex offenders appearing on the sex offender registry to the public by any law enforcement agency is permitted. ATTORNEY GENERAL OPINIONS

The release of any sex offender information, including information available on the Department of Public Safety's website, for a profit is prohibited; thus, it would violate the statute for a private company to charge a fee for a notification function which would send an alert by e-mail to

registered member residents informing them that a new offender has moved within their geographic proximity and advising members to check the department's web site for detailed information concerning the offender. Davis, Apr. 13, 2001, A.G. Op. #01-0200.

§ 45-33-53. Immunity from civil liability; immunity for exercise of discretion under chapter.

(1) An elected public official, public employee, or public agency is immune from civil liability for damages for any discretionary decision to release relevant and necessary information unless it is shown that the official, employee, or agency acted with gross negligence or in bad faith. The immunity provided under this section applies to the release of relevant information to other employees or officials or to the general public.

(2) Nothing in this chapter shall be deemed to impose any liability upon or to give rise to a cause of action against any public official, public employee, or public agency for failing to release information as authorized in this section.

(3) Notwithstanding any other provision of law to the contrary, any person who provides or fails to provide information relevant to the procedures set forth in this chapter shall not be liable therefor in any civil or criminal action. Nothing herein shall be deemed to grant any such immunity to any person for his willful or wanton act of commission or omission.

Section 1 of ch. 447, Laws of 2002, eff from and after passage (approved March 20, 2002), and Section 7 of ch. 584, Laws of 2002, eff from and after September 1, 2002 (approved April 11, 2002), also amended this section. Pursuant to Section 1-1-109, the Joint Legislative Committee on Compilation, Revision and Publication of Legislation corrected a typographical error in a statutory reference in (6). The same identifying data shall be furnished for a duplicate as for an original card. A fee of Three Dollars (\$3.00) plus the applicable photograph fee shall be collected for the first duplicate card issued and a fee of Eight Dollars (\$8.00) plus the applicable photograph fee shall be collected for the second and each subsequent duplicate copy. However, whenever a duplicate copy of an identification card is issued only because a new name is required and the previously issued identification card is returned to the department, the fee for the issuance of such duplicate shall be Three Dollars (\$3.00) plus the applicable photograph fee, regardless of whether the duplicate is the first, second or subsequent duplicate copy. All fees collected under this section, except photograph fees, shall be deposited into the State General Fund. Photograph fees collected under this section shall be deposited into a special photograph fee account or into the State General Fund in the same manner as

photograph fees collected from the issuance of drivers' licenses under Section 63-1-43.

(2) Any person who loses an identification card and who, after obtaining a duplicate, finds the original card shall promptly surrender the original card to the department.

In addition to any other monetary penalties and other penalties imposed by law, any county or municipality by ordinance may assess an additional surcharge in an amount not to exceed Two Dollars (\$2.00) on each person upon whom a county, justice or municipal court imposes a fine or other penalty for any misdemeanor other than offenses relating to vehicular parking or registration if there is established to the benefit of the citizens of the county or municipality a local crime stoppers program which is not authorized to receive funds under local and private legislation. The proceeds from the surcharge may be used by a county or municipality only to fund that county's or municipality's support of the local crime stoppers program as authorized by Section 45-39-15, Mississippi Code of 1972. The proceeds from the surcharge imposed by this section shall be deposited into a special fund in the Department of Public Safety's Office of Public Safety Planning which shall promulgate rules and procedures relating to the administration of the special fund and the disbursement of monies in the fund to participating counties and municipali-

ties. The maximum amount that a county or municipality may receive from the special fund shall be an amount equal to the deposits made into the fund by that entity, less one percent (1%) to be retained by the Office of Public Safety Planning to defray the costs of administering the special fund. Interest earned on the special fund shall remain in the fund and shall be used by the Office of Public Safety Planning to further defray the costs of administering the special fund.

CHAPTER 41

Mississippi Silver Alert System

SEC.

45-41-1. Short title; legislative findings; definitions; criteria for activation of Silver Alert; duties of local law enforcement agencies and Department of Public Safety; alternative mass notification.

§ 45-41-1. Short title; legislative findings; definitions; criteria for activation of Silver Alert; duties of local law enforcement agencies and Department of Public Safety; alternative mass notification.

(1) This section shall be known and cited as the “Mississippi Silver Alert System Act of 2010.”

(2) The Legislature finds that:

(a) Wandering is a common behavior among those persons with dementia or other cognitive impairments that causes great concern for the families and caregivers of this state;

(b) This state is not currently equipped with the systems necessary to locate those with dementia or other cognitive impairments in a timely manner, with the unfortunate result that some individuals are never returned home to their families; and

(c) It is imperative that this state develops a plan to ensure that if an individual with dementia or other cognitive impairments is missing, the appropriate infrastructure is available and can be easily and timely activated to protect the health and safety of these vulnerable citizens.

(3) When used in this section, unless the context requires a different definition, the following terms shall have the following meanings:

(a) “E911” means Enhanced Universal Emergency Number Service or Enhanced 911 Service, which is a telephone exchange communications service by which a Public Safety Answering Point designated by the county or local communication district may receive telephone calls dialed to the telephone number 911.

(b) “First responders” means state and local law enforcement personnel, fire department personnel, emergency medical personnel, emergency management personnel and public works personnel who may be deployed to bioterrorism attacks, terrorist attacks, catastrophic or natural disasters and emergencies.

(c) “Originating local law enforcement agency” means a local police or sheriff’s office that has jurisdiction over the area where a person became missing.

(4)(a) The Bureau of Investigation of the Department of Public Safety shall implement a statewide “Silver Alert System” that has the purpose of providing a tiered, rapid response system to notify the public about missing endangered adults, who are age 18 or older, with dementia or other cognitive

impairments. The initial response may be local, statewide or national based on available information about the missing person.

(b) A Silver Alert activation request may be made only by a law enforcement agency, and the Bureau of Investigation of the Department of Public Safety may only activate a Silver Alert after a request is made.

(c) To activate a Silver Alert, all of the following criteria must be met:

(i) The missing adult, age 18 or older, is believed to have dementia or other cognitive impairments;

(ii) The person is believed to be missing and in imminent danger regardless of circumstance;

(iii) The family, legal caregiver or custodian of the missing person has submitted a missing person's report to the local law enforcement agency in the jurisdiction where the person became missing, with all waiting periods being waived; and

(iv) The law enforcement agency that has jurisdiction of where the person became missing reports the incident to the Bureau of Investigation of the Department of Public Safety through the Mississippi Highway Patrol Headquarters Communication Center.

(d) To initiate a request to activate a Silver Alert, the family, legal caregiver or custodian of the missing person must file immediately a report of the missing person with the local law enforcement agency where the person became missing that includes the following information:

(i) A description of the missing person including physical characteristics, clothing and photos, if available;

(ii) A description of the known circumstances under which the person became missing including the time, place, direction, possible destinations, whether the person is walking or in a vehicle, and all other pertinent information concerning where the person may have become missing; and

(iii) Updates on the missing person as new information becomes available.

(e) The originating local law enforcement agency, after completing the investigation expeditiously and determining that the case meets the qualifying criteria prescribed in this section, shall:

(i) Waive in the case of a Silver Alert, any waiting periods for a missing person's report in order to galvanize the appropriate communities rapidly to assist in the search for and the safe recovery of the missing person;

(ii) Notify the Mississippi Highway Patrol Headquarters Communication Center and electronically send to the center the completed Silver Alert forms and available photos, signed by the police chief, sheriff, commanding officer or his or her designee;

(iii) Enter the information into the National Crime Information Center (NCIC);

(iv) Using a tiered approach based on known circumstances, initiate an alert bulletin to all local law enforcement, E911 and first responder agencies to search the immediate area;

(v) Activate secondary alert systems to residents, businesses, and broadcast media in the immediate area;

(vi) Provide a twenty-four-hour phone number to receive calls while continuing the investigation; and

(vii) Update the family, legal caregiver or custodian of the missing person as new information becomes available.

(5)(a) After the Bureau of Investigation of the Department of Public Safety has been contacted by a local law enforcement agency requesting a Silver Alert activation, the Criminal Information Center shall consider before the activation of the Silver Alert procedures by the Silver Alert coordinator, or his or her designee, the information contained in the initial Silver Alert report form to ensure that it meets all criteria specified in subsection (4)(c) of this section. Elements of the missing person case to be considered are:

(i) Threat of imminent harm or death to the missing person because of age, health, mental or physical disability, environmental or weather conditions;

(ii) Time of initial report in relation to the time of disappearance, including whether the disappearance is unexplained, involuntary or is under suspicious circumstances;

(iii) Believed to be walking or in a vehicle;

(iv) Witness information;

(v) Possible domestic dispute involving the missing person; and

(vi) Other facts that indicate the missing person is in danger of serious injury or death, including whether there is possible criminal intent toward the missing person or whether someone witnessed the disappearance.

(b) Each case shall be reviewed on its own merits, and if there are extenuating circumstances, the required criteria in this section may be amended or expanded depending on the merits presented.

(c) Only the Silver Alert coordinator, or his or her designee, may authorize activation of a statewide Silver Alert and if an activation is authorized, the Criminal Information Center shall:

(i) Prepare an announcement concerning the missing person;

(ii) Contact the designated media stations to activate the alert; and

(iii) Request the Mississippi Department of Transportation to activate electronic signs, if appropriate.

(d) If the missing person is believed to be in a vehicle, the Silver Alert coordinator shall send information and available photos via emails and fax to the statewide communications systems, news media and other forms of public communication or electronic resources.

(6)(a) Following the initial alert, a Silver Alert broadcast shall be updated by television and radio stations as necessary until such time that an end of alert message is received from the law enforcement agency that requested the initial Silver Alert.

(b) Local and statewide broadcast stations shall exercise their own independent discretions as to whether to repeat the required broadcasts

prescribed in this section more frequently and shall determine the frequency in which the alert is re-broadcast following the initial alert.

(c) The Silver Alert termination notification shall be issued twenty-four (24) hours after the airing of the latest and most current information or when the case has been resolved and verification from the originating local law enforcement agency has been received by the Department of Public Safety.

(7)(a) If the circumstances of a person's disappearance do not meet the criteria for a Silver Alert to activate statewide communication systems, the Bureau of Investigation of the Department of Public Safety may offer an alternate form of mass notification as provided in this section.

(b) The alternate form of mass notification may be an email that includes a photograph and the Silver Alert initial reporting form that is sent through a statewide network of law enforcement and first responder agencies, news media offices and other forms of public communication.

(c) The email authorized in paragraph (b) of this subsection (7) shall contain information taken from the Silver Alert initial reporting form that is submitted by the originating local law enforcement agency.

(d) The email alerting news media and law enforcement agencies of a person's disappearance that does not meet the criteria of a Silver Alert activation shall include the following paragraph at the beginning of the email:

"The (name of law enforcement agency) has requested the following information be provided to the Mississippi news media and law enforcement agencies: At the present time, information being provided to the Mississippi Department of Public Safety by the (name of law enforcement agency) does not meet the criteria to activate a Silver Alert. It is left to the discretion of each law enforcement agency and news department receiving this email as to whether the attached information, regarding the disappearance of this person and/or the photograph of this person, will be released to the public."

(e) If further investigation into the disappearance produces evidence that may change the initial circumstances as reported to local law enforcement, the Department of Public Safety may reconsider activating a Silver Alert.

JUDICIAL DECISIONS

1. In general.
2. Removal of prisoner.
3. Length of confinement.

1. In general.

Code sections associated with section containing provision, stricken by Amendatory Act, that no convict shall be credited with wages while in jail and not at work held to entitle convict to credit of \$1 on his fine and costs for each day spent in jail when ready, able, and willing to work, regardless of title of amendatory act, "An Act to amend [such section] so as to credit convicts with time served in jail." Ex parte Jackson, 177 Miss. 509, 171 So. 545 (1937).

Duplicate detention warrant held sufficient authority for convict's detention. Ex parte Moody, 121 Miss. 313, 83 So. 529 (1920).

Court's failure to comply with statute does not relieve accused from liability for imprisonment on failure to pay fine. Buck v. State, 103 Miss. 276, 60 So. 321 (1913).

This section [Code 1942, § 7899], in providing for imprisonment until payment of the cost of prosecution, does not violate a constitutional prohibition of imprisonment for debt. Ex parte McInnis, 98 Miss. 773, 54 So. 260 (1911).

2. Removal of prisoner.

Sheriff had no authority to remove prisoner sentenced to imprisonment in county jail where offense was committed to jail of nonadjoining county. Ex parte Buck, 104 Miss. 661, 61 So. 651 (1913).

3. Length of confinement.

Under the equal protection clause of the Fourteenth Amendment, an indigent, convicted in a state court and sentenced to the maximum term of imprisonment specified by statute and payment of a fine and court costs, the judgment also directing, pursuant to statute, that if the defendant was in default of the monetary payment at the expiration of his prison term, he should remain in jail to "work off" the fine at the statutory rate, may not be continued in confinement beyond the maximum term specified by statute because of his failure to satisfy the monetary provisions of the sentence, either with regard to the fine or with regard to the costs. Williams v. Illinois, 52 Ohio Op. 2d 281, 399 U.S. 235, 90 S. Ct. 2018, 26 L. Ed. 2d 586 (1970).

Although incarceration of indigent for involuntary failure to pay fine and court costs beyond the maximum imprisonment prescribed by state law for the offense was

held to be violative of the Federal Constitution, the state can institute methods, other than incarceration, to enforce the collection of unpaid fines. *Wade v. Carsley*, 433 F.2d 68 (5th Cir. 1970).

However, it had earlier been held that the imprisonment of an indigent for failure to pay a fine did not constitute cruel and unusual punishment, where the indigent after pleading guilty to a misdemeanor charge was sentenced to a jail term and to pay a fine, and after serving her jail term was unable to pay the fine because she was indigent, in view of Code 1942, § 7899 which limits the time of confinement for failure to pay a fine for

any one offense to 2 years. *Wade v. Carsley*, 221 So. 2d 725 (Miss. 1969).

That more than two years had elapsed since imposition of fine and sentence, part of which had been unlawfully suspended by county judge, held not to relieve defendant from serving unsatisfied portion on ground that statute provided that no convict should be held in continuous confinement under conviction for any one offense for failure to pay fine and costs in such case for period of more than two years, where defendant was not in continuous confinement under suspended portion of sentence. *Cameron v. Thompson*, 178 Miss. 434, 173 So. 422 (1937).

§ 47-1-3. County convicts; duty of board of supervisors.

It is the imperative duty of the board of supervisors in each county in this state to require each convict sentenced to imprisonment in the county jail and the payment of a fine and costs, or to imprisonment and payment of costs, or to payment of fine and costs, to work out the sentence on the county convict farm or on the public roads or other public works of the county, or in a contiguous county, as herein provided. But any convict who is sentenced to the payment of a fine and costs and who pays such fine and costs shall thereby be relieved from working out such fine and costs, but the payment in full of such fine and costs shall not relieve such convict from working out the full time of his imprisonment as adjudged in his sentence. The board of supervisors of any county, however, may by an order spread upon its minutes, giving the reason therefor, and with the approval of the circuit judge of the district, discharge any aged or infirm convict upon his making an affidavit of his insolvency and inability to pay the fine and costs, and filing same with the clerk of the board of supervisors at any time after the expiration of his imprisonment.

Code sections associated with section containing provision, stricken by amenda-

tory act, that no convict be credited with wages while in jail and not at work, held to entitle convict to credit of \$1 on fine and costs for each day spent in jail when ready, able, and willing to work, regardless of title to amendatory act. *Ex parte Jackson*, 177 Miss. 509, 171 So. 545 (1937).

Prisoner cannot be released on habeas corpus before expiration of period sufficient to pay fine at maximum statutory allowance. *Morris v. Waldrop*, 151 Miss. 553, 118 So. 621 (1928).

ATTORNEY GENERAL OPINIONS

Miss. Code Section 47-1-3 makes it duty of board of supervisors in each county to require each convict sentenced to imprisonment in county jail and payment of fine and costs, or to imprisonment and payment of costs, or to payment of fine and costs, to work out sentence on county convict farm or on public roads or at other public works of sentencing county or con-

tiguous county. *Simmons*, Jan. 11, 1993, A.G. Op. #92-0988.

§ 47-1-5. County convicts; board of supervisors may lease or buy suitable lands.

In order to carry out the provisions of Section 47-1-3, the board of supervisors of each county in this state are authorized and directed, whenever it may be necessary to buy or lease a sufficient number of acres of land within reasonable and convenient distance of the county jail to be used by the county as a county convict farm. They are also authorized to make any necessary improvements thereon, such as erecting necessary and convenient buildings, clearing, terracing and ditching and leveeing, or otherwise repairing and improving such farm, so that it may be suitable to be used as a farm upon which to work the convicts committed to the county jail, and they shall employ a competent and suitable person to be known as foreman of county farm to superintend such convict farm and manage it and to work the convicts sentenced to the county jail thereon. The board of supervisors in each county

shall also have full and complete authority to buy, or rent necessary mules or horses, tractors, farming tools and implements and all other necessary things incidental to the successful operation of such convict farm in such numbers and amounts as they may reasonably contemplate will be necessary to successfully operate such farm, having in view, first, the continuous employment of all the convicts able to work thereon at remunerative labor, and second, the operation of said farm in the most economical manner consistent with the continuous working of such convicts.

JUDICIAL DECISIONS

1. In general.

The operation of a county convict farm is a governmental rather than a proprietary function and for that reason no tort liability lay against the county or the board of supervisors as an entity where negligence of the farm superintendent resulted in serious injuries to a minor pris-

oner, even though Code 1942, § 7904 specifically required the board of supervisors to establish all proper regulations for the working, guarding, and safekeeping of prisoners. *Roberts v. Williams*, 456 F.2d 819 (5th Cir. 1971), cert. denied, 404 U.S. 866, 92 S. Ct. 83, 30 L. Ed. 2d 110 (1971).

ATTORNEY GENERAL OPINIONS

Section 47-1-5 clearly gives a county board of supervisors sole authority to create, control, and maintain a county con-

vict farm. Best, July 8, 1996, A.G. Op. #96-0343.

§ 47-1-7. Boards of supervisors of contiguous counties may own farm jointly; working prisoners in another county.

In any county where there are not a sufficient number of convicts to make it economically feasible for such county to own and operate a county convict farm as provided for by law, the board of supervisors of any such county may agree with the board of supervisors of any contiguous county to own and operate in common with such contiguous county, a county convict farm upon which prisoners of both such counties may be detained and required to work. In like manner the board of supervisors of any county in which there are not a sufficient number of convicts to make it economically feasible to own and operate a county convict farm, may make similar arrangements with any city, town or village within said county to own and operate said farm in connection with said city, town or village. In any county where there are not a sufficient number of convicts to make it economically feasible for such county to own a farm or to own and operate a farm with a contiguous county or with a city or

town, the board of supervisors of such county may contract with the board of supervisors of any contiguous county or with any county in the same circuit or chancery court district, to have its prisoners worked by the contiguous county or counties in the same circuit or chancery court district upon payment made to the board of supervisors of such contiguous county or counties in the same circuit or chancery court district for the purpose of detaining and working such prisoners. The terms of such a contract are to be agreed upon by and between the two contracting boards and the same shall not be in violation of the law. Where the board of supervisors of one county so contracts to work convicts of another county, all the provisions of Sections 47-1-1 through 47-1-37, Sections 47-1-41, 47-1-45, 47-1-47, and 47-1-61, Mississippi Code of 1972, and Section 226 of the Constitution in regard to the working of convicts shall apply to the convicts contracted for as herein provided; and the name of the convict or convicts may be entered on the jail docket of the county contracting to detain and work the convict or convicts, together with all other information required by Section 47-1-21.

§ 47-1-9. Convicts may be worked on public roads or other county public works.

In any county where it is clearly more advantageous to the county to work the county convicts or some of them on the public roads of the county, or on other works of the county exclusively public in their character, the board of supervisors shall have the authority so to order, and in such cases the board shall establish all proper regulations for the working, guarding, safekeeping, clothing, housing and subsistence of convicts while so working, and shall provide all the necessary equipment for such purpose. The board shall establish regulations for the discipline of convicts on said works, and on county farms, when a convict is persistently idle or refractory, and may enforce such regulations by penalties.

ATTORNEY GENERAL OPINIONS

Based on Section 47-1-9, as a general rule, county inmates may not be worked on private property, even if such work benefits the public. However, the Mississippi Emergency Management Law, codified at § 33-15-1, et. seq., is an exception to the general rule if the governing authorities determine that an emergency exists and there is a need to use the

services of prisoners to protect life or property. *Price*, December 13, 1996, A.G. Op. #96-0793.

Absent an emergency declaration, the use of county inmates for labor by the sheriff must be effected on projects "exclusively public in nature." *Waggoner*, Nov. 30, 2001, A.G. Op. #01-0718.

§ 47-1-11. Convicts physically unable shall not be required to work.

If any convict committed to the county jail is physically unable to do any kind of manual labor, then, upon the certificate of the county health officer or physician designated by the board of supervisors of the county, to this effect, such convict shall not be required, during the period of such physical disability, to perform manual labor on the convict farm. But all convicts shall be required

each day to do and perform such work as they are physically able to do and perform and which will not impair the health of such convict, or as is not inhumane to require of him.

Any person being held in the county jail in default of bail to await trial, except those held for treason, murder, arson, or rape, and except such as the sheriff may deem it improper to let out, may on application to the sheriff of the county, be allowed to work on the county farm or on the public roads or other county public works as other convicts are worked and at the same wage. a pretrial detainee; further, Miss. Where appellant was sentenced to consecutive four-year sentences for armed robbery and attempted armed robbery in May 2000, the court did not have authority to grant his motion for a reduction of sentence filed in October 2004; there was no question that the term during which the circuit court sentenced appellant expired in that four-year time period, and as such, the circuit court lacked authority to suspend his sentence. *Walters v. § 47-1-25. Officers to have access to convicts.

Each county officer or officers, for any district of a county shall at all times have free access to convicts in the custody of any official for the purpose of investigating their condition and treatment. The sheriff or his deputies shall visit the convict camp or county farms where the convicts of his county are kept or worked at least once in every month and more often if necessary. He shall

make a thorough inspection and investigation of the treatment of convicts and report the same in writing to the board of supervisors. For failure to perform duty in this respect the board of supervisors may fine the sheriff Twenty-five Dollars (\$25.00).

ATTORNEY GENERAL OPINIONS

When a convict has been placed on the county farm or road camp to work out a sentence, such convict comes under the immediate jurisdiction of the foreman or guard appointed by the board for that purpose and subject to the rules and regulations laid down by the board of supervisors. The sheriff loses direct control of the convict, but it is his duty, under the law, to

keep up with the prisoners on such farms and in such camps in a supervisory way and see that they are being worked and treated in accordance with the regulations promulgated by the board. This appears to be the only duty imposed upon the sheriff by this section. Ops Atty Gen, 1933-35, p. 48.

JUDICIAL DECISIONS

1. In general.

In order to establish a violation of the cruel and unusual punishment clause based on a claim of excessive use of force by prison officers, a prisoner who shows unnecessary and wanton infliction of pain is not required to show serious injury, given that (a) the absence of serious injury, although relevant to the inquiry as to whether the use of force violated the Eighth Amendment, does not end that inquiry, and (b) contemporary standards of decency are always violated when prison officials maliciously and sadistically use force to cause harm, regardless of whether significant injury is evident. *Hudson v. McMillian*, 503 U.S. 1, 112 S. Ct. 995, 117 L. Ed. 2d 156 (1992), on remand, 962 F.2d 522 (5th Cir. 1992).

Blows allegedly directed at the inmate by the security officers were not de minimis for Eighth Amendment purposes, and the extent of the inmate's alleged injuries provided no basis for dismissal of the inmate's claim against the officers under 42 USCS § 1983. *Hudson v. McMillian*, 503 U.S. 1, 112 S. Ct. 995, 117 L. Ed. 2d 156 (1992), on remand, 962 F.2d 522 (5th Cir. 1992).

For purposes of establishing whether prison officials have inflicted unnecessary

and wanton pain and suffering on a prisoner so as to violate the prisoner's rights under the cruel and unusual punishment clause, where the officials are accused of using excessive physical force, the core judicial inquiry is whether force was applied (a) in a good-faith effort to maintain or restore discipline, or (b) maliciously and sadistically to cause harm. *Hudson v. McMillian*, 503 U.S. 1, 112 S. Ct. 995, 117 L. Ed. 2d 156 (1992), on remand, 962 F.2d 522 (5th Cir. 1992).

Declaration against sheriff and surety for maltreatment of prisoner resulting in prisoner's death, in that sheriff took deceased into custody knowing he was ill and placed him at work on public roads, held insufficient in not sufficiently charging that prevention of deceased's wife from giving him food and medicine while in jail caused death and in not charging he did not have medical attention and wholesome food. *State ex rel. Trigg v. West*, 171 Miss. 203, 157 So. 81 (1934).

A convict committed to a county convict farm cannot be whipped for discipline in the absence of authority from the board of supervisors for the infliction of such punishment, under Acts 1894 ch 76 §§ 23 and 24. *Davis v. State*, 81 Miss. 56, 33 So. 286 (1902).

The board of supervisors of a county is granted sole authority to contract with a municipality for the housing of municipal prisoners and the sheriff is bound thereby; the sheriff may be required to accept persons sentenced to jail by the city court only if the city has a contract with the board of supervisors for such. *Richardson*, June 12, 1998, A.G. A city may contract with a county regional correctional facility through the county board of supervisors to house city

inmates and provide guard service for inmate work crews for the working of streets and other municipal projects in the city by entering into an interlocal agreement under the provisions of the Interlocal Cooperation Act of 1974. Inmate work crews would have to consist of municipal inmates from the city or county inmates if the board of supervisors has authorized such work under Section 47-1-9. Any guard that is employed by the facility to oversee such work crews would have to be deputized by the county sheriff. *Putman*, Aug. 19, 2005, A.G. Op. 05-0410.

A county board of supervisors is, by Section 47-1-39, granted sole authority to contract with a municipality for the housing of municipal prisoners and the sheriff is bound thereby. The sheriff may then accept persons sentenced to jail by the city court only if the city has a contract with the board for such. However, the county jail would not be allowed to house prisoners of a city, located outside of the county, unless an interlocal agreement is formed between the county and city pursuant to Sections 17-13-1 et seq. *Kemp*, Mar. 17, 2006, A.G. A sheriff is only required to accept municipal prisoners in the county jail if the municipality has a contract with the board of supervisors to house that municipality's prisoners. In addition, a board of supervisors is not required to enter into a contract with a municipality for the housing of the municipality's prisoners. *Tanner*, Oct. 13, 2006, A.G. Op. 06-0504.

Where a preliminary hearing is provided to a defendant charged for a felony and held as a municipal prisoner, the defendant should be bound over to a grand jury and thereby become a county prisoner after the hearing, if the judge so determines. *Wiggins*, March 2, 2007, A.G. § 47-1-41. Working of municipal prisoners.

(1) Any person convicted of violating any ordinance of any city, town or village in this state and sentenced to pay a fine and costs therefor, and failing to do so, may be worked on the streets or other public works of the municipality in the custody of the street commissioner, or other person designated by the mayor and board of aldermen, or councilmen of such municipality and at its expense, and shall receive credit on such fine and costs as provided in Section 99-19-20 for each day so worked, and such municipality shall accord the same treatment to its convicts that is required by this chapter to county convicts. The responsibility of carrying out the provisions of this section shall devolve on the mayor and board of aldermen or board of councilmen of each municipality with reference to its convicts. In the event it is, in the judgment of the ruling authorities of any village in the state or of any small town in the state, unprofitable to work the convicts as above provided, then such village or town may contract with the board of supervisors of the county at the best price and take and work such convicts on the county farm, but the convict shall receive credit at the rate provided in Section 99-19-20 for each day worked.

JUDICIAL DECISIONS

1. In general.

The inmate showed no property interest or legal right for payment for the work that he performed while incarcerated for civil contempt so as to establish a deprivation of a property without due process of law under the Fourteenth Amendment because Miss. Code Ann. § 47-1-13 required payment for work performed by pretrial detainees, and the inmate was not a pretrial detainee; further, Miss. Code Ann. § 47-1-47 required credit for assessed fines and penalties based on work performed by those convicted of crimes, and the inmate was not working off an assessed fine or penalty. *Carite v. Hinds County*, — F. Supp. 2d —, 2006 U.S. Dist. LEXIS 50112 (S.D. Miss. July 21, 2006).

Incarceration of indigent for involuntary failure to pay fine and court costs

Although incarceration beyond the maximum imprisonment prescribed by the state law for a particular offense for involuntary failure to pay a fine and court costs is violative of the Federal Constitution, the state can institute methods, other than incarceration, to enforce the collection of the remaining portion of the fine. *Wade v. ATTORNEY GENERAL OPINIONS

Miss. Code Section 47-1-47 provides that, for each day's work convict is required to do, convict shall receive credit of \$10 per day, until convict's fine and costs are fully paid. *Simmons*, Jan 11, 1993, A.G. Op. #92-0988.

Where inmate is physically willing and able to work, inmate is entitled to credit against fine and cost in amount of \$10 per day, until such fine and cost are fully paid. *Stewart*, May 20, 1993, A.G. Op. #93-0255.

Prisoners' privileges of mail, telephone, visitation, access to law library and recreation are not addressed by state statute. Mullins, March 27, 1998, A.G. Op. #98-0159.

Where a defendant owes a \$250.00 fine but refuses to pay it, he can be sent to jail under § 99-19-20(2); however, that statute limits the jail time to 10 days (one day for each \$25.00 of the fine). If the defendant chooses to work during those 10 days, his fine will be reduced by \$10.00 a day under this section. At the end of the 10 days, the defendant must be released.

However, he will still owe \$150.00 in fines. Thornton, May 29, 1998, A.G. Op. #98-0306.

A defendant who is jailed for not paying criminal fines is entitled to receive a credit against such fine of ten dollars per day under this section for each day that he works or is willing and able to work; this credit would be applied to both fines and assessments. Note that under Section 99-19-20 jail time may not exceed one day for each twenty-five dollars of the fines owed by the defendant. Strahan, July 7, 2003, A.G. Op. 03-0321.

In the case of a jail owned jointly by a county and municipality, under the provisions of Section 17-5-1, the governing authorities of the county and municipality are hereby vested with full and complete authority, jurisdiction and control over such jointly owned jail facility and the governing authority of the municipality may appoint a jailer who shall be responsible for all municipal prisoners lodged in said jail in the same manner in which the sheriff is responsible for state prisoners, and such jailer shall have the same right of access to the jail as the sheriff.

1. In general.

Since the functions of the sheriff are confined to his own county, except in the case of the pursuit of an escaping offender, there can be no recovery on a sheriff's

bond for the alleged unlawful treatment of one accused of crime apprehended in another state where such treatment and the event complained of occurred in such other state. McLean v. Mississippi ex rel.

(1) When any person confined in jail shall be in need of medical or surgical aid, the sheriff shall immediately examine the condition of such prisoner and, if he is of the opinion that the prisoner needs such aid, he shall call in a nurse or physician to attend him. If the prisoner be unable to pay the cost, the account of the nurse or physician, when allowed and certified as required in respect to accounts of sheriffs for keeping prisoners, shall be paid, in like manner, out of the treasury of the county in which a prisoner is charged with the crime for which he is imprisoned. The board of supervisors may contract with a physician for the jail by the year.

(2) The board of supervisors of any county may authorize the sheriff to establish a program under which prisoners expressing the need for non-emergency medical attention will have access to a registered nurse who will evaluate their condition and determine the necessity for treatment by a physician. Charges for such a visit with a registered nurse shall be paid by the prisoner by deductions made by the sheriff out of any funds of the prisoner held by the sheriff or in any other manner satisfactory to the sheriff; however, such prisoner shall not be required to pay out of funds of the prisoner held by the sheriff, more than Ten Dollars (\$10.00) per visit. If the prisoner is unable to pay the cost, the cost shall be paid out of the county treasury in the same manner as provided for payment of other medical costs in subsection (1) of this section.

JUDICIAL DECISIONS

1. In general.

A complaint that a physician has been negligent in diagnosing or treating a prisoner's medical condition does not state a valid claim of medical mistreatment un-

der the Eighth Amendment. Medical malpractice does not become a constitutional violation merely because the victim is a prisoner. In order to state a cognizable claim, a prisoner must allege acts or omis-

sions sufficiently harmful to evidence deliberate indifference to serious medical needs. It is only such indifference that can offend “evolving standards of decency” in violation of the Eighth Amendment. *McFadden v. State*, 542 So. 2d 871 (Miss. 1989).

Where neither the sheriff nor the jailer ever examined the prisoner to form an opinion as to whether he did or did not need medical aid, the sheriff was not relieved from liability for death of prisoner

who was suffering from ulcers, on the ground that the sheriff was acting in judicial capacity. *Farmer v. State*, 224 Miss. 96, 79 So. 2d 528 (1955).

This section [Code 1942, § 4262], has no application to a case where a prisoner, shot by a deputy sheriff while attempting to escape, is carried to his mother’s house and is there treated by a physician procured by the sheriff at the suggestion of the circuit judge. *Gray v. Coahoma County*, 72 Miss. 303, 16 So. 903 (1894).

Sheriffs are required to provide reasonable and necessary dental aid to prisoners suffering from illnesses or injuries which dental assistance would alleviate; however, sheriffs are not required to provide routine dental work for prisoners. *McLean*, May 3, 1991, A.G. Op. #91-0298.

Sheriffs are required to provide reasonable medical care for serious pre-existing illnesses and injuries of prisoners and detainees. *McLean*, May 3, 1991, A.G. Op. #91-0298.

Pursuant to Section 47-1-57 the board of supervisors may contract with a physician for the jail and the sheriff must use that physician. The funds used to pay for such a physician should come from the county general fund. However, the cost of the contract should not be borne by the sheriff’s budget unless funds are included in the budget for the contract as for medical expenses covered by the contract. *Pope*, October 11, 1996, A.G. Municipalities are liable for health care and hospitalization costs of indigent prisoners with preexisting medical conditions. *Davies*, March 20, 1998, A.G. Op. #98-0095.

The responsibility for medical expenses incurred by a municipal prisoner lies with the prisoner; if the prisoner is determined indigent and unable to pay his medical expenses, then the municipality has the responsibility for those medical costs. Absent an agreement to the contrary, the responsibility for the medical costs of a municipal prisoner housed in the county jail remains with the municipality. *Davis*, December 18, 1998, A.G. Op. #98-0741.

If a prisoner is unable to pay medical costs, the municipality should pay such costs. If the municipality determines that the prisoner is able to pay for the medical treatment, it may seek reimbursement by civil suit. *Miller*, Aug. 20, 2004, A.G. Op. 04-0387.

A governmental entity is not responsible for the medical care of an individual who is no longer in the custody of that entity. As a former inmate is no longer in custody, a governmental entity is not responsible for their medical care. *Parker*, Sept. 17, 2004, A.G. Op. 04-0444.

§ 47-1-59. Hospitalization of prisoners; expenses.

(1) When the sheriff, marshal or any other peace officer of this state has in his lawful custody a prisoner who, through accident, injury or illness, is in need of hospitalization, such officer may take such prisoner to the nearest hospital in the county or if there be no hospital in that county, to the nearest hospital in an adjacent county and if upon arrival at such hospital any physician licensed to practice medicine in this state certifies that in his opinion such prisoner is in need of hospitalization, such prisoner shall be hospitalized in such hospital for as long as in the opinion of such physician it is necessary to so hospitalize such prisoner. If, in the opinion of the sheriff or other peace officer having custody of such prisoner at the time he is delivered to the aforesaid hospital, or in the opinion of the director of the university hospital if the prisoner be brought to that institution, it is necessary that he be placed under guard while a patient at such hospital, the sheriff of the county in which the crime he was placed in custody for committing was alleged to have taken place, shall furnish the aforesaid guard. When the aforesaid physician or other reputable physician shall certify that hospitalization no longer is needed, the prisoner shall be returned to the original place of detention.

(2) The actual expense of guarding the prisoner in the hospital shall be paid out of the general funds of the county where the prisoner was originally confined or arrested. The expense contracted incident to the hospitalization aforesaid shall be paid by the prisoner; otherwise he may be hospitalized as a state aid patient. However, if the prisoner is ineligible for state aid or the amount available for hospitalization as a state aid patient is inadequate to pay all such hospital expense of a prisoner who is financially unable to pay his own expenses, the board of supervisors of the county where the prisoner was originally confined or arrested shall, upon presentation of the certificate of the physician certifying that said prisoner was in need of hospitalization, pay from the general funds of the county the reasonable and customary charges for such services or as much thereof as is not paid by state aid. Any such payment to a hospital shall be discretionary with the board of supervisors if its county supports the hospital involved by a special tax levy for its operation and maintenance.

ATTORNEY GENERAL OPINIONS

Based on Section 47-1-59, a suspect who is in the custody of a law enforcement agency and needs medical attention has the responsibility for paying for his own medical bills. If the suspect does not qualify for state aid or state aid does not cover the full medical expenses, then the county board of supervisors is responsible for such medical expenses. *Jones*, November 22, 1996, A.G. § 47-3-1. Removal to jail of another county.

When the accused is not entitled to bail, or where he fails to give bail, and there is no county jail or the jail of the county in which the offense is committed, or where the case stands for trial is, in the opinion of the committing officer or of the court having jurisdiction of the case or of the presiding judge, insufficient for the accommodation of the prisoners, or where the judge having jurisdiction of the case shall think it expedient, on grounds of public policy, so to do, it shall be the duty of the officer of the court, or circuit judge, to make an order for the removal of the accused to a convenient and safe jail of some convenient county, there to be kept until the court shall sit for the trial of the accused. It shall be the duty of the sheriff of the county to which the prisoner is so removed, to receive and safely keep him, according to the order of the court or officer having jurisdiction thereof; and it shall further be the duty of said sheriff to have the body of the accused, without further order, before the proper court of the proper county, at its next term thereafter, on the first day of the term, unless he shall have been discharged by due course of law. The county in which the offense is committed, or where the case stands for trial, shall pay all the expenses of such removal and safekeeping and return of the accused for trial.

JUDICIAL DECISIONS

1. In general.

An inmate housed in a city jail pursuant to a detainer filed by a county, which city and county were under federal court order to relieve overcrowding and had entered into an interlocal agreement pursuant to which the city housed a certain number of county inmates, was in the custody of the

county. *Jones v. City of Jackson*, 203 F.3d 875 (5th Cir. 2000).

The circuit court of one county erred in holding that it had no authority to give a defendant credit for time served in another county while awaiting trial in a second county, where the first county retained the defendant on a detainer when

it allowed him to be transferred to the second county, which, under § 47-3-1, did not release him from the jurisdiction of the first county. *Lee v. State*, 437 So. 2d 1208 (Miss. 1983).

In prosecution for murder where the accused was confined in a jail in Louisville, instead of Vaiden where the accused was tried, it was no error, where Vaiden had no jail. *Goldsby v. State*, 226 Miss. 1, 86 So. 2d 27 (1955), cert. denied, 350 U.S. 925, 76 S. Ct. 216, 100 L. Ed. 809 (1955).

This section [Code 1942, § 2499] does not authorize the removal of a prisoner to another county for any purpose not named in the statute. *Ex parte Buck*, 104 Miss. 661, 61 So. 651 (1913).

The statute [Code 1942, § 2499] does not warrant the removal of a person sentenced to imprisonment in the jail of the county where his offense was committed, to the jail of another county, to prevent him from directing, from the jail, the illegal sale of intoxicating liquor. *Ex parte Buck*, 104 Miss. 661, 61 So. 651 (1913).

Order for removal of prisoner from one jail to another for safekeeping does not exhaust court's power to make another order of removal that he should be taken to another jail for safekeeping. *Wray v. Kelly*, 98 Miss. 172, 53 So. 492 (1910).

- 47-4-1. Privately operated correctional facilities authorized for federal and other states' inmates.
- 47-4-3. Prerequisites to establishment of privately operated correctional facilities; petition and election.
- 47-4-5. Agreements with private sources to operate juvenile detention centers.
- 47-4-7. Authority, power and jurisdiction of private guards and jailers; escapees; penalties; pursuit and capture.
- 47-4-9. County may contract with private entity for operation of county jail.
- 47-4-11. Amendment, extension and/or renewal of certain agreements in connection with private correctional facilities.

§ 47-4-1. Privately operated correctional facilities authorized for federal and other states' inmates.

(1) It is lawful for there to be located within Wilkinson County and Leflore County a correctional facility operated entirely by a private entity pursuant to a contractual agreement between such private entity and the federal government, any state, or a political subdivision of any state to provide correctional services to any such public entity for the confinement of inmates subject to the jurisdiction of such public entity. Any person confined in such a facility pursuant to the laws of the jurisdiction from which he is sent shall be considered lawfully confined within this state. The private entity shall assume complete responsibility for the inmates and shall be liable to the State of Mississippi for any illegal or tortious actions of such inmates.

(2) The Department of Corrections shall contract with the Board of Supervisors of Leflore County for the private incarceration of not more than one thousand (1,000) state inmates at a facility in Leflore County. Any contract must comply with the requirements of Section 47-5-1211 through Section 47-5-1227.

(3) It is lawful for any county to contract with a private entity for the purpose of providing correctional services for the confinement of federal inmates subject to the jurisdiction of the United States. Any person confined in such a facility pursuant to the laws of the United States shall be considered lawfully confined within this state. The private entity shall assume complete responsibility for the inmates and shall be liable to the county or the State of Mississippi, as the case may be, for any illegal or tortious actions of the inmates.

(4) It is lawful for there to be located within any county a correctional facility operated entirely by a private entity and the federal government to provide correctional services to the United States for the confinement of federal inmates subject to the jurisdiction of the United States. Any person confined in a facility pursuant to the laws of the United States shall be considered lawfully confined within this state. The private entity shall assume complete respon-

sibility for the inmates and shall be liable to the State of Mississippi for any illegal or tortious actions of the inmates.

A person convicted of simple assault on an employee of a private correctional facility while such employee is acting within the scope of his or her duty or employment shall be punished by a fine of not more than One Thousand Dollars (\$1,000.00) or by imprisonment for not more than five (5) years, or both.

A person convicted of aggravated assault on an employee of a private correctional facility while such employee is acting within the scope of his or her duty or employment shall be punished by a fine of not more than Five Thousand Dollars (\$5,000.00) or by imprisonment for not more than thirty (30) years, or both.

(5) The Department of Corrections may contract with the Tallahatchie County Correctional Facility authorized in Chapter 904, Local and Private Laws of 1999, for the private incarceration of not more than one thousand (1,000) state inmates at a facility in Tallahatchie County. Any contract must comply with the requirements of Section 47-5-1211 through Section 47-5-1227. No state inmate shall be assigned to the Tallahatchie County Correctional Facility unless the inmate cost per day is at least ten percent (10%) less than the inmate cost per day for housing a state inmate at a state correctional facility.

(6) If a private entity houses state inmates, the private entity shall not displace state inmate beds with federal inmate beds unless the private entity has obtained prior written approval from the Commissioner of Corrections.

JUDICIAL DECISIONS

1. Validity of indictment.

Defendant's conviction for simple assault of an employee of a private correctional facility was appropriate because the nature and cause of the charge against defendant were clear and the indictment properly informed him of the possible defenses to the charged offense. The trial

court was within its discretion in finding that the jury properly weighed the evidence and determined that the State showed that the victim suffered an injury as a result of defendant's striking her with his fist. *Moten v. State*, 20 So. 3d 757 (Miss. Ct. App. 2009).

ATTORNEY GENERAL OPINIONS

Although counties may contract with private entities to house federal inmates, such entities are not authorized by this section to house inmates from other states

that are not federal inmates. *Puckett*, July 3, 1997, A.G. Op. #97-0388.

The board of alderman of the Town of Woodville may contract with Corrections

Corporation of America to incarcerate Town of Woodville prisoners at the private facility in Wilkinson County. Wilkerson, January 16, 1998, #97-0790.

Subsection (1) of this section is sufficient authority for a contract between

Leflore County and Correctional Corporation of America, and for a contract between the City of Greenwood and Correctional Corporation of America, for the private incarceration of their inmates. Perkins, April 9, 1999, A.G. Op. #99-0154.

§ 47-4-3. Prerequisites to establishment of privately operated correctional facilities; petition and election.

(1) Before a private correctional facility may be located in the county, the board of supervisors shall by resolution duly adopted and entered on its minutes specify the location of the facility, the nature and size of the facility, the type of inmates to be incarcerated and the identity of the private entity which will operate the facility. The board shall publish a notice as hereinafter set forth in a newspaper having general circulation in such county. Such notice shall include location of the facility, the nature and size of the facility, the type of inmates to be incarcerated and the identity of the entity which will operate the facility. Such notice shall include a brief summary of the provisions of this section pertaining to the petition for an election on the question of the location of the private correctional facility in such county. Such notice shall be published not less than one (1) time each week for at least three (3) consecutive weeks in at least one (1) newspaper having general circulation in the county.

(2) If a petition signed by twenty percent (20%), or fifteen hundred (1500), whichever is less, of the qualified electors of the county is filed within sixty (60) days of the date of the last publication of the notice with the board of supervisors requesting that an election be called on the question of locating such facility, then the board of supervisors shall adopt a resolution calling an election to be held within such county upon the question of the location of such facility. Such election shall be held, as far as practicable, in the same manner as other elections are held in counties. At such election, all qualified electors of the county may vote, and the ballots used at such election shall have printed thereon a brief statement of the facility to be constructed and the words "For the construction of the private correctional facility in (here insert county name) County" and "Against the construction of the private correctional facility in (here insert county name) County." The voter shall vote by placing a cross (x) or check mark (✓) opposite his choice on the proposition. When the results of the election on the question of the construction of the facility shall have been canvassed by the election commissioners of the county and certified by them to the board of supervisors, it shall be the duty of the board of supervisors to determine and adjudicate whether or not a majority of the qualified electors who voted thereon in such election voted in favor of the construction of the facility in such county. If a majority of the qualified electors who voted in such

election vote against the construction of the facility, then the facility shall not be constructed in the county.

(3) If no petition as prescribed in subsection (2) of this section is filed with the board of supervisors within sixty (60) days of the date of the last publication of the notice, the board of supervisors shall by a resolution duly adopted and entered on its minutes, state that no petition was timely filed and the board may give final approval to the location of the facility.

"SECTION 1. This act shall be known and may be cited as the 'Mississippi Corrections Act of 1976.'"

Laws of 1981, ch. 465, § 118, which provided for the automatic repeal of provisions reenacting the Department of Corrections and the State Parole Board on June 30, 1984, was repealed by Laws of 1984, ch. 471, § 126. In turn, Laws of 1984, ch. 471, § 128, provided for the automatic repeal of these provisions from and after July 1, 1986. Subsequently, Laws of 1986, ch. 413, § 126, effective from and after passage (approved March 28, 1986), repealed Laws of 1984, ch. 471, § 128, thereby removing the repeal date.

"SECTION 1. The Mississippi Board of Corrections is hereby abolished and all power, authority, duties and functions of such board shall hereafter vest in and be performed by the Mississippi Department of Corrections. The terms 'Mississippi Board of Corrections', 'Board of Corrections' and 'board' appearing in the laws in connection with the performance of the board's functions transferred to the Mississippi Department of Corrections shall be the Department of Corrections, and more particularly such words or terms shall mean the Mississippi Department of Corrections whenever they appear."

JUDICIAL DECISIONS

1. In general.
2. Sovereign immunity.

1. In general.

Section 99-19-39, which governs the detention of a convict pending appeal, confers no right in a convicted felon to be incarcerated in county jail pending an appeal to the Supreme Court; construing § 99-19-39 to create such a right would place that statutory section in conflict with the provisions of § 47-5-1 et seq. which create a comprehensive correctional system to deal with the incarceration of all felony offenders; under the comprehensive legislative scheme setting up the Mississippi Department of Corrections, the circuit court sentences to the Department and not to any particular facility, and neither the circuit court nor the Supreme Court can order the Department to return a prisoner duly committed

to its custody to county jail as a matter of right. *Nicolaou v. State*, 596 So. 2d 863 (Miss. 1992).

There is a constitutional requirement for state defendants, in a suit by prison inmates for certain prison reforms, to establish certain time-tables for and proceed to implement (a) adequate medical facilities and services, and (b) the reduction of overcrowding of prison inmates at residential camps as well as the elimination of those residential camps unfit for human habitation. *Gates v. Collier*, 390 F. Supp. 482 (N.D. Miss. 1975), *aff'd*, 525 F.2d 965 (5th Cir. 1976).

An opinion in a class action brought by inmates of the state penitentiary against the superintendent of the penitentiary, members of the Mississippi Penitentiary Board, and the governor (joined in by the United States as plaintiff intervenor) describes in some detail the undesirable and

unconstitutional conditions existing at the penitentiary. The trial court granted both prohibitory and affirmative relief and retained jurisdiction to ensure that the court orders are complied with. *Gates v. Collier*, 349 F. Supp. 881 (N.D. Miss. 1972), *aff'd*, 489 F.2d 298 (5th Cir. 1973), *aff'd*, 501 F.2d 1291 (5th Cir. 1974), supplemented, 423 F. Supp. 732 (N.D. Miss. 1976), *aff'd* and remanded, 548 F.2d 1241 (5th Cir. 1977).

2. Sovereign immunity.

Mississippi Department of Corrections (MDOC) was considered an arm of the state for purposes of Eleventh Amend-

ment immunity because state statute, Miss. Code Ann. §§ 47-5-1 et. seq., considered the MDOC an arm of the state; additionally, the MDOC was funded by the state. The department was responsible for the confinement of prisoners throughout the state; it apparently had the authority to sue and be sued in its own name, and, finally, it was authorized by Miss. Code Ann. § 47-5-5 to hold and use property. *Morgan v. Mississippi*, — F. Supp. 2d —, 2008 U.S. Dist. LEXIS 74001 (S.D. Miss. Feb. 12, 2008), amended by 2009 U.S. Dist. LEXIS 55347 (S.D. Miss. June 16, 2009).

JUDICIAL DECISIONS

1. In general.

Without waiving the procedural bar to the inmate’s claim that his sentence was unconstitutional, the court held that the inmate was properly charged under Miss. Code Ann. § 97-9-45 and entered a plea of guilty to the escape; the sentence of three years was well within the maximum prescribed by the statute, which referred to prisoners sentenced to the Mississippi Department of Corrections and allowed a

maximum sentence of five years, and thus the inmate was not entitled to post-conviction relief; although the inmate was in custody and on a work program for a county at the time of the escape, the inmate was considered under the Department’s jurisdiction for purposes of § 97-9-45 because (1) the inmate’s original burglary sentence required imprisonment in the “penitentiary” under Miss. Code Ann. § 97-17-23, which term meant any facility

under the jurisdiction of the Department pursuant to Miss. Code Ann. § 47-5-3, (2) commitment to any institution within the jurisdiction of the Department was to the Department, not a particular institution pursuant to Miss. Code Ann. § 47-5-110, and (3) under Miss. Code Ann. § 47-5-541, the Department recommended rules concerning the participation of inmates in work programs. *Gardner v. State*, 848 So. 2d 900 (Miss. Ct. App. 2003).

Section 99-19-39, which governs the detention of a convict pending appeal, confers no right in a convicted felon to be incarcerated in county jail pending an appeal to the Supreme Court; construing

§ 99-19-39 to create such a right would place that statutory section in conflict with the provisions of § 47-5-1 et seq. which create a comprehensive correctional system to deal with the incarceration of all felony offenders; under the comprehensive legislative scheme setting up the Mississippi Department of Corrections, the circuit court sentences to the Department and not to any particular facility, and neither the circuit court nor the Supreme Court can order the Department to return a prisoner duly committed to its custody to county jail as a matter of right. *Nicolaou v. State*, 596 So. 2d 863 (Miss. 1992).

Such notice shall be published not less than one (1) time each week for at least three (3) consecutive weeks in at least one (1) newspaper published in such county.

"If no petition requesting an election is filed prior to the date of final determination stated in such notice, then the bureau shall give final approval to the location of such facilities.

"If at any time prior to the aforesaid date a petition signed by twenty percent (20%), or fifteen hundred (1500), whichever is less, of the qualified electors of the county involved shall be filed with the board of supervisors requesting that an election be called on the question of locating such facilities, then the board of supervisors shall adopt a resolution calling an election to be held within such county upon the question of the location of such facilities. Such election shall be held, as far as practicable, in the same manner as other elections are held in counties. At such election, all qualified electors of the county may vote, and the ballots used at such election shall have printed thereon a brief statement of the facilities to be constructed and the words "For the construction of the facilities in (here insert county name) County" and "Against the construction of the facilities in (here insert county name) County." The voter shall vote by placing a cross (x) or check mark (v) opposite his choice on the proposition. When the results of the election on the question of the construction of the facilities shall have been canvassed by the election commissioners of the county and certified by them to the board of supervisors, it shall be the duty of the board of supervisors to determine and adjudicate whether or not a majority of the qualified electors who voted thereon in such election voted in favor of the construction of the facilities in such county. Unless a majority of the qualified electors who voted in such election shall have voted in favor of the construction of the facilities in such county, then such facilities shall not be constructed in such county. The provisions of this subsection shall stand repealed from and after June 30, 1988.

"(2) Before any funds shall be expended under Section 1 for the construction of such correctional facilities, the Bureau of Building, Grounds and Real Property Management, with cooperation of the Mississippi Department of Corrections, shall utilize inmates for construction to the extent such labor is available. The Mississippi Department of Corrections shall determine and provide to the Bureau of Building, Grounds and Real Property Management, the name, the number and construction skills of inmates, and shall also provide security officers to be in attendance during all hours when inmates are involved in construction. When necessary construction skills are not available from the inmate population, the Bureau of Building, Grounds and Real Property Management may contract with private contractors or mechanics to perform necessary construction work."

[SECTION 3. Repealed by its own terms from and after June 30, 1988.].

Laws of 1987, ch. 456, §§ 1-3, 5-16, provide as follows:

"SECTION 1. The Legislature finds and declares that:

"(a) The overcrowding of state prisoners in county jails has plagued the sheriffs, the Mississippi Department of Corrections and the Legislature for a decade.

"(b) In 1987, for the first time in history, the Mississippi Department of Corrections has over 7,000 inmates in its custody, with over 1,200 state inmates in local jails.

"(c) During the past decade, the Legislature has appropriated over \$31,000,000.00 in payments to the sheriffs for housing state prisoners, while over 1,000 new prison beds could have been constructed with such funds.

"(d) The most pressing physical facility need at this time is for a substantial increase in the number of maximum security housing at Parchman, inasmuch as Mississippi's percentage of maximum security inmate beds is less than the national average; and

“(e) The Mississippi Department of Corrections is in need of a comprehensive, long-term construction program.

“SECTION 2. As used in this act, the following words shall have the meanings ascribed herein unless the context clearly requires otherwise:

“(a) ‘General obligation bonds’ shall mean bonds of the State of Mississippi, to the repayment of which, both as to principal and interest, the full faith, credit and taxing power of the State of Mississippi are irrevocably pledged until the principal and interest is paid in full.

“(b) ‘Office of General Services’ or ‘office’ shall mean the Governor’s Office of General Services, acting through its Bureau of Building, Grounds and Real Property Management.

“(c) ‘State Fiscal Management Board’ shall mean the membership of the State Fiscal Management Board acting in their capacity as the state’s Public Procurement Review Board, as provided in Section 27-104-7, Mississippi Code of 1972.

“SECTION 3. The Office of General Services shall have the power and is hereby authorized, at one time or from time to time, with the approval of the State Fiscal Management Board spread upon its minutes, to declare the necessity for issuance of negotiable general obligation bonds of the State of Mississippi in an aggregate amount not to exceed Fifty-six Million Six Hundred Fifty Thousand Dollars (\$56,650,000.00) to provide funds for the purpose of paying all or any part of the cost of constructing and equipping the correctional facilities authorized under Section 1, Chapter 502, Laws of 1986, (supra, this note) as amended by this act.

“SECTION 5. (1) In the construction of the correctional facilities described in Section 4 of this act, the Office of General Services, in conjunction with the Mississippi Department of Corrections, shall utilize inmates for construction to the extent such labor is available. The Mississippi Department of Corrections shall: establish, maintain and implement a program for training and utilizing inmates in construction projects; determine and provide to the Office of General Services the name, the number and construction skills of inmates; and provide security officers to be in attendance during all hours when inmates are involved in construction. When necessary construction skills are not available from the inmate population, the Office of General Services may contract with private contractors or mechanics to perform necessary construction work.

“(2) In the planning, design, procurement and construction of the facilities described in Section 4 of this act, the Office of General Services shall make maximum utilization of plans and specifications prepared for, and processes employed in, completed or on-going construction projects for the Mississippi Department of Corrections.

“SECTION 6. Upon the adoption of a resolution by the Office of General Services and the State Fiscal Management Board declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this act, the office shall deliver a certified copy of such resolution or resolutions to the State Bond Commission. Upon the receipt of same, the State Bond Commission shall act as the issuing agent, prescribe the form of the bonds, advertise for and accept bids, issue and sell the bonds so authorized to be sold, pay all fees and costs incurred in such issuance and sale, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. For the payment of such bonds and the interest thereon, the full faith, credit and taxing power of the State of Mississippi are hereby irrevocably pledged. If the Legislature shall find that there are funds available in the General Fund of the Treasury of the State of Mississippi in amounts sufficient to pay maturity, principal and accruing interest of such general obligation bonds and if the Legislature shall appropriate such available funds for the purpose of paying such maturity, principal and accruing interest, then the principal, maturity and accruing interest of such bonds shall be paid from appropriations made from the General Fund of the Treasury of the State of Mississippi by the Legislature thereof; but if there are not available sufficient funds in the General Fund of the Treasury of the State of Mississippi to pay the maturity, principal and accruing interest of such bonds, or if such funds are available and the

Legislature should fail to appropriate a sufficient amount thereof to pay such principal and accruing interest as the same becomes due, then, and in that event, there shall annually be levied upon all taxable property within the State of Mississippi an ad valorem tax at a rate sufficient to provide the funds required to pay the bonds at maturity and the interest thereon as the same accrues. Such bonds shall bear such date or dates, be in such denomination or denominations, bear interest at such rate or rates, be payable at such place or places within or without the State of Mississippi, shall mature absolutely at such time or times, be redeemable prior to maturity at such time or times and upon such terms, with or without premium, shall bear such registration privileges, and shall be substantially in such form, all as shall be determined by resolution of the State Bond Commission. Such bonds shall be signed by the Chairman of the State Bond Commission or by his facsimile signature, and the official seal of the State Bond Commission shall be affixed thereto, attested by the Secretary of the State Bond Commission. The interest coupons to be attached to such bonds may be executed by the facsimile signatures of such officers. Whenever any such bonds shall have been signed by the officials herein designated to sign the bonds who were in office at the time of such signing but who may have ceased to be such officers prior to the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until the delivery of the same to the purchaser or had been in office on the date such bonds may bear.

“SECTION 7. All general obligation bonds of the State of Mississippi and interest coupons issued under the provisions of this act shall have and are hereby declared to have all the qualities and incidents of negotiable instruments under the negotiable instruments law of the State of Mississippi. Such bonds and the income therefrom shall be exempt from all taxation within the State of Mississippi.

“SECTION 8. The State Bond Commission may sell such bonds in such manner and for such price as it may determine to be for the best interest of the State of Mississippi, but no such sale shall be made at a price less than par plus accrued interest to date of delivery of the bonds to the purchaser. Notice of the sale of any such bonds shall be published at least one time not less than ten (10) days prior to the date of sale and shall be so published in one or more newspapers having a general circulation in the City of Jackson and in one or more newspapers or financial journals as may be directed by the State Bond Commission.

“SECTION 9. Upon the issuance and sale of such bonds, the State Bond Commission shall transfer the proceeds of any such sale or sales to the special fund in the State Treasury known as the ‘Correctional Facilities Construction Fund.’ The proceeds of such bonds shall be used solely for the payment of the cost of the project or combined projects described in Section 4 of this act, which shall include costs incident to the issuance and sale of such bonds, and shall be disbursed solely (as provided in Section 17 of this act) under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds, except that the fees and costs incident to the issuance and sale of such bonds shall be disbursed by warrant upon requisition of the State Bond Commission, signed by the Governor.

“SECTION 10. Any holder of bonds issued under the provisions of this act or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted hereunder, or under such resolution, and may enforce and compel performance of all duties required by this act to be performed, in order to provide for the payment of bonds and interest thereon.

“SECTION 11. Such general obligation bonds may be issued without any other proceedings or the happening of any other conditions or things than those proceedings, conditions and things which are specified or required by this act. Any resolution providing for the issuance of general obligation bonds under the provisions of this act

shall become effective immediately upon its adoption by the State Bond Commission, and any such resolution may be adopted at any regular, special or adjourned meeting of the State Bond Commission by a majority of its members.

"The bonds authorized under the authority of this act may, in the discretion of the State Bond Commission, be validated in the Chancery Court of Hinds County, Mississippi, in the manner and with the force and effect provided now or hereafter by Chapter 13, Title 31, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. The necessary papers for such validation proceedings shall be transmitted to the State Bond Commission, and the required notice shall be published in a newspaper published in the City of Jackson, Mississippi.

"SECTION 12. All bonds issued under the provisions of this act shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

"SECTION 13. This act shall be deemed to be full and complete authority for the exercise of the powers herein granted, but this act shall not be deemed to repeal or to be in derogation of any existing law of this state whereunder projects of the character herein defined may be constructed or financed.

"SECTION 14. The funds which are transferred from the sale of bonds under this act to the special fund in the State Treasury known as the 'Correctional Facilities Construction Fund' may be withdrawn only in the manner provided in Section 17 of this act; provided, however, that warrants for the payment of costs incident to the issuance and sale of bonds shall be issued upon requisition by the State Bond Commission, signed by the Governor. The office shall submit a full report of its work and all the transactions carried on by it, and a complete statement of all its expenditures at the next regular session of the Legislature.

"SECTION 15. The Attorney General of the State of Mississippi shall represent the State Bond Commission in issuing, selling and validating bonds herein provided for, and the State Bond Commission is hereby authorized and empowered to expend such sums as may be necessary and appropriate from the proceeds derived from the sale of the bonds authorized hereunder to pay for the cost of approving attorney's fees, validating, printing and cost of delivery of bonds authorized under this act.

"SECTION 16. Pending the issuance of bonds of the state as authorized under this act, when funds are insufficient to cover expenditures for construction, equipping, improvement and renovation authorized in Section 4 of this act, the State Bond Commission, upon receipt of a resolution from the Executive Director of the Office of General Services, approved by the State Fiscal Management Board, declaring the necessity for the borrowing of money to cover such expenditures, is authorized and empowered to borrow funds from banks located in the State of Mississippi, or from special funds in the State Treasury, by the issuance of notes, which shall include other certificates of indebtedness, of the State of Mississippi in an amount sufficient to cover such expenditures; however, the principal amount of such notes shall not exceed Five Million Dollars (\$5,000,000.00) in the aggregate. Such notes shall mature not longer than ten (10) years from the date issued and shall not bear a greater overall maximum interest rate to maturity than that allowed for general obligation bonds under Section 75-17-101, Mississippi Code of 1972. The State Bond Commission shall pay all expenses, premiums and commissions which may be necessary or advantageous in connection with the issuance of such notes, but solely from the proceeds of such notes, by warrant issued upon requisition of the State Bond Commission signed by the Governor. The proceeds of such notes shall be deposited in the Correctional Facilities Construction Fund and disbursed therefrom as provided in Section 17 of this act. Payment of the principal of and interest on the notes shall be made from any revenues made available therefor by the Legislature and shall be secured additionally by the full faith and credit of the State of Mississippi."

JUDICIAL DECISIONS

1. In general.
2. Sovereign immunity.

1. In general.

There is a constitutional requirement for state defendants, in a suit by prison inmates for certain prison reforms, to establish certain timetables for and proceed to implement (a) adequate medical facilities and services, and (b) the reduction of overcrowding of prison inmates at residential camps as well as the elimination of those residential camps unfit for human habitation. *Gates v. Collier*, 390 F. Supp. 482 (N.D. Miss. 1975), aff'd, 525 F.2d 965 (5th Cir. 1976).

An opinion in a class action brought by inmates of the state penitentiary against the superintendent of the penitentiary, members of the Mississippi Penitentiary Board, and the governor (joined in by the United States as plaintiff intervenor) describes in some detail the undesirable and unconstitutional conditions existing at the penitentiary. The trial court granted both prohibitory and affirmative relief to

ensure compliance with the court's orders. *Gates v. Collier*, 349 F. Supp. 881 (N.D. Miss. 1972), aff'd, 489 F.2d 298 (5th Cir. 1973), aff'd, 501 F.2d 1291 (5th Cir. 1974), supplemented, 423 F. Supp. 732 (N.D. Miss. 1976), aff'd and remanded, 548 F.2d 1241 (5th Cir. 1977).

2. Sovereign immunity.

Mississippi Department of Corrections (MDOC) was considered an arm of the state for purposes of Eleventh Amendment immunity because state statute, Miss. Code Ann. § 47-5-1 et. seq., considered the MDOC an arm of the state; additionally, the MDOC was funded by the state. The department was responsible for the confinement of prisoners throughout the state; it apparently had the authority to sue and be sued in its own name, and, finally, it was authorized by Miss. Code Ann. § 47-5-5 to hold and use property. *Morgan v. Mississippi*, — F. Supp. 2d —, 2008 U.S. Dist. LEXIS 74001 (S.D. Miss. Feb. 12, 2008), amended by 2009 U.S. Dist. LEXIS 55347 (S.D. Miss. June 16, 2009).

In damages action brought by former inmate alleging, inter alia, breach of duty imposed by this section and by §§ 47-5-1 and 47-5-45 [repealed], the court's recognition of an immunity defense for the superintendents and the assistant superintendent, raised with regard to a cause of action brought under 42 USCS § 1983, was dispositive of this claim as well; simple negligence in the performance of the superintendents' duties was not sufficient to support their liability for money damages for injuries suffered in prison by the plaintiff. *Bogard v. Cook*, 405 F. Supp. 1202 (N.D. Miss. 1975), aff'd, 586 F.2d 399 (5th Cir. 1978), reh'g denied, 591 F.2d 102 (5th Cir. 1979), cert. denied, 44 U.S. 883, 100 S. Ct. 173, 62 L. Ed. 2d 113 (1979).

The district court's findings that conditions at the Mississippi State Penitentiary denied inmates proper care, treatment, and feeding as required by statute, and the relief therein ordered, were affirmed. *Gates v. Collier*, 501 F.2d 1291 (5th Cir. 1974).

There is a constitutional requirement for state defendants, in a suit by prison inmates for certain prison reforms, to establish certain time-tables for and proceed to implement (a) adequate medical facilities and services, and (b) the reduction of overcrowding of prison inmates at residential camps as well as the elimination of those residential camps unfit for human habitation. *Gates v. Collier*, 390 F. Supp. 482 (N.D. Miss. 1975), aff'd, 525 F.2d 965 (5th Cir. 1976).

Mississippi recognizes that its prisoners must be afforded civilized treatment, imposing on the penitentiary superintendent the general common law duty of the custodian of a prisoner to take proper care of him, and civil rights protestors, who were detained in the Mississippi penitentiary merely for the purpose of holding them for trial, with male prisoners required to strip naked and remain in such state for up to

32 hours and detained in cells with inadequate hygienic facilities and no bedding, and with female prisoners required to strip to their undergarments and permitted to have no personal belongings including medicine or sanitary napkins and given quantities of laxatives, and who brought an action against state and municipal authorities, were subjected to inhuman treatment in violation of this statute. *Anderson v. Nosser*, 438 F.2d 183 (5th Cir. 1971), modified on other grounds, 456 F.2d 835 (5th Cir. 1972), cert. denied, 409 U.S. 848, 93 S. Ct. 53, 34 L. Ed. 2d 89 (1972).

The superintendent of a state prison farm, vested with exclusive management and control thereof by virtue of Code 1942, § 7930, who inflicted cruel and unusual

punishment upon civil rights demonstrators charged with parading without a permit who had not been arraigned or tried for the offense charged, violated 42 USCS § 1983. *Anderson v. § 47-5-66. Agricultural leases of prison lands to private entities; procedures; methods of payment of rents; disposal of income; fee per acre in lieu of ad valorem taxes [Repealed effective July 1, 2014].

(1) It shall be the duty of the Department of Finance and Administration, with the approval of the Public Procurement Review Board, to lease lands at public contract upon the submission of two (2) or more sealed bids to the Department of Finance and Administration after having advertised the land for rent in newspapers of general circulation published in Jackson, Mississippi; Memphis, Tennessee; the county in which the land is located; and contiguous counties for a period of not less than two (2) successive weeks. The first publication shall be made not less than ten (10) days before the date of the public contract, and the last publication shall be made not more than seven (7) days before that date. The Department of Finance and Administration may reject any and all bids. If all bids on a tract or parcel of land are rejected, the Department of Finance and Administration may then advertise for new bids on that tract or parcel of land. Successful bidders shall take possession of their leaseholds at the time authorized by the Department of Finance and Administration. However, rent shall be due no later than the day upon which the lessee shall assume possession of the leasehold, and shall be due on the anniversary date for each following year of the lease. The Department of Finance and Administration may provide in any lease that rent shall be paid in full in advance or paid in installments, as may be necessary or appropriate. In addition, the Department of Finance and Administration may accept, and the lease may provide for, assignments of federal, state, or other agricultural support payments, growing crops or the proceeds from the sale thereof, promissory notes, or any other good and valuable consideration offered by any lessee to meet the rent requirements of the lease. If a promissory note is offered by a lessee, it shall be secured by a first lien on the crop of the lessee, or the proceeds from the sale thereof. The lien shall be filed pursuant to Article 9 of the Uniform Commercial Code and Section 1324 of the Food Security Act of 1985, as enacted or amended. If the note is not paid at maturity, it shall bear interest at the rate provided for judgments and decrees in Section 75-17-7 from its maturity date until the note is paid. The note shall provide for the payment of all costs of collection and reasonable attorney's fees if default is made in the payment of the note. The payment of rent by promissory note or any means other than cash in advance shall be subject to the approval of the Public Procurement Review Board, which shall place the approval of record in the minutes of the board. There is created a special fund to be designated as the "Prison Agricultural Enterprises Fund." Any monies in hand or due from the leasing of Penitentiary lands and the sales of timber as provided in Section 47-5-56 and earmarked for the Prison Industries Fund shall be deposited to the special fund for prison agricultural enterprises. All monies in each fiscal year derived from the leasing of the Penitentiary lands and the sales of timber as provided in Section 47-5-56 shall be deposited into the special fund for the

purpose of conducting, operating and managing the prison agricultural enterprises of the department. All profits derived from the prison agricultural enterprises shall be deposited into the Prison Agricultural Enterprises Fund. All profits derived from prison industries shall be placed in a special fund in the State Treasury to be known as the "Prison Industries Fund," to be appropriated each year by the Legislature to the nonprofit corporation, which is required to be organized under the provisions of Section 47-5-535, for the purpose of operating and managing the prison industries. The state shall have the rights and remedies for the security and collection of the rents given by law to landlords. Lands leased for agricultural purposes under Section 47-5-64 shall be subject to a fee-in-lieu of ad valorem taxes, including taxes levied for school purposes. The fee-in-lieu shall be Nine Dollars (\$9.00) per acre. Upon the execution of the agricultural leases to private entities as authorized by Section 47-5-64, the Department of Finance and Administration shall collect the in lieu fee and shall forward the fees to the tax collector in which the land is located. The tax collector shall disburse the fees to the appropriate county or municipal governing authority on a pro rata basis. The sum apportioned to a school district shall not be less than the school district's pro rata share based upon the proportion that the millage imposed for the school district by the appropriate levying authority bears to the millage imposed by the levying authority for all other county or municipal purposes. Any funds obtained by the corporation as a result of sale of goods and services manufactured and provided by it shall be accounted for separate and apart from any funds received by the corporation through appropriation from the State Legislature. All nonappropriated funds generated by the corporation shall not be subject to appropriation by the State Legislature.

Any land leased, as provided in this section, shall not be leased for an amount less than would be received if such land were to be leased under any federal loan program. In addition, all leases shall be subject to the final approval of the Public Procurement Review Board before such leases are to become effective.

(2) This section shall be repealed from and after July 1, 2014.

The classification and disciplinary hearing officers shall maintain a record of all actions and orders by minutes. The hearing officers shall meet on a regular basis.

§ 47-5-103. Powers and duties of classification hearing officer and classification board as to classification of offenders.

(1) The classification hearing officer shall be responsible for assigning a classification to each offender within forty (40) days after the offender's commitment to the custody of the department. The classification shall determine the offender's work duties, living quarters, educational, vocational or other rehabilitation programs, and privileges to be accorded the offender while in custody of the department. The classification hearing officer, in assigning classifications, shall consider the offender's age, offense and surrounding circumstances, the complete record of the offender's criminal history including records of law enforcement agencies or of a youth court regarding that offender's juvenile criminal history, family background, education, practical or employment experience, interests and abilities as evidenced by mental and psychological examination and knowledge obtained by the classification hearing officer in personal interview with the offender. The classification hearing officer shall use the above criteria to assign each offender a classification which will serve and enhance the best interests and general welfare of the offender. The designee or designees of the commissioner shall approve or disapprove each classification. The classification hearing officer shall provide the State

Parole Board with a copy of the classification assigned to each offender in the custody of the department who is eligible for parole.

(2) The classification board, consisting of the commissioner, or his designee, deputy commissioner of institutions and the director of offender services may change an action of the classification or disciplinary hearing officer if the board makes a determination that the action of the hearing officer was not supported by sufficient factual information. The commissioner, in emergency situations, may suspend the classification of an offender or offenders for a period of not exceeding fifteen (15) days to relieve the emergency situation. The classification of each offender may be reviewed by a classification hearing officer at least once each year. In no case shall an offender serve as a servant in the home of any employee other than authorized by the commissioner.

(3) The classification board shall establish substantive and procedural rules and regulations governing the assignment and alteration of inmate classifications, and shall make such rules and regulations available to any offender upon request.

JUDICIAL DECISIONS

1. In general.

Inmate's conviction for carrying a concealed weapon was enough to have him removed from the Community Work Center and placed at a state prison; inmates had no property or liberty interest as to their housing assignment. *Hamilton v. Ruffin*, 875 So. 2d 1125 (Miss. Ct. App. 2004).

Under Mississippi law, classification of inmates is the responsibility of Department of Corrections, and inmate has no

right to particular classification; thus, prison inmate whose custody status was reduced to "close custody" classification has no liberty interest in classification under Due Process Clause, and where prison officials did not abuse discretion in changing custody status, prisoner is not entitled to preliminary injunctions against physical restraints to which he was subjected as result of change in status. *Tubwell v. Griffith*, 742 F.2d 250 (5th Cir. 1984).

§ 47-5-104. Demotion of offender or forfeiture of earned time.

The commissioner shall designate a disciplinary hearing officer to hear evidence and to make decisions in all cases when an offender has been issued a rule violation report and is subject to be demoted or having earned time taken from him. All proceedings of a disciplinary hearing officer shall be taped and retained for at least three (3) years. The commissioner shall not attend any

hearings whereby an offender is subject to be demoted or having earned time taken away.

§ 47-5-105. Entry of bids, bills, and invoices in minutes before award or payment; copies to be sent.

The award of all contracts in excess of One Hundred Thousand Dollars (\$100,000.00) entered into by the commissioner shall be approved by the Public Procurement Review Board and shall be entered on the minutes of such board before any funds shall be expended therefor. Provided further, that the entrance of the award of contracts on the minutes of the Public Procurement Review Board shall contain a detailed accounting of all bids entered showing clearly the lowest bid and best bid that was awarded in each and every case and, if the bid accepted is not the lowest, then the reasons and justification for not accepting the lowest bid shall be spread on the minutes. A true copy of the minutes of each meeting of such Public Procurement Review Board shall be sent monthly to the Governor, members of the Legislative Budget Office and Chairmen of the Corrections Committee of the Senate and Penitentiary Committee of the House of Representatives.

§ 47-5-109. Operation of inmate canteen facilities; Canteen Fund.

(1) The State Department of Corrections is hereby authorized to operate a facility or facilities to be known as an inmate canteen facility or facilities, the purpose of which is to make available certain goods and other items of value for purchase by offenders confined at the State Penitentiary at Parchman, offenders confined at any other facility of the department, certain employees of the department and certain persons visiting offenders or employees. The commissioner shall promulgate rules and regulations for the operation of such a facility.

(2) Any funds which may be derived from the operation of an inmate canteen facility or facilities shall be deposited into an account to be known as the Canteen Fund. For accounting purposes, certain allocated costs attributable to the operation of such a facility, and as prescribed by the rules and regulations of the board, shall be chargeable as operating costs against profits earned. § 47-5-110. Commitments to be to department and not to particular institutions or facilities; transfers of offenders; community prerelease program; conditions; immunity for commissioner of corrections; regimented inmate discipline programs. [Repealed effective July 1, 2011].

(1) Commitment to any institution or facility within the jurisdiction of the department shall be to the department, not to a particular institution or facility. The commissioner shall assign a newly committed offender to an appropriate facility consistent with public safety; provided, however, that any offender who, in the opinion of the sentencing judge, requires confinement in a maximum security unit shall be assigned, upon initial commitment, to the Parchman facility. The commissioner may extend the place of confinement of eligible offenders as provided under subsection (2) of this section. He may transfer an offender from one institution to another, consistent with the commitment and in accordance with treatment, training and security needs. The commissioner shall have the authority to transfer inmates from the various correctional facilities of the department to restitution centers if such inmates meet the qualifications prescribed in Section 99-37-19. The commissioner shall prepare appropriate standards of eligibility for such transfers of offenders from one institution to another institution and transfers of offenders who meet the qualifications for placement in restitution centers. The commissioner shall have the authority to remove the offenders from restitution centers and to transfer them to other facilities of the department. The commissioner shall obtain the approval of the sentencing court before transferring an offender committed to the department to a restitution center. On the request of the chief executive officer of the affected unit of local government, the commissioner may transfer a person detained in a local facility to a state facility. The commissioner shall determine the cost of care for that person to be borne by the unit of local government. The commissioner may assign to a community work center, any offender who is convicted under the Mississippi Implied Consent Law and who is sentenced to the custody of the Department of Corrections, except that if a death or a serious maiming has occurred during the commission of the violation of the Mississippi Implied Consent Law, then the offender so convicted may not be assigned to a community work center.

(2) The department may establish by rule or policy and procedure a community prerelease program which shall be subject to the following requirements:

(a) The commissioner may extend the limits of confinement of offenders serving sentences for violent or nonviolent crimes who have six (6) months or less remaining before release on parole, conditional release or discharge to participate in the program. Parole violators may be allowed to participate in the program.

(b) Any offender who is referred to the program shall remain an offender of the department and shall be subject to rules and regulations of the department pertaining to offenders of the department until discharged or released on parole or conditional release by the State Parole Board.

(c) The department shall require the offender to participate in work or educational or vocational programs and other activities that may be necessary for the supervision and treatment of the offender.

(d) An offender assigned to the program shall be authorized to leave a community prerelease center only for the purpose and time necessary to participate in the program and activities authorized in paragraph (c) of this subsection.

(3) The commissioner shall have absolute immunity from liability for any injury resulting from a determination by the commissioner that an offender shall be allowed to participate in the community prerelease program.

(4)(a) The department may by rule or policy and procedure provide the regimented inmate discipline program and prerelease service for offenders at each of its major correctional facilities: Mississippi State Penitentiary, Central Mississippi Correctional Institution and South Mississippi Correctional Institution.

(b) The commissioner may establish regimented inmate discipline and prerelease programs at the South Mississippi Correctional Institution. Offenders assigned to this facility may receive the services provided by the regimented inmate discipline program. The prerelease program may be located on the grounds of this facility or another facility designated by the commissioner.

(5) This section shall stand repealed on July 1, 2011.

JUDICIAL DECISIONS

1. In general.

Without waiving the procedural bar to the inmate's claim that his sentence was unconstitutional, the court held that the inmate was properly charged under Miss. Code Ann. § 97-9-45 and entered a plea of guilty to the escape; the sentence of three years was well within the maximum prescribed by the statute, which referred to prisoners sentenced to the Mississippi Department of Corrections and allowed a maximum sentence of five years, and thus the inmate was not entitled to post-conviction relief; although the inmate was in

custody and on a work program for a county at the time of the escape, the inmate was considered under the Department's jurisdiction for purposes of § 97-9-45 because (1) the inmate's original burglary sentence required imprisonment in the "penitentiary" under Miss. Code Ann. § 97-17-23, which term meant any facility under the jurisdiction of the Department pursuant to Miss. Code Ann. § 47-5-3, (2) commitment to any institution within the jurisdiction of the Department was to the Department, not a particular institution pursuant to Miss. Code Ann. § 47-5-110,

and (3) under Miss. Code Ann. § 47-5-541, the Department recommended rules concerning the participation of inmates in work programs. *Gardner v. State*, 848 So. 2d 900 (Miss. Ct. App. 2003).

Section 99-19-39, which governs the detention of a convict pending appeal, confers no right in a convicted felon to be incarcerated in county jail pending an appeal to the Supreme Court; construing § 99-19-39 to create such a right would place that statutory section in conflict with the provisions of § 47-5-1 et seq. which create a comprehensive correctional system to deal with the incarceration of all felony offenders; under the comprehensive legislative scheme setting up the Mississippi Department of Corrections, the circuit court sentences to the Department and not to any particular facility, and neither the circuit court nor the Supreme Court can order the Depart-

ment to return a prisoner duly committed to its custody to county jail as a matter of right. *Nicolaou v. State*, 596 So. 2d 863 (Miss. 1992).

A prisoner did not have a protected liberty interest in being transferred from a county correctional facility to a state prison, absent a state law or regulation or prison policy or procedure conditioning such a transfer on proof of misbehavior or some other event. *McFadden v. State*, 580 So. 2d 1210 (Miss. 1991).

An imprisoned offender was improperly transferred from one institution to another institution within the same Department of Corrections, since such transfer was pursuant to an order of a Circuit Judge, and, pursuant to § 47-5-110, only the Commissioner of Corrections has the authority to assign or transfer offenders to particular institutions. *Lewis v. State*, 414 So. 2d 435 (Miss. 1982).

§ 47-5-111. Transportation of offenders to correctional system facilities; processing of offenders at receiving stations.

The commissioner shall make suitable provision and regulations for the safe and speedy transportation of offenders from counties of their confinement to the appropriate facility of the correctional system by the sheriffs of such respective counties if such sheriffs are willing to perform such services as cheaply as the correctional system can have it done otherwise. Such transportation shall be on state account. In no instance shall the offenders be carried

direct from the county jails to a correctional facility, but shall be carried to the appropriate receiving station as designated by the commissioner where the character of labor which each offender may reasonably perform shall be determined. Upon the arrival of each offender at such receiving station, the commissioner shall cause a statement to be made by the offender, giving a brief history of his life, and showing where he has resided, the names and post office addresses of his immediate relatives, and such other facts as will tend to show his past habits and character. The commissioner shall, by correspondence or otherwise, verify or disprove such statements, if practicable, and shall preserve the record and information so obtained for future reference. The commissioner shall have authority to designate such vehicles as are necessary to transport offenders.

Offenders, when received into a facility of the correctional system, shall be carefully searched. If money be found on the person of the offender, or received by him at any time, it shall be taken in charge by the commissioner and placed to the offender's credit and expended for the offender's benefit on his written order and under such restrictions as may be prescribed by law or the rules. If an offender with money charged to his credit shall die from any cause while in a facility of the correctional system or be discharged without claiming such money, the commissioner shall make every effort to give notice of such fact to the discharged offender or to the beneficiary or nearest-known relative, if any, of the deceased or discharged offender, and upon a valid claim presented shall pay out such money to such discharged offender, beneficiary or nearest relative. Any officer or employee having charge of the offenders' money who misappropriates the same, or any part thereof, shall be deemed guilty of a felony, and upon conviction thereof shall be confined in the correctional system for a term of not more than five (5) years.

All sums credited to the account of an offender who shall escape shall immediately, upon the offender's escape, escheat to the special vocational training program fund to help in offender rehabilitation.

§ 47-5-138. Earned time allowances; earned-release supervision; promulgations of rules and regulations; forfeiture generally; release of offender; phase-out of earned time release.

(1) The department may promulgate rules and regulations to carry out an earned time allowance program based on the good conduct and performance of an inmate. An inmate is eligible to receive an earned time allowance of one-half ($\frac{1}{2}$) of the period of confinement imposed by the court except those inmates excluded by law. When an inmate is committed to the custody of the department, the department shall determine a conditional earned time release date by subtracting the earned time allowance from an inmate's term of sentence. This subsection does not apply to any sentence imposed after June 30, 1995.

(2) An inmate may forfeit all or part of his earned time allowance for a serious violation of rules. No forfeiture of the earned time allowance shall be effective except upon approval of the commissioner or his designee, and forfeited earned time may not be restored.

(3)(a) For the purposes of this subsection, "final order" means an order of a state or federal court that dismisses a lawsuit brought by an inmate while the inmate was in the custody of the Department of Corrections as frivolous, malicious or for failure to state a claim upon which relief could be granted.

(b) On receipt of a final order, the department shall forfeit:

(i) Sixty (60) days of an inmate's accrued earned time if the department has received one (1) final order as defined herein;

(ii) One hundred twenty (120) days of an inmate's accrued earned time if the department has received two (2) final orders as defined herein;

(iii) One hundred eighty (180) days of an inmate's accrued earned time if the department has received three (3) or more final orders as defined herein.

(c) The department may not restore earned time forfeited under this subsection.

(4) An inmate who meets the good conduct and performance requirements of the earned time allowance program may be released on his conditional earned time release date.

(5) For any sentence imposed after June 30, 1995, an inmate may receive an earned time allowance of four and one-half ($4\frac{1}{2}$) days for each thirty (30) days served if the department determines that the inmate has complied with the good conduct and performance requirements of the earned time allowance program. The earned time allowance under this subsection shall not exceed fifteen percent (15%) of an inmate's term of sentence; however, beginning July 1, 2006, no person under the age of twenty-one (21) who has committed a nonviolent offense, and who is under the jurisdiction of the Department of Corrections, shall be subject to the fifteen percent (15%) limitation for earned time allowances as described in this subsection (5).

(6) Any inmate, who is released before the expiration of his term of sentence under this section, shall be placed under earned-release supervision

until the expiration of the term of sentence. The inmate shall retain inmate status and remain under the jurisdiction of the department. The period of earned-release supervision shall be conducted in the same manner as a period of supervised parole. The department shall develop rules, terms and conditions for the earned-release supervision program. The commissioner shall designate the appropriate hearing officer within the department to conduct revocation hearings for inmates violating the conditions of earned-release supervision.

(7) If the earned-release supervision is revoked, the inmate shall serve the remainder of the sentence and the time the inmate was on earned-release supervision, shall not be applied to and shall not reduce his sentence.

JUDICIAL DECISIONS

1. In general.
2. Constitutionality.
3. Final order.
4. Early release.

1. In general.

Miss. Code Ann. § 47-5-138 limits the maximum amount of earned time and meritorious earned time an offender could receive to one-half of his total sentence,

but there is nothing in the statute that automatically entitles an offender to serve only fifty percent of his sentence. *Hearron v. Miss. Dep't of Corr.*, 22 So. 3d 1238 (Miss. Ct. App. 2009).

Where defendant pled guilty to statutory rape, the trial court did not err by sentencing defendant to participate in the Mississippi Regimented Inmate Discipline Program program under its own

discretion, and not under the earned-time allowance program administered by the Mississippi DOC. *Gatlin v. State*, 18 So. 3d 290 (Miss. Ct. App. 2009).

Despite the fact that an inmate was entitled to an earned-time allowance of one-half of his total sentence, including mandatory time because he was convicted before the effective date of Miss. Code Ann. § 47-5-139(1)(e), the earned-time allowance did not reduce the mandatory portions of his sentences or accelerate his parole eligibility date under Miss. Code Ann. § 47-7-3(1) or his tentative discharge date. *Adams v. Gibbs*, 988 So. 2d 395 (Miss. Ct. App. 2008).

Trial judge unquestionably could consider both the civil file in defendant's post-conviction-relief proceedings and the entire record in the criminal proceedings, including the transcript of the guilty-plea hearing, in determining not only the issue of the merits of defendant's post-conviction-relief petition, but also the issue of whether the petition was frivolous for the purpose of considering sanctions; the trial judge did not abuse his discretion in sanctioning defendant via a forfeiture of sixty days of accrued earned time. *Moore v. State*, 986 So. 2d 928 (Miss. 2008).

Trial court did not err in ordering the Department of Corrections to forfeit 60 days of defendant's accrued earned time pursuant to Miss. Code Ann. § 47-5-138(3)(a) for filing a frivolous motion because defendant presented no argument that would enable him to prevail upon appeal. *Waddell v. State*, 999 So. 2d 375 (Miss. Ct. App. 2008).

Inmate's appeal was frivolous where the complaint never had a realistic chance of success, it failed to present an arguably sound basis in fact or law, and the inmate could not prove any set of facts that would warrant relief; the Mississippi department of corrections had to apply the provisions of Miss. Code Ann. § 47-5-138(b)(i) regarding forfeiture of 60 days of the inmate's earned time release, if the inmate had any. *Bessent v. Clark*, 974 So. 2d 928 (Miss. Ct. App. 2007).

In a case involving a motion for post-conviction relief, there was no error in finding that the motion was frivolous since there was no newly discovered evi-

dence in a case arising from a guilty plea in 2004, as defendant had claimed; therefore, the loss of earned time was appropriate. *Coleman v. State*, 971 So. 2d 637 (Miss. Ct. App. 2007), writ of certiorari denied by 2007 Miss. LEXIS 681 (Miss. Dec. 6, 2007), writ of certiorari denied by 2007 Miss. LEXIS 684 (Miss. Dec. 6, 2007), writ of certiorari denied by 973 So. 2d 244, 2007 Miss. LEXIS 686 (Miss. 2007).

Notwithstanding a time bar, a post-conviction claim failed on the merits because earned time and trusty time were not allowed for an escape conviction under Miss. Code Ann. § 47-5-139(3) since certain conditions were not met, and defendant was erroneously allowed to keep the time that was credited to his non-mandatory sentences; because defendant was convicted of violating a state statutory provision instead of a prison rule, he was not entitled to receive an administrative hearing and have the forfeiture of earned time approved. *Golden v. Epps*, 958 So. 2d 271 (Miss. Ct. App. 2007), writ of certiorari dismissed by 968 So. 2d 948, 2007 Miss. LEXIS 610 (Miss. 2007).

Defendant was not prejudiced by the imposition of a forfeiture of good time based on a meritless motion for post-conviction relief because he was not eligible for such as a habitual offender. *Adams v. State*, 962 So. 2d 640 (Miss. Ct. App. 2007).

Defendant's discontentment concerning the loss of good time credits was without merit; under Miss. Code Ann. § 47-5-138, the court may order forfeiture of good time credits upon a finding that the lawsuit was frivolous; the trial court ruled that the present suit was frivolous, and the appellate court would not disturb that finding as defendant's motion was procedurally barred. *Smith v. State*, 922 So. 2d 43 (Miss. Ct. App. 2006).

Order summarily dismissing petitioner's motion for post-conviction relief was upheld where, contrary to his allegations, there was no requirement in Miss. Code Ann. § 47-5-138 that there be an evidentiary hearing before a classification board prior to the loss of earned time; in his brief, petitioner did not address any of the specific instances in which his earned

time was forfeited or show that any evidentiary hearing would have been beneficial. *Stewart v. State*, 938 So. 2d 344 (Miss. Ct. App. 2006).

As an inmate was sentenced after June 30, 1995, and was subject to the earned release supervision (ERS) that was present in Miss. Code Ann. § 47-5-138(5), the inmate's arguments that inmate's fifteen percent earned time allowance should not be spent on ERS was without merit and his complaint was properly dismissed. *Peters v. State*, 935 So. 2d 1064 (Miss. Ct. App. 2006), writ of certiorari denied by 936 So. 2d 367, 2006 Miss. LEXIS 400 (Miss. 2006), dismissed by 2009 U.S. Dist. LEXIS 70505 (N.D. Miss. Aug. 12, 2009).

Trial court did not err in applying the earned time forfeiture statute after the inmate's petition for post-conviction relief was denied as the present petition addressed issues that had previously been raised and resolved on appeal. *Moore v. Miss. Dep't of Corr.*, 936 So. 2d 941 (Miss. Ct. App. 2005), writ of certiorari denied by 2006 Miss. LEXIS 560 (Miss. Aug. 24, 2006).

Appellate court affirmed the denial of an inmate's motion for post-conviction relief and his claim that he should have been released after serving seven and one-half years of his 15-year sentence, as it was clear that the Mississippi Department of Corrections (MDOC) had authority to revoke the inmate's earned time under Miss. Code Ann. § 47-5-138 for violating the internal rules of the MDOC. *Sanders v. Miss. Dep't of Corr.*, 912 So. 2d 189 (Miss. Ct. App. 2005).

Trial court properly denied defendant's "motion to correct sentence" because applying Miss. Code Ann. § 47-5-138 to him was clearly impermissible under Miss. Code Ann. § 47-7-3, as he was an offender over 19 years of age and clearly ineligible for parole. *Smith v. State*, 914 So. 2d 330 (Miss. Ct. App. 2005).

Because the record did not support any finding of ineffectiveness of counsel, the claim upon which defendant's petition for post-conviction relief was based, but rather indicated that defendant understood all matters to which he pled and was satisfied with the performance of his at-

torney, it was within the trial court's discretion to order that defendant forfeit 60 days of earned time. *Stanley v. State*, 904 So. 2d 1127 (Miss. Ct. App. 2004).

There was no merit to petitioner's contention that, since he was not eligible to accrue earned time at the time of his attempted escape, during the mandatory portion of his sentence, he had no earned time to be forfeited; the escape attempt resulted in a forfeiture of all of petitioner's earned time credit. *Boler v. Bailey*, 840 So. 2d 734 (Miss. Ct. App. 2003).

In determining whether a case brought in forma pauperis should be dismissed as frivolous, the courts had a three-part test; did the complaint have a realistic chance of success, did it present an arguably sound basis in fact and law, and could the complainant prove any set of facts that would warrant relief. *Dock v. State*, 802 So. 2d 1051 (Miss. 2001).

An inmate could not accrue earned-time allowance in excess of 15 percent of his sentence, all prisoners were required to serve, at a minimum, 85 percent of their term of confinement. *Hall v. State*, 800 So. 2d 1202 (Miss. Ct. App. 2001).

Nothing in the earned time forfeiture provision prevents pro se inmates from seeking relief; the purpose of the statute is to reduce frivolous filings on the part of all incarcerated individuals, whether literate or illiterate, pro se or represented by counsel. *Holt v. State*, 757 So. 2d 1088 (Miss. Ct. App. 2000).

The trial court acted within appropriate boundaries when ordering that a certified copy of the final order dismissing a petition for post-conviction relief as frivolous be forwarded to the Mississippi Department of Corrections for action under subsection (3)(b), where the petitioner had previously petitioned the trial court for relief from sentence and other relief, and the same was deemed frivolous in a prior order, and he then filed his second petition with knowledge that his first petition had been deemed frivolous. *Holt v. State*, 757 So. 2d 1088 (Miss. Ct. App. 2000).

While forfeiture of time has become an additional option that a trial judge may exercise in imposing sanctions for frivolous motions, the trial judge may also impose monetary sanctions. *Retherford v.*

State, 749 So. 2d 269 (Miss. Ct. App. 1999).

Statutory amendment that required that 85% of sentence be served and that eliminated opportunities for parole that had previously existed was an *ex post facto* law as applied to defendants who had been charged with crimes before effective date of statute and whose charges were not to be disposed of until after effective date. *Puckett v. Abels*, 684 So. 2d 671 (Miss. 1996).

A prisoner serving a 20-year sentence was not entitled to a deduction of earned time from his parole eligibility date since he did not become eligible for earned time until after the Attorney General issued an opinion discontinuing the practice of allowing earned time to shorten parole eligibility. *McFadden v. State*, 523 So. 2d 77 (Miss. 1988).

The actions of corrections officials in designating a prisoner eligible for earned time, due to an administrative or clerical error, and then in withdrawing that designation, did not amount to a forfeiture of earned time without due process since no earned time was accumulated by the prisoner. *Doctor v. State*, 522 So. 2d 229 (Miss. 1988).

Reasonable and harmonious construction of §§ 47-5-138, 47-5-139, and 47-7-3 is that legislature intended them to maintain enhanced penalty that § 99-19-81 imposes on habitual offenders, which penalty includes denial of certain privileges available to other prisoners. *Perkins v. Cabana*, 794 F.2d 168 (5th Cir. 1986), cert. denied, 479 U.S. 936, 107 S. Ct. 414, 93 L. Ed. 2d 366 (1986).

Defendant sentenced as habitual offender has no entitlement to credit for "good time." *Hardy v. State*, 473 So. 2d 941 (Miss. 1985).

2. Constitutionality.

This section is not unconstitutional, and does not violate the equal protection clause of the Fourteenth Amendment since neither prison inmates nor indigents constitute a suspect class entitled to heightened scrutiny under the equal protection clause. *Tubwell v. Anderson*, 776 So. 2d 654 (Miss. 2000).

The statute is not an unconstitutional *ex post facto* law, notwithstanding that it

deprived the defendant of good time credits which he earned prior to the effective date of the statute, as the punitive measures required by the statute were applied to actions taken by the defendant after the effective date of the statute. *Tubwell v. Anderson*, 776 So. 2d 654 (Miss. 2000).

The defendant was not deprived of due process in connection with his forfeiture of good time credits as it was apparent that this section provides much greater procedural protections than those which are typically found in extra-judicial prison revocation proceedings in that it only provides for a revocation of good time credits in the event that a "final order" is issued dismissing the prisoner's lawsuit. *Tubwell v. Anderson*, 776 So. 2d 654 (Miss. 2000).

This section is not rendered unconstitutional by the fact that it does not contain a provision granting inmates a right to counsel in appealing a revocation of good time credits under the statute as there is no right of counsel for appeals from inmate lawsuits which have been dismissed as frivolous. *Tubwell v. Anderson*, 776 So. 2d 654 (Miss. 2000).

The statute is not rendered unconstitutional by the fact that it does not contain a provision for an inmate to file an *in forma pauperis* appeal from a ruling ordering the forfeiture of a prisoner's earned good time credits since there is no constitutional right to appeal in *in forma pauperis* from inmate lawsuits which have been dismissed as frivolous. *Tubwell v. Anderson*, 776 So. 2d 654 (Miss. 2000).

3. Final order.

The orders dismissing an inmate's lawsuits were final orders within the meaning of the statute where, in each of the orders, the trial court dismissed the lawsuit and expressly found that the suit was frivolous. *Tubwell v. Anderson*, 776 So. 2d 654 (Miss. 2000).

Based on the supreme court's previous stern admonition to defendant and pursuant to Miss. Code Ann. § 47-5-138(3)(a), the appellate court's mandate was a "final order" that dismissed a lawsuit brought by an inmate while the inmate was in the custody of the Department of Corrections as frivolous, malicious or for failure to state a claim upon which relief could be granted, and the Mississippi Department

of Corrections was directed and ordered that an additional 60, for a total of 120 days of accrued earned time would be forfeited by defendant. *Roland v. State*, 939 So. 2d 810 (Miss. Ct. App. 2006).

4. Early release.

Where appellant served 1,077 days in prison on his four-year sentence for the

sale of cocaine, he was released on earned-release supervision under Miss. Code Ann. § 47-5-138. The discharge certificate from the Mississippi Department of Corrections reflected that appellant had served his four-year sentence. *Branch v. State*, 996 So. 2d 829 (Miss. Ct. App. 2008).

ATTORNEY GENERAL OPINIONS

Earned time may only be forfeited if an inmate commits a violation felonious in nature or in the event of escape. *Lucas*, June 22, 1992, A.G. Op. #92-0443.

The Department of Corrections does not have the authority to award earned time

to a defendant for time that was served in a municipal or county jail while awaiting trial. *Anderson*, July 10, 1998, A.G. Op. #98-0350.

JUDICIAL DECISIONS

1. In general; construction.
2. Constitutionality.

1. In general; construction.

Notwithstanding a time bar, a post-conviction claim failed on the merits because earned time and trusty time were not allowed for an escape conviction under Miss. Code Ann. § 47-5-139(3) since certain conditions were not met, and defendant was erroneously allowed to keep the time that was credited to his non-mandatory sentences; because defendant was convicted of violating a state statutory provision instead of a prison rule, he was not entitled to receive an administrative hearing and have the forfeiture of earned time approved. *Golden v. Epps*, 958 So. 2d 271 (Miss. Ct. App. 2007), writ of certiorari dismissed by 968 So. 2d 948, 2007 Miss. LEXIS 610 (Miss. 2007).

Defendant, who was convicted of armed robbery, was not allowed to accrue earned-time credits because the sentence for armed robbery was a mandatory day for day sentence, and defendant was not eligible for parole. *Wells v. State*, 936 So. 2d 479 (Miss. Ct. App. 2006).

Because the inmate began serving his mandatory sentences as an habitual offender, totaling six years, on September 29, 2000, he would be serving them until September 29, 2006; and therefore, he

remained ineligible for trusty status. *Snow v. Johnson*, 913 So. 2d 334 (Miss. Ct. App. 2005).

Both defendant and the Mississippi Attorney General's Office agreed that defendant's parole and release dates were incorrectly calculated as to the date his sentence began and credits and trusty time. Thus, the appellate court reversed the determination that defendant was not entitled to a hearing and remanded the matter to the Mississippi Parole Board to allow the Board to make the exact calculations of defendant's parole and release dates; however, on remand, the Board was free to grant or deny defendant's petition for parole and the circuit court had no authority to determine defendant's parole eligibility. *Lizana v. Scott*, 910 So. 2d 31 (Miss. Ct. App. 2005).

There was no merit to petitioner's contention that, since he was not eligible to accrue earned time at the time of his attempted escape during the mandatory portion of his sentence, he had no earned time to be forfeited; the escape attempt resulted in a forfeiture of all of petitioner's earned time credit. *Boler v. Bailey*, 840 So. 2d 734 (Miss. Ct. App. 2003).

Proper interpretation of Miss. Code Ann. §§ 47-5-138.1, 47-5-139, was that the prisoner was ineligible for earned time

allowance on the habitual and mandatory portion of the prisoner's sentences. *Hill v. State*, 838 So. 2d 994 (Miss. Ct. App. 2002).

2. Constitutionality.

Trial court erred in summarily dismissing an inmate's petition seeking trusty status; since the record lacked sufficient factual findings to determine whether the application of Miss. Code Ann. § 47-5-138.1 to the inmate constituted an ex post facto violation, resolution of this issue required an evidentiary hearing. *Horton v. Epps*, 20 So. 3d 24 (Miss. Ct. App. 2009).

Trial court erred in summarily dismissing a prisoner's motion for postconviction relief; an evidentiary hearing was necessary to decide whether application of the

amended version of Miss. Code Ann. § 47-5-138.1 to the prisoner, who had pleaded guilty to the crime of sale and transfer of cocaine, constituted an ex post facto violation. *Gray v. State*, 13 So. 3d 283 (Miss. Ct. App. 2008), writ of certiorari denied by 2009 Miss. LEXIS 344 (Miss. July 23, 2009).

The amendment to Miss. Code Ann. § 47-5-138.1 was not an ex post facto law; even though the amended statute held that an offender was not eligible for trusty status if the offender was convicted of trafficking in controlled substances, defendant continued to receive the 10 days for 30 days time benefit under the prior statute. *Ross v. Epps*, 922 So. 2d 847 (Miss. Ct. App. 2006).

§ 47-5-139. Certain inmates ineligible for earned time allowance; commutation to be based on total term of sentences; forfeiture of earned time in event of escape.

(1) An inmate shall not be eligible for the earned time allowance if:

(a) The inmate was sentenced to life imprisonment; but an inmate, except an inmate sentenced to life imprisonment for capital murder, who has reached the age of sixty-five (65) or older and who has served at least fifteen (15) years may petition the sentencing court for conditional release;

(b) The inmate was convicted as a habitual offender under Sections 99-19-81 through 99-19-87;

(c) The inmate has forfeited his earned time allowance by order of the commissioner;

(d) The inmate was convicted of a sex crime; or

(e) The inmate has not served the mandatory time required for parole eligibility for a conviction of robbery or attempted robbery with a deadly weapon.

(2) An offender under two (2) or more consecutive sentences shall be allowed commutation based upon the total term of the sentences.

(3) All earned time shall be forfeited by the inmate in the event of escape and/or aiding and abetting an escape. The commissioner may restore all or part of the earned time if the escapee returns to the institution voluntarily, without expense to the state, and without act of violence while a fugitive from the facility.

(4) Any officer or employee who shall willfully violate the provisions of this section and be convicted therefor shall be removed from office or employment.

1. In general; construction.

Notwithstanding a time bar, a post-conviction claim failed on the merits because earned time and trusty time were not allowed for an escape conviction under Miss. Code Ann. § 47-5-139(3) since certain conditions were not met, and defendant was erroneously allowed to keep the time that was credited to his non-mandatory sentences; because defendant was convicted of violating a state statutory provision instead of a prison rule, he was not entitled to receive an administrative hearing and have the forfeiture of earned time approved. *Golden v. Epps*, 958 So. 2d 271 (Miss. Ct. App. 2007), writ of certiorari dismissed by 968 So. 2d 948, 2007 Miss. LEXIS 610 (Miss. 2007).

Defendant was not entitled to parole consideration on a rape conviction based on the fact that defendant was 19 when

the offense was committed because the former Miss. Code Ann. § 47-7-3 allowed parole consideration only in cases where the defendant was convicted of statutory rape; former Miss. Code Ann. § 47-5-139 precluded good time credit for any sex offense. *Braziel v. Bailey*, 835 So. 2d 962 (Miss. Ct. App. Jan. 28, 2003).

There was no merit to petitioner's contention that, since he was not eligible to accrue earned time at the time of his attempted escape during the mandatory portion of his sentence, he had no earned time to be forfeited; the escape attempt resulted in a forfeiture of all of petitioner's earned time credit. *Boler v. Bailey*, 840 So. 2d 734 (Miss. Ct. App. 2003).

Proper interpretation of Miss. Code Ann. §§ 47-5-138.1, 47-5-139, was that the prisoner was ineligible for earned time allowance on the habitual and mandatory portion of the prisoner's sentences. *Hill v. State*, 838 So. 2d 994 (Miss. Ct. App. 2002).

A prisoner may not earn, but not use, good time during service of a mandatory portion of his period of confinement and later use that good time earned upon

expiration of the mandatory portion of his sentence. *Wilson v. Puckett*, 721 So. 2d 1110 (Miss. 1998).

A defendant convicted of armed robbery was not eligible to reduce his sentence with the grant of administrative good time, pursuant to § 47-5-139, since earned time for good conduct and performance only applies to inmates who are eligible for parole, and defendant was not entitled to parole under § 47-7-3, which required him to serve his full 10-year sentence. *Cooper v. State*, 439 So. 2d 1277 (Miss. 1983).

2. Constitutional issues.

Defendant, convicted of murder, argued that because of his age, under Miss. Code Ann. § 47-5-139(1)(a)(1) he was subjected to greater punishment for his crime than others sentenced to life imprisonment at age 50 or older; the appellate court rejected his argument that the age distinction in the statute subjected a younger individual to a longer punishment that was cruel and unusual, since his life sentence fell within the statutory limits designated by the Mississippi Legislature. *Knox v. State*, 912 So. 2d 1004 (Miss. Ct. App. 2005), writ of certiorari denied by 921 So. 2d 344, 2005 Miss. LEXIS 686 (Miss. 2005).

Inmate's petition arguing that the Mississippi Department of Corrections illegally took his earned time allowance away from him was properly dismissed for failure to state a claim. The inmate claims of due process/ex post facto violations were fatally flawed as had not legally acquired any earned time allowances because he was not eligible for earn time allowances on the mandatory portion of his sentences for armed robbery, pursuant to Miss. Code Ann. § 47-5-139(1)(e). *Adams v. Epps*, 900 So. 2d 1210 (Miss. Ct. App. 2005), writ of certiorari dismissed by 901 So. 2d 1273, 2005 Miss. LEXIS 291 (Miss. 2005).

Defendant's sentence of life imprisonment for murder conviction was upheld because Miss. Code Ann. § 47-5-139(1)(a) was not violative of defendant's due process and equal protection rights by specifying criteria to consider in determining which inmates could or could not be considered for earned time allowance. *Martin v. State*, 871 So. 2d 693 (Miss. 2004).

Denial of credit for time served in jail and of "good time" to person convicted of felony who appeals judgment of conviction and who remains in jail pending disposition of appeal due to inability to make bond, while allowing credit for time served in jail and award of "good time" to convicted felons serving sentence in county jail without appealing conviction is denial of equal protection, contrary to Fourteenth Amendment. *Lacy v. State*, 468 So. 2d 63 (Miss. 1985).

A defendant convicted of armed robbery after 1977 and sentenced to serve less than 10 years in the penitentiary, and who was therefore not eligible for parole pursuant to § 47-7-3, was not subjected to enforcement of an ex post facto law by a policy of the Department of Corrections administratively barring him from earning good time after January, 1981, although good time earned prior to that date was not taken away, notwithstanding the provisions of § 47-5-139, since the statutory provisions regarding good time remained unchanged, and since administrative interpretation of a clearly worded statute is not a "law" within the scope and contemplation of the ex post facto clauses of the federal and state Constitutions. *Tiller v. State*, 440 So. 2d 1001 (Miss. 1983).

3. Multiple sentences.

A defendant who was sentenced to 10 years imprisonment for armed robbery and 15 years imprisonment for manslaughter to run consecutively, would be eligible for parole on March 30, 1993, where he began the service of his 10-year armed robbery sentence on the date of his initial arrest pursuant to § 99-19-23, he was legally released from that sentence 10 years later on February 5, 1990 but remained held under the 15-year manslaughter sentence, and he earned substantial meritorious earned time; although he would ordinarily have been required to serve at least $\frac{1}{4}$ of the manslaughter sentence—3 years and 9 months—before he became eligible for parole, his earned time advanced his earliest parole eligibility date by approximately 7 months. *Milam v. State*, 578 So. 2d 272 (Miss. 1991).

Reasonable and harmonious construction of §§ 47-5-138, 47-5-139, and 47-7-3 is that legislature intended them to maintain enhanced penalty that § 99-19-81 imposes on habitual offenders, which penalty includes denial of certain privileges available to other prisoners. *Perkins v. Cabana*, 794 F.2d 168 (5th Cir. 1986), cert. denied, 479 U.S. 936, 107 S. Ct. 414, 93 L. Ed. 2d 366 (1986).

Under the requirement of § 47-7-3 that a person under a life sentence becomes eligible for parole after ten years, a prisoner serving three consecutive life terms would not be eligible for parole until he had served at least ten years of each life sentence less 30 percent of earned good time, since § 47-5-139(3) mandates the mathematical process of multiplying the number of life sentences imposed upon the prisoner by ten years to determine the date upon which the prisoner would become eligible for parole. *Davis v. State*, 429 So. 2d 262 (Miss. 1983).

4. Changes in regulation or in interpretation of regulation.

Defendant who enters plea of guilty to charge of armed robbery pursuant to plea bargain agreement in reliance upon erroneous advice of attorney that defendant will be eligible for earned good time and will be subject to release after serving 7 years of sentence is entitled to vacation of guilty plea and reinstatement of innocent plea when Mississippi Department of Corrections changes administrative policy to comply with §§ 47-5-139, 47-7-3, thereby requiring that defendant serve minimum of 10 years. *Coleman v. State*, 483 So. 2d 680 (Miss. 1986).

A petitioner who enters a guilty plea to armed robbery pursuant to plea bargain agreement upon erroneous advice of counsel that petitioner will be eligible for earned good time and will be subject to release after serving 7 years of sentence is not subjected to ex post facto law when Mississippi Department of Corrections changes administrative policy to comply with §§ 47-5-139 and 47-7-3, causing petitioner to serve minimum of 10 years. *Coleman v. State*, 483 So. 2d 680 (Miss. 1986).

A defendant convicted of armed robbery after 1977 and sentenced to serve less

than 10 years in the penitentiary, and who was therefore not eligible for parole pursuant to § 47-7-3, was not subjected to enforcement of an ex post facto law by a policy of the Department of Corrections administratively barring him from earning good time after January, 1981, although good time earned prior to that date was not taken away, notwithstanding the provisions of § 47-5-139, since the statutory provisions regarding good time remained unchanged, and since administrative interpretation of a clearly worded statute is not a "law" within the scope and contemplation of the ex post facto clauses of the federal and state Constitutions. *Tiller v. State*, 440 So. 2d 1001 (Miss. 1983).

5. Miscellaneous.

Trial court did not err in dismissing an inmate's petition alleging that the Mississippi Department of Corrections improperly computed his discharge date and that he had to be released from prison because the inmate was not entitled to any earned-time credit, and his time had been properly computed; because Miss. Code Ann. § 99-19-81 clearly stated that a habitual offender's sentence would not be reduced, the inmate was required to serve the maximum term of imprisonment for his crime of aggravated assault of a law enforcement officer, which was thirty years' imprisonment, Miss. Code Ann. § 97-3-7(2), and was the sentence that the inmate received. *Lee v. Kelly*, 34 So. 3d 1203 (Miss. Ct. App. 2010).

In a post-conviction relief case in which a pro se inmate had pled guilty to armed robbery, he argued unsuccessfully that constitutional rights were violated because he was sentenced to serve a mandatory 10-year sentence without the benefit of earned time. Pursuant to Miss. Code Ann. § 47-5-139(1)(e), an inmate was not eligible for earned-time credit when the inmate had not served the mandatory time required for parole eligibility for a conviction of robbery or attempted robbery with a deadly weapon, and, pursuant to Miss. Code Ann. § 47-7-3(1)(d)(ii), he was not eligible for parole since he had been convicted of armed robbery after October 1, 1994. *Diggs v. State*, 46 So. 3d 361 (Miss. Ct. App. 2010), writ of certio-

rari denied by 49 So. 3d 636, 2010 Miss. LEXIS 561 (Miss. 2010).

Despite the fact that an inmate was entitled to an earned-time allowance of one-half of his total sentence, including mandatory time because he was convicted before the effective date of Miss. Code Ann. § 47-5-139(1)(e), the earned-time allowance did not reduce the mandatory portions of his sentences or accelerate his parole eligibility date under Miss. Code Ann. § 47-7-3(1) or his tentative discharge date. *Adams v. Gibbs*, 988 So. 2d 395 (Miss. Ct. App. 2008).

Although appellant argued that the trial court failed to inform him that he would be eligible for earned time pursuant to Miss. Code Ann. § 47-5-139(1) only after serving 10 years of his sentence, because appellant was convicted after October 1, 1994, appellant was not eligible for parole pursuant to Miss. Code Ann. § 47-7-3(d)(ii). Since appellant was not eligible for parole, appellant was precluded from accumulating earned time pursuant to § 47-5-139(1)(e). *Robinson v. State*, 4 So. 3d 361 (Miss. Ct. App. 2008), writ of certiorari denied by 11 So. 3d 1250, 2009 Miss. LEXIS 112 (Miss. 2009).

Post-conviction relief was properly denied in an armed robbery case because a trial court correctly stated that, due to the nature of the charges, defendant was not eligible for parole, and he had to serve his entire 30-year sentence; defendant was not eligible under Miss. Code Ann. § 47-5-139 until the mandatory portion of his sentence had been served. *Robinson v. State*, 964 So. 2d 609 (Miss. Ct. App. 2007).

Appellant was not entitled to earned time credit under Miss. Code Ann. § 47-5-139(1)(e) where appellant had not served the mandatory time required for parole eligibility for a conviction of armed robbery; appellant had to serve the entire sentence under Miss. Code Ann. § 47-7-3(1)(d)(ii). *Sykes v. Epps*, 963 So. 2d 31 (Miss. Ct. App. 2007).

Pursuant to Miss. Code Ann. § 47-5-139(1)(e), an inmate was not entitled to

receive earned time until he had served the mandatory portion of sentence; the inmate was not entitled to receive eighteen-and-one-half years earned time, and any calculation that the Mississippi Department of Correction (MDOC) mistakenly gave did not change that fact; the incorrect sentence computation given to the inmate did not operate to increase his earned time, which had been properly calculated by MDOC as thirteen-and-one-half years. *Guy v. Box*, 925 So. 2d 139 (Miss. Ct. App. 2006).

Defendant, who was convicted of armed robbery, was not allowed to accrue earned-time credits because the sentence for armed robbery was a mandatory day for day sentence, and defendant was not eligible for parole. *Wells v. State*, 936 So. 2d 479 (Miss. Ct. App. 2006).

Although the inmate argued that Miss. Code Ann. § 47-5-139 should be interpreted to allow his non-mandatory sentences to run concurrently with his mandatory sentences, thus entitling him to be released from prison; the appellate court was unable to grant such relief where the Mississippi Department of Corrections (MDOC) had to be allowed to interpret its statutes in a manner that allowed the Mississippi Parole Board to impose an enhanced penalty for habitual offenders, and MDOC's interpretation of Miss. Code Ann. § 99-19-21 as it applied to subsequent mandatory sentences was correct. *Snow v. Johnson*, 913 So. 2d 334 (Miss. Ct. App. 2005).

A prisoner was not permitted to earn, but not use, good time credit during service of the mandatory portion of his period of confinement and then use that good time earned upon expiration of the mandatory portion of the sentence. *Williams v. Puckett*, 624 So. 2d 496 (Miss. 1993).

The district court's findings as to the illegality of the disciplinary procedures at the Mississippi State Penitentiary, and the relief therein granted, were affirmed. *Gates v. Collier*, 501 F.2d 1291 (5th Cir. 1974).

JUDICIAL DECISIONS

1. In general.

The meritorious earned time provision in Miss. Code Ann. § 47-5-142 clearly referred to a “reduction of sentence,” and was not subject to the earned release supervision in Miss. Code Ann. § 47-5-138(5). *Peters v. State*, 935 So. 2d 1064 (Miss. Ct. App. 2006), writ of certiorari denied by 936 So. 2d 367, 2006 Miss. LEXIS 400 (Miss. 2006), dismissed by 2009 U.S. Dist. LEXIS 70505 (N.D. Miss. Aug. 12, 2009).

Both defendant and the Mississippi Attorney General’s Office agreed that defendant’s parole and release dates were incorrectly calculated in regard to the date his

sentence began, and as to credits and trusty time. Thus, the appellate court reversed the determination that defendant was not entitled to a hearing and remanded the matter to the Mississippi Parole Board to allow the Board to make the exact calculations of defendant’s parole and release dates; however, on remand, the Board was free to grant or deny defendant’s petition for parole and the circuit court had no authority to determine defendant’s parole eligibility. *Lizana v. Scott*, 910 So. 2d 31 (Miss. Ct. App. 2005).

Inmate’s suit against prison officials seeking 180 days of meritorious earned time was properly dismissed where

awarding the credit was within the discretion of the officials pursuant to Miss. Code Ann. § 47-5-142, the inmate failed to resolve the matter by contacting his work supervisor, and he received no injury resulting from the denial of his meritorious earned time award. *Green v. Sparkman*, 829 So. 2d 1290 (Miss. Ct. App. 2002), cert. denied, 840 So. 2d 716 (Miss. 2003).

The unexplained failure to award an inmate meritorious earned time did not amount to a violation of his federal and state constitutional rights to due process and equal protection, since an inmate's earning of "time" is a matter of grace or privilege under § 47-5-142, which provides that "meritorious earned time may be awarded." Since correctional officials are vested with discretionary power to award time under certain conditions, inmates are not entitled to it. *Ross v. State*, 584 So. 2d 777 (Miss. 1991).

A defendant who was sentenced to 10 years imprisonment for armed robbery and 15 years imprisonment for manslaughter to run consecutively, would be eligible for parole on March 30, 1993, where he began the service of his 10-year armed robbery sentence on the date of his initial arrest pursuant to § 99-19-23, he was legally released from that sentence 10 years later on February 5, 1990 but remained held under the 15-year manslaughter sentence, and he earned substantial meritorious earned time; although he would ordinarily have been required to serve at least ¼ of the manslaughter sentence—3 years and 9 months—before he became eligible for parole, his earned time advanced his earliest parole eligibility date by approximately 7 months. *Milam v. State*, 578 So. 2d 272 (Miss. 1991).

§ 47-5-151. Death of prisoner; investigations, inquests, and autopsies; fees; penalties.

The superintendent (warden) or other person in charge of prisoners, upon the death of any prisoner under his care and control, shall at once notify the county medical examiner or county medical examiner investigator (hereinafter "medical examiner") of the county in which said prisoner died, of the death of the prisoner, and it shall be the duty of such medical examiner, when so notified of the death of such person, to obtain a court order and notify the State Medical Examiner of the death of such prisoner. It shall be mandatory that the State Medical Examiner cause an autopsy to be performed upon the body of the deceased prisoner. Furthermore, the State Medical Examiner shall investigate any case where a person is found dead on the premises of the correctional system, in accordance with Sections 41-61-51 through 41-61-79. The State Medical Examiner shall make a written report of his investigation, and shall furnish a copy of the same, including the autopsy report, to the superintendent (warden) and a copy of the same to the district attorney of the county in which said prisoner died. The copy so furnished to the district attorney shall be turned over by the district attorney to the grand jury, and it shall be the duty of the grand jury, if there be any suspicion of wrongdoing shown by the inquest papers, to thoroughly investigate the cause of such death.

It shall be the duty of the medical examiner of the county in which said prisoner died to arrange for the remains to be transported to the State Medical

The State Medical Examiner shall arrange for the remains to be transported to the county in which said prisoner died following completion of the autopsy. If the remains are not claimed for burial within forty-eight (48) hours after autopsy, then said remains may be delivered to the University of Mississippi Medical Center for use in medical research or anatomical study.

The provisions herein set forth in the first paragraph shall likewise apply to any case in which any person is found dead on the premises of the Mississippi State Penitentiary except that the autopsy to be performed on the body of such a person shall not be mandatory upon a person who is not a prisoner unless the medical examiner determines that the death resulted from circumstances raising questions as to the cause of death, in which case the medical examiner may cause an autopsy to be performed upon the body of such deceased person in the same manner as authorized to be performed upon the body of a deceased prisoner.

Provided further, that the provisions herein shall apply with respect to any deceased prisoner who at the time of death is being detained by duly constituted state authority such as the Oakley Youth Development Center, Mississippi State Hospital at Whitfield, East Mississippi State Hospital, or any other state institution.

The provisions of this section shall not apply to a prisoner who was lawfully executed as provided in Sections 99-19-49 through 99-19-55.

Any officer or employee of the prison system or any other officer, employee or person having charge of any prisoner who shall fail to immediately notify the medical examiner of the death of such prisoner, shall be guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine of not less than One Hundred Dollars (\$100.00) nor more than Five Hundred Dollars (\$500.00) and by confinement in the county jail for not more than one (1) year.

JUDICIAL DECISIONS

2. — — Sufficient.

4. Recusal.

.5. In general.

Miss. Code Ann. § 47-5-193 turns on possession of cellular phones, not ownership. *Lynch v. State*, 24 So. 3d 1043 (Miss. Ct. App. 2010).

1. Evidence.**2. — — Sufficient.**

Defendant's conviction for possession of cellular phones while confined in a correctional facility, in violation of Miss. Code Ann. § 47-5-193, was proper because there was ample evidence for the jury to find that defendant knowingly possessed the contraband phones, which were hidden in the crotch area of his thermal long underwear under four pairs of boxer shorts. *Lynch v. State*, 24 So. 3d 1043 (Miss. Ct. App. 2010).

Defendant's argument that his conviction for bringing contraband into a jail facility must be reversed and rendered because the record lacked proof that the jacket in which the marijuana was found belonged to him lacked merit because (1) defendant's testimony was the complete opposite of the testimony of three witnesses; (2) defendant's testimony on cross-examination contradicted his direct testimony because it was not until cross-examination that defendant mentioned taking a jacket from a locker that he once shared with another inmate, and, on di-

rect, defendant had stated that the jacket had come from another locker; (3) a witness testified that the marijuana was found in the sleeve of the jacket that defendant was wearing when he returned to the jail; and (4) a jury considered all of the testimony presented at trial and concluded that defendant was guilty as charged. *Weeks v. State*, 971 So. 2d 645 (Miss. Ct. App. 2007).

3. Limiting instruction.

In a case in which defendant was convicted of violating Miss. Code Ann. § 47-5-193, he unsuccessfully argued on appeal that the trial judge failed to instruct the jury to disregard evidence of other crimes, wrongs, or acts where there was no foundation for their admissibility and no showing that the probative value outweighed the prejudicial effect. Defense counsel failed to request a limiting instruction, and the trial judge was not required to issue the limiting instruction sua sponte after defense counsel objected; Rule 105 clearly placed the burden of requesting a Miss. R. Evid. Rule 404(b) limiting instruction upon counsel. *Lindsey v. State*, 29 So. 3d 121 (Miss. Ct. App. 2010).

4. Recusal.

In a case in which defendant was convicted of violating Miss. Code Ann. § 47-5-193, his argument that the trial judge should have recused himself after speaking to the potential jurors was procedurally barred on appeal since he failed to object or file a motion seeking the trial judge to recuse himself. *Lindsey v. State*, 29 So. 3d 121 (Miss. Ct. App. 2010).

§ 47-5-194. Prohibition against possession of cash or negotiable instruments; limitations upon prohibition; confiscation of money found in excess of allowable amounts; disposition of moneys confiscated.

(1) It is unlawful for any offender committed to the department to possess:

(a) Coin or currency on his person or in premises assigned to him or under his control;

(b) A money order, traveler's check, promissory note, credit card, personal check or other negotiable instrument.

(2) Subsection (1) does not apply to offenders who are granted a parole; placed on work release, supervised earned release, earned probation or probation; or granted leave for the duration of such leave; however, these offenders may be restricted by the parole or probation order or by order of the commissioner with respect to amounts or form of money possessed or controlled by the offenders.

(3) A violation of subsection (1) shall be considered a rules violation or a violation of the conditions of parole or probation as the case may be and shall be processed in the manner of similar violations.

(4) Any money possessed by an offender may be confiscated by the corrections officer who discovers the possession. The department shall establish a policy and procedure for the collection and accounting of all confiscated funds. All confiscated coin or currency shall be deposited in a special fund which is created in the State Treasury. The money in this special fund may be appropriated by the Legislature to enhance the security of the department's facilities. Unexpended amounts remaining in the special fund at the end of a fiscal year shall not lapse into the State General Fund, but funds may be expended only by appropriation approved by the Legislature. Any interest earned on amounts in the special fund shall be deposited to the credit of the special fund.

(5) The possession of coin, currency, money order, traveler's check or other negotiable instrument on the grounds of a facility is prohibited.

(6) The department shall establish a cashless system for facilities no later than July 1, 1996. The department shall provide lockers for visitors to place prohibited items when on grounds of a facility. The department is authorized to charge visitors an hourly rental fee for use of the lockers. Community work centers and restitution centers are exempt unless designated by the commissioner as being included in the cashless system.

JUDICIAL DECISIONS

1. Conviction proper.
2. Attorney disbarment.
3. Sufficient evidence.

1. Conviction proper.

Defendant's conviction for the sale of marijuana within a correctional facility in violation of Miss. Code Ann. § 47-5-198(1) was proper because the trial judge did not need to recuse himself from the trial since nothing in the judge's response gave rise to overcome the presumption of impartiality. *Jackson v. State*, 962 So. 2d 649 (Miss. Ct. App. 2007), writ of certiorari denied by 962 So. 2d 38, 2007 Miss. LEXIS 434 (Miss. 2007).

2. Attorney disbarment.

Where the attorney was charged with selling marijuana to his client while he was incarcerated at the county jail, the attorney was convicted of the sale of marijuana within a correctional facility in a violation of Miss. Code Ann. § 47-5-198 and disbarred from the practice of law. *Miss. Bar v. Jackson*, 987 So. 2d 930 (Miss. 2008).

3. Sufficient evidence.

Defendant was convicted of possession of a controlled substance within a correc-

tional facility after jailers found marijuana, aluminum foil, and a blunt cigar inside of a deodorant container she left for her incarcerated husband; defendant claimed it would have been impossible for her to hide the drugs in the deodorant container during the three to five minutes it took to get from the store where she purchased the deodorant to the jail. However, defendant's appeal was based on a factual dispute that the jury resolved in the state's favor, and the jury obviously rejected defendant's impossibility defense. *Woods v. State*, 19 So. 3d 817 (Miss. Ct. App. 2009).

Where the State presented testimony from an inmate and correction officers that defendant attempted to plant a brown paper bag containing marijuana on another inmate, the evidence was sufficient to convict him for possession of marijuana in a correctional facility in violation of Miss. Code Ann. § 47-5-198. The trial court did not err by denying his motion for directed verdict. *Stewart v. State*, 986 So. 2d 304 (Miss. 2008).

Assuming that inmates are not performing their duties for a private contractor, a county school district may use in-

mates to clean and remove garbage at a school cafeteria. Mayfield, Apr. 27, 2001, A.G. Op. #01-0251.

A board of supervisors, by appropriate resolution, may establish joint work programs to be operated under the exclusive jurisdiction of the sheriff, and inmates participating in such a program may be housed in work camps in lieu of confinement in jail, which need not be within the corporate limits of the county seat. DeLaughter, Mar. 8, 2002, A.G. Op. #02-0042.

The Mississippi Department of Corrections is under no obligation to pay counties for the costs associated with the care of inmates participating in a joint state/county work program under Section 47-5-401(1). Epps, Feb. 28, 2003, A.G. Op. #03-0764.

ATTORNEY GENERAL OPINIONS

Sections 47-5-401 et. seq. particularly Section 47-5-407 allows any county with a work program to establish a work camp wherein inmates participating in the program may be housed in lieu of confinement in the jail. Such a camp need not be within the corporate limits of the county seat. Bradley, July 8, 1996, A.G. Op. #96-0035.

A board of supervisors, by appropriate resolution, may establish joint work pro-

grams to be operated under the exclusive jurisdiction of the sheriff, and inmates participating in such a program may be housed in work camps in lieu of confinement in jail, which need not be within the corporate limits of the county seat. DeLaughter, Mar. 8, 2002, A.G. Op. #02-0042.

§ 47-5-451. Joint state-county work programs; eligibility; limitations.

(1) There is hereby authorized, in each county of the state, a public service work program for state inmates in custody of the county. Such a program may be established at the option of the county in accordance with the provisions of Sections 47-5-401 through 47-5-421. The department shall also recommend rules and regulations concerning the participation of state inmates in the program.

(2) An inmate shall not be eligible to participate in a work program established in accordance with the provisions of Sections 47-5-401 through 47-5-421, if he has been convicted of any crime of violence, including, but not limited to, murder, aggravated assault, rape, robbery or armed robbery.

(3) The inmates participating in the work program established in accordance with the provisions of Sections 47-5-401 through 47-5-421, are restricted to the performance of public service work for counties, municipalities, the state, nonprofit charitable organizations or churches, as defined by Section 501(c)(3) of the Internal Revenue Code of 1986, except that the Department of Corrections must approve all requests by nonprofit charitable organizations or churches to use offenders to perform any public service work. Upon request of the Board of Trustees of State Institutions of Higher Learning, or the board of trustees of a county school district, municipal school district or junior college district, the inmates may be permitted to perform work for such boards.

JUDICIAL DECISIONS

1. Work programs.

Without waiving the procedural bar to the inmate's claim that his sentence was unconstitutional, the court held that the inmate was properly charged under Miss. Code Ann. § 97-9-45 and entered a plea of guilty to the escape; the sentence of three years was well within the maximum prescribed by the statute, which referred to prisoners sentenced to the Mississippi Department of Corrections and allowed a maximum sentence of five years, and thus the inmate was not entitled to post-conviction relief; although the inmate was in custody and on a work program for a county at the time of the escape, the inmate was considered under the Depart-

ment's jurisdiction for purposes of § 97-9-45 because (1) the inmate's original burglary sentence required imprisonment in the "penitentiary" under Miss. Code Ann. § 97-17-23, which term meant any facility under the jurisdiction of the Department pursuant to Miss. Code Ann. § 47-5-3, (2) commitment to any institution within the jurisdiction of the Department was to the Department, not a particular institution pursuant to Miss. Code Ann. § 47-5-110, and (3) under Miss. Code Ann. § 47-5-451, the Department recommended rules concerning the participation of inmates in work programs. *Gardner v. State*, 848 So. 2d 900 (Miss. Ct. App. 2003).

ATTORNEY GENERAL OPINIONS

The creation of Christmas ornaments for display on public streets and city property constitutes public service work but the creation of Christmas ornaments for advertisement and sale by cities to other cities or anyone in the private sector does not constitute public service work. *Shepard*, Dec. 18, 1991, A.G. Op. #91-0943.

Legislature intended that eligibility provision of Miss. Code § 47-5-451(2) exclude inmates who previously had been convicted of violent crimes, as well as those who were presently serving time for such convictions; further, this exclusion would apply to juveniles, only if they were tried and convicted as adults, but would not apply to juvenile delinquency adjudications. *Lucas*, Jan. 6, 1993, A.G. Op. #92-0977.

It was intended that eligibility provision of Miss. Code Section 47-5-45(2) [repealed] apply only to those work programs that are authorized and created under provisions of Miss. Code Section 47-5-451. *Lucas*, Jan. 6, 1993, A.G. Op. #92-0977.

A board of supervisors, by appropriate resolution, may establish joint work programs to be operated under the exclusive jurisdiction of the sheriff, and inmates participating in such a program may be housed in work camps in lieu of confinement in jail, which need not be within the corporate limits of the county seat. *DeLaughter*, Mar. 8, 2002, A.G. Extending the limits of the place of confinement may include confinement at the residence of the subject inmate wherein the primary maintenance and care of the inmate shall take place, subject to approval by the department and county.

§ 47-5-533. Legislative findings.

(1) It is the finding of the Legislature that prison industry programs of the State Department of Corrections are uniquely different from other programs operated or conducted by other departments in that it is essential to the state that the prison industry programs provide inmates with useful activities that can lead to meaningful employment after release in order to assist in reducing the return of inmates to the system.

(2) It is further the finding of the Legislature that the mission of a prison industry program is:

(a) To reduce the cost of state government by operating prison industries primarily with inmate labor, which industries do not seek to unreasonably compete with private enterprise;

(b) To serve the rehabilitative goals of the state by duplicating as nearly as possible, the operating activities of a free-enterprise type of profit-making enterprise; and

(c) To serve the security goals of the state by reducing the idleness of inmates and by providing an incentive for good behavior while in prison.

ADMINISTRATIVE REVIEW PROCEDURE

SEC.

- 47-5-801. Authority to adopt administrative review procedure.
- 47-5-803. Procedure constitutes administrative remedies available to offenders for purpose of preserving cause of action against state.
- 47-5-805. Application of procedures to pending lawsuits.
- 47-5-807. Judicial review of agency decision.

§ 47-5-801. Authority to adopt administrative review procedure.

The Department of Corrections is hereby authorized to adopt an administrative review procedure at each of its correctional facilities in compliance with 42 USCS Section 1997, the "Civil Rights of Institutionalized Persons Act," or CRIPA, and Part 40 of Title 28, Code of Federal Regulations.

SOURCES: Laws, 1989, ch. 563, § 1, eff from and after July 1, 1989.

Federal Aspects — Civil Rights of Institutionalized Persons Act, see 42 USCS §§ 1997 et seq.

JUDICIAL DECISIONS

- 1. **Administrative review procedures.** Inmate who is uncertain about the operation of his sentence and desires clarity should pursue administrative review procedures before turning to court. *Burns v. State*, 933 So. 2d 329 (Miss. Ct. App. 2006).

§ 47-5-803. Procedure constitutes administrative remedies available to offenders for purpose of preserving cause of action against state.

(1) Upon approval of the administrative review procedure by a federal court as authorized and required by the Civil Rights of Institutionalized Persons Act, and the implementation of the procedure within the department, this procedure shall constitute the administrative remedies available to offenders for the purpose of preserving any cause of action such offenders may claim to have against the State of Mississippi, the Department of Corrections or its officials or employees.

(2) No state court shall entertain an offender's grievance or complaint which falls under the purview of the administrative review procedure unless and until such offender shall have exhausted the remedies as provided in such procedure. If at the time the petition is filed the administrative review process has not yet been completed, the court shall stay the proceedings for a period not to exceed ninety (90) days to allow for completion of the procedure and exhaustion of the remedies thereunder.

SOURCES: Laws, 1989, ch. 563, § 2, eff from and after July 1, 1989.

Federal Aspects — Civil Rights of Institutionalized Persons Act, see 42 USCS §§ 1997 et seq.

JUDICIAL DECISIONS

1. In general.
2. Stay of proceedings.
3. Failure to exhaust administrative remedies.

1. In general.

Inmate's disciplinary complaint should not have been dismissed for lack of jurisdiction because he made a timely filing after exhausting his administrative remedies, as required by Miss. Code Ann. § 47-5-803 and Miss. Code Ann. § 47-5-807; the circuit court did not perform its full review function when it determined the inmate's constitutional rights were not violated. *Siggers v. Epps*, 962 So. 2d 78 (Miss. Ct. App. 2007).

Inmate's argument that other prisoners were transferred from his custody status back to a less restrictive custody status, while he was not reclassified, was an issue which arose after reclassification, with no indication that it was properly presented for administrative relief; it was therefore not properly presented before the appellate court. *Hurns v. Miss. Dep't of Corr.*, 878 So. 2d 223 (Miss. Ct. App. 2004), cert. denied, 878 So. 2d 67 (Miss. 2004).

A defendant who wishes to challenge the revocation of his probation need not pursue the administrative remedies set out in Miss. Code Ann. § 47-5-803, as only a court can continue or revoke a defendant's probation. *Rodriguez v. State*, 839 So. 2d 561 (Miss. Ct. App. 2003).

The statute prohibits the state courts from hearing inmate complaints unless and until the prisoner exhausts the administrative review procedure. If a prisoner prematurely petitions the circuit court, the statute requires the court to stay the complaint for 90 days to allow completion of the administrative review procedure. *Clary v. Lee*, 763 So. 2d 921 (Miss. Ct. App. 2000).

2. Stay of proceedings.

Inmate could not seek judicial relief on his claim that the Mississippi Department

of Corrections (MDOC) improperly calculated his earned time credit on his sentence because he failed to exhaust his administrative remedies pursuant to Miss. Code Ann. § 47-5-803(2). The judicial proceedings were to be stayed for 90 days until the inmate filed a complaint with the Administrative Remedies Program of the MDOC and the Administrative Remedies Program adjudicated the complaint. *Guy v. State*, 915 So. 2d 508 (Miss. Ct. App. 2005).

Where an inmate had completed the administrative review procedure, there was no reason for the trial court to stay his complaint for 90 days. *Clary v. Lee*, 763 So. 2d 921 (Miss. Ct. App. 2000).

3. Failure to exhaust administrative remedies.

Court of appeals was without jurisdiction to consider an inmate's claims that a trial court erred in dismissing his petitions to show cause and clarify his sentence because there was no indication in the record that the inmate exhausted his administrative remedies on those claims; pursuant to Miss. Code Ann. § 47-5-803, the petitions had to be handled initially under administrative-review procedures, rather than in the courts. *Walker v. State*, 35 So. 3d 555 (Miss. Ct. App. 2010).

Because there was clearly no evidence in the record showing that an inmate exhausted his administrative remedies through the Administrative Remedy Program of the Mississippi Department of Corrections (MDOC), in accordance with Miss. Code Ann. § 47-5-803(2), the trial court should have stayed the proceedings for ninety days to allow time for the inmate to exhaust his administrative remedies; however, a reversal of the case would be futile because the trial court record was thorough, and the MDOC clearly provided the trial court with sufficient information to determine whether the inmate's sentence had been properly computed. *Lee v.*

Kelly, 34 So. 3d 1203 (Miss. Ct. App. 2010).

Although an inmate was incarcerated outside of the state, the inmate was subject to imprisonment in Mississippi by virtue of a detainer, and therefore the trial court had jurisdiction to hear the inmate's request for habeas corpus relief to compute the amount of time inmate had to serve on his Mississippi sentence; nevertheless, the inmate was procedurally barred from proceeding with his post-conviction relief claim until he exhausted available administrative remedies. Putnam v. Epps, 963 So. 2d 1232 (Miss. Ct. App. 2007), writ of certiorari denied en banc by 964 So. 2d 508, 2007 Miss. LEXIS 503 (Miss. 2007).

Trial court erred in denying and dismissing a habeas corpus petition on the ground that petitioner failed to exhaust administrative remedies because under Miss. Code Ann. § 47-5-803(2), the trial court should have stayed the petition for 90 days so that the Mississippi DOC Administrative Remedies Program could consider and rule on petitioner's complaint. Henley v. Epps, 958 So. 2d 1265 (Miss. Ct. App. 2007).

Regardless of the fact that the trial court had jurisdiction, the inmate was procedurally barred from proceeding with his post-conviction relief claim until he exhausted the administrative remedies

available through the Mississippi Department of Corrections, Miss. Code Ann. § 47-5-803(2). Putnam v. Epps, — So. 2d —, 2007 Miss. App. LEXIS 36 (Miss. Ct. App. Feb. 6, 2007), opinion withdrawn by, substituted opinion at 963 So. 2d 1232, 2007 Miss. App. LEXIS 421 (Miss. Ct. App. 2007).

Appellate court affirmed the denial of an inmate's petition for post-conviction relief and his claim that he should have been released after serving seven and one-half years of his 15 year sentence; neither the appellate court nor the trial court had jurisdiction to review his sentence because the inmate had not exhausted all of his administrative remedies as required by Miss. Code Ann. § 47-5-803(2). Sanders v. Miss. Dep't of Corr., 912 So. 2d 189 (Miss. Ct. App. 2005).

Inmate's amended petition claiming that the points classification system of the Mississippi Department of Corrections was racially discriminatory in violation of equal protection was properly dismissed for failure to state a claim. There was no indication that the inmate went through the Administrative Remedy Program before filing suit on his equal protection/racial discrimination claim as required by Miss. Code Ann. § 47-5-803(2). Adams v. Epps, 900 So. 2d 1210 (Miss. Ct. App. 2005), writ of certiorari dismissed by 901 So. 2d 1273, 2005 Miss. LEXIS 291 (Miss. 2005).

§ 47-5-805. Application of procedures to pending lawsuits.

Any offender who, on July 1, 1994, is a plaintiff in a lawsuit naming the state, the Department of Corrections or an official or an employee of the Department of Corrections as a defendant or defendants shall be furnished notice by certified mail of Sections 47-5-801 through 47-5-807 and the fact and date of the enactment of the administrative review procedure, and proof of notice of service of the offender plaintiff shall be filed in the offender's court record where such lawsuit is pending. Any offender so notified by certified mail shall, within thirty (30) days after receipt of such notice, commence administrative review, under the administrative review procedure, of the complaint which is the subject matter of his lawsuit. Any such pending lawsuit, on July 1, 1994, shall be stayed by the court for a period not to exceed ninety (90) days in order to require exhaustion of the remedies as provided under the administrative review procedure. If an offender fails to completely utilize the administrative review procedure during the period of the stay, then the court may consider this as a factor in deciding whether the case may proceed.

§ 47-5-807. Judicial review of agency decision.

Any offender who is aggrieved by an adverse decision rendered pursuant to any administrative review procedure under Sections 47-5-801 through 47-5-807 may, within thirty (30) days after receipt of the agency's final decision, seek judicial review of the decision.

SOURCES: Laws, 1989, ch. 563, § 4, eff from and after July 1, 1989.

JUDICIAL DECISIONS

1. Construction and applicability.
2. Time for filing.
3. Right to judicial review.
4. Mailbox rule.

1. Construction and applicability.

Miss. Code Ann. § 47-5-807 does not prescribe that the 30-day time limit to appeal from a final agency decision applies only to actions for damages, but rather to any action appealed from an administrative proceeding. *Boler v. Bailey*, 840 So. 2d 734 (Miss. Ct. App. 2003).

2. Time for filing.

Motion for judicial review under Miss. Code Ann. § 47-5-807 was properly dismissed by the trial court because an inmate's underlying claims arising out of a 17-year-old conviction were untimely filed. *Hearron v. Miss. Dep't of Corr.*, 22 So. 3d 1238 (Miss. Ct. App. 2009).

Prisoner's circuit court appeal of a jail-time credit grievance was untimely since it was not filed within thirty days after receipt of the final decision of the Mississippi Department of Corrections' Administrative Remedy Program. *Stokes v. State*, 984 So. 2d 1089 (Miss. Ct. App. 2008).

Appellate court affirmed the denial of an inmate's petition for writ of habeas corpus relief, which was treated as a petition for post-conviction relief, as under Miss. Code Ann. § 47-5-807, the inmate only had 30 days to appeal the denial of his grievance with the Mississippi Department of Corrections, and the inmate did not seek review until more than two months later. *Moore v. Miss. Dep't of Corr.*, 936 So. 2d 941 (Miss. Ct. App. 2005), writ

of certiorari denied by 2006 Miss. LEXIS 560 (Miss. Aug. 24, 2006).

Appellate court affirmed the denial of an inmate's petition for post-conviction relief and his claim that he should have been released after serving seven and one-half years of his 15 year sentence; neither the appellate court nor the trial court had jurisdiction to review his sentence because the inmate had not exhausted all of his administrative remedies as required by Miss. Code Ann. § 47-5-803(2) as the violations that caused him to lose earned time occurred between 1994 and 2000 and his motion for relief was not filed until 2003. Thus, the inmate did not comply with the 30-day time requirement in Miss. Code Ann. § 47-5-807. *Sanders v. Miss. Dep't of Corr.*, 912 So. 2d 189 (Miss. Ct. App. 2005).

Trial court determined that defendant, having failed to seek judicial review within 30 days after receipt of the appropriate final decision, did not complete the final step required for judicial review; therefore, it properly determined that the trial court lacked authority to hear defendant's grievances on the merits. *Taylor v. State*, 919 So. 2d 209 (Miss. Ct. App. 2005).

Trial court's denial of defendant's petition for postconviction relief was properly denied because he had until January 31, 1999 to appeal an administrative judgment, but did not do so until September 19, 2000. *Moore v. State*, 897 So. 2d 997 (Miss. Ct. App. 2004), cert. denied, 898 So. 2d 679 (Miss. 2005).

Appellate court affirmed the trial court's denial of postconviction relief

where the inmate failed to timely file his appeal within 30 days from the final adverse decision of the Mississippi Department of Corrections Administrative Remedy Program as required by Miss. Code Ann. § 47-5-807. *Simmons v. Sparkman*, 829 So. 2d 1289 (Miss. Ct. App. 2002).

Inmate's motion to show cause was properly dismissed by the trial court where to failed to seek timely judicial review of a department of corrections' administrative remedies program decision concerning prisoner privacy rights. The inmate failed to seek judicial review of the agency's final decision within the 30-day time limit of Miss. Code Ann. § 47-5-807. *Edmond v. Anderson*, 820 So. 2d 1 (Miss. Ct. App. 2002), cert. denied, 537 U.S. 959, 123 S. Ct. 383, 154 L. Ed. 2d 311 (2002).

Defendant's original petition was not filed until well past the allowable 30-day period; filing within the statutorily-mandated time was jurisdictional. *Stanley v. Turner*, 846 So. 2d 279 (Miss. Ct. App. 2002), cert. denied, 846 So. 2d 229 (Miss. Ct. App. 2003).

Defendant's right to assert his claim through a motion for post conviction relief claiming denial of his right to due process of law because he was not afforded a hearing before being terminated from the Regimented Inmate Discipline (RID) Program was time barred under this section. *Brown v. State*, 752 So. 2d 464 (Miss. Ct. App. 1999).

3. Right to judicial review.

Because there was clearly no evidence in the record showing that an inmate exhausted his administrative remedies through the Administrative Remedy Program of the Mississippi Department of Corrections (MDOC), in accordance with Miss. Code Ann. § 47-5-803(2), the trial court should have stayed the proceedings for ninety days to allow time for the inmate to exhaust his administrative remedies; however, a reversal of the case would be futile because the trial court record was thorough, and the MDOC clearly provided the trial court with sufficient information to determine whether the inmate's sentence had been properly computed. *Lee v. Kelly*, 34 So. 3d 1203 (Miss. Ct. App. 2010).

Inmate's disciplinary complaint should not have been dismissed for lack of jurisdiction because he made a timely filing after exhausting his administrative remedies, as required by Miss. Code Ann. § 47-5-803 and Miss. Code Ann. § 47-5-807; the circuit court did not perform its full review function when it determined the inmate's constitutional rights were not violated. *Siggers v. Epps*, 962 So. 2d 78 (Miss. Ct. App. 2007).

Although the inmate argued that he was placed in administrative segregation without review by a Mississippi Department of Corrections classification committee and administrative review in excess of 180 days, his assertion was not raised in an administrative review, nor brought before the circuit court, and as such was not reviewable by the appellate court. *Hurns v. Miss. Dep't of Corr.*, 878 So. 2d 223 (Miss. Ct. App. 2004), cert. denied, 878 So. 2d 67 (Miss. 2004).

A prisoner's right to judicial review for administrative discipline under Miss. Code Ann. § 47-5-807 is limited by a preceding section, Miss. Code Ann. § 47-5-803, which provides that no state court shall entertain an offender's grievance unless and until such offender shall have exhausted the remedies as provided in such procedure. *Boler v. Bailey*, 840 So. 2d 734 (Miss. Ct. App. 2003).

There was jurisdiction for a court to consider claims regarding the denial of various credits to sentences. *Hill v. State*, 838 So. 2d 994 (Miss. Ct. App. 2002).

While an inmate had no liberty interest in his prison classification, the right to review of final decisions of the classification committee was conferred by statute; thus, the circuit court had jurisdiction to review the decision of the Mississippi Department of Corrections which removed the inmate from a house arrest program and placed him in the general prison population for a rule violation. *Edwards v. Booker*, 796 So. 2d 991 (Miss. 2001).

4. Mailbox rule.

Inmate's complaint alleging that the prison officials failed to protect him from an assault by another inmate was timely filed under Miss. Code Ann. § 47-5-807 where the inmate acknowledged receipt of the denial of his claim on March 24, the

prison mail log indicated the inmate mailed "legal mail" to the circuit court clerk's office on April 20, and that was the only mailing the inmate sent to the circuit court clerk. *Clay v. Epps*, 953 So. 2d 264 (Miss. Ct. App. 2007).

Trial court erred in dismissing inmate's complaint as untimely as under the "prison mailbox rule," the date on which a pro se document was deemed filed was the date the prisoner placed it in the mail, not the date it was received by a court clerk; as the prisoner's proof of service had the document mailed as timely, but it was not

received by the county clerk in a timely manner, and the prison mail log had no record of the mailing, the dismissal of the inmate's complaint was reversed. *Easley v. Roach*, 879 So. 2d 1041 (Miss. 2004).

Dismissal of the inmate's complaint against the Mississippi Department of Corrections was improper where the mailbox rule applied to his complaint timely signed on July 5, 2001, two days prior to the 30-day deadline, Miss. Code Ann. § 47-5-807. *Maze v. Miss. Dep't of Corr.*, 854 So. 2d 1090 (Miss. Ct. App. 2003).

§ 47-5-901. Service of sentence in county jail if space unavailable in state facility; reimbursement of costs; governmental liability. [Repealed effective July 1, 2012].

(1) Any person committed, sentenced or otherwise placed under the custody of the Department of Corrections, on order of the sentencing court and subject to the other conditions of this subsection, may serve all or any part of his sentence in the county jail of the county wherein such person was convicted if the Commissioner of Corrections determines that physical space is not available for confinement of such person in the state correctional institutions. Such determination shall be promptly made by the Department of Corrections upon receipt of notice of the conviction of such person. Any person serving his sentence in a county jail shall be classified in accordance with Section 47-5-905.

The cost of feeding and housing offenders confined in such county jails shall be based on actual

costs or contract price per prisoner. In order to maximize the potential use of county jail space, the Department of Corrections is encouraged to negotiate a reasonable per day cost per prisoner, which in no event may exceed Twenty Dollars (\$20.00) per day per offender.

(3)(a) Upon vouchers submitted by the board of supervisors of any county housing persons due to lack of space at state institutions, the Department of Corrections shall pay to such county, out of any available funds, the actual cost of food, or contract price per prisoner, not to exceed Twenty Dollars (\$20.00) per day per offender, as determined under subsection (2) of this section for each day an offender is so confined beginning the day that the Department of Corrections receives a certified copy of the sentencing order and will terminate on the date on which the offender is released or otherwise removed from the custody of the county jail. The department, or its contracted medical provider, will pay to a provider of a medical service for any and all incarcerated persons from a correctional or detention facility an amount based upon negotiated fees as agreed to by the medical care service providers and the department and/or its contracted medical provider. In the absence of negotiated discounted fee schedule, medical care service providers will be paid by the department, or its contracted medical service provider, an amount no greater than the reimbursement rate applicable based on the Mississippi Medicaid reimbursement rate. The board of supervisors of any county shall not be liable for any cost associated with medical attention for prisoners who are pretrial detainees or for prisoners who have been convicted that exceeds the Mississippi Medicaid reimbursement rate or the reimbursement provided by the Department of Corrections, whichever is greater. This limitation applies to all medical care services, durable and nondurable goods, prescription drugs and medications. Such payment shall be placed in the county general fund and shall be expended only for food and medical attention for such persons.

(b) Upon vouchers submitted by the board of supervisors of any county housing offenders in county jails pending a probation or parole revocation hearing, the department shall pay, out of any available funds, the reimbursement costs provided in paragraph (a).

(c) If the probation or parole of an offender is revoked, the additional cost of housing the offender pending the revocation hearing shall be assessed as part of the offender's court cost and shall be remitted to the department.

(4) A person, on order of the sentencing court, may serve not more than twenty-four (24) months of his sentence in a county jail if the person is classified in accordance with Section 47-5-905 and the county jail is an approved county jail for housing state inmates under federal court order. The sheriff of the county shall have the right to petition the Commissioner of Corrections to remove the inmate from the county jail. The county shall be reimbursed in accordance with subsection (2).

(5) The Attorney General of the State of Mississippi shall defend the employees of the Department of Corrections and officials and employees of political subdivisions against any action brought by any person who was committed to a county jail under the provisions of this section.

(6) This section does not create in the Department of Corrections, or its employees or agents, any new liability, express or implied, nor shall it create in the Department of Corrections any administrative authority or responsibility for the construction, funding, administration or operation of county or other local jails or other places of confinement which are not staffed and operated on a full-time basis by the Department of Corrections. The correctional system under the jurisdiction of the Department of Corrections shall include only those facilities fully staffed by the Department of Corrections and operated by it on a full-time basis.

(7) An offender returned to a county for post-conviction proceedings shall be subject to the provisions of Section 99-19-42 and the county shall not receive the per day allotment for such offender after the time prescribed for returning the offender to the Department of Corrections as provided in Section 99-19-42.

§ 47-5-931. Authorization for incarceration of state offenders at county or regional correctional facility.

(1) The Department of Corrections, in its discretion, may contract with the board of supervisors of one or more counties and/or with a regional facility operated by one (1) or more counties, to provide for housing, care and control of not more than three hundred (300) offenders who are in the custody of the State of Mississippi. Any facility owned or leased by a county or counties for this purpose shall be designed, constructed, operated and maintained in accordance with American Correctional Association standards, and shall comply with all constitutional standards of the United States and the State of Mississippi, and with all court orders that may now or hereinafter be applicable to the facility. If the Department of Corrections contracts with more than one (1) county to house state offenders in county correctional facilities, excluding a regional facility, then the first of such facilities shall be constructed in Sharkey County and the second of such facilities shall be constructed in Jefferson County.

(2) The Department of Corrections shall contract with the boards of supervisors of the following counties to house state inmates in regional facilities: (a) Marion and Walthall Counties; (b) Carroll and Montgomery Counties; (c) Stone and Pearl River Counties; (d) Winston and Choctaw Counties; (e) Kemper and Neshoba Counties; (f) Holmes County and any contiguous county in which there is located an unapproved jail; and (g) Bolivar County and any contiguous county in which there is located an unapproved jail. The Department of Corrections may contract with the boards of supervisors of the following counties to house state inmates in regional facilities: (a) Yazoo County, (b) Chickasaw County, (c) George and Greene Counties, (d) Washington County, (e) Hinds County, and (f) Alcorn County. The Department of Corrections shall decide the order of priority of the counties listed in this subsection with which it will contract for the housing of state inmates. For the purposes of this subsection the term “unapproved jail” means any jail that the local grand jury determines should be condemned or has found to be of substandard condition or in need of substantial repair or reconstruction.

(3) In addition to the number of offenders authorized to be housed under subsection (1) of this section, the Department of Corrections may contract with the Kemper and Neshoba regional facility to provide for housing, care and control of not more than seventy-five (75) female offenders who are in the custody of the State of Mississippi.

§ 47-5-933. Contracts for incarceration of state offenders in county facilities; medical care.

The Department of Corrections may contract for the purposes set out in Section 47-5-931 for a period of not more than twenty (20) years. The contract may provide that the Department of Corrections pay a fee of up to Twenty-nine Dollars and Seventy-four Cents (\$29.74) per day for each offender that is housed in the facility. The Department of Corrections may include in the contract, as an inflation factor, a three percent (3%) annual increase in the contract price. The state shall retain responsibility for medical care for state offenders to the extent that is required by law.

§ 47-5-934. Extension of contracts for incarceration in event of disruption due to natural disaster.

If a regional facility authorized under Section 47-5-931 experiences a disruption in the housing of state inmates due to a natural disaster in which the Governor has declared a disaster emergency under the laws of this state or the President of the United States has declared an emergency or major disaster to exist in this state, notwithstanding the limitation prescribed in Section 47-5-933, the term of the contract entered into by the Department of Corrections and the board of supervisors of the involved county or counties may be extended for a period not to exceed five (5) years.

§ 47-5-935. Sheriff of county designated Chief Corrections Officer for facility; responsibilities; additional compensation.

Concurrent with the execution of a contract for housing of state offenders as authorized by Sections 47-5-931 through 47-5-941, the sheriff of a county where the facility is located is designated as the Chief Corrections Officer for the facility housing state offenders, and in that capacity, shall assume responsibility for management of the corrections facility and for the provision of the care and control of the state offenders housed therein. The sheriff shall be subject to the direction of the department for management of the correctional facility. In addition to the compensation provided by Section 25-3-25, the sheriff shall receive Fifteen Thousand Six Hundred Dollars (\$15,600.00) as compensation for the duties specified in Sections 47-5-931 through 47-5-941.

SOURCES: Laws, 1995, ch. 585, § 3, eff from and after passage (approved April 7, 1995).

ATTORNEY GENERAL OPINIONS

The sheriff has responsibility for management of a regional correctional facility and such a facility is exempt from the requirements of law otherwise applicable to a county; however, after the budget for

the facility has been approved by the county board of supervisors, the sheriff cannot unilaterally increase the salary of the warden. Burgoon, Jr., Nov. 16, 2001, A.G. Op. #01-0671.

§ 47-5-937. Exercise of power and authority regarding facility; exemption from certain requirements or restrictions.

Sections 47-5-931 through 47-5-941 shall be full and complete authority for the exercise of all powers and authority granted herein and no requirements or restrictions of law which would otherwise be applicable to acts of the county or sheriff or the Department of Corrections shall be applicable except as expressly provided herein. The sheriff is expressly authorized to employ counsel to represent the facility to be paid a salary within the range allowed for a legal assistant to a district attorney with the employment to continue for a period of time not to exceed the duration of the indebtedness incurred for construction of the facility. The county or counties shall pay this cost and other costs incurred in the operation of the facility from the proceeds of the funds derived from the financing of the project and the housing of offenders.

SOURCES: Laws, 1995, ch. 585, § 4, eff from and after passage (approved April 7, 1995).

ATTORNEY GENERAL OPINIONS

The statute creates a position for counsel to last as long as the indebtedness incurred for construction of a facility and gives the sheriff discretionary authority to employ an attorney to fill that position on an at-will basis; however, this does not authorize a sheriff to bind his successors in office and a subsequent sheriff may exercise the same discretion and, therefore, any employment contract entered into by a prior sheriff under the statute is voidable by a subsequent sheriff. Ballard, Nov. 20, 2001, A.G. Op. #01-0617.

The statute contemplates that an attorney hired pursuant to the statute will be a

full-time rather than a part-time employee, and that he will be paid a certain salary. Ballard, Nov. 20, 2001, A.G. Op. #01-0617.

The sheriff has responsibility for management of a regional correctional facility and such a facility is exempt from the requirements of law otherwise applicable to a county; however, after the budget for the facility has been approved by the county board of supervisors, the sheriff cannot unilaterally increase the salary of the warden. Burgoon, Jr., Nov. 16, 2001, A.G. Op. #01-0671.

§ 47-5-938. Offenders in counties to participate in work programs; implementation; reimbursement of costs incurred due to utilization of offenders; offender's compensation fund; canteen operations fund.

(1) Offenders are encouraged to participate in work programs. The chief corrections officer as created in Section 47-5-935, with ratification of the board

of supervisors of the county in which a correctional facility established pursuant to Sections 47-5-931 through 47-5-941, is located, may enter into agreements to provide work for any state offender housed in the facility, with the approval of the Commissioner of Corrections, to perform any work:

(a) Authorized in the Mississippi Prison Industries Act of 1990 as provided in Sections 47-5-531 through 47-5-575;

(b) Authorized in the Prison Agricultural Enterprises Act as provided in Sections 47-5-351 through 47-5-357;

(c) Authorized in the Penitentiary-Made Goods Law of 1978 as provided in Sections 47-5-301 through 47-5-331;

(d) Authorized in the Public Service Work Programs Act as provided in Sections 47-5-401 through 47-5-421;

(e) Authorized in Section 47-5-431, which authorizes the sheriff to use county or state offenders to pick up trash along public roads and state highways.

(2) The chief corrections officer shall promulgate rules and regulations as may be necessary to govern the work performance of the offenders for the parties to the agreements. Political subdivisions of the State of Mississippi including but not limited to counties, municipalities, school districts, drainage districts, water management districts and joint county-municipal endeavors are to have free use of the offender's labor but are responsible for reimbursing the facility for costs of transportation, guards, meals and other necessary costs when the inmates are providing work for that political body. Offenders may be compensated for work performed if the agreement so provides.

(3) There is created a special fund in the county treasury to be known as the "offender's compensation fund." All compensation paid to offenders shall be placed in the special fund for use by the offenders to purchase certain goods and other items of value as authorized in Section 47-5-109, for offenders housed in state correctional facilities. As provided in Section 47-5-194, no cash is to be paid to offenders. The agreement shall provide that a certain portion of the compensation shall be used for the welfare of the offenders. All money collected from the regional jail canteen operations shall be placed in a county special fund. Expenditures from that fund can be made by the chief corrections officer for any lawful purpose that is in the best interest and welfare of the offenders. The chief corrections officer, his employees and the county or counties owning the facility are given the authority necessary to carry out the provisions of this section.

(4) The provisions of this section shall be supplemental to any other provisions of law regarding offender labor and work programs.

§ 47-5-939. Housing pretrial detainees, county offenders and other persons.

In addition to housing offenders for the Department of Corrections, the Chief Corrections Officer may house pretrial detainees, county offenders and other persons legally subject to incarceration by order of a court of competent jurisdiction. All offenders are to be housed in accordance with American Corrections Association standards.

ATTORNEY GENERAL OPINIONS

A "court of competent jurisdiction" as referred to in Miss. Code Section 47-5-939 means a court within the Mississippi State Judicial System, and a Regional Correctional Facility is not allowed to con-

tract with another State or with the United States for the housing of inmates. Weissinger, July 18, 1997, A.G. Op. #97-0386.

§ 47-5-940. Authorization for drug and alcohol treatment pilot program at Bolivar County Regional Facility [Repealed effective July 3, 2010].

(1)(a) The Department of Corrections may contract with the Bolivar County Regional Facility for a five-year pilot program dedicated to an intensive and comprehensive alcohol and other drug treatment program for not more than two hundred fifty (250) inmates. The Bolivar County Regional Facility shall have the option of canceling the contract for the drug treatment program after giving the Department of Corrections thirty (30) days' notice of its intent to cancel. The program shall be a prison-based treatment program designed to reduce substance abuse by inmates, correct dysfunctional thinking and behavioral patterns, and prepare inmates to make a successful and crime-free readjustment to the community.

(b) The Department of Corrections shall reimburse the Bolivar County Regional Facility at the per diem rate allowed under Section 47-5-933.

(2)(a) An inmate who is within eighteen (18) months of his earned release date or parole date may be placed in the program.

(b) The Department of Corrections shall remove any inmate within seventy-two (72) hours after being notified by the Bolivar County Regional Facility that the inmate is violent or refuses to participate in the drug treatment program.

(3) The program shall consist, but is not limited to, the following components:

(a) An assessment and placement component using a recidivism needs assessment of the inmates.

(b) An intensive and comprehensive treatment and rehabilitation component which addresses the specific drug or alcohol problem of the inmate.

This component shall include relapse prevention strategies, anger management strategies and regimented discipline strategies.

(c) An aftercare post-release component that has a specific transition plan for each inmate. The transition plan must address specific post-release needs such as employment, housing, medical care, relapse prevention and treatment. The plan shall require personnel to assist the inmate with these needs and to assist in finding community-based programs for the inmate. The plan shall require the inmate to be tracked in at least thirty-day intervals to measure compliance with his established transition plan.

(d) A monitoring assessment of recidivism containing post-release history of substance abuse, breaches of trust, arrests, convictions, employment, community functioning, and marital and family interaction.

(4) The department shall file a report annually on the program with specific data on recidivism of inmates including the data required in subsection (3)(d).

(5) The program authorized under this section may be renewed if it meets performance requirements as may be determined by the Legislature.

(6) This section shall repeal on July 3, 2010.

Amendment Notes — The 2009 amendment extended the date of the repealer in (6) by substituting “July 3, 2010” for “July 3, 2009”; and made a minor stylistic change.

Laws of 2005, ch. 485, § 11 provides as follows:

“SECTION 11. The intensive supervision program established in Laws of 2005, Chapter 485 is a continuation of the intensive supervision program that existed on June 30, 2004. All actions taken by the Department of Corrections from July 1, 2004, to April 6, 2005, which would have been authorized under the prior intensive supervision program are ratified, confirmed and validated.”

§ 47-5-1003. Intensive supervision program; eligibility; procedure; time limits; program violations; notice to Department of Corrections; participation in program during term of probation; report on effectiveness of program [Repealed effective after June 30, 2012] .

(1) An intensive supervision program may be used as an alternative to incarceration for offenders who are low risk and nonviolent as selected by the department or court and for juvenile offenders as provided in Section 43-21-605. Any offender convicted of a sex crime shall not be placed in the program.

(2) The court or the department may place the defendant on intensive supervision, except when a death sentence or life imprisonment is the maximum penalty which may be imposed or if the defendant has been convicted of a felony committed after having been confined for the conviction of a felony on a previous occasion in any court or courts of the United States and of any state or territories thereof or has been convicted of a felony involving the use of a deadly weapon.

(3) To protect and to ensure the safety of the state's citizens, any offender who violates an order or condition of the intensive supervision program may be arrested by the correctional field officer and placed in the actual custody of the Department of Corrections. Such offender is under the full and complete jurisdiction of the department and subject to removal from the program by the classification hearing officer.

(4) When any circuit or county court places an offender in an intensive supervision program, the court shall give notice to the Mississippi Department of Corrections within fifteen (15) days of the court's decision to place the offender in an intensive supervision program. Notice shall be delivered to the central office of the Mississippi Department of Corrections and to the regional office of the department which will be providing supervision to the offender in an intensive supervision program.

The courts may not require an offender to participate in the intensive supervision program during a term of probation or post-release supervision.

(5) The Department of Corrections shall submit a report to the chairperson of the House Corrections Committee and the chairperson of the Senate Corrections Committee on the effectiveness of the intensive supervision program before January 1, 2010.

Joint Legislative Committee Note — Section 10 of ch. 393 Laws of 2001, effective from and after July 1, 2001 (approved March 12, 2001), amended this section. Section

1 of ch. 482, Laws of 2001, effective July 1, 2001 (approved March 23, 2001), also amended this section. As set out above, this section reflects the language of both amendments pursuant to Section 1-1-109, which gives the Joint Legislative Committee on Compilation, Revision, and Publication authority to integrate amendments so that all versions of the same code section enacted within the same legislative session may become effective. The Joint Committee on Compilation, Revision, and Publication ratified the integration of these amendments as consistent with the legislative intent at the April 26, 2001, meeting of the Committee.

Section 1 of ch. 313, Laws of 2008, effective upon passage (approved March 24, 2008), amended this section. Section 2 of ch. 479, Laws of 2008, effective upon passage (approved April 10, 2008), reenacted the section, as amended by ch. 313, Laws of 2008, without change. As set out above, this section reflects the language of Section 2 of ch. 479, Laws of 2008, which contains language that specifically provides that it supersedes § 47-5-1003 as amended by Laws of 2008, ch. 313.

Editor's Note — For repeal date of this section, see § 47-5-1015.

Amendment Notes — The 2009 amendment deleted “or a felony violation of Section 41-29-139(a)(1)” following “convicted of a sex crime” in (1); substituted “The court or the department may place the defendant” for “The court placing an offender in the intensive supervision program may, acting upon the advice and consent of the commissioner and not later than one (1) year after the defendant has been delivered to the custody of the department, suspend the further execution of the sentence and place the defendant” in (2); in the last paragraph of (4), substituted “participate in” for “complete” and “during a term” for “as a condition”; and added (5).

The 2011 amendment added “and for juvenile offenders as provided in Section 43-21-605” to the end of the first sentence of (1).

JUDICIAL DECISIONS

1. In general.
2. Jurisdiction.
3. Post-conviction relief.
4. Removal from house arrest.

1. In general.

Where defendant agreed to plead guilty to a charge of possession of cocaine with intent to distribute in violation of Miss. Code Ann. § 47-5-1003(1) in exchange for the district attorney's recommendation of house arrest but where house arrest was not a permissible punishment for that offense, the district attorney's promise was illusory. Because no valid contract was formed, the agreement was an improper inducement to plead guilty in violation of Miss. Unif. Cir. & County Ct. Prac. R. 8.04(A)(3), and defendant should have been allowed to withdraw his guilty plea. *Littleton v. State*, 3 So. 3d 760 (Miss. Ct. App. 2008), writ of certiorari denied by 11 So. 3d 1250, 2009 Miss. LEXIS 102 (Miss. 2009).

Defendant's sentence after being convicted of the sale of marijuana within a correctional facility was appropriate be-

cause the maximum fine and the minimum sentence that he received were both within the statutory limits of Miss. Code Ann. § 47-5-198(3); it was clear that the circuit court was more than lenient in imposing house arrest against defendant because he benefited through what appeared to have been legislative oversight as well as significant judicial restraint because, if he had been convicted of merely selling controlled substances, he could not have been sentenced to house arrest. *Jackson v. State*, 962 So. 2d 649 (Miss. Ct. App. 2007), writ of certiorari denied by 962 So. 2d 38, 2007 Miss. LEXIS 434 (Miss. 2007).

Trial court properly did not make a finding that defendant was a violent offender under Miss. Code Ann. § 47-5-1003 when defendant was convicted of driving under the influence under Miss. Code Ann. § 63-11-30(5) because § 47-5-1003 does not require the trial court to make an on the record determination that the accused is a violent offender, and further, aggravated DUI does not fall within either of the excluded categories of § 47-

5-1003. *Smith v. State*, 942 So. 2d 308 (Miss. Ct. App. 2006).

Making the suspension of part of a defendant's sentence contingent upon successful completion of an intensive supervision program is not prohibited by statute. *Jenkins v. State*, 910 So. 2d 23 (Miss. Ct. App. 2005).

Had the inmate successfully completed the Intensive Supervision Program (ISP), and then been given a suspended sentence, the inmate would have had a right to a hearing prior to the revocation of ISP status, but the inmate did not make it to that point because the inmate failed the urine test four months short of completing the one year in ISP, and there was no denial of due process or equal protection. *McBride v. Sparkman*, 860 So. 2d 1237 (Miss. Ct. App. 2003).

Pursuant to the statute, a circuit court does not have the authority to disregard a disciplinary committee's finding that a defendant was not guilty of a violation of the program and, then, to reinstate his sentence. *Babbitt v. State*, 755 So. 2d 406 (Miss. 2000).

2. Jurisdiction.

Circuit court conditioned future suspension of fifteen years of the inmate's sentence on her successful completion of the Intensive Supervision Program (ISP); the circuit court's sentence was not prohibited by Miss. Code Ann. § 47-5-1003(4) where suspension of fifteen years of the inmate's sentence was contingent upon her completion of the ISP, and successful completion of post-release supervision was conditioned upon obedience to the terms and conditions of post-release supervision spelled out in her court order, none of which required completion of the ISP; the inmate was not subject to removal from the ISP by the circuit court, but only by the Mississippi Department of Corrections. *Ivory v. State*, 999 So. 2d 420 (Miss. Ct. App. 2008), writ of certiorari denied by 999 So. 2d 852, 2009 Miss. LEXIS 51 (Miss. 2009).

The trial court lacked jurisdiction to remove the defendant from an intensive supervision program as the statute vested such jurisdiction in the Department of Corrections. *Jensen v. State*, 798 So. 2d 383 (Miss. 2001).

Subsection (3) confers full and complete jurisdiction on the Department of Corrections classification committee to remove a prisoner from house arrest and place him into the general prison population to complete his sentence. *Smith v. State*, 766 So. 2d 50 (Miss. Ct. App. 2000).

3. Post-conviction relief.

Although appellant's sentence was a violation of Miss. Code Ann. § 47-5-1003(1), this did not constitute reversible error; appellant did not suffer any prejudice by the imposition of house arrest and where a defendant is given an illegal sentence that is more favorable than what the legal sentence would have been then he/she is not later entitled to relief through a post-conviction action. *Graham v. State*, — So. 3d —, 2010 Miss. App. LEXIS 116 (Miss. Ct. App. Mar. 9, 2010), opinion withdrawn by, substituted opinion at 2011 Miss. App. LEXIS 33 (Miss. Ct. App. Jan. 25, 2011).

Inmate's due process rights were not violated in a revocation hearing of his post-release supervision; he signed a waiver to a revocation hearing, admitted to the charges, and consented to immediate revocation of his post-release supervision. The inmate was given notice and an opportunity to be heard and was, therefore, not denied his due process rights. *Williams v. State*, 4 So. 3d 388 (Miss. Ct. App. 2009).

Circuit court was correct in stating that incarceration in a Mississippi Department of Corrections facility was the only legal sentence available for an inmate after he violated his post-release supervision. His sentence to house arrest was clearly more lenient and favorable than incarceration and was a benefit to the inmate; therefore, such was harmless error, and the inmate was not prejudiced by the sentence and could not now attack its legality or complain of prejudice. *Williams v. State*, 4 So. 3d 388 (Miss. Ct. App. 2009).

Where appellant entered a guilty plea to possession of cocaine with intent and possession of cocaine, the offenses were not included on the list of offenses not eligible for the intensive supervision and house arrest program under Miss. Code Ann. § 47-5-1003; the trial court's imposition of a 25-year sentence in intensive

supervision was not an illegal sentence. *Moore v. State*, 976 So. 2d 930 (Miss. Ct. App. 2007), writ of certiorari dismissed en banc by 977 So. 2d 343, 2008 Miss. LEXIS 114 (Miss. 2008).

Motion for post-conviction relief was properly dismissed based on an allegation that an illegal sentence of house arrest was imposed under Miss. Code Ann. § 47-5-1003 due to defendant's prior convictions because defendant had benefitted from any error. *Jefferson v. State*, 958 So. 2d 1276 (Miss. Ct. App. 2007).

Miss. Code Ann. § 47-5-1003 prevented successful completion of house arrest from being made a condition of post-release supervision; if the 2005 sentence did state such a condition, the condition was ineffective, but since the trial judge said on post-conviction relief that there was no such condition, there was also no continuing issue. *Burns v. State*, 933 So. 2d 329 (Miss. Ct. App. 2006).

Inmate claimed that his probation should not have been revoked as the arrest violated Miss. Code Ann. § 47-5-1003 because the officer who found the drugs did not arrest him. The appellate court affirmed the denial of the inmate's petition because the fact that the officer did not immediately arrest the inmate, but waited for an agent from the Mississippi Bureau of Narcotics to arrive, did not violate § 47-5-1003 because the officer who found the drugs was with the inmate the entire time, and the inmate was arrested the same day. *Johnson v. State*, 909 So. 2d 122 (Miss. Ct. App. 2005).

Defendant's motion for postconviction relief was properly denied because his sentence was not illegal at the time it was entered and did not become illegal upon the passage of the 2000 amendment to Miss. Code Ann. § 47-5-1003. The revision to § 47-5-1003 relied upon by defendant did not become effective until over a year and a half after his sentencing; while the legislature could have required resentencing under the new provision, it did not do so. *McBride v. State*, — So. 2d —, 2005 Miss. App. LEXIS 314 (Miss. Ct. App. May 10, 2005), opinion withdrawn by, substituted opinion at 914 So. 2d 260, 2005 Miss. App. LEXIS 524 (Miss. Ct. App. 2005).

Denial of the inmate's petition for post-conviction relief was proper where the revision to Miss. Code Ann. § 47-5-1003 relied upon by him did not become effective until over a year and a half after his sentencing. Thus, his sentence was not illegal at the time it was entered and did not become illegal upon the passage of the revision. *McBride v. State*, 914 So. 2d 260 (Miss. Ct. App. 2005), writ of certiorari denied by 921 So. 2d 344, 2005 Miss. LEXIS 720 (Miss. 2005).

House arrest is not a form of probationary release and a prisoner under house arrest is confined as a prisoner under the jurisdiction of the Department of Corrections in the normally-understood sense of that term; thus, post-conviction relief is an inappropriate remedy for a prisoner to pursue after he is removed from house arrest and returned to the general prison population. *Lewis v. State*, 761 So. 2d 922 (Miss. Ct. App. 2000).

4. Removal from house arrest.

Appellant's guilty plea was not rendered ineffective by the trial court failing to explain to her that she could be incarcerated if she did not comply with the conditions of her house arrest as those conditions were imposed by the Mississippi Department of Corrections. *Smith v. State*, 919 So. 2d 989 (Miss. Ct. App. 2005).

Where the prisoner was removed from house arrest, the circuit court properly denied the prisoner's motion for postconviction relief, because the prisoner had not received a suspended sentence and therefore a hearing prior to revocation was not necessary, and he was entitled to no further procedure as there was a rescission of the possibility of probation caused by his failure in the house arrest program. *Moore v. State*, 830 So. 2d 1274 (Miss. Ct. App. 2002).

Circuit court properly dismissed defendant's motion for post-conviction relief because the Mississippi Department of Corrections revoked defendant's participation in an in-house arrest program under the provisions of Miss. Code Ann. § 47-5-1003(3), and the circuit court did not amend its original sentencing order. *Reeder v. State*, 822 So. 2d 1043 (Miss. Ct.

App. 2002), cert. denied, 830 So. 2d 1251 (Miss. Ct. App. 2002).

Department of Corrections has the authority to remove a defendant from an Intensive Supervision Program and place him directly in their custody without a hearing. *Perry v. State*, 798 So. 2d 643 (Miss. Ct. App. 2001).

There was no violation of the statute where the appellant was removed from

the house arrest program and placed into the general prison population to complete his original sentence by the Department of Corrections disciplinary committee since the disciplinary committee is not a separate entity, but is instead a part of the Department of Corrections classification committee. *Smith v. State*, 766 So. 2d 50 (Miss. Ct. App. 2000).

ATTORNEY GENERAL OPINIONS

The Department of Corrections has authority to place an inmate, without the knowledge or permission of the court, in the Intensive Supervision Program when the court has sentenced the inmate to incarceration and the inmate is serving his court-imposed sentence. *Bailey & Roberts*, July 23, 1999, A.G. Op. #99-0335.

Although this section is silent as to the length of time an offender may remain on house arrest, he may not be kept on house arrest past the date of the completion of his sentence. *Bailey & Roberts*, July 23, 1999, A.G. Op. #99-0335.

An offender can be placed on house arrest if he is determined to be "low risk and nonviolent;" an offender may not be placed on house arrest if he has been convicted of a sex crime, a felony for the sale or manufacture of a controlled substance or a felony involving the use of a deadly weapon, or if he has received a death sentence or been convicted of a crime for which life imprisonment is the maximum penalty, or if he has previously been confined for the conviction of a felony in any court or courts of the United States or of any state or territories thereof. *Bailey & Roberts*, July 23, 1999, A.G. Op. #99-0335.

Once an offender is picked up and returned to the actual custody of the Department of Corrections for violating the conditions of house arrest, the decision whether to remove him from the program is left to the classification committee; there is nothing in this section forbidding

the classification committee from setting conditions that would allow the offender to return to house arrest. *Bailey & Roberts*, July 23, 1999, A.G. Op. #99-0335.

An offender in the intensive supervision program is to be considered an inmate and not a probationer or parolee and, therefore, the assumption is that the time served on house arrest is applied as time served on the offender's sentence, even if he violates house arrest before serving the complete sentence; thus, an offender whose house arrest is revoked after successfully serving 11 months of a 12 month sentence would only have one month left to serve in the actual custody of the department. *Bailey & Roberts*, July 23, 1999, A.G. Op. #99-0335.

Among offenders convicted under the Uniform Controlled Substances Law, only those persons convicted specifically of the sale or manufacture of a controlled substance are excluded from being placed in an intensive supervision program. *Johnson*, Oct. 20, 2000, A.G. Op. #2000-0629.

The amendment to subsection (1), denying certain offenders eligibility for the Intensive Supervision Program has no effect on the length of incarceration and consequently does not violate the *ex post facto* clause when applied to those convicted prior to its passage. *Eads*, Nov. 16, 2001, A.G. Op. #01-0673.

A circuit judge does not have the jurisdiction to modify a sentence of a defendant placed on house arrest after the expiration of the sentencing term. *Cotten*, Jan. 23, 2004, A.G. Op. 03-0692.

The department may waive the monthly fee if the offender is a full-time student or is engaged in vocational training. Juvenile offenders shall pay a monthly fee of not less than Ten Dollars (\$10.00) but not more than Fifty Dollars (\$50.00) based on a sliding scale using the standard of need for each family that is used to calculate TANF benefits. Money received by the department from participants in the program shall be deposited into a special fund which is hereby created in the State Treasury. It shall be used, upon appropriation by the Legislature, for the purpose of helping to defray the costs involved in administering and supervising such program. (3) The participant shall make the necessary arrangements to allow for correctional officers to visit the participant's place of education or employment at any time, based upon the approval of the educational institution or employer, for the purpose of verifying the participant's compliance with the conditions of his detention.

(4) The participant shall acknowledge and participate with the approved electronic monitoring device as designated by the department at any time for the purpose of verifying the participant's compliance with the conditions of his detention.

(5) The participant shall be responsible for and shall maintain the following:

- (b) A monitoring device in the participant's home, or on the participant's person, or both; and
- (c) A monitoring device in the participant's home and on the participant's person in the absence of a telephone.

(6) The participant shall obtain approval from the correctional field officer before the participant changes residence.

(7) The participant shall not commit another crime during the period of home detention ordered by the court or department.

(8) Notice shall be given to the participant that violation of the order of home detention shall subject the participant to prosecution for the crime of escape as a felony.

(9) The participant shall abide by other conditions as set by the department.

(5) Any arrearage remaining under this section at the end of the offender's participation in the program shall automatically be reduced to a civil judgment and upon notice by the Department of Corrections shall be recorded with the circuit court clerk in the county wherein the participant resides. § 47-5-1115. Prerequisites for contracting for correctional services.

A contract for correctional services shall not be entered into unless the following requirements are met:

(a) The contractor provides an adequate plan of insurance, specifically including insurance for civil rights claims, as determined by an independent risk management/actuarial firm with demonstrated experience in public liability for state governments. In determining the adequacy of the plan, such firm shall determine whether:

(i) The insurance is adequate to protect the state from any and all actions by a third party against the contractor or the state as a result of the contract;

(ii) The insurance is adequate to protect the state against any and all claims arising as a result of any occurrence during the term of the contract; that is, the insurance is adequate on an occurrence basis, not on a claims-made basis;

ATTORNEY GENERAL OPINIONS

An economic development district, not being an economic development authority, is subject to the purchase laws of the State of Mississippi; trustees of a development district control funds collected for support of the district and may upon a majority vote approve properly submitted bills for payment; funds must be placed in the

county depository at which the development district may have its own separate account; and there is no authority for a development district to provide meals for its appointed trustees at their meetings. Munn, January 9, 1998, A.G. Op. #97-0816.

§ 47-5-1209. Noxubee County Prison Work Program.

(1) There is created the Noxubee County Prison Work Program, to be located at the Industrial Park in Macon, Mississippi. The Noxubee County Prison Work Program shall be established pursuant to the authority granted in Sections 47-5-451 through 47-5-469 that provide for the joint state-county work programs, in order to achieve the legislative intent as set out in Section 47-5-351, making maximum utilization of the farmlands for the purpose of feeding offenders.

(2) The State Prison Emergency Construction and Management Board, subject to such funding as the Legislature may make available, may modify any existing facility or construct and equip one (1) seventy-five-bed correctional work camp in accordance with Section 47-5-455, on the site of the Industrial Park in Macon, Mississippi. The purpose of constructing this work camp is to provide housing and necessary support in order that the offenders may be available to work for the municipalities and counties in the surrounding areas in addition to working at the Industrial Park.

(3) In the construction and renovation of a work camp, the State Prison Emergency Construction and Management Board, in conjunction with the Mississippi Department of Corrections, shall utilize offenders in the custody of the Department of Corrections for construction to the extent such labor is available. The Mississippi Department of Corrections shall: establish, maintain and implement a program for training and utilizing offenders in construction projects; determine and provide to the State Prison Emergency Construction and Management Board the name, the number and construction skills of offenders; and provide security officers to be in attendance during all hours when offenders are involved in construction. When necessary construction skills are not available from the offender population, the State Prison Emergency Construction and Management Board may contract with private contractors or mechanics to perform necessary construction work.

(4) In the planning, design, procurement and construction of a work camp, the State Prison Emergency Construction and Management Board shall make maximum utilization of plans and specifications prepared for, and processes employed in, completed or ongoing construction projects for the Mississippi Department of Corrections.

(a) The qualifications, experience and management personnel necessary to carry out the terms of the contract.

(b) The ability to expedite the siting, design and construction of correctional facilities.

(c) The ability to comply with applicable laws, court orders and national correctional standards.

(d) Demonstrated history of successful operation and management of other correctional facilities.

(2) A facility shall at all times comply with all federal and state laws, and all applicable court orders.

(b) The Joint Legislative Committee on Performance Evaluation and Expenditure Review shall contract annually with a certified public accounting firm to establish a state inmate cost per day for a comparable state facility. The state inmate cost per day shall be certified annually. The certified cost shall be used as the basis for measuring the validity of the ten percent (10%) savings of the contractor costs.

(4) The rates and benefits for correctional services shall be negotiated based upon American Correction Association standards, state law and court orders.

(ii) The insurance is adequate to protect the state against any and all claims arising as a result of any occurrence during the term of the contract;

§ 47-5-1251. Prison Industry Enhancement Program; creation.

(1) There is created the "Prison Industry Enhancement Program," through which the Department of Corrections may contract with the nonprofit corporation organized and formed under the "Mississippi Prison Industries Act of 1990" to employ offenders within the custody of the department or prison industries. The offenders must be under the supervision of the department at all times while working. The offenders shall be paid, by the entity or entities, wages at a rate which is not less than that paid for similar work in the locality in which the work is performed. The wages may be subject to deductions which shall not, in the aggregate, exceed eighty percent (80%) of gross wages. The deductions shall be limited to the following:

- (a) To pay federal, state and local taxes;
- (b) To pay reasonable charges for room and board as determined by regulations issued by the Commissioner of Corrections;
- (c) To support the offender's family pursuant to state statute, court order or agreement by the offender; and
- (d) To pay contributions equaling not less than five percent (5%) but not more than twenty percent (20%) of the offender's gross wages into the Crime Victims' Compensation Fund as created in Section 99-41-29.

(2) Notwithstanding any other provision of the law to the contrary, the offenders shall not be qualified to receive any payments for unemployment compensation while incarcerated. However, the offenders shall not solely by their status as offenders be deprived of the right to participate in benefits made available by the federal or state government to other individuals on the basis of their employment, such as workers' compensation.

(3) Offenders who participate in the employment must do so voluntarily and must agree in advance to the specific deductions made from gross wages pursuant to this section and to all other financial arrangements or benefits resulting from participation in the employment.

ATTORNEY GENERAL OPINIONS

Participants of the Prison Industry Enhancement (PIE) program are employees not of the Mississippi Prison Industries Corporation, but may be considered employees of the private employers with which the Mississippi Department of Corrections contracts for workers' compensa-

tion purposes and, therefore, the Mississippi State Agencies Self-Insured Workers' Compensation Trust cannot extend workers' compensation coverage to those inmates participating in the PIE program. Self, May 5, 2000, A.G. Op. #2000-0189.

INTERSTATE CORRECTIONS COMPACT

Article I

Purpose and Policy

The party states, desiring by common action to fully utilize and improve their institutional facilities and provide adequate programs for the confinement, treatment and rehabilitation of various types of offenders, declare that it is the policy of each of the party states to provide such facilities and programs on a basis of cooperation with one another, thereby serving the best interests of such offenders and of society and effecting economies in capital expenditures and operational costs. The purpose of this compact is to provide for the mutual development and execution of such programs of cooperation for the confinement, treatment and rehabilitation of offenders with the most economical use of human and material resources.

Article II

Definitions

As used in this compact, unless the context clearly requires otherwise:

(a) "State" means a state of the United States, the United States of America, a territory or possession of the United States, the District of Columbia, the Commonwealth of Puerto Rico;

(b) "Sending state" means a state party to this compact in which conviction or court commitment was had;

(c) "Receiving state" means a state party to this compact to which an inmate is sent for confinement other than a state in which conviction or court commitment was had;

(d) "Inmate" means a male or female offender who is committed, under sentence to or confined in, a penal or correctional institution; and

(e) "Institution" means any penal or correctional facility, including, but not limited to, a facility for the mentally ill or mentally defective, in which inmates defined in (d) above may lawfully be confined.

Article III

Contracts

(1) Each party state may make one or more contracts with any one or more of the other party states for the confinement of inmates on behalf of a sending state in institutions situated within receiving states. Any such contract shall provide for:

(a) Its duration;

(b) Payments to be made to the receiving state by the sending state for inmate maintenance, extraordinary medical and dental expenses, and any participation in or receipt by inmates of rehabilitative or correctional services, facilities, programs or treatment not reasonably included as part of normal maintenance.

(c) Participation in programs of inmate employment, if any; the disposition or crediting of any payments received by inmates on account thereof; and the crediting of proceeds from or disposal of any products resulting therefrom;

(d) Delivery and retaking of inmates; and

(e) Such other matters as may be necessary and appropriate to fix the obligations, responsibilities and rights of the sending and receiving states.

(2) The terms and provisions of this compact entered into by the authority of or pursuant thereto, and nothing in any such contract shall be inconsistent therewith.

Article IV Procedures and Rights

(1) Whenever the duly constituted authorities in a state party to this compact, and which has entered into a contract pursuant to Article III, shall decide that confinement in, or transfer of an inmate to, an institution within the territory of another party state is necessary or desirable in order to provide adequate quarters and care or an appropriate program of rehabilitation or treatment, said officials may direct that the confinement be within an institution within the territory of said other party state, the receiving state to act in that regard solely as agent for the sending state.

(2) The appropriate officials of any state party to this compact shall have access, at all reasonable times, to any institution in which it has a contractual right to confine inmates for the purpose of inspecting the facilities thereof and visiting such of its inmates as may be confined in the institution.

(3) Inmates confined in an institution pursuant to the terms of this compact shall at all times be subject to the jurisdiction of the sending state and may at any time be removed therefrom for transfer to a prison or other institution within the sending state, for transfer to another institution in which the sending state may have a contractual or other right to confine inmates, for release on probation or parole, for discharge or for any other purpose permitted by the laws of the sending state, provided, that the sending state shall continue to be obligated to such payments as may be pursuant to the terms of any contract entered into under the terms of Article III.

(4) Each receiving state shall provide regular reports to each sending state on the inmates of that sending state in institutions pursuant to this compact including a conduct record of each inmate and certify said record to the official designated by the sending state, in order that each inmate may have official review of his or her record in determining and altering the disposition of said inmate in accordance with the law which may obtain in the sending state and in order that the same may be a source of information for the sending state.

(5) All inmates who may be confined in an institution pursuant to the provisions of this compact shall be treated in a reasonable and humane manner and shall be treated equally with such similar inmates of the receiving state as may be confined in the same institution. The fact of confinement in a receiving state shall not deprive any inmate so confined of any legal rights which said inmate would have had if in an appropriate institution of the sending state.

(6) Any hearing or hearings to which an inmate confined pursuant to this compact may be entitled by the laws of the sending state may be had before the appropriate authorities of the sending state, or of the receiving state if authorized by the sending state. The receiving state shall provide adequate facilities for such hearings as may be conducted by the appropriate officials of a sending state. In the event such hearing or hearings are had before officials of the receiving state, the governing law shall be that of the sending state and a record of the hearing or hearings as prescribed by the sending state shall be made. Said record together with any recommendations of the hearing officials shall be transmitted forthwith to the official or officials before whom the hearing would have been had if it had taken place in the sending state. In any and all proceedings had pursuant to the provisions of this subdivision, the officials of the receiving state shall act solely as agents of the sending state and no final determination shall be made in any matter except by the appropriate officials of the sending state.

(7) Any inmate confined pursuant to this compact shall be released within the territory of the sending state unless the inmate, and the sending and receiving states, shall agree upon release in some other place. The sending state shall bear the cost of such return to its territory.

(8) Any inmate confined pursuant to the terms of this compact shall have any and all rights to participate in and derive any benefits or incur or be relieved of any obligations, or have such obligations modified or his status changed on account of any action or proceedings in which he could have participated if confined in any appropriate institution of the sending state located within such state.

(9) The parent, guardian, trustee or other person or persons entitled under the laws of the sending state to act for, advise or otherwise function with respect to any inmate shall not be deprived of or restricted in his exercise of any power in respect of any inmate confined pursuant to the terms of this compact.

Article V

Acts Not Reviewable in Receiving State: Extradition

(1) Any decisions of the sending state in respect of any matter over which it retains jurisdiction pursuant to this compact shall be conclusive upon and not reviewable within the receiving state, but if at the time the sending state seeks to remove an inmate from an institution in the receiving state there is pending against the inmate within such state any criminal charge or if the inmate is formally accused of having committed within such state a criminal offense, the inmate shall not be returned without the consent of the receiving

state until discharged from prosecution or other form of proceeding, imprisonment or detention for such offense. The duly accredited officers of the sending state shall be permitted to transport inmates pursuant to this compact through any and all states' party to this compact without interference.

(2) An inmate who escapes from an institution in which he is confined pursuant to this compact shall be deemed a fugitive from the sending state and from the state in which the institution is situated. In the case of an escape to a jurisdiction other than the sending or receiving state, the responsibility for institution of extradition or rendition proceedings shall be that of the sending state, but nothing contained herein shall be construed to prevent or affect the activities of officers and agencies of any jurisdiction directed toward the apprehension and return of an escapee.

Article VI Federal Aid

Any state party to this compact may accept federal aid for use in connection with any institution or program, the use of which is or may be affected by this compact or any contract pursuant hereto and any inmate in a receiving state pursuant to this compact may participate in any such federally aided program or activity for which the sending or the receiving state have made contractual provision; provided, that if such program or activity is not part of the customary correctional regimen the express consent of the appropriate official of the sending state shall be required therefrom.

Article VII Entry into Force

This compact shall enter into force and become effective and binding upon the states so acting when it has been enacted into law by any two (2) states. Thereafter, this compact shall enter into force and become effective and binding as to any other of said states upon similar action by such state.

Article VIII Withdrawal and Termination

This compact shall continue in force and remain binding upon a party state until it shall have enacted a statute repealing the same and providing for the sending of formal written notice of withdrawal from the compact to the appropriate officials of all other party states. An actual withdrawal shall not take effect until one (1) year after the notices provided in said statute have been sent. Such withdrawal shall not relieve the withdrawing state from its obligations assumed hereunder prior to the effective date of withdrawal. Before the effective date of withdrawal, a withdrawing state shall remove to its territory, at its own expense, such inmates as it may have confined pursuant to the provisions of this compact.

Article IX Other Arrangement Unaffected

Nothing contained in this compact shall be construed to abrogate or impair any agreement or other arrangement which a party state may have with a nonparty state for the confinement, rehabilitation or treatment of inmates nor to repeal any other laws of a party state authorizing the making of cooperative institutional arrangements.

Article X

Construction and Severability

The provisions of this compact shall be liberally construed and shall be severable. If any phrase, clause, sentence or provision of this compact is declared to be contrary to the constitution of any participating state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this compact shall be held contrary to the constitution of any state participating therein, the compact shall remain in full force and effect as to the remaining states and in full force and effect as to the state affected as to all severable matters.

(3) The State Parole Board shall, by rules and regulations, establish a method of determining a tentative parole hearing date for each eligible offender taken into the custody of the Department of Corrections. The tentative parole hearing date shall be determined within ninety (90) days after the department has assumed custody of the offender. Such tentative parole hearing date shall be calculated by a formula taking into account the offender's age upon first commitment, number of prior incarcerations, prior probation or parole failures, the severity and the violence of the offense committed, employment history, whether the offender served in the United States Armed Forces and has an honorable discharge, and other criteria which in the opinion of the board tend to validly and reliably predict the length of incarceration necessary before the offender can be successfully paroled.

(4) Any inmate within twenty-four (24) months of his parole eligibility date and who meets the criteria established by the classification board shall receive priority for placement in any educational development and job training programs. Any inmate refusing to participate in an educational development or job training program may be ineligible for parole.

1. In general; construction.

Defendant's postconviction review motion was correctly denied because remarks made by the circuit judge during defendant's sentencing hearing were merely surplusage, in that they were comments concerning defendant's eligibility for parole; the parole board, not the circuit court, had exclusive authority for granting parole within the parameters set forth in Miss. Code Ann. § 47-7-3. *Chandler v. State*, 27 So. 3d 1199 (Miss. Ct. App. 2010).

Dismissal of defendant's motion for post-conviction relief was proper because Miss. Code Ann. § 47-7-3(d)(i) foreclosed armed robbers convicted after October 1, 1994, from parole eligibility. Defendant had pleaded guilty on March 20, 2002, to one count of armed robbery and five counts of kidnapping. *Banks v. State*, 37 So. 3d 81 (Miss. Ct. App. 2009), writ of certiorari denied by 36 So. 3d 455, 2010 Miss. LEXIS 288 (Miss. 2010).

Inmate's allegation that his sentence was illegal because he was sentenced under a revised section of Miss. Code Ann. § 47-7-3 was rejected. Under § 47-7-3(1)(d)(ii), armed robbers convicted after October 1, 1994, were foreclosed from parole eligibility; because defendant pleaded guilty to armed robbery in 2004, he was not eligible for parole. *Poss v. State*, 17 So. 3d 167 (Miss. Ct. App. 2009).

Dismissal of an inmate's petition to show cause was proper as the Mississippi State Parole Board had absolute discretion to confer or deny parole under Miss. Code Ann. § 47-7-3, and the inmate failed to show that his due process rights were violated as there was no constitutionally recognized liberty interest with regard to

parole. *Hopson v. Miss. State Parole Bd.*, 976 So. 2d 973 (Miss. Ct. App. 2008).

Trial court did not err in denying the inmate's petition for a writ of mandamus; Miss. Code Ann. § 47-7-3 did not require the parole board to give the inmate a psychiatric evaluation prior to the inmate's parole hearings; rather § 47-7-3 clearly stated that an inmate must be eligible for parole before he was entitled to a psychiatric evaluation. Also, the inmate did not have a liberty interest in a psychiatric examination because Miss. Code Ann. § 47-7-3 and Miss. Code Ann. § 47-7-17 used the permissive "may" and not the mandatory "shall." *Edmond v. Miller*, 942 So. 2d 203 (Miss. Ct. App. 2006), writ of certiorari denied by 942 So. 2d 164, 2006 Miss. LEXIS 718 (Miss. 2006).

Defendant's capital murder conviction was proper because he did not need to receive a sentencing hearing since, even absent a procedural bar, if the State was not seeking the death penalty, the only possible sentence for conviction of capital murder was life without parole, Miss. Code Ann. § 99-19-101(1) and 47-7-3(1)(f). Thus, a sentencing hearing was not necessary. *Davis v. State*, 914 So. 2d 200 (Miss. Ct. App. 2005), writ of certiorari denied by 921 So. 2d 344, 2005 Miss. LEXIS 746 (Miss. 2005), writ of certiorari denied by 549 U.S. 856, 127 S. Ct. 133, 166 L. Ed. 2d 98, 2006 U.S. LEXIS 6743, 75 U.S.L.W. 3167 (2006).

Trusty time reduces the length of the sentences a defendant is required to serve, which in turn results in an earlier parole eligibility date. *Lizana v. Scott*, 910 So. 2d 31 (Miss. Ct. App. 2005).

Mississippi Parole Board is not required to place a prisoner on parole after a prisoner completes his sentences described in Miss. Code Ann. § 47-7-3. *Lizana v. Scott*, 910 So. 2d 31 (Miss. Ct. App. 2005).

Where the circuit court sentenced appellant who pled guilty to armed robbery to a fourteen-year sentence, but suspended seven years from that sentence, leaving a seven-year sentence, appellant was not subject to the ten-year minimum service requirement of Miss. Code Ann. § 47-7-3(d)(i). *Edmond v. State*, 906 So. 2d 798 (Miss. Ct. App. 2004).

Phrase “first offender,” when used in Miss. Code Ann. § 47-7-3(1)(g), describes those incarcerated for their first and sole offense; later convictions end “first offender” status even if the offenses occurred before the first conviction. *McClurg v. State*, — So. 2d —, 2003 Miss. App. LEXIS 592 (Miss. Ct. App. June 24, 2003), opinion withdrawn by 2004 Miss. App. LEXIS 413 (Miss. Ct. App. Apr. 13, 2004), substituted opinion at 870 So. 2d 681, 2004 Miss. App. LEXIS 572 (Miss. Ct. App. 2004).

Reading Miss. Code Ann. §§ 97-3-21, 99-19-101(1), 47-7-3(1)(f), together indicates that a defendant on trial for capital murder may only be sentenced to death or life imprisonment without the eligibility of parole. *Flowers v. State*, 842 So. 2d 531 (Miss. 2003).

Defendant was not entitled to parole consideration on a rape conviction based on the fact that defendant was 19 when the offense was committed because the former Miss. Code Ann. § 47-7-3 allowed parole consideration only in cases where the defendant was convicted of statutory rape; former Miss. Code Ann. § 47-5-139 precluded good time credit for any sex offense. *Brazier v. Bailey*, 835 So. 2d 962 (Miss. Ct. App. Jan. 28, 2003).

According to Miss. Code Ann. § 47-7-3(1)(f), there is no longer the possibility of life imprisonment; by giving only the sentencing options of death or life imprisonment without parole, the trial judge properly gave the jury all the instructions that were needed. *Flowers v. State*, — So. 2d —, 2003 Miss. LEXIS 67 (Miss. Feb. 20, 2003), opinion withdrawn by, substituted opinion at 842 So. 2d 531, 2003 Miss. LEXIS 149 (Miss. 2003).

When read in *pari materia*, § 97-3-21 and this section provide juries with the option of sentencing capital defendants to life without parole as long as any proceeding, from pretrial through resentencing, that follows the actual charge occurs after July 1, 1994; simultaneously, the two statutes preclude the parole board from granting parole to any capital defendant who was charged after July 1, 1994. *West v. State*, 725 So. 2d 872 (Miss. 1998).

Parole statutes contain no mandatory language, but instead employ permissive

“may” rather than “shall,” and thus prisoners have no constitutionally recognized liberty interest in parole. *Vice v. State*, 679 So. 2d 205 (Miss. 1996).

The Mississippi parole statutes do not create a constitutionally protected liberty interest in the form of an expectation of parole because of the use of the permissive “may” in § 47-7-3, which provides that a prisoner “may be released on parole as hereinafter provided,” read in the context of the other provisions of that section and, as well, those of § 47-7-17. Thus, Mississippi law did not vest a convicted and incarcerated felon with a liberty interest in parole entitling him to due process of law incident to his application for parole. *Harden v. State*, 547 So. 2d 1150 (Miss. 1989).

Language of statute concerning parole and probation is mandate to Parole Board and not to courts, and is unnecessary and surplusage in sentence. *Gardner v. State*, 514 So. 2d 292 (Miss. 1987).

Absolute discretion conferred on parole board in Mississippi affords prisoner no constitutionally recognized liberty interest in being released on parole. *Scales v. Mississippi State Parole Bd.*, 831 F.2d 565 (5th Cir. 1987).

Reasonable and harmonious construction of §§ 47-5-138, 47-5-139, and 47-7-3 is that legislature intended them to maintain enhanced penalty that § 99-19-81 imposes on habitual offenders, which penalty includes denial of certain privileges available to other prisoners. *Perkins v. Cabana*, 794 F.2d 168 (5th Cir. 1986), cert. denied, 479 U.S. 936, 107 S. Ct. 414, 93 L. Ed. 2d 366 (1986).

In a prosecution for armed robbery involving a firearm, the defendant was properly convicted under § 47-7-3(d) where, although he was not the person who actually robbed the bank, he was an aider and abettor and therefore, under § 97-1-3, was considered a principal. *Anderson v. State*, 397 So. 2d 81 (Miss. 1981).

2. Constitutionality.

Miss. Code Ann. § 47-7-3 is neutral on its face and contains no language separating individuals based on suspect classifications. *Hopson v. Miss. State Parole Bd.*, 976 So. 2d 973 (Miss. Ct. App. 2008).

Trial court erred in dismissing an inmate's constitutional challenge to Miss. Code Ann. § 47-7-3(1)(g) for lack of standing, as it relied on extra-record information to find that the inmate was not a "first offender" subject to the amendment. *McClurg v. State*, — So. 2d —, 2003 Miss. App. LEXIS 592 (Miss. Ct. App. June 24, 2003), opinion withdrawn by 2004 Miss. App. LEXIS 413 (Miss. Ct. App. Apr. 13, 2004), substituted opinion at 870 So. 2d 681, 2004 Miss. App. LEXIS 572 (Miss. Ct. App. 2004).

Inmate challenging an amendment to Miss. Code Ann. § 47-7-3 should have named the State Parole Board and individuals in their official capacities who could both have defended the statute and provided any ordered relief; however, the trial court should not have dismissed the suit on the merits no matter how faulty the complaint was found to be. *McClurg v. State*, — So. 2d —, 2003 Miss. App. LEXIS 592 (Miss. Ct. App. June 24, 2003), opinion withdrawn by 2004 Miss. App. LEXIS 413 (Miss. Ct. App. Apr. 13, 2004), substituted opinion at 870 So. 2d 681, 2004 Miss. App. LEXIS 572 (Miss. Ct. App. 2004).

Where an inmate challenged the constitutionality of an amendment to Miss. Code Ann. § 47-7-3, in considering the question of the ripeness of the inmate's claim, it was not a requirement that he be on the verge of eligibility for release if his arguments were accepted. *McClurg v. State*, — So. 2d —, 2003 Miss. App. LEXIS 592 (Miss. Ct. App. June 24, 2003), opinion withdrawn by 2004 Miss. App. LEXIS 413 (Miss. Ct. App. Apr. 13, 2004), substituted opinion at 870 So. 2d 681, 2004 Miss. App. LEXIS 572 (Miss. Ct. App. 2004).

This section prohibits probation for an activity that common sensibly constitutes "sex crimes" and therefore, is not so vague as to be unconstitutional. *Genry v. State*, 735 So. 2d 186 (Miss. 1999).

3. Consecutive sentences.

Inmate argued that he should have been released after ten years, but that was an incorrect application of the law, because he was serving three separate consecutive sentences on drug offenses. Consecutive sentences with statutory

minimums could not be combined for parole eligibility purposes, and he was required to serve 10 years of his 30-year sentence, one-fourth of his 7-year sentence, and one-fourth of his 18-year sentence, for a total of 16 years, three months; his parole eligibility date was to be calculated in the same way as his tentative release date. *Lizana v. Scott*, 910 So. 2d 31 (Miss. Ct. App. 2005).

Parole board's application and interpretation of former Miss. Code Ann. § 47-7-3 (1), as applied to the inmate's sentence, was proper; thus, where the inmate was resentenced to life on the murder conviction, and given a 39-year sentence on the rape charge and a 30-year sentence on the kidnapping charge, the sentences running consecutively, the inmate was not eligible for parole until the inmate had served 30 years. *McGhee v. Johnson*, 868 So. 2d 1051 (Miss. Ct. App. 2004).

Where a defendant is convicted of capital murder in a prosecution in which the state does not seek the death penalty, the trial judge may impose life imprisonment without parole without formally returning the matter to the jury for sentencing since that is the only sentence possible in such a situation. *Kha Tao Pham v. State*, 716 So. 2d 1100 (Miss. 1998).

A defendant who was sentenced to 10 years imprisonment for armed robbery and 15 years imprisonment for manslaughter to run consecutively, would be eligible for parole on March 30, 1993, where he began the service of his 10-year armed robbery sentence on the date of his initial arrest pursuant to § 99-19-23, he was legally released from that sentence 10 years later on February 5, 1990 but remained held under the 15-year manslaughter sentence, and he earned substantial meritorious earned time; although he would ordinarily have been required to serve at least ¼ of the manslaughter sentence—3 years and 9 months—before he became eligible for parole, his earned time advanced his earliest parole eligibility date by approximately 7 months. *Milam v. State*, 578 So. 2d 272 (Miss. 1991).

Under the requirement of § 47-7-3 that a person under a life sentence becomes eligible for parole after ten years, a pris-

oner serving three consecutive life terms would not be eligible for parole until he had served at least ten years of each life sentence less 30 percent of earned good time, since § 47-5-139(3) mandates the mathematical process of multiplying the number of life sentences imposed upon the prisoner by ten years to determine the date upon which the prisoner would become eligible for parole. *Davis v. State*, 429 So. 2d 262 (Miss. 1983).

4. Eligibility for earned good time.

Trial court did not err in upholding the decision of the Mississippi Department of Corrections (MDOC) to deny an inmate trusty status because even if the inmate was granted trusty status, he could not use any earned trusty time to reduce the time that he had to serve before becoming eligible for parole when the MDOC, pursuant to Miss. Code Ann. § 47-7-3(2), stopped applying trusty time to reduce an offender's parole eligibility date, and the MDOC's decision to change its application of the trusty-time policy was not an *ex post facto* application of the law as to defendant; therefore, the inmate's placement into trusty status would not reduce the amount of time that he had to serve before becoming eligible for parole on his kidnaping conviction. *Rice v. State*, 28 So. 3d 683 (Miss. Ct. App. 2010).

In a post-conviction relief case in which a pro se inmate had pled guilty to armed robbery, he argued unsuccessfully that constitutional rights were violated because he was sentenced to serve a mandatory 10-year sentence without the benefit of earned time. Pursuant to Miss. Code Ann. § 47-5-139(1)(e), an inmate was not eligible for earned-time credit when the inmate had not served the mandatory time required for parole eligibility for a conviction of robbery or attempted robbery with a deadly weapon, and, pursuant to Miss. Code Ann. § 47-7-3(1)(d)(ii), he was not eligible for parole since he had been convicted of armed robbery after October 1, 1994. *Diggs v. State*, 46 So. 3d 361 (Miss. Ct. App. 2010), writ of certiorari denied by 49 So. 3d 636, 2010 Miss. LEXIS 561 (Miss. 2010).

Despite the fact that an inmate was entitled to an earned-time allowance of one-half of his total sentence, including

mandatory time because he was convicted before the effective date of Miss. Code Ann. § 47-5-139(1)(e), the earned-time allowance did not reduce the mandatory portions of his sentences or accelerate his parole eligibility date under Miss. Code Ann. § 47-7-3(1) or his tentative discharge date. *Adams v. Gibbs*, 988 So. 2d 395 (Miss. Ct. App. 2008).

Although appellant argued that the trial court failed to inform him that he would be eligible for earned time pursuant to Miss. Code Ann. § 47-5-139(1) only after serving 10 years of his sentence, because appellant was convicted after October 1, 1994, appellant was not eligible for parole pursuant to Miss. Code Ann. § 47-7-3(d)(ii). Since appellant was not eligible for parole, appellant was precluded from accumulating earned time pursuant to § 47-5-139(1)(e). *Robinson v. State*, 4 So. 3d 361 (Miss. Ct. App. 2008), writ of certiorari denied by 11 So. 3d 1250, 2009 Miss. LEXIS 112 (Miss. 2009).

Circuit court properly dismissed a petitioner's request for post-conviction relief because the time served for armed robbery was mandatory time to be served day for day. *Wells v. State*, 936 So. 2d 479 (Miss. Ct. App. 2006).

A prisoner was not permitted to earn, but not use, good time credit during service of the mandatory portion of his period of confinement and then use that good time earned upon expiration of the mandatory portion of the sentence. *Williams v. Puckett*, 624 So. 2d 496 (Miss. 1993).

A defendant convicted of armed robbery was not eligible to reduce his sentence with the grant of administrative good time, pursuant to § 47-5-139, since earned time for good conduct and performance only applies to inmates who are eligible for parole, and defendant was not entitled to parole under § 47-7-3, which required him to serve his full 10-year sentence. *Cooper v. State*, 439 So. 2d 1277 (Miss. 1983).

5. Change in law, regulation, or interpretation; *ex post facto* effect.

Defendant's sentence of life imprisonment without eligibility for parole after he was convicted of murder was proper because he was convicted of the violent crime of murder after January 1, 2000 and

was not eligible for parole according to Miss. Code Ann. § 47-7-3(1)(g); nor did the appellate court find that his sentence was grossly disproportionate to the crime committed. *Fannings v. State*, 997 So. 2d 953 (Miss. Ct. App. 2008).

Trial court properly found appellant ineligible for parole because Miss. Code Ann. § 47-7-3(1)(d)(ii) applied to the case due to the fact that appellant was convicted of armed robbery after October 1, 1994; hence, appellant's civil action against the Mississippi department of corrections and its commissioner for failing to provide appellant with a parole eligibility date was properly dismissed. *Sykes v. Epps*, 963 So. 2d 31 (Miss. Ct. App. 2007).

Where petitioner's plea counsel was unaware that the law had changed and required convicted armed robbers to serve every day of their sentence, the post-conviction court set aside petitioner's fifteen-year sentence for armed robbery entered in accordance with the plea agreement. Prior to entering his guilty plea, counsel erred by telling petitioner that he would be eligible for parole after serving ten years of his fifteen year sentence. *Hudson v. State*, 932 So. 2d 842 (Miss. Ct. App. 2005), writ of certiorari denied by 933 So. 2d 303, 2006 Miss. LEXIS 509 (Miss. 2006).

Statutory amendment that required that 85% of sentence be served and that eliminated opportunities for parole that had previously existed was an ex post facto law as applied to defendants who had been charged with crimes before effective date of statute and whose charges were not to be disposed of until after effective date. *Puckett v. Abels*, 684 So. 2d 671 (Miss. 1996).

A 7-year sentence for armed robbery committed with a knife in 1980 in violation of § 97-3-79 was not an unconstitutional application of an ex post facto law, even though § 47-7-3 denied eligibility for parole prior to 1982 only when a robbery was committed with the display of a firearm, where the sentencing order merely established that the defendant serve 7 years and made no mention of "mandatory" or "without parole." Additionally, the sentencing chapter and the parole chapter are separate and distinct; the granting of

parole or denial of parole under § 47-7-3 is the exclusive responsibility of the state parole board, which is independent of the circuit court's sentencing authority. Thus, sentencing authority was provided for under § 97-3-79, rather than § 47-7-3, and the defendant was not "sentenced" under the parole statute, which was later amended. *Mitchell v. State*, 561 So. 2d 1037 (Miss. 1990).

Defendant who enters plea of guilty to charge of armed robbery pursuant to plea bargain agreement in reliance upon erroneous advice of attorney that defendant will be eligible for earned good time and will be subject to release after serving 7 years of sentence is entitled to vacation of guilty plea and reinstatement of innocent plea when Mississippi Department of Corrections changes administrative policy to comply with §§ 47-5-139, 47-7-3, thereby requiring that defendant serve minimum of 10 years. *Coleman v. State*, 483 So. 2d 680 (Miss. 1986).

A petitioner who enters a guilty plea to armed robbery pursuant to plea bargain agreement upon erroneous advice of counsel that petitioner will be eligible for earned good time and will be subject to release after serving 7 years of sentence is not subjected to ex post facto law when Mississippi Department of Corrections changes administrative policy to comply with §§ 47-5-139 and 47-7-3, causing petitioner to serve minimum of 10 years. *Coleman v. State*, 483 So. 2d 680 (Miss. 1986).

A defendant convicted of armed robbery after 1977 and sentenced to serve less than 10 years in the penitentiary, and who was therefore not eligible for parole pursuant to § 47-7-3, was not subjected to enforcement of an ex post facto law by a policy of the Department of Corrections administratively barring him from earning good time after January, 1981, although good time earned prior to that date was not taken away, notwithstanding the provisions of § 47-5-139, since the statutory provisions regarding good time remained unchanged, and since administrative interpretation of a clearly worded statute is not a "law" within the scope and contemplation of the ex post facto clauses of the federal and state Constitutions.

Tiller v. State, 440 So. 2d 1001 (Miss. 1983).

An administrative correction of a prior misinterpretation of parole laws is not a change in the law so as to violate the ex post facto clause of the United States or Mississippi Constitutions; even if the correction of a former mistaken interpretation of parole law did reach the level of a change in law, administrative decisions with regard to parole law eligibility are not "laws annexed to the crime when committed." Taylor v. Mississippi State Probation & Parole Bd., 365 So. 2d 621 (Miss. 1978).

6. Argument to, or consideration by, jury.

Prosecutor's statement in closing argument at sentencing phase of capital trial to effect that if defendant was sentenced to life imprisonment, he would be eligible for parole in 10 years, was accurate, thumbnail statement of Mississippi law, in spite of fact that it was obviously not full explanation of state's system of parole, and court refused to conclude that such remarks created unacceptable risk that jury would sentence defendant to death arbitrarily or capriciously. Gilliard v. Scroggy, 847 F.2d 1141 (5th Cir. 1988), cert. denied, 488 U.S. 1019, 109 S. Ct. 818, 102 L. Ed. 2d 807 (1989), reh'g denied, 489 U.S. 1061, 109 S. Ct. 1332, 103 L. Ed. 2d 600 (1989).

It is no more proper for a jury to concern itself with the wisdom of the legislative determination, pursuant to § 47-7-3(1), that persons sentenced to life imprisonment may under certain circumstances become eligible for parole, than it is for a jury to consider the legislature's determination that death in the gas chamber is an authorized punishment for capital murder. Williams v. State, 445 So. 2d 798 (Miss. 1984), cert. denied, 469 U.S. 1117, 105 S. Ct. 803, 83 L. Ed. 2d 795 (1985).

7. Jury instructions.

As defendant, on trial for capital murder, could be sentenced only to death or life imprisonment without the eligibility of parole, by instructing the jury that these were its only sentencing options, the trial judge properly gave the jury all the instructions that were needed. Brown v.

State, 890 So. 2d 901 (Miss. 2004), cert. denied, — U.S. —, 125 S. Ct. 1842, 161 L. Ed. 2d 735 (2005).

In defendant's capital murder conviction where defendant was sentenced to death, because Miss. Code Ann. § 47-7-3(1)(f) denied parole eligibility to any person charged, tried, convicted, and sentenced to life imprisonment under the provisions of Miss. Code Ann. § 99-19-101, the trial court did not err in not instructing the jury on life imprisonment with the possibility of parole. Branch v. State, 882 So. 2d 36 (Miss. 2004), cert. denied, — U.S. —, 125 S. Ct. 1594, 161 L. Ed. 2d 282 (2005).

In a capital murder case, by giving only the sentencing options of death or life imprisonment without parole, the trial judge properly gave the jury all the instructions that were needed, as according to Miss. Code Ann. § 47-7-3(1)(f), there was no possibility of life imprisonment. Flowers v. State, 842 So. 2d 531 (Miss. 2003).

8. Miscellaneous.

Defendant's argument that it was error for the trial court to sentence him to life in prison without possibility of parole was improper; after the trial court set aside the jury's sentence of death, it had only one choice, which was the lesser sentence of life without the possibility of parole. Sentences that did not exceed the maximum term allowed by statute are not considered grossly disproportionate and are not disturbed on appeal. Maye v. State, 49 So. 3d 1140 (Miss. Ct. App. 2009), vacated by, remanded by 49 So. 3d 1124, 2010 Miss. LEXIS 622 (Miss. 2010).

Denial of appellant inmate's motion for post-conviction relief was appropriate because his indictment was not faulty for its failure to contain a provision for his eligibility for parole since it was not an essential element of the crime or had no effect on jurisdiction. His attorney was not ineffective for failing to object to a valid indictment. Bowling v. State, 12 So. 3d 607 (Miss. Ct. App. 2009).

Where appellant pled guilty to two counts of capital murder and two counts of armed robbery in 1979, he filed several motions for post-conviction relief; the circuit court did not err by dismissing his

2007 motion for post-conviction relief as a time-barred by the three-year statute of limitations set forth in Miss. Code Ann. § 99-39-5. Appellant's claim that double jeopardy barred prosecution of his armed robbery convictions was not good cause for an exception to the time-bar, because appellant delayed thirty years in attacking his armed robbery convictions until he became eligible for parole on his murder convictions in accordance with Miss. Code Ann. § 47-7-3(1) (1972). *Rowland v. State*, 42 So. 3d 545 (Miss. Ct. App. 2009), reversed by, remanded by 42 So. 3d 503, 2010 Miss. LEXIS 386 (Miss. 2010).

Defendant's life-imprisonment sentence after he was convicted of capital murder was neither cruel nor unusual under Miss. Code Ann. § 99-19-101(1) and Miss. Code Ann. § 47-7-3(1)(f) because the only possible sentence for conviction of capital murder committed after July 1, 1994, other than the death penalty, would have been life without parole; defendant's sentence under his conviction of capital murder not only fell within the prescribed statutory limits, but was the only sentence that could have been imposed. *Anderson v. State*, 5 So. 3d 1088 (Miss. Ct. App. 2007), writ of certiorari denied by 11 So. 3d 1250, 2009 Miss. LEXIS 171 (Miss. 2009), writ of certiorari denied by 11 So. 3d 1250, 2009 Miss. LEXIS 184 (Miss. 2009), writ of certiorari denied by 11 So. 3d 1250, 2009 Miss. LEXIS 177 (Miss. 2009).

Post-conviction relief was properly denied in an armed robbery case because a trial court correctly stated that, due to the nature of the charges, defendant was not eligible for parole, and he had to serve his entire 30 year sentence; defendant was not eligible under Miss. Code Ann. § 47-5-139 until the mandatory portion of his sentence had been served. *Robinson v. State*, 964 So. 2d 609 (Miss. Ct. App. 2007).

Motion for postconviction relief was properly dismissed without an evidentiary hearing in a case where a guilty plea was entered to the charge of burglary of an occupied dwelling because defendant offered no proof of what advice he was given about parole, other than the assertions made in the motion, and he was not

eligible for such due to his conviction; also, defendant was told by a trial court that he was required to serve the full term of his sentence when he entered a guilty plea. *Edge v. State*, 962 So. 2d 81 (Miss. Ct. App. 2007).

Miss. Code Ann. § 47-7-3(1)(d)(ii) foreclosed armed robbers convicted after October 1, 1994, from parole eligibility, and defendant entered his guilty plea in February 2003, well after the date when Miss. Code Ann. § 47-7-3(1)(d)(ii) became applicable to persons convicted for armed robbery; thus, the trial judge properly informed defendant about his ineligibility for parole or early release. *Gladney v. State*, 963 So. 2d 1217 (Miss. Ct. App. 2007).

Due to the fact that defendant had pled guilty to charges relating to the sale of methamphetamine, he was not eligible for parole since that crime was excepted from Miss. Code Ann. § 47-7-3; therefore, a motion for post-conviction relief was properly denied. *Heafner v. State*, 947 So. 2d 354 (Miss. Ct. App. 2007).

Court denied petitioner's request for post-conviction relief from her conviction for capital murder based on her claim that she was improperly informed of the trial judge's sentencing options when she was deciding to waive a jury determination of her sentence and to place the decision in the hands of the trial judge because petitioner did not raise the issue on direct appeal and was procedurally barred under Miss. Code Ann. § 99-39-21(1), and she failed to show cause and actual prejudice by being informed that the trial judge had "three sentencing options" under the capital sentencing statute, Miss. Code Ann. § 99-19-101(1), in that it could have sentenced her to death, life imprisonment without eligibility for parole, or life imprisonment. In reality, the trial court had only two sentencing options, death or life imprisonment without parole eligibility, because the parole statute, Miss. Code Ann. § 47-7-3(1)(f), denies parole eligibility to any person charged, tried, convicted, and sentenced to life imprisonment under the provisions of Miss. Code Ann. § 99-19-101. *Byrom v. State*, 927 So. 2d 709 (Miss. 2006), writ of certiorari denied by 549 U.S. 1056, 127 S. Ct. 662, 166 L. Ed. 2d 520,

2006 U.S. LEXIS 9076, 75 U.S.L.W. 3283 (2006).

Inmate's petition for post-conviction relief was denied because the denial of the possibility of parole for an armed robbery conviction came from Miss. Code Ann. § 47-7-3(1)(d)(ii), not from a trial judge. *Hinton v. State*, 947 So. 2d 979 (Miss. Ct. App. 2006), writ of certiorari denied by 947 So. 2d 960, 2007 Miss. LEXIS 94 (Miss. 2007).

Appellate court reversed the trial court's denial of inmate's petition for post-conviction relief as the record indicated that the trial court advised the inmate that he would be eligible for parole after 10 years, and under Miss. Code Ann. § 47-7-3(d)(ii), the inmate would not be eligible. Thus, the inmate was entitled to an evidentiary hearing on the matter. *Garner v. State*, — So. 2d —, 2005 Miss. App. LEXIS 695 (Miss. Ct. App. Sept. 27, 2005), opinion withdrawn by, substituted opinion at, remanded by 928 So. 2d 911, 2006 Miss. App. LEXIS 119 (Miss. Ct. App. 2006).

Trial court properly denied defendant's "motion to correct sentence" because applying Miss. Code Ann. § 47-5-138 to him was clearly impermissible under Miss. Code Ann. § 47-7-3, as he was an offender over 19 years of age and clearly ineligible for parole. *Smith v. State*, 914 So. 2d 330 (Miss. Ct. App. 2005).

Miss. Code Ann. § 47-7-3(g) provided that no person shall be eligible for parole who was convicted or whose suspended sentence was revoked after June 30, 1995; defendant was convicted of two sales of cocaine on December 3, 1996, such that he was plainly ineligible for parole release from the cocaine sales sentences pursuant to subsection (g), and any advice by counsel that defendant would have been eligible for parole if he pled guilty to the cocaine sales was erroneous. *Thomas v. State*, 881 So. 2d 912 (Miss. Ct. App., 2004).

Inmate's sentence after pleading guilty to a charge of armed robbery was proper where the record constituted sufficient evidence to show that the inmate was properly advised as to the minimum and maximum sentence prior to entering his plea; further, three years was the minimum sentence for armed robbery and a person

convicted of armed robbery could not receive a wholly suspended sentence as the inmate alleged that his attorney told him. *Mullins v. State*, 859 So. 2d 1082 (Miss. Ct. App. 2003).

Amendment to the parole eligibility statute, Miss. Code Ann. § 47-7-3(1), created an ambiguity because the usual rule that an inmate must serve one fourth of the sentence before parole eligibility can be modified if the prisoner was sentenced to a term of 30 years or more, or life, but the 10-year minimum appeared to only apply to life sentences; it was clear the Legislature intended the 10-year minimum sentence to apply to sentences of 30 years or more and that defendant was not entitled to a correction to his parole eligibility date. *Lattimore v. Sparkman*, 858 So. 2d 936 (Miss. Ct. App. 2003).

Defendant argued that his attorney had erroneously told him he would only have to serve 25 percent of his sentence and that the plea agreement was a good one; however, defendant could not decide which percentage of his sentence he believed he had to serve and defendant's claim was time barred; once a prisoners' effective assistance of counsel claims were time barred, they had to fall within one of the enumerated exceptions to remain viable. *Austin v. State*, 863 So. 2d 59 (Miss. Ct. App. 2003).

Trial court erred by stating (in its sentencing order that defendant was to serve his sentence "without the benefit of parole or probation" pursuant to Miss. Code Ann. § 47-7-3, which prohibited granting parole to persons convicted of a crime after June 30, 1995, since § 47-7-3(1)(g) was a mandate to the parole board and not to the courts; inclusion of this language was surplusage, but defendant was not entitled to any relief, since the sentence was not illegal. *Norwood v. State*, 846 So. 2d 1048 (Miss. Ct. App. 2003).

Defendant's supported allegations that his guilty plea to murdering his girlfriend was involuntary and the result of coercion because his attorney refused to investigate an allegedly incorrect criminal record that would have shown defendant to be a habitual criminal could properly be rejected by the trial court considering defendant's motion for post-conviction relief

without holding an evidentiary hearing; trial court could properly impose a life sentence without referring the matter to a jury. *Riley v. State*, 848 So. 2d 888 (Miss. Ct. App. 2003).

Other than first-time offenders convicted of nonviolent crimes, defendants were ineligible for parole; defendant was an habitual offender and had committed violent crimes, and whether or not he was an habitual offender was of no importance to the validity of the sentence because habitual offender status was but one route to a prison term without possibility of parole. *Booker v. Bailey*, 839 So. 2d 611 (Miss. Ct. App. 2003).

Because defendant was a juvenile and the death penalty was unavailable, the circuit court sentenced him to the only sentence currently available for capital murder, life imprisonment without parole. *Horne v. State*, 825 So. 2d 627 (Miss. 2002).

Language in sentencing order that defendant was to serve his sentence without hope of parole or probation was stricken as surplusage on appeal since the administration of parole for the defendant was governed by statute. *Norwood v. State*, — So. 2d —, 2001 Miss. App. LEXIS 489 (Miss. Ct. App. Nov. 27, 2001), opinion withdrawn by, substituted opinion at 846 So. 2d 1048, 2003 Miss. App. LEXIS 472 (Miss. Ct. App. 2003).

Whether defendant was classified as an accessory before the fact or an aider and abettor to the gunman was irrelevant where his role was tantamount to that of the principal; therefore, there was no error in the sentence that was given based on his guilty plea for murder. *Walton v. State*, 752 So. 2d 452 (Miss. Ct. App. 1999).

A post-conviction relief petitioner was entitled to an evidentiary hearing on the voluntariness of his guilty plea where the transcripts of the petitioner's change of plea hearing and sentencing hearing indicated that the assistant district attorney, the defendant's attorney, and the trial judge were confused or misinformed as to § 47-7-3, under which the defendant was pleading guilty, and consequently the defendant was not properly advised of the mandatory minimum sentence he would

have to serve before becoming eligible for parole. *Washington v. State*, 620 So. 2d 966 (Miss. 1993).

A defendant who was convicted of armed robbery was entitled to an evidentiary hearing pursuant to §§ 99-39-13 through 99-39-23 on the issue of whether he was afforded ineffective assistance of counsel during the plea process, where the defendant alleged that his attorney erroneously informed him that if he accepted the prosecution's plea bargain offer of 15 years imprisonment he would be eligible for parole after serving 3 years and 9 months of his sentence, and that he would not have accepted the prosecution's plea bargain offer had he known that he would be ineligible for parole for 10 years pursuant to § 47-7-3(1)(d), which provides that a person convicted of robbery and sentenced to more than 10 years imprisonment shall not be eligible for parole until after serving at least 10 years of the sentence. *Alexander v. State*, 605 So. 2d 1170 (Miss. 1992).

Where it appeared that the trial court, in sentencing a 16-year-old defendant convicted of armed robbery to a term of 14 years in state prison, had been under the misapprehension that §§ 97-3-79 and 47-7-3, read together, mandated a sentence of at least 10 years in the state penitentiary, absent a jury verdict of life imprisonment, the case would be remanded to the court for a clarification of the sentencing since there was no way to ascertain whether the trial court had considered the statutory alternative for sentencing minor offenders under the provisions of § 43-21-159(3). *Bougon v. State*, 405 So. 2d 101 (Miss. 1981).

In a prosecution for armed robbery, a sentence of 12 years in prison, without eligibility of parole for 10 years, imposed upon a 14-year-old mentally retarded defendant did not constitute cruel and unusual punishment; however, the case would be remanded to the trial court for consideration of alternative sentencing under § 43-21-159 where the trial judge should have placed in the record the sources and facts of his sentence study and should have permitted the defendant's attorney to introduce evidence of the presence or absence of facilities at the

Mississippi State Penitentiary for the care of the defendant, and the availability of other institutions or facilities which could be utilized by the defendant. *May v. State*, 398 So. 2d 1331 (Miss. 1981).

In a prosecution for armed robbery, the defendant's contention that his sentence

of 30 years imprisonment without parole was unconstitutional became moot with the passage of § 47-7-3(d) which provides that persons who have been convicted of armed robbery would be eligible for parole after serving 10 years. *Bankston v. State*, 391 So. 2d 1005 (Miss. 1980).

ATTORNEY GENERAL OPINIONS

Simple assault on a police officer is not excluded for parole eligibility under the statute. *Johnson*, Sept. 19, 2001, A.G. Op. #01-0545.

A violation of § 97-23-63, which prohibits photographing or filming another without permission where there is an expectation of privacy, is not a "sex crime" for the purpose of determining eligibility for parole or the intensive supervision program. *Johnson*, June 14, 2002, A.G. Op. #02-0336.

An inmate with a pre-1995 parole-eligible sentence retains his parole eligibility on that sentence if he is subsequently convicted of another crime after June 30, 1995. *Epps*, Mar. 21, 2003, A.G. Op. #03-0107.

An offender who has been convicted of a nonviolent offense and who has had a

previous felony charge expunged under § 41-29-150(d)(2) may qualify as a first offender for parole eligibility purposes under subsection (g) of this section. *Epps*, Nov. 7, 2003, A.G. Op. 03-0589.

If a defendant is convicted of an offense for which he would normally be eligible for parole, but prior to being sentenced for that first offense he is convicted of a separate felony, he is no longer considered a first offender and eligible for parole. *Taylor*, Aug. 27, 2004, A.G. Op. 04-0393.

Unless required by federal law or federal desegregation order, a school board who orders the superintendent to reassign teachers based upon racial ratios would substantially encroach on the prerogatives clearly delegated by statute to the superintendent. *Rhodes*, Apr. 28, 2006, A.G. Op. 06-0133.

§ 47-7-4. Conditional medical release of prisoners; criteria; supervision; revocation.

The commissioner and the medical director of the department may place an offender who has served not less than one (1) year of his or her sentence, except an offender convicted of a sex crime, on conditional medical release. However, a nonviolent offender who is terminally ill may be placed on conditional medical release regardless of the time served on his or her sentence. Upon the release of a nonviolent offender who is terminally ill, the state shall not be responsible or liable for any medical costs that may be incurred if such costs are acquired after the offender is no longer incarcerated due to his or her placement on conditional medical release. The commissioner shall not place an offender on conditional medical release unless the medical director of the department certifies to the commissioner that (a) the offender is suffering from a significant permanent physical medical condition with no possibility of recovery; (b) that his or her further incarceration will serve no rehabilitative purposes; and (c) that the state would incur unreasonable expenses as a result of his or her continued incarceration. Any offender placed on conditional medical release shall be supervised by the Division of Community Corrections of the department for the remainder of his or her sentence. An offender's conditional medical release may be revoked and the offender returned and placed in actual custody of the department if the offender violates an order or condition of his or her conditional medical release.

Editor's Note — Laws of 1994, 1st Ex Sess, ch. 25, § 8, provides as follows:

“SECTION 8. The State Parole Board created by Section 1 of this act is a continuation of the State Parole Board that existed on June 30, 1994. Executive Order 754, issued June 24, 1994, shall have no force or effect from and after the effective date of this act, and the State Parole Board created by Section 1 of this act supersedes the entity referred to in Executive Order 754 in all respects after the effective date of this act; however, all actions taken by the entity referred to in Executive Order 754 between June 30, 1994, and the effective date of this act that would have been lawful if they had been taken by the State Parole Board as it existed on June 30, 1994, pursuant to the

board's powers or duties as they existed on June 30, 1994, or pursuant to any powers or duties of the board provided for by any state law enacted during the 1994 Regular Session or any federal law or regulation that was in effect between June 30, 1994, and the effective date of this act, are retroactively ratified, confirmed and validated. In addition, all actions taken by the State Fiscal Officer, the State Treasurer and their respective employees between June 30, 1994, and the effective date of this act in connection with the expenditure by the entity referred to in Executive Order 754 of any of the funds appropriated to the Department of Corrections by Senate Bill 3253, 1994 Regular Session, are retroactively ratified, confirmed and validated. Nothing in this section shall be construed as ratifying any authority of the Governor to establish a state agency by Executive Order."

Laws of 2005, ch. 485, § 11 provides as follows:

"SECTION 11. The intensive supervision program established in Laws of 2005, Chapter 485 is a continuation of the intensive supervision program that existed on June 30, 2004. All actions taken by the Department of Corrections from July 1, 2004, to April 6, 2005, which would have been authorized under the prior intensive supervision program are ratified, confirmed and validated."

JUDICIAL DECISIONS

1. In general.

Both defendant and the Mississippi Attorney General's Office agreed that defendant's parole and release dates were incorrectly calculated in regard to the date his sentence began, and as to credits and trusty time. Thus, the appellate court reversed the determination that defendant was not entitled to a hearing and remanded the matter to the Mississippi Parole Board to allow the Board to make the exact calculations of defendant's parole and release dates; however, on remand, the Board was free to grant or deny defendant's petition for parole and the circuit court had no authority to determine defendant's parole eligibility. *Lizana v. Scott*, 910 So. 2d 31 (Miss. Ct. App. 2005).

An agreement between a capital murder defendant and the State for the imposition of a sentence of life imprisonment without the possibility of parole was void and unenforceable on public policy grounds where the defendant was not an habitual offender, since a sentence of life imprisonment without the possibility of parole is not an option unless the defendant is adjudged an habitual offender; the agreement was an attempt to circumvent

§ 99-19-101, which only authorizes a sentence of life imprisonment or death for capital murder, and its enforcement by the court would bind the parole board, which would effect judicial encroachment on an executive function. *Lanier v. State*, 635 So. 2d 813 (Miss. 1994).

Parole board members who voted to parole a prisoner to Friends of Alcoholics (FOA) were not liable to a person who was injured by the parolee after he left FOA without leave; the parole board members did not lose their qualified immunity, either by failure to perform their ministerial functions or by acting with reckless disregard in voting to parole the parolee to FOA, where pertinent information regarding the parolee was contained in his parole file and the master file which were reviewed by the parole board when the case was considered. The board members substantially complied with the duties and requirements set forth in the statute for members of the parole board, particularly § 47-7-17 and there was no violation of their ministerial duties. Additionally, although the board members were lay persons, untrained, unschooled, and inexperienced in the complex and sensitive

problems of probation and parole, and even though judgment and decision was deficient and lacking, they were exercising discretionary authority; their decision was the result of personal deliberation and judgment, and they did not commit willful wrongs or malicious acts. Furthermore, they did not act with reckless disregard and did not exceed and pervert their discretionary authority-theirs was an exercise of poor judgment. As a result of this case, the legislature enacted a law providing for a full time parole board with members who are salaried employees of the

State, and providing that the parole board members shall be immune from civil liability for any official acts taken in good faith and in exercise of the board's legitimate governmental authority. *Sykes v. Grantham*, 567 So. 2d 200 (Miss. 1990).

The Department of Corrections has no duty to provide the Parole Board with information and has no control over parole decisions. Thus, the department had no duty to a victim assaulted by a paroled prisoner. *Grantham v. Mississippi Dep't of Cors.*, 522 So. 2d 219 (Miss. 1988).

ATTORNEY GENERAL OPINIONS

Actual and necessary expenses do not include travel between one's home and office where one normally works. *Hughes*, May 22, 1991, A.G. Op. #91-0375.

A member of the Parole Board may conduct worship service on Sunday mornings and teach bible class on Wednesday nights in addition to his duties as a member of the Parole Board, but may not receive compensation therefore. *Naylor*, April 16, 1999, A.G. Op. #99-0168.

The State Parole Board has no authority to parole an offender under subsection

(8) who is suffering from a terminal illness but has not served sufficient prison time to be eligible for parole. *Pope*, Feb. 13, 2001, A.G. Op. #2001-0033.

The State Parole Board has no authority to parole an offender under subsection (8) who is suffering from a terminal illness but is sentenced under a law such as "Truth in Sentencing" which does not provide for a parole. *Pope*, Feb. 13, 2001, A.G. Op. #2001-0033.

§ 47-7-9. General powers and duties of personnel of Division of Community Corrections as field supervisors and presentence investigators.

(1) The circuit judges and county judges in the districts to which Division of Community Corrections personnel have been assigned shall have the power to request of the department transfer or removal of the division personnel from their court.

(2)(a) Division personnel shall investigate all cases referred to them for investigation by the board, the division or by any court in which they are authorized to serve. They shall furnish to each person released under their supervision a written statement of the conditions of probation, parole, earned-release supervision, post-release supervision or suspension and shall instruct him regarding the same. They shall keep informed concerning the conduct and conditions of persons under their supervision and use all suitable methods to aid and encourage them and to bring about improvements in their conduct and condition. They shall keep detailed records of their work and shall make such reports in writing as the court or the board may require.

(b) The division personnel duly assigned to court districts are hereby vested with all the powers of police officers or sheriffs to make arrests or perform any other duties required of policemen or sheriffs which may be incident to the division personnel responsibilities. All probation and parole officers hired on or after July 1, 1994, will be placed in the Law Enforcement Officers' Training Program and will be required to meet the standards outlined by that program.

(c) It is the intention of the Legislature that insofar as practicable the case load of each division personnel supervising offenders in the community (hereinafter field supervisor) shall not exceed the number of cases that may be adequately handled.

(3)(a) Division personnel shall be provided to perform investigation for the court as provided in this subsection. Division personnel shall conduct presentence investigations on all persons convicted of a felony in any circuit court of the state, prior to sentencing and at the request of the circuit court judge of the court of conviction. The presentence evaluation report shall consist of a complete record of the offender's criminal history, educational level, employment history, psychological condition and such other information as the department or judge may deem necessary. Division personnel shall also prepare written victim impact statements at the request of the sentencing judge as provided in Section 99-19-157.

(b) In order that offenders in the custody of the department on July 1, 1976, may benefit from the kind of evaluations authorized in this section, an

evaluation report to consist of the information required hereinabove, supplemented by an examination of an offender's record while in custody, shall be compiled by the division upon all offenders in the custody of the department on July 1, 1976. After a study of such reports by the State Parole Board those cases which the board believes would merit some type of executive clemency shall be submitted by the board to the Governor with its recommendation for the appropriate executive action.

(c) The department is authorized to accept gifts, grants and subsidies to conduct this activity.

JUDICIAL DECISIONS

1. In general.

Petition for postconviction relief was denied because there was no error in the mention of the conspiracy charges during sentencing when the state requested their retirement to the file; there was no indication that the conspiracy charges, which were not included in a pre-sentence report, were considered as aggravating factors. *Moody v. State*, 964 So. 2d 564 (Miss. Ct. App. 2007).

Defendant's convictions for armed robbery and arson were proper where the failure to grant a sentencing hearing was not in error because the trial judge was already privy to the facts of the case and the aggravating and mitigating circumstances prior to sentencing, *Miss. Code Ann. § 47-7-9(3)(a)*. *Payton v. State*, 897 So. 2d 921 (Miss. 2003).

In a prosecution for possession of cocaine with intent to distribute, the trial court did not err in failing to order a presentence report, thus prohibiting the defendant from offering mitigating cir-

cumstances for the court's consideration prior to imposition of sentence, since presentence investigations and reports are discretionary with the trial judge and not mandatory. *Edwards v. State*, 615 So. 2d 590 (Miss. 1993).

The use of presentence investigations and reports, as provided in § 47-7-9(3)(a), are discretionary with the trial judge and are not mandatory; a defendant does not have a right to a presentence investigation. *Roberson v. State*, 595 So. 2d 1310 (Miss. 1992).

Failure to request pre-sentence report is not ineffective assistance of counsel because defendant is not automatically entitled to pre-sentence reports under § 47-7-9(3)(a), which clearly states that pre-sentence reports are given only at discretion of circuit judge. *Stringer v. Scroggy*, 675 F. Supp. 356 (S.D. Miss. 1987), aff'd, 862 F.2d 1108 (5th Cir. 1988), reh'g denied, 866 F.2d 1417 (5th Cir. 1989), vacated, 494 U.S. 1074, 110 S. Ct. 1800, 108 L. Ed. 2d 931 (1990), on re-

mand, 909 F.2d 111 (5th Cir. 1990), vacated on other grounds, 979 F.2d 38 (5th Cir. 1992).

A presentence report under § 47-7-9(3)(a) is required only when the circuit judge requests it, and there is no reason to order such a report in a capital case in which the jury imposes the sentence and both the state and the defendant are entitled to present evidence. *Johnson v. Thigpen*, 449 So. 2d 1207 (Miss. 1984).

In a prosecution for murder while engaged in the offense of kidnapping, the trial court did not commit reversible error by sentencing the defendant to death without a pre-sentence report where the sentencing jury had decided the issue of sentence after a full hearing on the issues of mitigating and aggravating circumstances. *In re Jordan*, 390 So. 2d 584 (Miss. 1980).

§ 47-7-17. Examination of offender's record; eligibility for parole.

Within one (1) year after his admission and at such intervals thereafter as it may determine, the board shall secure and consider all pertinent information regarding each offender, except any under sentence of death or otherwise ineligible for parole, including the circumstances of his offense, his previous social history, his previous criminal record, including any records of law enforcement agencies or of a youth court regarding that offender's juvenile criminal history, his conduct, employment and attitude while in the custody of the department, and the reports of such physical and mental examinations as have been made. The board shall furnish at least three (3) months' written notice to each such offender of the date on which he is eligible for parole.

Before ruling on the application for parole of any offender, the board may have the offender appear before it and interview him. The hearing shall be held two (2) months prior to the month of eligibility in order for the department to address any special conditions required by the board. No application for parole of a person convicted of a capital offense shall be considered by the board unless and until notice of the filing of such application shall have been

published at least once a week for two (2) weeks in a newspaper published in or having general circulation in the county in which the crime was committed. The board shall also give notice of the filing of the application for parole to the victim of the offense for which the prisoner is incarcerated and being considered for parole or, in case the offense be homicide, a designee of the immediate family of the victim, provided the victim or designated family member has furnished in writing a current address to the board for such purpose. A parole shall be ordered only for the best interest of society, not as an award of clemency; it shall not be considered to be a reduction of sentence or pardon. An offender shall be placed on parole only when arrangements have been made for his proper employment or for his maintenance and care, and when the board believes that he is able and willing to fulfill the obligations of a law-abiding citizen. Within forty-eight (48) hours prior to the release of an offender on parole, the Director of Records of the department shall give the written notice which is required pursuant to Section 47-5-177. Every offender while on parole shall remain in the legal custody of the department from which he was released and shall be amenable to the orders of the board. The board, upon rejecting the application for parole of any offender, shall within thirty (30) days following such rejection furnish that offender in general terms the reasons therefor in writing. Upon determination by the board that an offender is eligible for release by parole, notice shall also be given by the board to the victim of the offense or the victim's family member, as indicated above, regarding the date when the offender's release shall occur, provided a current address of the victim or the victim's family member has been furnished in writing to the board for such purpose.

Failure to provide notice to the victim or the victim's family member of the filing of the application for parole or of any decision made by the board regarding parole shall not constitute grounds for vacating an otherwise lawful parole determination nor shall it create any right or liability, civilly or criminally, against the board or any member thereof.

A letter of protest against granting an offender parole shall not be treated as the conclusive and only reason for not granting parole.

The board may adopt such other rules not inconsistent with law as it may deem proper or necessary with respect to the eligibility of offenders for parole, the conduct of parole hearings, or conditions to be imposed upon parolees, including a condition that the parolee submit, as provided in Section 47-5-601 to any type of breath, saliva or urine chemical analysis test, the purpose of which is to detect the possible presence of alcohol or a substance prohibited or controlled by any law of the State of Mississippi or the United States. The board shall have the authority to adopt rules permitting certain offenders to be placed on unsupervised parole. However, in no case shall an offender be placed on unsupervised parole before he has served a minimum of three (3) years of supervised parole.

JUDICIAL DECISIONS

1. In general; construction.
2. Change in law, regulation or interpretation; ex post facto effect.
3. Conduct of board members; liability.
4. Presence of prisoner at hearing.
5. Miscellaneous.
6. Discretion.

1. In general; construction.

Denial of the inmate's petition for writ of habeas corpus was affirmed as (1) Miss. Code Ann. § 47-7-17 did not create a constitutionally protected liberty interest in parole, (2) the inmate waived his right to argue that he was prejudiced by the Parole Board's failure to publish notice of his parole hearing as it was not raised below, and (3) the inmate did not argue in his petition that he had ever been denied the opportunity to call witnesses or that the Parole Board refused to listen to their testimony. *Way v. Miller*, 919 So. 2d 1036 (Miss. Ct. App. 2005).

Inmate's complaint filed with the circuit court for a review of the parole board's determinations was properly dismissed because the circuit court did not have the jurisdiction to grant or deny parole. Further, while the inmate had entitled his petition a habeas corpus action, because the parole board had complete discretion to grant or deny parole, the inmate failed to state a claim that would have required an evidentiary hearing. *Johnson v. Miller*, 919 So. 2d 273 (Miss. Ct. App. 2005).

Parole statutes contain no mandatory language, but instead employ permissive "may" rather than "shall," and thus prisoners have no constitutionally recognized liberty interest in parole. *Vice v. State*, 679 So. 2d 205 (Miss. 1996).

The Mississippi parole statutes do not create a constitutionally protected liberty interest in the form of an expectation of parole because of the use of the permissive "may" in § 47-7-3, which provides that a prisoner "may be released on parole as hereinafter provided," read in the context of the other provisions of that section and, as well, those of § 47-7-17. Thus, Mississippi law did not vest a convicted and incarcerated felon with a liberty interest in parole entitling him to due process of law incident to his application for parole. *Harden v. State*, 547 So. 2d 1150 (Miss. 1989).

2. Change in law, regulation or interpretation; ex post facto effect.

An administrative correction of a prior misinterpretation of parole laws is not a change in the law so as to violate the ex post facto clause of the United States or Mississippi Constitutions; even if the correction of a former mistaken interpretation of parole law did reach the level of a change in law, administrative decisions with regard to parole law eligibility are not "laws annexed to the crime when committed." *Taylor v. Mississippi State*

Probation & Parole Bd., 365 So. 2d 621 (Miss. 1978).

3. Conduct of board members; liability.

Parole board members who voted to parole prisoner to Friends of Alcoholics (FOA) were not liable to a person injured by the parolee after he left FOA without leave; parole board members did not lose qualified immunity, either by failure to perform ministerial functions or by acting with reckless disregard in voting to parole the parolee to FOA, where pertinent information regarding parolee was contained in his parole file and the master file which were reviewed by board when case was considered. Board members substantially complied with duties and requirements set forth in the statute for members of parole board, particularly § 47-7-17, and there was no violation of ministerial duties. Additionally, although board members were lay, untrained, unschooled, and inexperienced in complex and sensitive problems of probation and parole, and even though judgment and decision was deficient and lacking, they were exercising discretionary authority; their decision was the result of personal deliberation and judgment, and they did not commit willful wrongs or malicious acts, or act with reckless disregard or exceed and pervert their discretionary authority. (As a result of case, legislature enacted law providing for full time parole board with members salaried employees of State, immune from civil liability for any official acts taken in good faith and in exercise of board's legitimate governmental authority.) *Sykes v. Grantham*, 567 So. 2d 200 (Miss. 1990).

A complaint which alleged that members of the parole board were guilty of gross neglect of their duties under § 47-7-17 in paroling an inmate who subsequently injured a person was sufficient to pierce the shield of the officials' qualified immunity to suit. *Grantham v. Mississippi Dep't of Cors.*, 522 So. 2d 219 (Miss. 1988).

4. Presence of prisoner at hearing.

Court rejected the inmate's claim that he was entitled to review his parole board file, because under Miss. Code Ann. § 47-7-17, the board may have the offender

appear before it and interview him before ruling on the application for parole of any offender; therefore, if the parole board was under no obligation to have the offender present at his parole hearing, it logically followed that the board was under no obligation to disclose its file to the offender. *Edmond v. Miller*, 942 So. 2d 203 (Miss. Ct. App. 2006), writ of certiorari denied by 942 So. 2d 164, 2006 Miss. LEXIS 718 (Miss. 2006).

This section vests discretion with the parole board to determine whether an applicant for parole will appear before it for an interview and, therefore, a prisoner has no right to be present at the meeting of the parole board. *Justus v. State*, 750 So. 2d 1277 (Miss. Ct. App. 1999).

5. Miscellaneous.

Inmate's due process rights were not violated when a district attorney sent a letter to a parole board objecting to parole because there was no breach of a plea agreement; the district attorney kept the promise of making a sentencing recommendation, and eligibility for parole did not affect a voluntariness analysis since there was no right to parole. *Garlotte v. State*, 915 So. 2d 460 (Miss. Ct. App. 2005), writ of certiorari denied by 921 So. 2d 1279, 2005 Miss. LEXIS 769 (Miss. 2005).

A trial court erred in concluding that the State of Florida lost jurisdiction over a petitioner when it released her to the custody of a Mississippi bail bondsman because the effect of Florida's release of the petitioner to the State of Mississippi was a question to be answered in the first instance by a proper court of the State of Florida. Furthermore, the parole board was without statutory or other authority to condition the petitioner's parole on her voluntarily submitting herself to the custody of the State of Florida, which the petitioner had refused to do on several occasions, and the trial court compounded this error by removing this condition and ordering the parole board to release the petitioner immediately, which was beyond the court's authority since determining the eligibility for parole is peculiarly and solely a discretionary function of the parole board. *State v. Read*, 544 So. 2d 810 (Miss. 1989).

The decision in *Gates v. Collier* (CA5 Miss.) 501 F.2d 1291, is not to be applied retroactively to require expungement of records made before the adoption of disciplinary procedures that conform to constitutional requirements. *Leonard v. Mississippi State Probation & Parole Bd.*, 509 F.2d 820 (5th Cir. 1975), reh'g denied, 515 F.2d 510 (5th Cir. 1975), cert. denied, 423 U.S. 998, 96 S. Ct. 428, 46 L. Ed. 2d 373 (1975).

The state parole board did not have authority to issue a release to detainee only and, under the guise of such an instrument, to transfer custody of a prisoner from the state penitentiary to a federal penitentiary. As prisoner's transfer to federal authorities was void from the be-

ginning, he had no right to complain of his return to state custody following his posting of appeal bond in the federal case. *Jones v. State*, 312 So. 2d 717 (Miss. 1975).

6. Discretion.

Clearly, the inmate's prison conduct record was not identical to the prison conduct records of the other two co-defendants. He committed a violent felony after having been convicted of homicide, the parole board had discretion to grant or deny parole for each individual, and its decision to deny parole to the inmate while granting parole to the co-defendants satisfied the rational basis standard of review. *Johnson v. Miller*, 919 So. 2d 273 (Miss. Ct. App. 2005).

§ 47-7-27. Return of violator of parole or earned release supervision; arrest of offender; revocation of parole; board and hearing officers authorized to administer oaths and summon witnesses.

The board is hereby authorized at any time, in its discretion, and upon a showing of probable violation of parole, to issue a warrant for the return of any paroled offender to the custody of the Mississippi Department of Corrections. Such warrant shall authorize all persons named therein to return such paroled offender to actual custody of the Department of Corrections from which he was paroled. Pending hearing, as hereinafter provided, upon any charge of parole violation, the offender shall remain incarcerated in any other place of detention designated by the department.

Any field supervisor may arrest an offender without a warrant or may deputize any other person with power of arrest to do so by giving him a written statement setting forth that the offender has, in the judgment of that field supervisor, violated the conditions of his parole or earned-release supervision. Such written statement delivered with the offender by the arresting officer to the official in charge of the department facility from which the offender was released or other place of detention designated by the department shall be sufficient warrant for the detention of the offender.

The field supervisor, after making an arrest, shall present to the detaining authorities a similar statement of the circumstances of violation. The field supervisor shall at once notify the board or department of the arrest and detention of the offender and shall submit a written report showing in what manner the offender has violated the conditions of parole or earned-release supervision. An offender for whose return a warrant has been issued by the board shall, after the issuance of such warrant, be deemed a fugitive from justice.

The law now in effect concerning the right of the State of Mississippi to extradite persons and return fugitives from justice, from other states to this state, shall not be impaired by this chapter and shall remain in full force and effect. An offender convicted of a felony committed while on parole, whether in the State of Mississippi or another state, shall immediately have his parole revoked upon presentment of a certified copy of the commitment order to the board. If an offender is on parole and the offender is convicted of a felony for a crime committed prior to the offender being placed on parole, whether in the State of Mississippi or another state, the offender may have his parole revoked upon presentment of a certified copy of the commitment order to the board.

At the next meeting of the board held after the issuance of a warrant for the retaking of any offender, the board shall be notified thereof; and if the offender shall have been taken into custody, he shall then be given an opportunity to appeal to the board in writing or in person why his parole should not be revoked. The board may then, or at any time in its discretion, terminate such parole or modify the terms and conditions thereof. In the event the board shall revoke parole, the offender shall serve the remainder of the sentence originally imposed unless at a later date the board shall think it expedient to grant the offender a second parole. In case a second parole shall not be granted, then the offender shall serve the remainder of the sentence originally imposed, and the time the offender was out on parole shall not be taken into account to diminish the time for which he was sentenced.

The chairman and each member of the board and the designated parole revocation hearing officer, in the discharge of their duties, are authorized to administer oaths, to summon and examine witnesses, and take other steps as may be necessary to ascertain the truth of any matter about which they may have the right to inquire.

JUDICIAL DECISIONS

1. Discretion of parole board.
2. Grounds for revocation.
3. Constitutional issues.
4. Necessity for hearing.
5. Burden of proof.
6. Credit for time served, for time on parole.
7. Miscellaneous.

1. Discretion of parole board.

Court rejected the inmate's claim that Miss. Code Ann. § 47-7-27 was unconstitutionally vague and ambiguous and that it discriminated against him as an inmate sentenced to life in prison, because the language of § 47-7-27 was quite clear and an ordinary person of common intelligence upon reading it could understand what was allowed and what was not. Section 47-7-27 applied to offenders who previously had parole revoked, and provided that the inmate's eligibility for a second parole was subject to the parole board's discretion, and that the inmate was only entitled to a psychological evaluation if the parole board exercised its discretion to grant him a second parole. *Edmond v. Miller*, 942 So. 2d 203 (Miss. Ct. App. 2006), writ of certiorari denied by 942 So. 2d 164, 2006 Miss. LEXIS 718 (Miss. 2006).

Circuit court properly dismissed the prisoner's civil suit alleging that the failure of the parole board to revoke his parole upon entry of later burglary pleas violated his civil rights. He failed to prove that the parole board had abused its discretion. *Marshall v. Ruth*, 882 So. 2d 252 (Miss. Ct. App. 2004).

2. Grounds for revocation.

On revocation of parole, it must be shown that parolee has violated terms and conditions of parole. *Alexander v. State*, 667 So. 2d 1 (Miss. 1995), cert. denied, 517 U.S. 1145, 116 S. Ct. 1441, 134 L. Ed. 2d 562 (1996).

Commission of felony while on parole is grounds for revocation. *Alexander v. State*, 667 So. 2d 1 (Miss. 1995), cert. denied, 517 U.S. 1145, 116 S. Ct. 1441, 134 L. Ed. 2d 562 (1996).

Evidence that parolee violated terms and conditions of his parole supported

revocation of his parole by state Parole Board, even though parolee successfully appealed conviction which initially led to revocation of his parole; Parole Board did not rely solely on parolee's conviction for simple assault as violation of condition of his parole agreement requiring him to live and remain at liberty without violating law, but also upon parolee's statements at parole revocation hearing that he was guilty of simple assault and had ceased taking his prescribed medication. *Alexander v. State*, 667 So. 2d 1 (Miss. 1995), cert. denied, 517 U.S. 1145, 116 S. Ct. 1441, 134 L. Ed. 2d 562 (1996).

Before parole of parolee acquitted of a criminal charge may be revoked, state must offer actual proof that he committed an act violating terms and conditions of his parole. *Alexander v. State*, 667 So. 2d 1 (Miss. 1995), cert. denied, 517 U.S. 1145, 116 S. Ct. 1441, 134 L. Ed. 2d 562 (1996).

A trial court properly denied a parolee's petition for writ of habeas corpus, in which the parolee claimed that he was not afforded a timely parole revocation hearing, where the admitted evidence showed that the parolee had violated the conditions of his parole by 2 Tennessee felony convictions and failure to waive extradition back to Mississippi; these were reasonable grounds for revoking his parole, and therefore all procedural due process guarantees were met. *Godsey v. Houston*, 584 So. 2d 389 (Miss. 1991).

Acquittal in a criminal proceeding does not per se preclude parole revocation predicated upon the same charge. The terms and conditions of parole are broader than a mere directive that the parolee commit no felony. Where a prisoner was acquitted of the crime of rape, with which he had been charged while on parole, the acquittal might have meant that the prisoner was not guilty of any act which constituted a violation of the terms and conditions of his parole and, therefore, the acquittal on the criminal charge meant at the very least that, before his parole could be revoked, the State was required to offer actual proof that he committed an act violating the terms and conditions of his parole, and the mere fact that he was

arrested and charged with rape would not suffice. *Moore v. Ruth*, 556 So. 2d 1059 (Miss. 1990).

Conviction of a felony by a parolee is a reasonable ground under Mississippi standards for revocation of parole. *Bobkoskie v. State*, 495 So. 2d 497 (Miss. 1986).

Evidence in parole revocation proceeding showed that parolee not only violated the conditions of his parole which required that he "live and remain at liberty without violating the law", but it showed that the 2 violations, convictions for the crime of burglary in State of Colorado, were reasonable grounds for revocation of his parole under state standards. *Bobkoskie v. State*, 495 So. 2d 497 (Miss. 1986).

3. Constitutional issues.

Inmate's due-process rights were not violated when his parole was revoked because upon receiving a certified copy of the order of the court of appeals, the parole board had authority pursuant to Miss. Code Ann. 47-7-27 to immediately revoke the inmate's parole on his earlier conviction; a preliminary revocation hearing and a parole-revocation hearing were held, and the parole board then sent the inmate a letter, which provided notice of its decision to revoke his parole and afforded an opportunity to present evidence on his behalf. *Walker v. State*, 35 So. 3d 555 (Miss. Ct. App. 2010).

A trial court properly denied a parolee's petition for writ of habeas corpus, in which the parolee claimed that he was not afforded a timely parole revocation hearing, where the admitted evidence showed that the parolee had violated the conditions of his parole by 2 Tennessee felony convictions and failure to waive extradition back to Mississippi; these were reasonable grounds for revoking his parole, and therefore all procedural due process guarantees were met. *Godsey v. Houston*, 584 So. 2d 389 (Miss. 1991).

Denying an inmate credit for time served while on parole did not deprive her of rights secured under the double jeopardy clause, deny her due process of law, or subject her to an ex post facto law. *Segarra v. State*, 430 So. 2d 408 (Miss. 1983).

4. Necessity for hearing.

Where petitioner knew why deputy administrative assistant to the state probation and parole board had come to the jail in which petitioner was lodged for public drunkenness and he knew the parole violation he was charged with, when petitioner freely admitted that he had become intoxicated there was adequate reason for his detention and return to the state penitentiary without the necessity of a preliminary hearing. *Gardner v. Collier*, 274 So. 2d 662 (Miss. 1973).

5. Burden of proof.

There are differing burdens of proof in a criminal prosecution and in a parole revocation proceeding; at a criminal trial, the prosecution must prove the accused guilty beyond a reasonable doubt while in parole revocation proceedings, the accused is generally protected by lesser standards of proof. Thus, the failure of a jury to find one guilty beyond a reasonable doubt does not mean that, by some lesser standard, the facts and circumstances may not be found to be a violation of the terms and conditions of parole. However, where a prisoner was acquitted of the crime of rape, with which he had been charged while on parole, the acquittal might have meant that the prisoner was not guilty of any act which constituted a violation of the terms and conditions of his parole and, therefore, the acquittal on the criminal charge meant at the very least that, before his parole could be revoked, the State was required to offer actual proof that he committed an act violating the terms and conditions of his parole, and the mere fact that he was arrested and charged with rape would not suffice. *Moore v. Ruth*, 556 So. 2d 1059 (Miss. 1990).

6. Credit for time served, for time on parole.

An inmate was properly denied credit for time served upon her original sentence for time spent out of prison on parole prior to its revocation, even though credit is allowed for time spent on work release, which is functionally similar to parole. *Segarra v. State*, 430 So. 2d 408 (Miss. 1983).

7. Miscellaneous.

Inmate's claim that his parole was unlawfully revoked was not procedurally

barred because his post-conviction relief motion fit within an exception to both the general prohibition against successive writs under the Mississippi Uniform Post-Conviction Collateral Relief Act, Miss. Code Ann. '99-39-23(6), and the three-year statute of limitations under the Act, Miss. Code Ann. '99-39-5(2)(b). *Walker v. State*, 35 So. 3d 555 (Miss. Ct. App. 2010).

Field supervisor, within the meaning of Miss. Code Ann. § 47-7-27, is someone who supervises parolees, rather than someone who supervises other field officers. In other words, a field supervisor is someone who supervises in the field. Furthermore, the Mississippi Code uses the terms field officer and field supervisor interchangeably. *Barlow v. State*, 8 So. 3d 196 (Miss. Ct. App. 2008), writ of certiorari denied by 11 So. 3d 1250, 2009 Miss. LEXIS 204 (Miss. 2009).

Pursuant to Miss. Code Ann. § 47-7-27 (Rev. 2004), the officer had the authority to initiate the roadblock with the sheriff's department, even though he was a field officer and not a field supervisor, and because he had received tips that a parolee was actively involved in criminal activity, he was not required to wait until he had independent reason to believe that defendant had committed a crime to arrest him. *Barlow v. State*, 8 So. 3d 196

(Miss. Ct. App. 2008), writ of certiorari denied by 11 So. 3d 1250, 2009 Miss. LEXIS 204 (Miss. 2009).

If parolee violates term or condition of parole, parole authorities need not await principal trial before commencing proceedings to have parole revoked. *Alexander v. State*, 667 So. 2d 1 (Miss. 1995), cert. denied, 517 U.S. 1145, 116 S. Ct. 1441, 134 L. Ed. 2d 562 (1996).

If parolee's petition for mandamus, which sought to compel the chairman of the Mississippi Parole Board to either return parolee from Colorado to Mississippi for parole revocation hearing or to hold a revocation hearing in his absence, should be treated as a motion under § 99-39-5, for relief on grounds his parole was unlawfully revoked, parolee would not be entitled to relief in view of language in § 47-7-27. *Bobkoskie v. State*, 495 So. 2d 497 (Miss. 1986).

Fourteenth Amendment precludes state court from automatically revoking probation and imposing prison term when probationer is unable to pay fine, without finding that probationer has not made bona fide effort to pay fine or that alternative forms of punishment are adequate. *Bearden v. Georgia*, 461 U.S. 660, 103 S. Ct. 2064, 76 L. Ed. 2d 221 (1983), on remand, 167 Ga. App. 334, 308 S.E.2d 63 (1983).

ATTORNEY GENERAL OPINIONS

Based on specified facts pertaining to an encounter with and rearrest of a probationer, the probationer himself was ultimately responsible for his own medical expenses arising from the encounter; however, assuming he was indigent, the county would be responsible for the medical expenses incurred as the injury occurred and the expenses were incurred prior to the initiation of proceedings for revocation of his probation. *Griffith*, May 3, 2002, A.G. Op. #02-0232.

When a probationer is arrested for an unrelated crime the prisoner is in the custody of the local government and the

local government must bear the costs of incarceration; however, upon the issuance of a warrant pursuant to this section or § 47-7-37 the prisoner becomes a state inmate and the Mississippi Department of Corrections must bear the cost of incarceration. *Pope*, Mar. 28, 2003, A.G. Op. #03-0137.

Upon issuance of a warrant pursuant to Section 47-7-27, the prisoner becomes a state inmate and the Mississippi Department of Corrections must bear the cost of incarceration. *Howard*, July 22, 2005, A.G. Op. 05-0345.

§ 47-7-29. Effect of conviction of felony while on parole or earned-release supervision.

Any prisoner who commits a felony while at large upon parole or earned-release supervision and who is convicted and sentenced therefor shall be required to serve such sentence after the original sentence has been completed.

JUDICIAL DECISIONS

1. In general.

Defendant cited no authority for his interpretation of Miss. Code Ann. § 47-7-29 that his death sentence should not be imposed until he finished serving his prior life sentence; the record did not indicate that defendant's parole was ever revoked so as to have his earlier sentence reimposed, and Miss. Code Ann. § 99-19-106 provided that execution should be set on motion of the State after all state and federal remedies had been exhausted. *Mitchell v. State*, 886 So. 2d 704 (Miss. 2004), cert. denied, — U.S. —, 125 S. Ct. 1982, 161 L. Ed. 2d 864 (2005).

Defendant's claim that he could not be executed until he had fully served his two prior terms of incarceration, pursuant to Miss. Code Ann. § 47-7-29, was moot because the sentences had been served; further, an inmate sentenced to death may be

executed whenever his appeals are exhausted, no matter what additional sentence he may be under. *Grayson v. State*, 879 So. 2d 1008 (Miss. 2004), cert. denied, — U.S. —, 125 S. Ct. 1301, 161 L. Ed. 2d 122 (2005).

A trial court properly denied a parolee's petition for writ of habeas corpus, in which the parolee claimed that he was not afforded a timely parole revocation hearing, where the admitted evidence showed that the parolee had violated the conditions of his parole by 2 Tennessee felony convictions and failure to waive extradition back to Mississippi; these were reasonable grounds for revoking his parole, and therefore all procedural due process guarantees were met. *Godsey v. Houston*, 584 So. 2d 389 (Miss. 1991).

Evidence in parole revocation proceeding showed that parolee not only violated

the conditions of his parole which required that he "live and remain at liberty without violating the law", but it showed that the 2 violations, convictions for the crime of burglary in State of Colorado, were reasonable grounds for revocation of his parole under state standards.

Bobkoskie v. State, 495 So. 2d 497 (Miss. 1986).
Conviction of a felony by a parolee is a reasonable ground under Mississippi standards for revocation of parole. *Bobkoskie v. State*, 495 So. 2d 497 (Miss. 1986).

§ 47-7-33. Power of court to suspend sentence and place defendant on probation; notice to Department of Corrections; support payments.

(1) When it appears to the satisfaction of any circuit court or county court in the State of Mississippi, having original jurisdiction over criminal actions,

or to the judge thereof, that the ends of justice and the best interest of the public, as well as the defendant, will be served thereby, such court, in termtime or in vacation, shall have the power, after conviction or a plea of guilty, except in a case where a death sentence or life imprisonment is the maximum penalty which may be imposed or where the defendant has been convicted of a felony on a previous occasion in any court or courts of the United States and of any state or territories thereof, to suspend the imposition or execution of sentence, and place the defendant on probation as herein provided, except that the court shall not suspend the execution of a sentence of imprisonment after the defendant shall have begun to serve such sentence. In placing any defendant on probation, the court, or judge, shall direct that such defendant be under the supervision of the Department of Corrections.

(2) When any circuit or county court places an offender on probation, the court shall give notice to the Mississippi Department of Corrections within fifteen (15) days of the court's decision to place the offender on probation. Notice shall be delivered to the central office of the Mississippi Department of Corrections and to the regional office of the department which will be providing supervision to the offender on probation.

(3) When any circuit court or county court places a person on probation in accordance with the provisions of this section and that person is ordered to make any payments to his family, if any member of his family whom he is ordered to support is receiving public assistance through the State Department of Public Welfare, the court shall order him to make such payments to the county welfare officer of the county rendering public assistance to his family, for the sole use and benefit of said family.

1. In general.

Trial court did not err in suspending three years of simple robbery sentences and all 10 years of an armed robbery sentence because the trial court had statutory authority to suspend the sentences in such a manner. *Caviness v. State*, 1 So.

3d 917 (Miss. Ct. App. 2008), writ of certiorari denied by 11 So. 3d 1250, 2009 Miss. LEXIS 151 (Miss. 2009).

Defendant did not receive an illegal sentence where defendant failed to report and when defendant then appeared before the court the court imposed a sentence of 20 years for robbery; the 20-year sentence was one that could have been imposed at the time defendant pled guilty. *Adams v. State*, 954 So. 2d 1051 (Miss. Ct. App. 2007).

Where defendant had a prior conviction, the trial judge recognized he had made an error in suspending a portion of defendant's sentence per Miss. Code Ann. § 47-7-33, and the judge attempted to correct the error with the amended sentencing order. Based on the transcript of the hearing on the motion to vacate judgment and sentence, it was apparent the trial judge imposed a sentence not of fifteen years with eight years suspended but a sentence of seven years to be served in the custody of the Mississippi Department of Corrections and eight years of post-release supervision; therefore, defendant did not receive an illegal sentence and any scrivener's error as to the sentencing transcript was subject to correction on remand. *Willcutt v. State*, 910 So. 2d 1189 (Miss. Ct. App. 2005).

Defendant maintained the circuit court's sentencing order was illegal because, according to Miss. Code Ann. § 47-7-33(1), he could not be given a suspended sentence since he was a prior convicted felon. While that was true, he stood mute when he was handed an illegal sentence which was more favorable than what the legal sentence would have been; thus, he was not entitled to relief in his postconviction action. *Hughery v. State*, 915 So. 2d 457 (Miss. Ct. App. 2005), writ of certiorari denied by 921 So. 2d 1279, 2005 Miss. LEXIS 779 (Miss. 2005).

Defendant misinterpreted the law in trying to set aside his modified sentence of probation. If that sentence had been determined to be illegal under former Miss. Code Ann. § 47-7-33(1), which prohibited a sentencing judge from suspending a sentence or placing a convicted felon on probation, the trial court's earlier sentencing order in which he was given jail time

would have taken effect; defendant was not entitled to postconviction relief where he had pled guilty and later received a more lenient modified sentence, and in any event, his action was time barred pursuant to Miss. Code Ann. § 99-39-5. *Wallace v. State*, 906 So. 2d 841 (Miss. Ct. App. 2004).

Defendant argued that the circuit court gave him an illegal sentence by including a period of suspended time and a period of postrelease probation in his sentence; however, a defendant could not stand mute when he was handed an illegal sentence that was more favorable than what the legal sentence would have been, reap the favorable benefits of that illegal sentence, and later claim to have been prejudiced as a result thereof. *Jones v. State*, 881 So. 2d 351 (Miss. Ct. App. 2004).

Defendant benefitted from the leniency of the trial court's ordering him to serve a 10-year suspended sentence, and because he was not subjected to an undue burden or prejudice but to a significantly lesser sentence, the error by the trial court was harmless, and his 10-year sentence did not constitute an illegal sentence. *Alexander v. State*, 879 So. 2d 512 (Miss. Ct. App. 2004).

Under Miss. Code Ann. § 99-15-26, if defendant successfully completes certain court-imposed conditions, the cause against defendant is dismissed and the case closed. As a result, a conditional dismissal pursuant to § 99-15-26 is different than a suspended sentence pursuant to Miss. Code Ann. § 47-7-33; consequently, defendant, who pled guilty and received a suspended sentence was not entitled to have the conviction expunged under Miss. Code Ann. § 99-15-26. *Turner v. State*, 876 So. 2d 1056 (Miss. Ct. App. 2004).

Defendant was sentenced to five years of actual incarceration followed by five years of post-release supervision, with no portion of defendant's sentence suspended. In defendant's action for postconviction relief, contesting the requirement for post release supervision, defendant confused Miss. Code Ann. § 47-7-33 (convicted felons ineligible for a suspended sentence), with Miss. Code Ann. § 47-7-34(1), which was the provision for post-

release supervision; under § 47-7-34(1) convicted felons were eligible to receive post-release supervision. *Hunt v. State*, 874 So. 2d 448 (Miss. Ct. App. 2004).

When the court exercises its authority to suspend the execution of a portion of a defendant's sentence, the normal course of procedure is to (1) impose a sentence, (2) determine what portion is to be suspended, (3) impose a period of probation, and (4) specify the terms and conditions upon which the probation/suspended sentence is contingent; if at any time during the period of probation it is determined that the probationer violated any of the specified conditions of his or her probation, the court has the authority to revoke any part or all of the probation or any part or all of the suspended sentence, as if the decision to suspend the sentence and place the defendant on probation had never been made. *Artis v. State*, 643 So. 2d 533 (Miss. 1994).

While § 47-7-33 does not expressly authorize the suspension of a sentence in part, the greater power to suspend entirely the execution of a sentence includes the lesser power to suspend in part the execution of a sentence. *Moore v. State*, 585 So. 2d 738 (Miss. 1991).

Contention was rejected that § 47-7-33 provided exclusive procedure in that suspension of sentence under its term could not be combined with requirement that any part of same sentence be served. *Marshall v. Cabana*, 835 F.2d 1101 (5th Cir. 1988).

Code 1942, § 4004-23 gives circuit and county courts power to (1) suspend the imposition of sentence or (2) suspend the execution of sentence. *Leonard v. State*, 271 So. 2d 445 (Miss. 1973).

At the time a defendant is convicted of a crime the court may elect not to impose a sentence but rather to suspend imposition of a sentence and place such defendant on probation under Code 1942, § 4004-23. *Leonard v. State*, 271 So. 2d 445 (Miss. 1973).

Where the trial court elects to suspend imposition of a sentence, during the period of probation, Code 1942, § 4004-23 continues to vest in the court power subsequently, in the event of a violation of the terms of defendant's probation, to impose

any sentence which originally could have been imposed. *Leonard v. State*, 271 So. 2d 445 (Miss. 1973).

Once a circuit or county court exercises its option to impose a definite sentence it cannot subsequently set that sentence aside and impose a greater sentence. *Leonard v. State*, 271 So. 2d 445 (Miss. 1973).

2. Construction.

When a suspended sentence and supervised probation are properly imposed upon a first-offender under the provisions of Miss. Code Ann. § 47-7-33, the period of supervision by the Mississippi Department of Corrections is limited to a maximum period of five years. *Carroll v. State*, 3 So. 3d 767 (Miss. Ct. App. 2008), writ of certiorari denied by 999 So. 2d 1280, 2009 Miss. LEXIS 97 (Miss. 2009).

Miss. Code Ann. § 47-7-33 prohibits the imposition of a suspended sentence and supervised probation on a prior convicted felon; however, this statute does not prohibit the imposition of a suspended sentence, in whole or in part, upon a prior convicted felon, so long as the sentence does not involve a period of supervised probation and does not exceed the maximum penalty statutorily prescribed for the felony offense committed. *Carroll v. State*, 3 So. 3d 767 (Miss. Ct. App. 2008), writ of certiorari denied by 999 So. 2d 1280, 2009 Miss. LEXIS 97 (Miss. 2009).

Sentencing court did not violate Miss. Code Ann. § 47-7-33 in suspending part of an inmate's sentence where case law established that courts had the power to suspend a convicted felon's sentence under that statute. *Duhart v. State*, 981 So. 2d 1056 (Miss. Ct. App. 2008).

The Supreme Court of Mississippi returns the legislatively intended sentencing discretion to Mississippi's trial courts by clarifying that (1) Miss. Code Ann. § 47-7-33 prohibits the imposition of a suspended sentence and supervised probation on a prior convicted felon; however, this statute does not prohibit the imposition of a suspended sentence, in whole or in part, upon a prior convicted felon, so long as the sentence does not involve a period of supervised probation and does not exceed the maximum penalty statutorily prescribed for the felony offense com-

mitted; (2) when a suspended sentence and supervised probation are properly imposed upon a first-offender under the provisions of § 47-7-33, the period of supervision by the Mississippi Department of Corrections is limited to a maximum period of five years; (3) Miss. Code Ann. § 47-7-34 does not prohibit the imposition of post release supervision upon a prior convicted felon, nor does the statute limit the period of post-release supervision to a period of five years; but instead, the period of post release supervision is limited only to the number of years, which when added to the total period of incarceration, would not exceed the maximum penalty statutorily prescribed for the felony offense committed; and, (4) importantly, the statutory limitation of five years applies only to that maximum period of post-release supervision which may be served under the supervision of the Mississippi Department of Corrections. To the extent that the court's decision in *Goss v. State*, 721 So.2d 144 (Miss. 1998) is in conflict with its decision, *Goss* is expressly overruled. *Johnson v. State*, 925 So. 2d 86 (Miss. 2006).

Pursuant to Miss. Code Ann. § 97-3-79, a person found guilty of armed robbery had to be imprisoned for life in the state penitentiary if the penalty was so fixed by the jury. Defendant, however, was sentenced by the circuit judge after entering a plea of guilty, and Miss. Code Ann. § 97-3-79 did not provide for a maximum sentence of life for armed robbery when the sentence was imposed by a judge rather than a jury; thus, where defendant had no prior felonies, and contrary to the State's argument that defendant's sentence was illegal, the circuit judge had the statutory authority, pursuant to Miss. Code Ann. § 47-7-33, to suspend defendant's sentence (in the case at bar, 9 years of defendant's 10-year sentence was suspended, subject to a term of supervised probation), to the extent that the ends of justice and the best interest of the public, as well as defendant, would be served thereby. *State v. Hayes*, 887 So. 2d 184 (Miss. Ct. App. 2004).

Where a trial court sentenced defendant to a term of one year in the Mississippi Department of Corrections (MDOC), fol-

lowed by supervised probation under the supervision of the MDOC for a period of 10 years, a court of appeals erred in reversing the sentence because it was clear that the trial court was placing defendant on probation, only five years of which would be served under the supervision of the MDOC, the remaining five years being in essence "unsupervised probation." Thus, the sentence did not violate Miss. Code Ann. §§ 47-7-33, 47-7-34, or 47-7-37. *Miller v. State*, 875 So. 2d 194 (Miss. 2004).

At least two major differences between Miss. Code Ann. § 47-7-33 and Miss. Code Ann. § 47-7-34 are: (1) supervised probation may not be imposed on a convicted felon, while postrelease supervision may; and (2) supervised probation is limited to five years, while postrelease supervision is not. *Miller v. State*, 875 So. 2d 194 (Miss. 2004).

Probation under this section is a conditional term that is not a part of the prison sentence and is therefore not subject to the "totality" of sentence concept found in § 47-7-34. *Carter v. State*, 754 So. 2d 1027 (Miss. 2000).

The code provisions for suspension of sentence are to be construed as in pari materia with those respecting terms and conditions of probation. *Jackson v. Waller*, 248 Miss. 166, 156 So. 2d 594 (1963), error overruled, 248 Miss. 172, 160 So. 2d 184 (1964).

3. Applicability.

Where defendant, a prior convicted felon, was sentenced to 30 years and was ordered to serve 26 months in incarceration with the remainder of the sentence suspended and four years of post-release supervision, defendant was not placed on probation, and the trial court lawfully placed conditions on the suspended sentence. Because the combined periods of incarceration and post-release supervision did not exceed the maximum penalty statutorily proscribed for the felony offense committed and the trial court imposed a sentence within the statutory guidelines, the sentence was not illegal under Miss. Code Ann. § 47-7-33 or § 47-7-34. *Goudy v. State*, 996 So. 2d 185 (Miss. Ct. App. 2008).

Movant's 30-year suspended sentence was not an illegal sentence because Miss.

Code Ann. § 47-7-33(1) did prohibit convicted felons from receiving suspension and then being placed on probation, but there was no prohibition against receiving a flat suspended sentence. *Watts v. State*, 1 So. 3d 886 (Miss. Ct. App. 2008), writ of certiorari dismissed by 999 So. 2d 852, 2009 Miss. LEXIS 33 (Miss. 2009), writ of certiorari denied by 999 So. 2d 1280, 2009 Miss. LEXIS 16 (Miss. 2009).

Trial court did not abuse its discretion in denying defendant's motion to reconsider a 10-year prison sentence for the sale of crack cocaine; under Miss. Code Ann. § 47-7-33(1), the trial court had no jurisdiction to suspend the execution of defendant's sentence because defendant had already begun to serve the sentence. *McGee v. State*, 976 So. 2d 954 (Miss. Ct. App. 2008).

Inmate argued that he could not be given a suspended sentence and probation for his burglary of a dwelling conviction; however, under Miss. Code Ann. § 47-7-33, trial courts have the authority to suspend, in whole or in part, a convicted felon's sentence, and thus the inmate's suspended sentence as ordered by the trial court was not in error and was affirmed. *Craft v. State*, 955 So. 2d 384 (Miss. Ct. App. 2006).

Rather than having 32 years of his 40-year sentence suspended, had the trial court been aware of his previous felony, the inmate would have received the entire sentence pursuant to Miss. Code Ann. § 47-7-33(1). The inmate received one-fifth of the sentence that should have been imposed; this could hardly be said to constitute cruel and unusual punishment. *Black v. State*, 902 So. 2d 612 (Miss. Ct. App. 2004), cert. denied, 901 So. 2d 1273 (Miss. 2005).

Court erred in suspending a portion of defendant's sentence for conspiracy to manufacture methamphetamine upon his guilty plea because he was a prior convicted felon and this being so, the court did not have the statutory authority to suspend the imposition or execution of his sentence. *Sweat v. State*, 910 So. 2d 12 (Miss. Ct. App. 2004).

Defendant, as a convicted felon, could not quietly enjoy the benefits of an illegally lenient sentence and later attack the

sentence when suddenly it was in his interest to do so; because defendant actually benefited from the illegal sentence, he was not denied his fundamental right from an illegal sentence, and there was no ineffective assistance of counsel or other error. *Thomas v. State*, 861 So. 2d 371 (Miss. Ct. App. 2003).

Prisoner pleaded guilty to an indictment for the sale of cocaine and was sentenced to 10 years in the custody of the Mississippi Department of Corrections. The judgment of sentence directed that the prisoner serve only the first five years of the sentence and that the final five years be suspended and the prisoner be placed on supervised probation for that period. The prisoner argued that the supervised probation portion of his sentence was illegal under Miss. Code Ann. § 47-7-33(1) because he had been convicted of a prior felony. The court held that the sentence was enforceable because the prisoner had voluntarily accepted it as a result of a plea bargain. *Crosby v. State*, 858 So. 2d 219 (Miss. Ct. App. 2003).

Even though Miss. Code Ann. § 47-7-33(1) prohibited suspension of defendant's sentence because defendant had a prior felony conviction, it was within the trial court's discretion to suspend defendant's sentence as set out in the plea agreement; defendant's complaint that defendant had received an impermissibly lenient sentence and then, by defendant's own subsequent action, squandered the benefit of that undeserved lenience, did not warrant postconviction relief. *Clark v. State*, 858 So. 2d 882 (Miss. Ct. App. 2003).

Defendant, as a prior convicted felon, was not eligible to receive probation on that prior conviction, but the fact that he received an impermissibly lenient sentence on his prior conviction did not mean he could argue in his petition for postconviction relief that the entry of the invalid sentence entitled him to postconviction relief as defendant's own conduct in committing a forgery was the reason for the revocation and relief could not be granted based on his own misconduct. *Robinson v. State*, — So. 2d —, 2002 Miss. App. LEXIS 96 (Miss. Ct. App. Feb. 26, 2002).

Code 1942, § 4004-23, giving the judges of the circuit and county courts power to

suspend sentence and place defendants on probation, is not applicable to the matter of mandatory disbarment of an attorney upon his conviction of a felony. *Bennett v. State*, 211 So. 2d 520 (Miss. 1968), appeal dismissed, cert. denied, 393 U.S. 320, 89 S. Ct. 555, 21 L. Ed. 2d 515 (1969).

The power of a circuit judge to suspend sentence does not empower him to suspend the order of disbarment of an attorney found guilty of a felony, for the disbarment order, though a part of the punishment, is not a part of the sentence. *Bennett v. State*, 211 So. 2d 520 (Miss. 1968), appeal dismissed, cert. denied, 393 U.S. 320, 89 S. Ct. 555, 21 L. Ed. 2d 515 (1969).

4. Time to suspend or to amend sentence; relation to appeal.

Commission on Judicial Performance had jurisdiction to consider misconduct allegations against judge, based on judge's alleged release of inmates from department of corrections after judge had lost jurisdiction to do so, notwithstanding rule providing that Commission may not consider claim based on judge's act of making findings of fact, reaching legal conclusion, or applying law as judge understands it absent fraud, corrupt motive, or bad faith; evidence supported finding that judge acted in bad faith where caselaw at relevant time clearly held that circuit judge had no authority to suspend inmates' sentences. *Mississippi Comm'n on Judicial Performance v. Russell*, 691 So. 2d 929 (Miss. 1997), reh'g denied, 693 So. 2d 384 (Miss. 1997).

If no appeal from conviction is perfected and defendant begins to serve sentence imposed, time has passed for trial judge to suspend sentence under statute giving court authority to suspend sentence, and, if case is appealed to Supreme Court and is affirmed, there is no authority in circuit court or Supreme Court, following issuance of mandate affirming case, to modify judgment and sentence theretofore imposed. *Mississippi Comm'n on Judicial Performance v. Russell*, 691 So. 2d 929 (Miss. 1997), reh'g denied, 693 So. 2d 384 (Miss. 1997).

When sentencing order contains unequivocal provision that execution of sentence is suspended for 3 years and where

time limitation within order goes unchallenged until after 3 year suspension period has expired, court has no authority to correct clerical error in order changing 3 year period of suspension to 5 year period intended by judge at time of sentencing. *Sisson v. State*, 483 So. 2d 1338 (Miss. 1986).

Since the court must elect at the time of imposition of sentence to simultaneously suspend imposition or execution of the sentence, a trial court is without authority, in accordance with § 47-7-33, to suspend a term of two years after the defendant has begun serving the sentence. *Payne v. State*, 462 So. 2d 902 (Miss. 1984).

A trial court is without authority to suspend the execution of a sentence after it has been affirmed by the Supreme Court; if no appeal is perfected and the defendant begins to serve the sentence imposed, the time has passed for the trial judge to suspend the sentence under § 47-7-33. *Lambert v. Lambert*, 394 So. 2d 895 (Miss. 1981).

Once a circuit or county court exercises its option to impose a definite sentence it cannot subsequently set that sentence aside and impose a greater sentence. *Leonard v. State*, 271 So. 2d 445 (Miss. 1973).

5. Revocation of suspension or probation.

Motion for post-conviction relief, which challenged the revocation of a petitioner's post-release supervision and suspended sentence, was properly denied; petitioner was not given an illegal suspended sentence because Miss. Code Ann. § 47-7-33 provided that a circuit court had the power to suspend the imposition or execution of sentence and to place a defendant on probation except when the defendant previously was convicted of a felony. *Reese v. State*, 21 So. 3d 625 (Miss. Ct. App. 2008).

Defendant was not considered a habitual offender for sentencing purposes, and his sentence could not be considered "mandatory" under Miss. Code Ann. § 47-7-47(2)(c); therefore, defendant was eligible for earned probation, and suspension of a convicted felon's sentence was proper and under the sound discretion of the trial

court due to the passage of Miss. Code Ann. § 47-7-34; circuit and county courts had the power to suspend sentences for prior convicted felons that would have been considered illegal under § 47-7-33(1). *Campbell v. State*, 993 So. 2d 413 (Miss. Ct. App. 2008).

Appellant's argument that the circuit court did not have the authority to partially or wholly suspend any portion of his sentence under Miss. Code Ann. § 47-7-33 (Rev. 2002), since he had prior felony convictions failed because appellant could not reap the benefits of the illegal sentence, which was lighter than what the legal sentence would have been, and then turn around and attack the legality of the illegal, lighter sentence when it served his interest to do so. *Thornhill v. State*, 919 So. 2d 238 (Miss. Ct. App. 2005).

Probation under Miss. Code Ann. § 47-7-33 was a conditional term that was not part of the prison sentence and was therefore not subject to the totality of sentence concept found in Miss. Code Ann. § 47-7-34; defendant's five-year probation period would not be added to her original twenty-year sentence for aggravated assault when calculating time to be served, and reinstating the full original sentence therefore would not violate the statutory maximum for her crime as set forth in Miss. Code Ann. § 97-3-7. *Miller v. State*, 879 So. 2d 1050 (Miss. Ct. App. 2004), cert. denied, 887 So. 2d 183 (Miss. 2004).

A defendant who wishes to challenge the revocation of his probation need not pursue the administrative remedies set out in Miss. Code Ann. § 47-5-803, as only a court can continue or revoke a defendant's probation. *Rodriguez v. State*, 839 So. 2d 561 (Miss. Ct. App. 2003).

Evidence that defendant failed to make restitution payments and engaged in continuing misconduct while on probation for aggravated assault supported trial court's decision to revoke probation and impose the remaining 11 years of defendant's 12-year sentence; defendant was not denied due process and the sentence was not excessive. *Rodriguez v. State*, 839 So. 2d 561 (Miss. Ct. App. 2003).

A court must base its revocation of a suspended sentence on a violation of the clear terms and conditions of the sus-

pended sentence; due process requires that the trial judge at least orally inform the defendant of the terms and conditions upon which his or her suspended sentence is contingent before it may be properly revoked for the violation of those terms and conditions. *Artis v. State*, 643 So. 2d 533 (Miss. 1994).

Defendant's petition for habeas corpus was properly denied following his conviction of forgery upon a guilty plea, the suspension of his sentence and his placement on probation, and the subsequent revocation of the suspension and probation upon the prosecution's discovery of his prior out of state conviction of a felony, where, though defendant contended the prosecutor was aware of the felony conviction at the time he recommended probation, evidence on the issue was conflicting, where the court had jurisdiction over defendant at the time probation was granted and when it was revoked, and where defendant had misled the court by replying to a question, put to him before acceptance of his guilty plea, that his only prior offense had been a traffic ticket. *Hamlin v. Barrett*, 335 So. 2d 898 (Miss. 1976).

6. Propriety of particular sentences — Timeliness of petition for.

Motion for post-conviction relief was properly dismissed based on an allegation that an illegal sentence of house arrest was imposed under Miss. Code Ann. § 47-5-1003 due to defendant's prior convictions because defendant had benefitted from any error. *Jefferson v. State*, 958 So. 2d 1276 (Miss. Ct. App. 2007).

Defendant's sentence was valid and non-modifiable where he was ordered to serve 15 years in the custody of the Mississippi Department of Corrections (MDOC), with seven years to be served by actual incarceration, and the remaining eight years to be suspended and served by way of post-release supervision under Miss. Code Ann. § 47-7-34, with five of the eight years to be served in accordance with "probation-like" terms under the supervision of the MDOC, under Miss. Code Ann. § 47-7-34 and Miss. Code Ann. § 47-7-35. The appellate court ignored the clear intention of the circuit court to order a 15-year sentence, and this intention was appropriately accomplished under Miss.

Code Ann. § 47-7-34. *Johnson v. State*, 925 So. 2d 86 (Miss. 2006).

Defendant asserted that under Miss. Code Ann. § 47-7-33, a prior convicted felon could not be given a suspended sentence. However, that information did not appear in the indictment or the record, and in fact, he received a very favorable sentence considering the sentencing options available for his offense of the sale of cocaine; thus, where he stood mute at sentencing, he could not later claim prejudice or that plea counsel was ineffective and his petition for post-conviction relief was properly denied. *Ruff v. State*, 910 So. 2d 1160 (Miss. Ct. App. 2005).

Defendant's petition for post-conviction relief from his conviction of sexual battery was properly denied because although defendant had two prior convictions and was not entitled to a suspended sentence as provided in Miss. Code Ann. § 47-7-33, defendant did not plead guilty as a result of an offer of a suspended sentence and he benefited from the illegal sentence since it was more lenient than the one he should have received, therefore he did not suffer any fundamental unfairness from the illegal sentence. *Myers v. State*, 897 So. 2d 198 (Miss. Ct. App. 2004).

Inmate argued that the sentence imposed by the trial court was improper; it was the inmate's contention that the trial court was without authority under Miss. Code Ann. § 47-7-33 to suspend any portion of his sentence, as he was a priorly convicted felon. However, to hold that the inmate's sentence was improper would allow him and other criminal defendants the ability to conceal prior convictions, accept the sentence imposed by the trial court, and then have a free pass to overturn that sentence if it did not meet his expectations. *Black v. State*, 902 So. 2d 612 (Miss. Ct. App. 2004), cert. denied, 901 So. 2d 1273 (Miss. 2005).

Imposition of partially suspended sentence upon defendant being convicted of robbery pursuant to a guilty plea was illegal because defendant had a prior felony conviction which rendered defendant ineligible for such a sentence; defendant was not, however, entitled to out-of time relief from the conviction based upon the illegal sentence because defendant had

received the benefit of the illegal sentence and did not challenge the illegal sentence until the conviction was used to enhance defendant's sentence in a subsequent robbery case. *Edwards v. State*, 839 So. 2d 578 (Miss. Ct. App. 2003).

Defendant benefitted from the illegal sentence since it was a more lenient one than he was entitled to receive; therefore defendant suffered no fundamental unfairness from the illegal sentence, and his fundamental rights were not violated. *Pruitt v. State*, 846 So. 2d 271 (Miss. Ct. App. 2002), cert. denied, 846 So. 2d 229 (Ct. App. 2003), cert. denied, 540 U.S. 957, 124 S. Ct. 410, 157 L. Ed. 2d 294 (2003).

Where the defendant had a prior felony conviction, the trial court did not have authority to impose a suspended sentence following the defendant's guilty plea. *Weaver v. State*, 785 So. 2d 1085 (Miss. Ct. App. 2001).

The defendant's initial sentence, pursuant to the plea agreement, was illegal because the circuit court ordered a partially suspended sentence even though the defendant had a prior felony conviction. *Cooper v. State*, 737 So. 2d 1042 (Miss. Ct. App. 1999).

A trial court did not have the authority to follow the State's recommendation and impose a suspended sentence where the defendant had previously been convicted of a felony, and therefore the sentence was invalid, since § 47-7-33 does not permit the suspension of a sentence and probation where the defendant has a prior felony conviction. *Robinson v. State*, 585 So. 2d 757 (Miss. 1991).

Judge acted within his discretion when he modified defendant's 25 year sentence to 3 years in prison followed by 5 years probation; contention was rejected that § 47-7-33 provided exclusive procedure in that suspension of sentence under its term could not be combined with requirement that any part of same sentence be served. *Marshall v. Cabana*, 835 F.2d 1101 (5th Cir. 1988).

A trial judge was in error when he sentenced a defendant to 14 years in the state penitentiary with 7 years suspended if the appellant paid a \$125,000 fine, since such a sentence is "indefinite" and thus violates § 47-7-33. *Arnett v. State*, 532 So. 2d 1003 (Miss. 1988).

Sentence was neither excessive nor beyond the court's authority which required the defendant, who was convicted of a violation of § 97-3-19, to serve 30 days in the county jail, perform 60 days of community work, pay costs of special election, and pay costs of trial, as conditions for the suspension of a one year sentence and 2 years of probation. *Fanning v. State*, 497 So. 2d 70 (Miss. 1986).

7. — Convicted felons.

Although circuit judge apparently believed, based on Miss. Code Ann. § 47-7-33(1) that he could not suspend any portion of defendant's sentence, due to a prior felony, Miss. Code Ann. § 47-7-34 did not prohibit the imposition of post-release supervision upon a previously convicted felon. *Wade v. State*, 33 So. 3d 498 (Miss. Ct. App. 2009).

Appellant inmate's motion for post-conviction relief was properly denied because, inter alia, an argument that the inmate was not given a valid term of post-supervision release based on his status as a convicted felon was rejected; the inmate's sentence was suspended under Miss. Code Ann. § 47-7-34, not under Miss. Code Ann. § 47-7-33. *Garner v. State*, 21 So. 3d 629 (Miss. Ct. App. 2008), writ of certiorari dismissed by 2009 Miss. LEXIS 571 (Miss. Nov. 19, 2009).

In a business burglary case, denial of post-conviction relief was proper because, although Although Miss. Code Ann. § 47-7-33 limited the power of the trial court to suspend a sentence and order probation for previously convicted felons, any error in sentencing the petitioner was harmless

as he was given a lenient sentence; he was indicted as a habitual offender with two prior felonies, but he was ultimately sentenced as a non-habitual offender. *Sago v. State*, 978 So. 2d 1285 (Miss. Ct. App. 2008).

Appellate court affirmed the denial of an inmate's petition for post-conviction relief; the inmate was not illegally sentenced, because as a prior felon, he was not entitled to a suspended sentence under Miss. Code Ann. § 47-7-33(1). *Berry v. State*, 924 So. 2d 624 (Miss. Ct. App. 2006).

Because defendant did not receive a suspended sentence, his sentence was not illegal under Miss. Code Ann. § 47-7-33(1) (Rev. 2004), and therefore his petition for post-conviction relief was properly dismissed as untimely, as it was not filed until March 2005; under Miss. Code Ann. § 99-39-5(2), defendant only had until June 5, 2003, to file his motion for post-conviction relief, and two years' incarceration plus one year of supervision did not exceed 15 years, the maximum sentence for uttering a forgery. *King v. State*, 929 So. 2d 373 (Miss. Ct. App. 2006).

Appellant entered a guilty plea to armed robbery, the court accepted the State's recommendation and sentenced him to twenty-five years with three years to serve, twenty-two years suspended. While appellant was not entitled to a suspended sentence as a convicted felon, he benefitted from his illegally lenient sentence, and could not obtain postconviction relief. *Weathersby v. State*, 919 So. 2d 262 (Miss. Ct. App. 2005).

ATTORNEY GENERAL OPINIONS

There is no apparent authority to suspend or otherwise alter definite sentence already imposed, even in event of jail overcrowding. *Sheffield*, Oct. 28, 1992, A.G. Op. #92-0812.

Because it is mandatory that defendant's probation be under supervision of Department of Corrections, circuit judge may not establish local probation program outside statutory probation system super-

vised by Department of Corrections. *Dyson*, Dec. 16, 1992, A.G. Op. #92-875.

Section 47-7-33 does not empower circuit judges to suspend sentences pursuant to Section 97-3-65(2)(c) and Section 97-3-101(3) because the latter sections each provide that a life sentence is the maximum sentence that may be imposed. *Caranna*, May 5, 2000, A.G. Op. #2000-0239.

§ 47-7-34. Postrelease supervision program.

(1) When a court imposes a sentence upon a conviction for any felony committed after June 30, 1995, the court, in addition to any other punishment imposed if the other punishment includes a term of incarceration in a state or local correctional facility, may impose a term of post-release supervision. However, the total number of years of incarceration plus the total number of years of post-release supervision shall not exceed the maximum sentence authorized to be imposed by law for the felony committed. The defendant shall be placed under post-release supervision upon release from the term of incarceration. The period of supervision shall be established by the court.

(2) The period of post-release supervision shall be conducted in the same manner as a like period of supervised probation, including a requirement that the defendant shall abide by any terms and conditions as the court may establish. Failure to successfully abide by the terms and conditions shall be grounds to terminate the period of post-release supervision and to recommit the defendant to the correctional facility from which he was previously released. Procedures for termination and recommitment shall be conducted in the same manner as procedures for the revocation of probation and imposition of a suspended sentence.

(3) Post-release supervision programs shall be operated through the probation and parole unit of the Division of Community Corrections of the department. The maximum amount of time that the Mississippi Department of Corrections may supervise an offender on the post-release supervision program is five (5) years.

1. In general.

Although circuit judge apparently believed, based on Miss. Code Ann. § 47-7-33(1) that he could not suspend any portion of defendant's sentence, due to a prior

felony, Miss. Code Ann. § 47-7-34 does not prohibit the imposition of post-release supervision upon a previously convicted felon. *Wade v. State*, 33 So. 3d 498 (Miss. Ct. App. 2009).

Because it was within the trial court's discretion under Miss. Code Ann. § 47-7-34 whether to impose a term of post-release supervision, no error could be found in the court's failure to impose such supervision in sentencing a defendant for armed robbery. *Waddell v. State*, 999 So. 2d 375 (Miss. Ct. App. 2008).

Motion for post-conviction relief was denied in a case where defendant's suspended sentence for statutory rape was revoked because he waived issues relating to a speedy trial and defects in an evidence sample due to a guilty plea, there was no evidence that an indictment was manufactured, and the revocation of the suspended sentence was permitted under Miss. Code Ann. §§ 47-7-34 and 47-7-37 where defendant had already served a portion of a five-year sentence after the guilty plea was entered. *Davis v. State*, 954 So. 2d 530 (Miss. Ct. App. 2007).

Appellate court affirmed the denial of the inmate's motion for post-conviction relief as the inmate acknowledged that recommended post-release supervision would be five years, and Miss. Code Ann. § 47-7-34 authorized post-release supervision of up to five years. *Elliott v. State*, 924 So. 2d 609 (Miss. Ct. App. 2006).

Defendant's sentence for armed robbery was proper; 20 years in prison, with 12 years suspended, followed by five years of post-release supervision, was within the sentencing range. The trial court had the authority to impose post-release supervision. *Williams v. State*, 922 So. 2d 853 (Miss. Ct. App. 2006).

In a manslaughter case, the trial court correctly dismissed defendant's motion for post-conviction relief as time-barred as she was not serving an illegal sentence; the combination of her 4 years of post-release supervision and 16 years incarceration resulted in a 20-year sentence, the permissible maximum sentence as per Miss. Code Ann. § 47-7-34. *Brown v. State*, 923 So. 2d 258 (Miss. Ct. App. 2006).

Inmate's sentence was not illegal where the sum of his term of imprisonment and

term of supervised release did not exceed the maximum sentence allowed by statute for the felony committed. *Epps v. State*, 926 So. 2d 242 (Miss. Ct. App. 2005).

Where there was a conflict between the sentencing order and the commitment order, the sentencing order that stated that the inmate was to serve three years in prison and two years on supervised release controlled; thus, the five year sentence was valid under Miss. Code Ann. § 97-1-5 for his conviction of accessory after the fact to murder as it did not exceed the maximum sentence authorized to be imposed by the law for the felony committed. *Fuller v. State*, 914 So. 2d 1230 (Miss. Ct. App. 2005).

Where an inmate was sentenced for two counts of grand larceny and could have received a maximum sentence of ten years in the custody of Mississippi Department of Corrections, but instead, the trial court suspended five years of the ten year sentence, leaving five years of incarceration to serve, with two years of post-release supervision, the inmate's sentence was not illegal. Thus, the trial court properly denied the inmate's motion for post-conviction relief. *Hill v. State*, 912 So. 2d 494 (Miss. Ct. App. 2005).

Sentence was rendered on certiorari where the original sentencing order was incorrect and the inmate was convicted of manufacturing methamphetamine, pursuant to Miss. Code Ann. § 47-7-34. The inmate was a prior convicted felon and the appellate court could resentence him without remanding to the trial court because the sentencing error was caused by a misapplication of a sentencing statute; Miss. Code Ann. § 47-7-33 was inapplicable; the supreme court modified the trial court's sentence so that following his 8 years of incarceration, the inmate would be released to 12 years of post-release supervision but he was required to report to prison officials for only 5 years and the remaining 7 years would be unsupervised post-release supervision. *Sweat v. State*, 912 So. 2d 458 (Miss. 2005).

Where defendant had already served 18 months of his ten-year sentence, the trial court's order sentencing defendant to serve ten years upon his second violation of the terms of his postrelease supervision

did exceed the authority of the court, which was only authorized to reinstate the remainder of defendant's original sentence. The maximum term remaining on defendant's sentence that could have been reinstated by the court was eight years and six months. *Harvey v. State*, 919 So. 2d 282 (Miss. Ct. App. 2005).

Court did not err in sentencing defendant to eight years in prison and 12 years post-release supervision after he was convicted of selling cocaine because the period of incarceration and post-release supervision did not exceed the maximum period of time allowed for the offense. *Avant v. State*, 896 So. 2d 379 (Miss. Ct. App. 2005).

Defendant argued that his sentence was contrary to Miss. Code Ann. § 47-7-34 because by failing to comply with the terms and conditions of postrelease supervision he could be required to serve a term exceeding the maximum term allowed under the statute; defendant's sentence totaling 15 years, specifically 10 years to serve with 5 years of postrelease supervision, was unquestionably in accord with Miss. Code Ann. § 97-21-33 as it was at the time of his sentencing, and, therefore, his sentence did not conflict with Miss. Code Ann. § 47-7-34. *Kemp v. State*, 904 So. 2d 1162 (Miss. Ct. App. 2004).

Defendant claimed that his sentence for an attempted armed robbery charge (10 years, with 5 suspended and 5 years of postrelease supervision), was in violation of Miss. Code Ann. § 47-7-33(1), which precluded probation for a convicted felon. From the record it was apparent that what the trial court intended, pursuant to Miss. Code Ann. § 47-7-34, was to sentence defendant to five years of actual confinement, and five years of postrelease supervision, and therefore, a remand for clarification of defendant's sentence was required. *Thomas v. State*, 883 So. 2d 1197 (Miss. Ct. App. 2004).

Incarceration and postrelease supervision up to five years is a permissible sentence for a felony, as long as the entire sentence is within the maximum prison term for the offense. The postrelease supervision period merges with the incarceration to form the total sentence. *Johnson v. State*, 924 So. 2d 527 (Miss. Ct. App. 2004).

Defendant's status was one of post-release supervision, a status much like probation; the procedures for terminating such supervision were the same as the procedures for the revocation of probation under Miss. Code Ann. § 47-7-34(2), and because the revocation of post-release supervision followed the same procedure as for revocation of probation, it may not be directly appealed, and since the original revocation order may not be appealed, neither may the denial of a motion to reconsider that revocation. *Massingille v. State*, 878 So. 2d 252 (Miss. Ct. App. 2004).

Probation under Miss. Code Ann. § 47-7-33 was a conditional term that was not part of the prison sentence and was therefore not subject to the totality of sentence concept found in Miss. Code Ann. § 47-7-34; defendant's five-year probation period would not be added to her original twenty-year sentence for aggravated assault when calculating time to be served, and reinstating the full original sentence therefore would not violate the statutory maximum for her crime as set forth in Miss. Code Ann. § 97-3-7. *Miller v. State*, 879 So. 2d 1050 (Miss. Ct. App. 2004), cert. denied, 887 So. 2d 183 (Miss. 2004).

Defendant's period of supervised release was not counted toward his time served; therefore, defendant's sentence of three years to serve, seven years suspended, and five years of post release supervision was within the ten years allowable pursuant to the embezzlement statute, Miss. Code Ann. § 97-23-19. *Brown v. State*, 872 So. 2d 96 (Miss. Ct. App. 2004).

Trial court committed plain error under Miss. R. Evid. 103(d) where it sentenced defendant, in part, to 10 years of post-release supervision, as under Miss. Code Ann. § 47-7-34, five years of post-release supervision was the maximum. *Stigall v. State*, 869 So. 2d 410 (Miss. Ct. App. 2003), cert. denied, 878 So. 2d 67 (Miss. 2004).

Defendant's sentence of 30 years of supervised probation was clearly in violation of Miss. Code Ann. § 47-7-34 because the maximum amount of time that the Mississippi Department of Corrections could supervise an offender on postrelease super-

vision was 5 years. *Brooks v. State*, 858 So. 2d 930 (Miss. Ct. App. 2003).

This section applies only to felonies, not misdemeanors. *Conner v. State*, 750 So. 2d 1258 (Miss. 2000).

This section creates a post-release supervision program that provides for a term of post-release supervision in addition to any term of incarceration imposed upon those already convicted of a felony; it is a legislative creation separate and distinct from probation as set out in § 47-7-33. *Carter v. State*, 754 So. 2d 1027 (Miss. 2000).

2. Revocation.

Because petitioner admitted in his waiver that he did, in fact, violate the terms of his post-release supervision by committing the offense of domestic violence on two occasions, the court had the authority under Miss. Code Ann. § 47-7-34(2) to revoke his post-release supervision. *Williams v. State*, 4 So. 3d 388 (Miss. Ct. App. 2009).

Defendant's post-release supervision was not illegally revoked based on his subsequent arrest and being charged with a felony. *Campbell v. State*, 993 So. 2d 413 (Miss. Ct. App. 2008).

3. Construction.

There is no language in Miss. Code Ann. § 47-7-34 that requires a circuit court to order a suspended sentence in addition to post-release supervision. *McKinney v. State*, 7 So. 3d 291 (Miss. Ct. App. 2008).

Motion for post-conviction relief, which challenged the revocation of a petitioner's post-release supervision and suspended sentence, was properly denied because the petitioner's argument that his suspended sentence was illegal was without merit; the period of post-release supervision under Miss. Code Ann. § 47-7-34 was an alternative to probation that was available for prior convicted felons. *Reese v. State*, 21 So. 3d 625 (Miss. Ct. App. 2008).

Miss. Code Ann. § 47-7-34 does not prohibit the imposition of post-release supervision upon a prior convicted felon, nor does this statute limit the period of post-release supervision to a period of five years; instead, the period of post-release supervision is limited only to the number of years, which, when added to the total

period of incarceration, would not exceed the maximum penalty statutorily prescribed for the felony offense committed. Importantly, the statutory limitation of five years applies only to that maximum period of post-release supervision that may be served under the supervision of the Mississippi Department of Corrections. *Carroll v. State*, 3 So. 3d 767 (Miss. Ct. App. 2008), writ of certiorari denied by 999 So. 2d 1280, 2009 Miss. LEXIS 97 (Miss. 2009).

The Supreme Court of Mississippi returns the legislatively intended sentencing discretion to Mississippi's trial courts by clarifying that (1) Miss. Code Ann. § 47-7-33 prohibits the imposition of a suspended sentence and supervised probation on a prior convicted felon; however, this statute does not prohibit the imposition of a suspended sentence, in whole or in part, upon a prior convicted felon, so long as the sentence does not involve a period of supervised probation and does not exceed the maximum penalty statutorily prescribed for the felony offense committed; (2) when a suspended sentence and supervised probation are properly imposed upon a first-offender under the provisions of § 47-7-33, the period of supervision by the Mississippi Department of Corrections is limited to a maximum period of five years; (3) Miss. Code Ann. § 47-7-34 does not prohibit the imposition of post release supervision upon a prior convicted felon, nor does the statute limit the period of post-release supervision to a period of five years; but instead, the period of post release supervision is limited only to the number of years, which when added to the total period of incarceration, would not exceed the maximum penalty statutorily prescribed for the felony offense committed; and, (4) importantly, the statutory limitation of five years applies only to that maximum period of post-release supervision which may be served under the supervision of the Mississippi Department of Corrections. To the extent that the court's decision in *Goss v. State*, 721 So.2d 144 (Miss. 1998) is in conflict with its decision, *Goss* is expressly overruled. *Johnson v. State*, 925 So. 2d 86 (Miss. 2006).

Petitioner was properly denied postconviction relief after he pled guilty to man-

slaughter by culpable negligence because he wrongfully read the post-release supervision statute. The statute applied to him because he was convicted of a felony committed after June 30, 1995; further, the statute did not distinguish between first time and repeat offenders. *Oaks v. State*, 912 So. 2d 1075 (Miss. Ct. App. 2005).

Post-release supervision, a legislative creation under Miss. Code Ann. § 47-7-34, was separate and distinct from probation, and a defendant's period of supervised release was not counted toward his time served. *Richardson v. State*, 907 So. 2d 404 (Miss. Ct. App. 2005).

Where defendant was sentenced to five years of incarceration, a 10-year suspended sentence, and five years post-release supervision, defendant's sentence was well within the statutory maximum of Miss. Code Ann. § 97-5-23 because a defendant's period of supervised release was not counted toward the defendant's time served. *Hobson v. State*, 910 So. 2d 1139 (Miss. Ct. App. 2005).

While Miss. Code Ann. § 47-7-34 limits to a period of five years the Mississippi Department of Corrections's authority to supervise an offender on post-release supervision, the limitation on the Department's authority to supervise does not limit to five years the period of post-release supervision which a trial judge may give to a prior-convicted felon. Mississippi Supreme Court has made it clear that a trial judge may sentence a prior-convicted felon to more than five years of post-release supervision, provided the period of incarceration and the period of post-release supervision do not exceed the maximum period of time allowed for the offense. *Avant v. State*, 896 So. 2d 379 (Miss. Ct. App. 2005).

Defendant was properly denied his motion for postconviction relief based on an allegedly illegal sentence where defendant was not convicted and given probation, but was convicted and given five years of postrelease supervision. Since the sentencing court complied with Miss. Code Ann. § 47-7-34 (2003) in ordering his sentence, denial of his motion for postconviction relief based on an illegal sentence was proper. *Johnson v. State*, 883 So. 2d 607 (Miss. Ct. App. 2004), cert. denied, 898 So. 2d 679 (Miss. 2005).

Where a trial court sentenced defendant to a term of one year in the Mississippi Department of Corrections (MDOC), followed by supervised probation under the supervision of the MDOC for a period of 10 years, a court of appeals erred in reversing the sentence because it was clear that the trial court was placing defendant on probation, only five years of which would be served under the supervision of the MDOC, the remaining five years being in essence "unsupervised probation." Thus, the sentence did not violate Miss. Code Ann. §§ 47-7-33, 47-7-34, or 47-7-37. *Miller v. State*, 875 So. 2d 194 (Miss. 2004).

At least two major differences between Miss. Code Ann. § 47-7-33 and Miss. Code Ann. § 47-7-34 are: (1) supervised probation may not be imposed on a convicted felon, while postrelease supervision may; and (2) supervised probation is limited to five years, while postrelease supervision is not. *Miller v. State*, 875 So. 2d 194 (Miss. 2004).

Defendant was sentenced to five years of actual incarceration followed by five years of post-release supervision, with no portion of defendant's sentence suspended. In defendant's action for postconviction relief, contesting the requirement for post release supervision, defendant confused Miss. Code Ann. § 47-7-33 (convicted felons ineligible for a suspended sentence), with Miss. Code Ann. § 47-7-34(1), which was the provision for post-release supervision; under § 47-7-34(1) convicted felons were eligible to receive post-release supervision. *Hunt v. State*, 874 So. 2d 448 (Miss. Ct. App. 2004).

Trial court erred in imposing a 15-year post-release supervision term on one drug conviction as the maximum allowed for each crime was five years. *Hill v. State*, 865 So. 2d 371 (Miss. Ct. App. 2003).

Trial court properly sentenced defendant to a term of incarceration plus a term of post-release supervision where the term of incarceration and post-release supervision did not exceed the statutory maximum sentence for the felony committed, and the sentence did not offend the double jeopardy clause of the United States or Mississippi Constitutions. *Kern v. State*, 828 So. 2d 871 (Miss. Ct. App. 2002).

There is nothing in Miss. Code Ann. § 47-7-34 to support the notion that the five-year limitation is intended to limit post-release supervision to five years, regardless of how many felonies the defendant commits; however, for the crime of aggravated assault the trial court sentenced defendant to 4 years of incarceration and 11 years of post-release supervision, which exceeded the maximum amount of time one could be sentenced by statute to post-release supervision. *Burnett v. State*, 831 So. 2d 1216 (Miss. Ct. App. 2002).

Probationary period of defendant's sentence did not count in the calculation of defendant's sentence under Miss. Code Ann. § 47-7-34; therefore, defendant's sentence did not exceed the maximum allowable sentence as a result of the probationary period. *Jones v. State*, 805 So. 2d 610 (Miss. Ct. App. 2002).

Probation under § 47-7-33 is a conditional term that is not a part of the prison sentence and is therefore not subject to the "totality" of sentence concept found in this section. *Miller v. State*, 879 So. 2d 1050 (Miss. Ct. App. 2004), cert. denied, 887 So. 2d 183 (Miss. 2004).

4. Double jeopardy.

Decision to revoke appellant's, an inmate's, probation was appropriate, but a remand to the trial court was necessary because the handwritten addendum to the revocation order caused the inmate's new sentence to exceed the five-year maximum sentence and the State conceded that the handwritten addendum imposing three years' post-release supervision, instead of two years, was a clerical error. *Whitaker v. State*, 22 So. 3d 326 (Miss. Ct. App. 2009).

Under the Fifth Amendment and Miss. Const. Art. 3, § 21, a trial court's imposition of defendant's original ten-year term after his second parole violation was not an unlawful extension or increase of his sentence in violation of his right against double jeopardy because, although the written sentencing order did not reflect the court's imposition of the ten-year sentence but merely that all but 18 months of that sentence were suspended, on two occasions defendant was clearly informed in open court that his sentence was for ten

years. *Harvey v. State*, 919 So. 2d 282 (Miss. Ct. App. 2005).

Denial of post-conviction relief was affirmed because the reinstatement of a suspended sentence after the revocation of probation for drug use did not amount to double jeopardy. *Britt v. State*, 856 So. 2d 699 (Miss. Ct. App. 2003).

4. Propriety of particular sentences.

Appellant inmate's sentence did not fail to comply with Miss. Code Ann. § 47-7-34, because he was sentenced to twenty years, which was well within the statutory guidelines for possession with intent to distribute, and his term of incarceration plus his post-release supervision did not exceed the maximum sentence of thirty years as prescribed by Miss. Code Ann. § 41-29-139(b)(1). *Burks v. State*, 37 So. 3d 1219 (Miss. Ct. App. 2010).

Appellant inmate was not entitled to postconviction relief because, in part, he was not improperly sentenced to probation as he asserted; rather, his twenty-year sentence was suspended, and he was placed under post-release supervision pursuant to Miss. Code Ann. § 47-7-34. *Burks v. State*, 37 So. 3d 1219 (Miss. Ct. App. 2010).

Appellant inmate's sentence did not fail to comply with Miss. Code Ann. § 47-7-34, because he was sentenced to twenty years, which was well within the statutory guidelines for possession with intent to distribute, and his term of incarceration plus his post-release supervision did not exceed the maximum sentence of thirty years as prescribed by Miss. Code Ann. § 41-29-139(b)(1). *Burks v. State*, 37 So. 3d 1219 (Miss. Ct. App. 2010).

Where defendant, a prior convicted felon, was sentenced to 30 years and was ordered to serve 26 months in incarceration with the remainder of the sentence suspended and four years of post-release supervision, defendant was not placed on probation, and the trial court lawfully placed conditions on the suspended sentence. Because the combined periods of incarceration and post-release supervision did not exceed the maximum penalty statutorily proscribed for the felony offense committed and the trial court imposed a sentence within the statutory guidelines, the sentence was not illegal

under Miss. Code Ann. § 47-7-33 or § 47-7-34. *Goudy v. State*, 996 So. 2d 185 (Miss. Ct. App. 2008).

Appellant inmate's motion for post-conviction relief was properly denied because, *inter alia*, an argument that the inmate was not given a valid term of post-supervision release based on his status as a convicted felon was rejected; the inmate's sentence was suspended under Miss. Code Ann. § 47-7-34, not under Miss. Code Ann. § 47-7-33. *Garner v. State*, 21 So. 3d 629 (Miss. Ct. App. 2008), writ of certiorari dismissed by 2009 Miss. LEXIS 571 (Miss. Nov. 19, 2009).

In a case where defendant was sentenced to eight years in prison with five years of post-release supervision after a guilty plea was entered to the crime of attempted burglary of a dwelling, a post-conviction relief motion was properly dismissed without an evidentiary hearing under Miss. Code Ann. § 99-39-11(2) because there was no ineffective assistance of counsel where jurisdiction was included in an indictment, the charges were not contradictory, an attempt charge was appropriate, and appellant inmate's other self-serving arguments were wholly unsupported by the record. Moreover, a sentence was not illegal since a suspended sentence was not required in addition to post-release supervision, the sentence imposed was within the range permitted, and the inmate was not misinformed regarding his appellate rights. *McKinney v. State*, 7 So. 3d 291 (Miss. Ct. App. 2008).

Post-conviction relief was denied in a case where appellant inmate's post-release supervision (PRS) and suspended sentences were revoked because the inmate was on state PRS the moment that he was released from federal custody. Therefore, there was no error in revoking his PRS based on an arrest for drugs shortly after his release from federal custody. *Lenoir v. State*, 4 So. 3d 1056 (Miss. Ct. App. 2008), writ of certiorari denied by

11 So. 3d 1250, 2009 Miss. LEXIS 122 (Miss. 2009).

Defendant was not considered a habitual offender for sentencing purposes, and his sentence could not be considered "mandatory" under Miss. Code Ann. § 47-47(2)(c); therefore, defendant was eligible for earned probation, and suspension of a convicted felon's sentence was proper and under the sound discretion of the trial court due to the passage of Miss. Code Ann. § 47-7-34; circuit and county courts had the power to suspend sentences for prior convicted felons that would have been considered illegal under § 47-7-33(1). *Campbell v. State*, 993 So. 2d 413 (Miss. Ct. App. 2008).

Defendant's sentence was valid and non-modifiable where he was ordered to serve 15 years in the custody of the Mississippi Department of Corrections (MDOC), with seven years to be served by actual incarceration, and the remaining eight years to be suspended and served by way of post-release supervision under Miss. Code Ann. § 47-7-34, with five of the eight years to be served in accordance with "probation-like" terms under the supervision of the MDOC, under Miss. Code Ann. § 47-7-34 and Miss. Code Ann. § 47-7-35. The appellate court ignored the clear intention of the circuit court to order a 15-year sentence, and this intention was appropriately accomplished under Miss. Code Ann. § 47-7-34. *Johnson v. State*, 925 So. 2d 86 (Miss. 2006).

Because defendant did not receive a suspended sentence, his sentence was not illegal under Miss. Code Ann. § 47-7-33(1) (Rev. 2004), and therefore his petition for post-conviction relief was properly dismissed as untimely, as it was not filed until March 2005; under Miss. Code Ann. § 99-39-5(2), defendant only had until June 5, 2003, to file his motion for post-conviction relief, and two years incarceration plus one year of supervision did not exceed 15 years, the maximum sentence for uttering a forgery. *King v. State*, 929 So. 2d 373 (Miss. Ct. App. 2006).

JUDICIAL DECISIONS

1. In general.
2. Banishment.
3. Probation properly revoked.
4. Propriety of particular sentences.

1. In general.

When the court exercises its authority to suspend the execution of a portion of a defendant's sentence, the normal course of procedure is to (1) impose a sentence, (2) determine what portion is to be suspended, (3) impose a period of probation, and (4) specify the terms and conditions upon which the probation/suspended sentence is contingent; if at any time during the period of probation it is determined that the probationer violated any of the specified conditions of his or her probation, the court has the authority to revoke any part or all of the probation or any part or all of the suspended sentence, as if the decision to suspend the sentence and place the defendant on probation had never been made. *Artis v. State*, 643 So. 2d 533 (Miss. 1994).

A court must base its revocation of a suspended sentence on a violation of the clear terms and conditions of the suspended sentence; due process requires that the trial judge at least orally inform the defendant of the terms and conditions upon which his or her suspended sentence is contingent before it may be properly revoked for the violation of those terms and conditions. *Artis v. State*, 643 So. 2d 533 (Miss. 1994).

Policy of denying public benefits to probationers as condition of probation unless and until probationer requests hearing for modification of probation and receives approval from court to apply for public assistance does not violate due process clause of Fourteenth Amendment, does not violate equal protection right of probationer or her dependent children nor are such conditions of probation unduly intrusive or constitutionally impermissible restrictions. *Clark v. Prichard*, 812 F.2d 991 (5th Cir. 1987).

Sentence was neither excessive nor beyond the court's authority which required the defendant, who was convicted of a violation of § 97-3-19, to serve 30 days in

the county jail, perform 60 days of community work, pay costs of special election, and pay costs of trial, as conditions for the suspension of a one year sentence and 2 years of probation. *Fanning v. State*, 497 So. 2d 70 (Miss. 1986).

2. Banishment.

In a challenge to the banishment provision of defendant's sentence pursuant to Miss. Code Ann. § 99-39-5(1)(a), the substitution of some period of formal probationary supervision in place of a like term of banishment did not constitute an increase in the degree or character of defendant's punishment that would invoke constitutional concerns of double jeopardy, U.S. Const. Amend. V, and the requirement of supervised probation was essentially rehabilitative in its objectives and not punitive; thus, the change in probation terms was within the circuit court's authority as contained in Miss. Code Ann. § 47-7-35. *Weaver v. State*, 856 So. 2d 407 (Miss. Ct. App. 2003), cert. denied, 859 So. 2d 1017 (Miss. 2003).

A banishment provision must bear a reasonable relationship to the purpose of probation, the ends of justice and the best interests of the defendant and the public must be served, the public policy must not be violated, the rehabilitative purpose of the probation must not be defeated, and the defendant's rights under the First, Fifth and Fourteenth Amendments to the United States Constitution must not be violated. *Hamm v. State*, 758 So. 2d 1042 (Miss. Ct. App. 2000).

3. Probation properly revoked.

Denial of the inmate's petition for post-conviction relief was proper where his probation was rightfully revoked because there was sufficient evidence supporting the conclusion that he more likely than not failed to avoid persons of harmful character and disreputable places. *Hubbard v. State*, 919 So. 2d 1022 (Miss. Ct. App. 2005).

4. Propriety of particular sentences.

Defendant's sentence was valid and non-modifiable where he was ordered to serve 15 years in the custody of the Mis-

Mississippi Department of Corrections (MDOC), with seven years to be served by actual incarceration, and the remaining eight years to be suspended and served by way of post-release supervision under Miss. Code Ann. § 47-7-34, with five of the eight years to be served in accordance with "probation-like" terms under the su-

pervision of the MDOC, under Miss. Code Ann. § 47-7-34 and Miss. Code Ann. § 47-7-35. The appellate court ignored the clear intention of the circuit court to order a 15-year sentence, and this intention was appropriately accomplished under Miss. Code Ann. § 47-7-34. *Johnson v. State*, 925 So. 2d 86 (Miss. 2006).

§ 47-7-37. Period of probation; arrest, revocation and commitment for violation of probation or postrelease supervision; certain restrictions on imposition of bail for persons required to register as sex offender.

The period of probation shall be fixed by the court, and may at any time be extended or terminated by the court, or judge in vacation. Such period with any extension thereof shall not exceed five (5) years, except that in cases of desertion and/or failure to support minor children, the period of probation may be fixed and/or extended by the court for so long as the duty to support such minor children exists.

At any time during the period of probation the court, or judge in vacation, may issue a warrant for violating any of the conditions of probation or

suspension of sentence and cause the probationer to be arrested. Any probation and parole officer may arrest a probationer without a warrant, or may deputize any other officer with power of arrest to do so by giving him a written statement setting forth that the probationer has, in the judgment of the probation and parole officer, violated the conditions of probation. Such written statement delivered with the probationer by the arresting officer to the official in charge of a county jail or other place of detention shall be sufficient warrant for the detention of the probationer.

If a probationer or offender is subject to registration as a sex offender, the court must make a finding that the probationer or offender is not a danger to the public prior to release with or without bail. In determining the danger posed by the release of the offender or probationer, the court may consider the nature and circumstances of the violation and any new offenses charged; the offender or probationer's past and present conduct, including convictions of crimes and any record of arrests without conviction for crimes involving violence or sex crimes; any other evidence of allegations of unlawful sexual conduct or the use of violence by the offender or probationer; the offender or probationer's family ties, length of residence in the community, employment history and mental condition; the offender or probationer's history and conduct during the probation or other supervised release and any other previous supervisions, including disciplinary records of previous incarcerations; the likelihood that the offender or probationer will engage again in a criminal course of conduct; the weight of the evidence against the offender or probationer; and any other facts the court considers relevant.

The probation and parole officer after making an arrest shall present to the detaining authorities a similar statement of the circumstances of violation. The probation and parole officer shall at once notify the court of the arrest and detention of the probationer and shall submit a report in writing showing in what manner the probationer has violated the conditions of probation. Thereupon, or upon an arrest by warrant as herein provided, the court, in termtime or vacation, shall cause the probationer to be brought before it and may continue or revoke all or any part of the probation or the suspension of sentence, and may cause the sentence imposed to be executed or may impose any part of the sentence which might have been imposed at the time of conviction.

If the probationer is arrested in a circuit court district in the State of Mississippi other than that in which he was convicted, the probation and parole officer, upon the written request of the sentencing judge, shall furnish to the circuit court or the county court of the county in which the arrest is made, or to the judge of such court, a report concerning the probationer, and such court or the judge in vacation shall have authority, after a hearing, to continue or revoke all or any part of probation or all or any part of the suspension of sentence, and may in case of revocation proceed to deal with the case as if there had been no probation. In such case, the clerk of the court in which the order of revocation is issued shall forward a transcript of such order to the clerk of the court of original jurisdiction, and the clerk of that court shall proceed as if

the order of revocation had been issued by the court of original jurisdiction. Upon the revocation of probation or suspension of sentence of any offender, such offender shall be placed in the legal custody of the State Department of Corrections and shall be subject to the requirements thereof.

Any probationer who removes himself from the State of Mississippi without permission of the court placing him on probation, or the court to which jurisdiction has been transferred, shall be deemed and considered a fugitive from justice and shall be subject to extradition as now provided by law. No part of the time that one is on probation shall be considered as any part of the time that he shall be sentenced to serve.

The arresting officer, except when a probation and parole officer, shall be allowed the same fees as now provided by law for arrest on warrant, and such fees shall be taxed against the probationer and paid as now provided by law.

The arrest, revocation and recommitment procedures of this section also apply to persons who are serving a period of post-release supervision imposed by the court.

1. In general; applicability.

Pursuant to Miss. Code Ann. § 47-7-37, only the court had the authority to revoke probation; accordingly, the trial court properly exercised jurisdiction over defendant in revoking his post-release supervision. *Edwards v. State*, 946 So. 2d 822 (Miss. Ct. App. 2007).

Per Miss. Code Ann. § 47-7-37, the circuit court had the statutory authority to revoke defendant's post-release supervision when he sold cocaine to an agent while on release. There was no error where the circuit court reinstated his five year suspended sentence; further, per the bench warrant upon which defendant was arrested, and the summons setting the revocation hearing, hand delivered to defendant, he had notice of the revocation

hearing and he was not denied due process or entitled to post-conviction relief. *Rucker v. State*, 909 So. 2d 137 (Miss. Ct. App. 2005).

Defendant's violation of the condition of his suspended sentence occurred within the five-year implied period of probation, Miss. Code Ann. § 47-7-37; defendant understood the simple and clear condition that he was not to violate any laws of any city or state or of the United States. *McCaine v. State*, 879 So. 2d 1114 (Miss. Ct. App. 2004).

Defendant was shown to have violated his probation, and pursuant to Miss. Code Ann. § 47-7-37 the trial judge had the right to reimpose the previously suspended seven year sentence; defendant's three years incarceration and seven years suspended plus five years of post-release supervision did not equate to fifteen years of time-served, and the sentence was not in violation of the statute. *Brown v. State*, 872 So. 2d 96 (Miss. Ct. App. 2004).

In a capital murder case, defendant's contention that his identification was the result of an illegal arrest was without

merit as his probation officer had the legal authority to sign the warrant under Miss. Code Ann. § 47-7-37, even though he allegedly had no personal knowledge of the circumstances in the warrant. *Howell v. State*, 860 So. 2d 704 (Miss. 2003), cert. dismissed, 543 U.S. 440, 125 S. Ct. 856, 160 L. Ed. 2d 873 (2005).

Petitioner's sentence for five years probation was proper where the trial court could impose up to five years' post-release supervision following time in the custody of the Department of Corrections, and the petitioner failed to establish that he was being held unlawfully in custody. *Payton v. State*, 845 So. 2d 713 (Miss. Ct. App. 2003), cert. denied, 859 So. 2d 392 (Miss. 2003), cert. denied, 540 U.S. 1078, 124 S. Ct. 931, 157 L. Ed. 2d 751 (2003).

A defendant who wishes to challenge the revocation of his probation need not pursue the administrative remedies set out in Miss. Code Ann. § 47-5-803, as only a court can continue or revoke a defendant's probation. *Rodriguez v. State*, 839 So. 2d 561 (Miss. Ct. App. 2003).

The trial court could not properly revoke the defendant's suspended sentence where (1) a 10-year period of probation was improperly imposed on the defendant as the statute allowed a maximum period of probation of five years, (2) shortly before the end of the fifth year of probation, the defendant's probation officer filed a violation report and an arrest warrant was issued, but no arrest occurred at that time, and (3) about two years later, the defendant was arrested on an unrelated charge, and a petition to revoke his suspended sentence was then filed. *Simpson v. State*, 785 So. 2d 1121 (Miss. Ct. App. 2001).

Where defendant would maintain his status as a probationer for a total of five years after his release, the maximum permitted, he would only be subjected to supervised probation, with its requirements of periodic reporting and other more restrictive provisions, for the first two years of the five-year probationary period. *Hall v. State*, 800 So. 2d 1202 (Miss. Ct. App. 2001).

Where the period of probation has already expired, it cannot thereafter be revoked, regardless of whether the proba-

tionary status terminated prior to the expiration of the term originally set by the sentencing court or by the passage of time. *Davis v. State*, 844 So. 2d 1142 (Miss. 2000).

When the county circuit court revoked the defendant's probation, it lacked the jurisdiction since, at the time of the defendant's arrest, the five year term of her probation had already expired by several months and, therefore, could not be revoked; a form warrant signed and mailed by an officer of the Department of Corrections did not serve to toll the running of term of probation because it was not issued by the court or a judge in vacation. *Ellis v. State*, 478 So. 2d 130 (Miss. 1999).

The combined terms of a sentence of imprisonment and a period of probation may exceed the maximum sentence permitted for a crime. *Carter v. State*, 726 So. 2d 195 (Miss. Ct. App. 1998).

When the court exercises its authority to suspend the execution of a portion of a defendant's sentence, the normal course of procedure is to (1) impose a sentence, (2) determine what portion is to be suspended, (3) impose a period of probation, and (4) specify the terms and conditions upon which the probation/suspended sentence is contingent; if at any time during the period of probation it is determined that the probationer violated any of the specified conditions of his or her probation, the court has the authority to revoke any part or all of the probation or any part or all of the suspended sentence, as if the decision to suspend the sentence and place the defendant on probation had never been made. *Artis v. State*, 643 So. 2d 533 (Miss. 1994).

Once a circuit or county court exercises its option to impose a definite sentence it cannot subsequently set that sentence aside and impose a greater sentence. *Leonard v. State*, 271 So. 2d 445 (Miss. 1973).

This provision does not apply to misdemeanors. *Jackson v. Waller*, 248 Miss. 166, 156 So. 2d 594 (1963), error overruled, 248 Miss. 172, 160 So. 2d 184 (1964).

2. Constitutional issues.

In a post-conviction appeal, a state inmate argued unsuccessfully that he was denied due process by the circuit court's

failure to require that he be found guilty of a crime before revoking his probation. The Mississippi Supreme Court had stated that a conviction was not necessary to revoke probation; probation could be revoked upon a showing that the inmate more likely than not violated the terms of probation. *Loisel v. State*, 995 So. 2d 850 (Miss. Ct. App. 2008).

In a post-conviction appeal, a state inmate argued unsuccessfully the circuit court erred in refusing his motion for post-conviction relief and that as a result, he was denied due process. Contrary to the inmate's assertion, the record showed that the circuit court judge provided a written order in which he found that the inmate admitted at the revocation hearing to violating his probation, and it was that admission that served as the basis for the revocation. *Loisel v. State*, 995 So. 2d 850 (Miss. Ct. App. 2008).

In a post-conviction appeal in which a state inmate argued that during his probation revocation hearing, he was on medication for depression and anxiety, and, as a result, he claimed that he felt extremely uncomfortable at the hearing and was denied due process, that argument failed. Nothing in the record indicated that the subject of his medications or mental state was ever brought up during the initial revocation hearing in relation to that proceeding, and he was represented by counsel and given an opportunity to be heard, to present evidence, and to examine witnesses. *Loisel v. State*, 995 So. 2d 850 (Miss. Ct. App. 2008).

Order dismissing defendant's motion for post-conviction relief pursuant to Miss. Code Ann. § 99-39-11(2) was upheld where defendant was accorded the minimum due process requirements to which defendant was entitled at a probation revocation hearing; defendant was given the opportunity to cross-examine the State's witnesses and to call witnesses. *Morgan v. State*, 995 So. 2d 787 (Miss. Ct. App. 2008), writ of certiorari denied by 999 So. 2d 374, 2008 Miss. LEXIS 633 (Miss. 2008).

Petitioner was accorded the minimum due process requirements to which he was entitled at his revocation hearing; he signed the waiver of preliminary hearing,

which contained the charges against him, and his revocation hearing was not held until two months later; there the evidence against him was presented and he was given the opportunity to be heard on the matter. *Payton v. State*, 845 So. 2d 713 (Miss. Ct. App. 2003), cert. denied, 859 So. 2d 392 (Miss. 2003), cert. denied, 540 U.S. 1078, 124 S. Ct. 931, 157 L. Ed. 2d 751 (2003).

A defendant who allegedly violated the terms of his probation by committing the crime of sale of cocaine was denied due process of law by having his probation revoked immediately after a mistrial was declared in his trial on the charge of sale of cocaine where the revocation was based upon the trial which had just resulted in a mistrial, the defendant never agreed that the court could summarily revoke his probation in the event the trial resulted in anything other than a conviction, and he was not given advance notice of a revocation hearing. *Grayson v. State*, 648 So. 2d 1129 (Miss. 1994).

A defendant was deprived of due process by a trial court's failure to conduct an inquiry as to the reason she was delinquent in paying her probation fines before revoking her probation because of her failure to pay those fines. *Berdin v. State*, 648 So. 2d 73 (Miss. 1994). But see *Smith v. State*, 742 So. 2d 1146 (Miss. 1999).

A defendant's probation revocation violated her due process rights where there was no record of the defendant receiving notice of a probation violation, and the disparity between the court's statements when probation was revoked, the written and signed order of revocation, and the court's after-the-fact explanation at the defendant's post-conviction relief hearing demonstrated a lack of actual notice. *Berdin v. State*, 648 So. 2d 73 (Miss. 1994). But see *Smith v. State*, 742 So. 2d 1146 (Miss. 1999).

A probationer was not denied due process due to the lack of a preliminary hearing in his probation revocation proceedings, even though a hearing expressly designated as "preliminary" was not held, where 3 hearings were held in the circuit courts and the first and second hearings were, for all practical purposes, equivalent to a preliminary hearing. Addition-

ally, the probationer was not wrongfully denied the opportunity to call his own witnesses where he made a last-minute request during the third hearing to call witnesses who allegedly would have testified in his behalf, the court concluded that the witnesses would have offered no new evidence, the probationer had already admitted that he committed probation violations, and at most the witnesses would have testified in regard to the probationer's character and would have had no effect on the outcome of the case. *Riely v. State*, 562 So. 2d 1206 (Miss. 1990).

The probation-revocation procedure delineated in § 47-7-37 is constitutional; the statute includes the minimum due process requirements applicable to parole and probation revocation procedures set forth in *Morrissey v. Brewer* (1972) 408 U.S. 471, 33 L. Ed. 2d 484, 92 S. Ct. 2593 and *Gagnon v. Scarpelli* (1973) 411 U.S. 778, 36 L. Ed. 2d 656, 93 S. Ct. 1756, 71 Ohio Ops 2d 279. *Riely v. State*, 562 So. 2d 1206 (Miss. 1990).

3. Jurisdiction.

Circuit court conditioned future suspension of fifteen years of the inmate's sentence on her successful completion of the Intensive Supervision Program (ISP); the circuit court's sentence was not prohibited by Miss. Code Ann. § 47-5-1003(4) where suspension of fifteen years of the inmate's sentence was contingent upon her completion of the ISP, and successful completion of post-release supervision was conditioned upon obedience to the terms and conditions of post-release supervision spelled out in her court order; none of which required completion of the ISP; the inmate was not subject to removal from the ISP by the circuit court, but only by the Mississippi Department of Corrections. *Ivory v. State*, 999 So. 2d 420 (Miss. Ct. App. 2008), writ of certiorari denied by 999 So. 2d 852, 2009 Miss. LEXIS 51 (Miss. 2009).

Regardless of whether defendant was under earned- or post-release supervision at the time he initially violated probation, he admitted to violating his probation and when he appeared at his probation revocation hearing, he had not been released from the trial court's jurisdiction; accordingly, the trial court properly exercised

jurisdiction over him under Miss. Code Ann. § 47-7-37 in revoking his probation, so the reduced sentence that he received was unquestionably legal. *Grace v. State*, 919 So. 2d 987 (Miss. Ct. App. 2005).

Trial court had jurisdiction to revoke defendant's probation after he pled guilty to two counts of sale of cocaine, because Miss. Code Ann. § 47-7-37 did not require that the original sentencing judge be the person who revoked probation. *Evans v. State*, 846 So. 2d 301 (Miss. Ct. App. 2003).

Where the judge who revoked the inmate's suspended sentence was not the judge who imposed the sentence, the trial court had authority to revoke the sentence pursuant to Miss. Code Ann. § 47-7-37, as the identity of the judge who revoked the suspension was irrelevant. *Atwell v. State*, 848 So. 2d 190 (Miss. Ct. App. 2003).

The trial judge's expressed retention of jurisdiction during the first 180 days of the defendant's two year probation did not act as a waiver of jurisdiction beyond the first 180 days yet prior to the expiration of the term of probation. *Reaves v. State*, 749 So. 2d 295 (Miss. Ct. App. 1999).

4. Proceedings; right to counsel.

Post-conviction relief was denied in a case where a portion of a suspended sentence was revoked under Miss. Code Ann. § 47-7-37 because there was no due process violation since the evidence relied upon was listed, there was no double jeopardy violation since the original sentence was reinstated, and counsel was not required since the case was not complex. *Pruitt v. State*, 953 So. 2d 302 (Miss. Ct. App. 2007).

Post-conviction relief was properly denied, because petitioner's probation was properly revoked based on his indictment for burglary, as petitioner was provided with written notice of the charges against him, the evidence against him was presented to the court in the form of an indictment for burglary and failure to pay supervision and court costs fees, and petitioner was given the opportunity to be heard in court and to present evidence that could refute the allegations levied against him. *Newsom v. State*, 904 So. 2d 1095 (Miss. Ct. App. 2004).

Postconviction relief was properly denied, because petitioner was not improperly denied a right to counsel at his probation revocation hearing, as the record did not reflect that petitioner obtained or requested counsel during the revocation hearing, and the trial court was under no duty to appoint counsel for petitioner during the revocation proceeding. *Newsom v. State*, 904 So. 2d 1095 (Miss. Ct. App. 2004).

Probationers and parolees do not “have, per se, a right to counsel at revocation hearings.” Whether probationers have a right to counsel must be answered “on a case-by-case basis in the exercise of a sound discretion by the state authority charged with responsibility for administering the probation and parole system.” *Riely v. State*, 562 So. 2d 1206 (Miss. 1990).

A probationer was not deprived of the right to counsel at his probation revocation hearings in violation of his constitutional rights where the circuit court did not actually “disallow” the probationer to have legal representation but merely refused to continue the hearing in response to his belated request for more time to obtain counsel, the case was not “complex or otherwise difficult to develop,” and counsel was provided upon the probationer’s request prior to the fourth hearing before the circuit court and prior to his appeal to the Supreme Court. *Riely v. State*, 562 So. 2d 1206 (Miss. 1990).

A probationer was not denied due process due to the lack of a preliminary hearing in his probation revocation proceedings, even though a hearing expressly designated as “preliminary” was not held, where 3 hearings were held in the circuit courts and the first and second hearings were, for all practical purposes, equivalent to a preliminary hearing. Additionally, the probationer was not wrongfully denied the opportunity to call his own witnesses where he made a last-minute request during the third hearing to call witnesses who allegedly would have testified in his behalf, the court concluded that the witnesses would have offered no new evidence, the probationer had already admitted that he committed probation violations, and at most the witnesses would

have testified in regard to the probationer’s character and would have had no effect on the outcome of the case. *Riely v. State*, 562 So. 2d 1206 (Miss. 1990).

5. —Evidence.

Denial of the inmate’s motion for post-conviction relief was proper where, had the information of his HIV diagnosis been available to the judge, it would not have changed the fact that the inmate violated the terms of his probation; however, the court remanded for proper sentencing, stating that his failure to successfully complete the Regimented Inmate Discipline (RID) Program did not occur because of any misconduct or similar failure on his part. *Curry v. State*, 855 So. 2d 452 (Miss. Ct. App. 2003).

Evidence that defendant failed to make restitution payments and engaged in continuing misconduct while on probation for aggravated assault supported trial court’s decision to revoke probation and impose the remaining 11 years of defendant’s 12-year sentence; defendant was not denied due process and the sentence was not excessive. *Rodriguez v. State*, 839 So. 2d 561 (Miss. Ct. App. 2003).

Since a hearing on a petition to revoke probation is not a criminal proceeding, the evidence for revocation need not be beyond a reasonable doubt, but it is only necessary that the evidence be sufficient to convince the court that probation should be revoked. *Ray v. State*, 229 So. 2d 579 (Miss. 1969).

6. Propriety of particular sentences.

Defendant, who admitted that he had twice violated a specific term of his post-release supervision, was properly required to serve the remainder of his entire sentence because Miss. Code Ann. § 47-7-37 gave the circuit court judge discretion to revoke and impose any portion or all of a suspended sentence, and a conviction was not necessary in order to revoke probation. *Yance v. State*, 30 So. 3d 370 (Miss. Ct. App. 2010).

There was no error in the circuit court’s dismissal of an inmate’s motion for post-conviction relief. After the inmate violated his post-release supervision, the circuit court revoked his post-release supervision for a period of eight years with the first

three years to be served on house arrest and the remaining sentence to be served on post-release supervision; the inmate's sentence was within the circuit court's authority according to Miss. Code Ann. § 47-7-37. *Williams v. State*, 4 So. 3d 388 (Miss. Ct. App. 2009).

Where appellant served four years of his six-year sentence for the sale of cocaine, he was released; upon the revocation of his suspended two-year sentence, the trial court violated Miss. Code Ann. § 47-7-37 and appellant's protection against double jeopardy by imposing a three-year term of imprisonment. *Branch v. State*, 996 So. 2d 829 (Miss. Ct. App. 2008).

In an appeal from a circuit court's summary dismissal of his motion for post-conviction relief pursuant to Miss. Code Ann. § 99-39-11(2), a pro se inmate argued unsuccessfully that his sentence illegally exceeded the statutory maximum under Miss. Code Ann. § 97-3-73, and therefore, it was illegal for the circuit court to institute and then revoke his post-release supervision. Since the inmate's sentence did not exceed the maximum allowable sentence as provided for in Miss. Code Ann. § 97-3-75, there was no merit to his argument that because his sentence exceeded the time allowed by the statute, his post-release supervision was not illegally instituted and revoked, there was no merit to his argument that he should have received credit for the time he spent on post-release supervision, and, under Miss. Code Ann. § 47-7-37, the circuit court had the right to reimpose the previously suspended 12-year sentence. *Fluker v. State*, 2 So. 3d 717 (Miss. Ct. App. 2008).

Post-conviction relief was denied in a case where appellant inmate's post-release supervision and suspended sentences were revoked because the inmate was merely ordered to serve the remainder of his sentence under Miss. Code Ann. § 47-7-37; therefore, he was not entitled to a milder sentence for forgery, pursuant to Miss. Code Ann. § 99-19-33. *Lenoir v. State*, 4 So. 3d 1056 (Miss. Ct. App. 2008), writ of certiorari denied by 11 So. 3d 1250, 2009 Miss. LEXIS 122 (Miss. 2009).

Motion for post-conviction relief was denied in a case where defendant's sus-

pended sentence for statutory rape was revoked because he waived issues relating to a speedy trial and defects in an evidence sample due to a guilty plea, there was no evidence that an indictment was manufactured, and the revocation of the suspended sentence was permitted under Miss. Code Ann. §§ 47-7-34 and 47-7-37 where defendant had already served a portion of a five-year sentence after the guilty plea was entered. *Davis v. State*, 954 So. 2d 530 (Miss. Ct. App. 2007).

Where defendant had already served 18 months of his ten-year sentence, the trial court's order sentencing defendant to serve ten years upon his second violation of the terms of his postrelease supervision did exceed the authority of the court, which was only authorized to reinstate the remainder of defendant's original sentence. The maximum term remaining on defendant's sentence that could have been reinstated by the court was eight years and six months. *Harvey v. State*, 919 So. 2d 282 (Miss. Ct. App. 2005).

Where a trial court sentenced defendant to a term of one year in the Mississippi Department of Corrections (MDOC), followed by supervised probation under the supervision of the MDOC for a period of 10 years, a court of appeals erred in reversing the sentence because it was clear that the trial court was placing defendant on probation, only five years of which would be served under the supervision of the MDOC, the remaining five years being in essence "unsupervised probation." Thus, the sentence did not violate Miss. Code Ann. §§ 47-7-33, 47-7-34, or 47-7-37. *Miller v. State*, 875 So. 2d 194 (Miss. 2004).

While Miss. Code Ann. § 47-7-37 (Rev. 2000) gave the trial court the authority to impose less than the full sentence as a sanction for an inmate's probation violation, since the trial court stated it was sentencing the inmate to "his 2½ years," the appellate court inferred that the trial court had intended to impose the entire suspended sentence of 4½ years, which was the sentence stated in the written order and which prevailed over the oral sentence. *Boutwell v. State*, 847 So. 2d 294 (Miss. Ct. App. 2003).

After an arson conviction, a trial court erred by sentencing defendant to 10 years

of post-release supervision because only five years was permitted under Miss. Code Ann. § 47-7-37. *Miller v. State*, 856 So. 2d 420 (Miss. Ct. App. 2003).

Twenty-year sentence for aggravated assault, of which eight years were suspended for a period of five years did not exceed the 20-year statutory maximum for the offense because a period of probation is not included in calculating the period of incarceration to which a defendant is sentenced. *Ray v. State*, 844 So. 2d 483 (Miss. Ct. App. 2002), cert. denied, 846 So. 2d 229 (Miss. Ct. App. 2003).

After petitioner admitted he breached the terms of his suspended sentence, the trial court was entitled to revoke any or all of the suspended sentence and was also allowed to impose the four years it originally suspended, and thus, the petitioner was not entitled to a credit of 15 months served on supervised release deducted from the four-year suspended sentence that petitioner was ordered to serve after he breached his suspended sentence. *Johnson v. State*, 802 So. 2d 110 (Miss. Ct. App. 2001).

The probationary period imposed on the defendant was improper and in violation of the statute, which allowed a maximum period of probation of five years, where his sentence was suspended and he was placed on 10 years' probation. *Simpson v. State*, 785 So. 2d 1121 (Miss. Ct. App. 2001).

Upon a defendant's violation of his probation, it was well within the court's power to revoke his probation or his suspended sentence and reinstate any or all of the original sentence if it deemed such an action necessary; court could sentence a defendant to the full original sentence if it deemed such an action necessary. *Brunson v. State*, 796 So. 2d 284 (Miss. Ct. App. 2001).

Defendant's sentence of nineteen and one-half years incarceration and six months suspended plus five years of probation does not equate to twenty-five years of time-served, and the sentence is not in violation of this section or § 97-3-25. *Carter v. State*, 754 So. 2d 1027 (Miss. 2000).

Where the defendant was sentenced to serve a term of 10 years, suspended for

two years in the custody of the Mississippi Department of Corrections, with such suspension made contingent upon his successful completion of a two year period of house arrest, and where the defendant failed to abide by the terms and conditions of his probation and house arrest, the trial court was authorized to revoke the defendant's probation and impose any part or all of the 10 year sentence originally imposed. *Reaves v. State*, 749 So. 2d 295 (Miss. Ct. App. 1999).

The defendant was entitled to reversal and remand for resentencing where he was given the statutory maximum sentence of 20 years, but with six months suspended and probation for five years; such sentence exceeded the statutory maximum sentence. *Carter v. State*, — So. 2d —, 1999 Miss. App. LEXIS 235 (Miss. Ct. App. Apr. 20, 1999), reversed by 754 So. 2d 1207, 2000 Miss. LEXIS 7 (Miss. 2000).

The revocation of a defendant's suspended sentence 10 years after the date of the original sentence was not improper, where the defendant was sentenced to 30 years' imprisonment, the execution of 15 years of the 30-year sentence was suspended, the defendant was also ordered to serve a 5-year period of supervised probation, the defendant was released on parole after serving 5 years in the state penitentiary on the 15-year "to serve" portion of his sentence, the defendant was arrested for receiving stolen property approximately 2 years after his release on parole and was reincarcerated, he was released on probation 19 months later, and his 15-year suspended sentence was partially revoked for a period of 6 years for violation of the suspended sentence as a result of a house burglary which occurred approximately one year after he was released on probation. The 5-year probationary period for the 15-year suspended portion of the defendant's 30-year sentence did not begin to run until the day he was released on probation, and the house burglary which triggered the revocation of the suspended sentence took place well within the 5-year period of probation. *Moore v. State*, 585 So. 2d 738 (Miss. 1991).

Where on remand for resentencing, the trial court sentenced defendant, this being

his first offense, to 3 ½ years in the state penitentiary, but included in the resentencing order a proviso that when defendant shall have served one year of the sentence, he should be placed on probation and parole as to the remaining 2 ½-year-period for a term of 5 years, inasmuch as the period of probation did not exceed the limit set in Code 1942 § 4004-25, the judgment would be affirmed. *Pettus v. Alexander*, 278 So. 2d 778 (Miss. 1973).

7. Miscellaneous.

Decision to revoke appellant's, an inmate's, probation was appropriate pursuant to Miss. Code Ann. § 47-7-37 because he had testified that he had used marijuana one time since being placed on probation, and, in revoking his probation, the trial judge found that the inmate had used drugs while on probation, had failed to pay supervision fees and court costs, and had resided with his brother, who had an outstanding felony warrant. *Whitaker v. State*, 22 So. 3d 326 (Miss. Ct. App. 2009).

State acted on a probation revocation petition within a reasonable amount of time; defendant had fled the jurisdiction to Pennsylvania upon release from prison, and remained there until returning to Mississippi, shortly before being served with the revocation petition and arrested. *Leech v. State*, 994 So. 2d 850 (Miss. Ct. App. 2008), writ of certiorari dismissed by 999 So. 2d 852, 2009 Miss. LEXIS 50 (Miss. 2009).

Revocation of defendant's probation and reinstatement of an initially suspended sentence was well within a trial judge's discretion and within the confines of statutory authority where defendant committed another armed robbery while on probation for armed robbery, thereby violating the terms of probation. *Deere v. State*, 976 So. 2d 977 (Miss. Ct. App. 2008).

Denial of the inmate's petition for post-conviction relief was proper pursuant to Miss. Code Ann. § 99-39-21(1) where his argument that the judge should not have presided over the revocation hearing was not preserved for review because he did not raise the issue at the revocation proceeding. In addition, it was without merit because the judge was exercising his au-

thority under Miss. Code Ann. § 47-7-37 to issue a warrant for the inmate's arrest for a probation violation; thus, he was acting within his statutory authority and there was no indication that he was unqualified or biased. *Hubbard v. State*, 919 So. 2d 1022 (Miss. Ct. App. 2005).

Where petitioner had waived his right to a probation revocation hearing, the court had the right to re-impose petitioner's suspended sentence for uttering forgery because he had tested positive for marijuana and was terminated from a work program. While petitioner claimed that he did not understand that he would have to serve the remaining balance of his sentence, he was not entitled to postconviction relief. *Gates v. State*, 919 So. 2d 170 (Miss. Ct. App. 2005).

Under Miss. Code Ann. § 47-7-37, probation did not equal time served and could not be credited toward a suspended sentence; therefore, the trial court did not err in denying defendant's motion for credit for the time he had served on probation. *Simmons v. State*, 913 So. 2d 1011 (Miss. Ct. App. 2005).

Record indicated an order signed by the trial judge extending defendant's probation for one year; since there was a record of an order extending probation for the trial judge to consider in reviewing defendant's motion for postconviction relief, the trial judge acted within proper judicial discretion in denying defendant's requested relief. *McDonald v. State*, 904 So. 2d 1167 (Miss. Ct. App. 2004).

A two-day delay between probationer's arrest and presentation of petition to the court was insufficient to run afoul of the statute's requirement that judicial oversight be brought to this notice and that the probationer be given an opportunity to be heard. *Thorn v. State*, 815 So. 2d 455 (Miss. Ct. App. 2002).

When the trial court imposes conditions upon a suspended sentence without stating a probationary period, Mississippi law implies imposition of the maximum probationary period of five years and, therefore, if the defendant violates the conditions of his probation within such period, the court has the authority to revoke the suspended sentence. *Shumpert v. State*, 764 So. 2d 1250 (Miss. Ct. App. 2000).

Before a trial court may revoke a defendant's probation or suspended sentence, it must afford the defendant the minimum due process requirements, including a preliminary hearing and the opportunity to cross-examine witnesses. *Shumpert v. State*, 764 So. 2d 1250 (Miss. Ct. App. 2000).

Although a probationary period was not described by the court, a probationary period of up to five years was in fact established based on the terms of the defendant's release where he was ordered to serve ten years in the Mississippi Department of Corrections with the last eight years suspended, pending future good behavior. *Wilson v. State*, 735 So. 2d 290 (Miss. 1999).

The trial court did not violate the defendant's right to due process when it revoked his suspended sentence based upon an offense that occurred prior to the imposition of his probation and when the court's express condition of probation stated that the defendant "shall hereafter commit no offense against the laws of this . . . state," where (1) the defendant was served with a copy of the state's petition to revoke his suspended sentence at least five days before the hearing in open court and was given notice thereof, (2) during the hearing, the defendant, through his attorney, confessed to the petition filed by the state and acknowledged that he violated the terms of his probation, and (3) the trial court judge advised the defendant that he was entitled to a hearing during which the state would be required to sufficiently establish that he violated the terms of his probation, but he informed the court that he did not desire

such a hearing. *Smith v. State*, — So. 2d —, 1998 Miss. App. LEXIS 1053 (Miss. Ct. App. Dec. 18, 1998), reversed en banc by, remanded by 742 So. 2d 1146, 1999 Miss. LEXIS 260 (Miss. 1999).

When failure to pay court-imposed fines becomes a possible basis for a probation revocation, the trial court must follow the procedural mandates of § 99-19-20(2). *Berdin v. State*, 648 So. 2d 73 (Miss. 1994). But see *Smith v. State*, 742 So. 2d 1146 (Miss. 1999).

A court must base its revocation of a suspended sentence on a violation of the clear terms and conditions of the suspended sentence; due process requires that the trial judge at least orally inform the defendant of the terms and conditions upon which his or her suspended sentence is contingent before it may be properly revoked for the violation of those terms and conditions. *Artis v. State*, 643 So. 2d 533 (Miss. 1994).

A prisoner will not be permitted to serve his or her period of probation simultaneously with his or her incarceration; "probation" denotes a release of the defendant, under suspension of sentence, into the community under the supervision of a probation officer. *Moore v. State*, 585 So. 2d 738 (Miss. 1991).

Petition for revocation of probation filed approximately 11 days prior to expiration of probationary period tolls running of probationary period and court acts within reasonable time by revoking probation 2 days after probationary period would otherwise have expired. *Jackson v. State*, 483 So. 2d 1353 (Miss. 1986), cert. denied, 522 U.S. 1119, 118 S. Ct. 1059, 140 L. Ed. 2d 120 (1998).

ATTORNEY GENERAL OPINIONS

Based on specified facts pertaining to an encounter with and rearrest of a probationer, the probationer himself was ultimately responsible for his own medical expenses arising from the encounter; however, assuming he was indigent, the county would be responsible for the medical expenses incurred as the injury occurred and the expenses were incurred prior to the initiation of proceedings for

revocation of his probation. Griffith, May 3, 2002, A.G. Op. #02-0232.

When a probationer is arrested pursuant to Section 47-7-37 and held in the county jail awaiting a probation revocation hearing, the prisoner is a state inmate and the Mississippi Department of Corrections is responsible for the cost of incarcerating such an inmate. Shepard, Mar. 21, 2003, A.G. Op. #03-0108.

When a probationer is arrested for an unrelated crime, the prisoner is in the custody of the local government and the local government must bear the costs of incarceration; however, upon the issuance of a warrant pursuant to this section or § 47-7-27 the prisoner becomes a state inmate and the Mississippi Department of Corrections must bear the cost of incarceration. Pope, Mar. 28, 2003, A.G. Op. #03-0137.

Based on Section 47-5-901(3), when a probationer is arrested pursuant to this section and held in the county jail await-

ing a probation revocation hearing, the Mississippi Department of Corrections is not responsible for the cost of incarcerating such an inmate; therefore, the county must absorb such costs. Note: Shepard (Mar. 21, 2003), A.G. Op. #03-0108, is hereby revoked. Shepard, July 7, 2003, A.G. Op. 03-0108.

Upon issuance of a warrant pursuant to Section 47-7-37 the prisoner becomes a state inmate and the Mississippi Department of Corrections must bear the cost of incarceration. Howard, July 22, 2005, A.G. Op. 05-0345.

§ 47-7-47. Earned probation program; restitution to crime victim.

(1) The judge of any circuit court may place an offender on a program of earned probation after a period of confinement as set out herein and the judge may seek the advice of the commissioner and shall direct that the defendant be under the supervision of the department.

(2)(a) Any circuit court or county court may, upon its own motion, acting upon the advice and consent of the commissioner not earlier than thirty (30) days nor later than one (1) year after the defendant has been delivered to the custody of the department, to which he has been sentenced, suspend the further execution of the sentence and place the defendant on earned probation, except when a death sentence or life imprisonment is the maximum penalty which may be imposed or if the defendant has been confined two (2) or more times for the conviction of a felony on a previous occasion in any court or courts of the United States and of any state or territories thereof or has been convicted of a felony involving the use of a deadly weapon.

(b) The authority granted in this subsection shall be exercised by the judge who imposed sentence on the defendant, or his successor.

(c) The time limit imposed by paragraph (a) of this subsection is not applicable to those defendants sentenced to the custody of the department prior to April 14, 1977. Persons who are convicted of crimes that carry mandatory sentences shall not be eligible for earned probation.

(3) When any circuit or county court places an offender on earned probation, the court shall give notice to the Mississippi Department of Corrections within fifteen (15) days of the court's decision to place the offender on earned probation. Notice shall be delivered to the central office of the Mississippi Department of Corrections and to the regional office of the department which will be providing supervision to the offender on earned probation.

(4) If the court places any person on probation or earned probation, the court may order the person, as a condition of probation, to a period of confinement and treatment at a private or public agency or institution, either within or without the state, which treats emotional, mental or drug-related problems. Any person who, as a condition of probation, is confined for treatment at an out-of-state facility shall be supervised pursuant to Section 47-7-71, and any person confined at a private agency shall not be confined at public expense. Time served in any such agency or institution may be counted as time required to meet the criteria of subsection (2)(a).

(5) If the court places any person on probation or earned probation, the court may order the person to make appropriate restitution to any victim of his crime or to society through the performance of reasonable work for the benefit of the community.

(6) If the court places any person on probation or earned probation, the court may order the person, as a condition of probation, to submit, as provided

in Section 47-5-601, to any type of breath, saliva or urine chemical analysis test, the purpose of which is to detect the possible presence of alcohol or a substance prohibited or controlled by any law of the State of Mississippi or the United States.

JUDICIAL DECISIONS

1. In general.
2. Applicability.
3. Jurisdiction.

1. In general.

Trial court clearly erred by finding that it did not have jurisdiction to re-sentence defendant under Miss. Code Ann. § 47-7-47, the earned probation program, where he was neither an “inmate” nor “in custody” of the DOC after being released pending re-sentencing. *Creel v. State*, 944 So. 2d 896 (Miss. Ct. App. 2005), vacated by, remanded by 944 So. 2d 891, 2006 Miss. LEXIS 683 (Miss. 2006).

The trial court did not abuse its discretion or violate any statutory or constitutional rights of the defendant by removing him from the earned probation program without an evidentiary hearing. *Bourrage v. State*, 785 So. 2d 1096 (Miss. Ct. App. 2001).

The defendant was not improperly dismissed from the regimented inmate disciplinary program, notwithstanding her assertion that she was entitled to an evidentiary hearing prior to such dismissal. *Green v. State*, 784 So. 2d 273 (Miss. Ct. App. 2001).

This section does not inhibit the ability of the trial court to “adjust” a sentence within the limits of this section while an appeal is pending. *Jenkins v. State*, 733 So. 2d 833 (Miss. 1999).

The trial court judge acted in excess of his authority and jurisdiction when he released an inmate after the inmate was denied parole and was beyond the statutory deadline for modifying or amending a sentence. *In re Moore*, 722 So. 2d 465 (Miss. 1998), cert. denied, 525 U.S. 1123, 119 S. Ct. 905, 142 L. Ed. 2d 904 (1999).

Judge lacked authority to suspend remainder of defendant’s sentence where defendant was clearly ineligible for release under statute governing earned probation, defendant was taken into custody for parole violation involving weapons and alcohol, and judge acted solely on his own after numerous ex parte communications with others. *Mississippi Comm’n on Judicial Performance v. Russell*, 691 So. 2d 929 (Miss. 1997), reh’g denied, 693 So. 2d 384 (Miss. 1997).

Judge’s use of nunc pro tunc order to suspend defendant’s sentence following ex parte communications with defendant’s daughter, regarding defendant’s age and health, exceeded judge’s authority where judge did not reserve right to judicial review at time of original sentencing. *Mississippi Comm’n on Judicial Performance v. Russell*, 691 So. 2d 929 (Miss. 1997), reh’g denied, 693 So. 2d 384 (Miss. 1997).

Judge’s use of nunc pro tunc order to correct sentencing order to show that judge had reserved judicial review of sentence for 180 days, thus permitting subse-

quent suspension of defendant's sentence, exceeded judge's authority, in that reservation language was not included in original order, defendant was not eligible for earned probation under statute, judge could not suspend sentence imposed by another judge, which defendant was serving at time judge suspended sentence, and judge acted ex parte, without motion by defendant's attorney. *Mississippi Comm'n on Judicial Performance v. Russell*, 691 So. 2d 929 (Miss. 1997), reh'g denied, 693 So. 2d 384 (Miss. 1997).

State Supreme Court's *Wigginton* decision, providing that trial judge who initially committed prisoner to regimented inmate discipline (RID) program could review prisoner's expulsion from that program in order to ascertain whether there was any basis for removal, did not authorize circuit court judge to use nunc pro tunc orders to suspend sentences and place prisoners on probation after time of original sentencing. *Mississippi Comm'n on Judicial Performance v. Russell*, 691 So. 2d 929 (Miss. 1997), reh'g denied, 693 So. 2d 384 (Miss. 1997).

Circuit judge who sentenced prisoner under statute governing earned probation programs had authority to later make a determination whether to suspend execution of sentence due to removal of prisoner from Regimented Inmate Discipline (RID), or shock probation, program. *Wigginton v. State*, 668 So. 2d 763 (Miss. 1996).

Neither the due process clause nor Mississippi law gives rise to a protected liberty interest in the form of an expectation of release on probation. There is no liberty interest in release pursuant to the provisions of § 47-7-47, which creates a procedure whereby the courts may place a prisoner on probation, since the language of the statute is permissive rather than mandatory in nature; the statute vests absolute discretion in both the Department of Corrections and the court in determining whether probation should be recommended and granted, and this discretion affords a prisoner no constitutionally recognized liberty interest. *Smith v. State*, 580 So. 2d 1221 (Miss. 1991).

2. Applicability.

Where defendant pled guilty to statutory rape, the trial court did not err by

sentencing defendant to participate in the Mississippi Regimented Inmate Discipline Program program under its own discretion, and not under the earned-time allowance program administered by the Mississippi DOC. *Gatlin v. State*, 18 So. 3d 290 (Miss. Ct. App. 2009).

Defendant was not considered a habitual offender for sentencing purposes, and his sentence could not be considered "mandatory" under Miss. Code Ann. § 47-7-47(2)(c); therefore, defendant was eligible for earned probation, and suspension of a convicted felon's sentence was proper and under the sound discretion of the trial court due to the passage of Miss. Code Ann. § 47-7-34; circuit and county courts had the power to suspend sentences for prior convicted felons that would have been considered illegal under § 47-7-33(1). *Campbell v. State*, 993 So. 2d 413 (Miss. Ct. App. 2008).

To the extent defendant may be correct that Miss. Code Ann. § 47-7-47 gave the trial judge between thirty days and one year to modify or suspend sentences, the authority to do so was within the sound discretion of the court, and the judge determined not to do so, which was not error. *Ducote v. State*, 970 So. 2d 1309 (Miss. Ct. App. 2007).

Circuit court's interpretation of Miss. Code Ann. § 47-7-47(2)(a) as pertaining to resentencing was erroneous because the statute did not pertain to resentencing, it pertained only to a suspension of the further execution of a sentence and to the placement of the convicted felon on earned probation. *Creel v. State*, 944 So. 2d 891 (Miss. 2006).

The statute does not apply to the intensive supervision program provided for in §§ 47-5-1001 through 47-5-1015 and, therefore, the circuit court did not have the authority to disregard a disciplinary committee's finding that the defendant was not guilty of a violation of the program and to reinstate his sentences. *Babbitt v. State*, 755 So. 2d 406 (Miss. 2000).

3. Jurisdiction.

Dismissal of the inmate's petition for postconviction relief was proper because the appeal was untimely; further, even assuming that his appeal was an appeal from the circuit court's dismissal of the

inmate's motion for reconsideration, the circuit court did not commit clear error not did it abuse its discretion in dismissing that motion because the inmate had been sentenced during a previous term of court that had since ended, and thus the circuit court had lost jurisdiction as to any aspect of the inmate's sentencing under

Miss. Code Ann. § 47-7-47(2). *Doss v. State*, 956 So. 2d 1100 (Miss. Ct. App. 2007).

While the statute provides for jurisdiction in matters of probation and earned probation, it does not provide for jurisdiction with regard to house arrest. *Smith v. State*, 766 So. 2d 50 (Miss. Ct. App. 2000).

ATTORNEY GENERAL OPINIONS

Once a court revokes a defendant's non-adjudicated status, accepts the defendant's original plea and imposes a sentence, the defendant has then been adjudicated guilty and the court may not return the defendant to a non-adjudicated status, even if the imposed sentence consists of an earned probation program. *Terry*, June 7, 2002, A.G. Op. #02-0320.

Any alderman may vote to repeal or amend a valid and effective ordinance. *Collins*, Apr. 7, 2003, A.G. Op. 03-0153.

A defendant who has served a single confinement for more than one felony conviction would be eligible for the earned probation program. *Thomas*, Apr. 25, 2003, A.G. Op. 03-0148.

§ 47-7-49. Creation of community service revolving fund; payments by offender on probation, parole, earned-release supervision, post-release supervision, or earned probation; disposition of payments; time limit on payments. [Repealed effective June 30, 2012].

(1) Any offender on probation, parole, earned-release supervision, post-release supervision, earned probation or any other offender under the field supervision of the Community Services Division of the department shall pay to

the department the sum of Fifty-five Dollars (\$55.00) per month by certified check or money order unless a hardship waiver is granted. An offender shall make the initial payment within thirty (30) days after being released from imprisonment unless a hardship waiver is granted. A hardship waiver may be granted by the sentencing court or the Department of Corrections. A hardship waiver may not be granted for a period of time exceeding ninety (90) days. The commissioner or his designee shall deposit Fifty Dollars (\$50.00) of each payment received into a special fund in the State Treasury, which is hereby created, to be known as the Community Service Revolving Fund. Expenditures from this fund shall be made for: (a) the establishment of restitution and satellite centers; and (b) the establishment, administration and operation of the department's Drug Identification Program and the intensive and field supervision program. The Fifty Dollars (\$50.00) may be used for salaries and to purchase equipment, supplies and vehicles to be used by the Community Services Division in the performance of its duties. Expenditures for the purposes established in this section may be made from the fund upon requisition by the commissioner, or his designee.

Of the remaining amount, Three Dollars (\$3.00) of each payment shall be deposited in the Crime Victims' Compensation Fund created in Section 99-41-29, and Two Dollars (\$2.00) shall be deposited into the Training Revolving Fund created pursuant to Section 47-7-51. When a person is convicted of a felony in this state, in addition to any other sentence it may impose, the court may, in its discretion, order the offender to pay a state assessment not to exceed the greater of One Thousand Dollars (\$1,000.00) or the maximum fine that may be imposed for the offense, into the Crime Victims' Compensation Fund created pursuant to Section 99-41-29.

Any federal funds made available to the department for training or for training facilities, equipment or services shall be deposited in the Correctional Training Revolving Fund created in Section 47-7-51. The funds deposited in this account shall be used to support an expansion of the department's training program to include the renovation of facilities for training purposes, purchase of equipment and contracting of training services with community colleges in the state.

No offender shall be required to make this payment for a period of time longer than ten (10) years.

(2) The offender may be imprisoned until the payments are made if the offender is financially able to make the payments and the court in the county where the offender resides so finds, subject to the limitations hereinafter set out. The offender shall not be imprisoned if the offender is financially unable to make the payments and so states to the court in writing, under oath, and the court so finds.

(3) This section shall stand repealed from and after June 30, 2012.

In viewing Miss. Code Ann. §§ 97-3-25, 99-19-32(1), and § 47-7-49 in pari materia, the trial court was within its discretion to order defendant, convicted of manslaughter and sentenced to a term of

imprisonment, to pay not only a \$10,000 fine, but also a \$10,000 assessment to the Mississippi Crime Victims' Compensation Fund. *Felder v. State*, 876 So. 2d 372 (Miss. 2004).

§ 47-7-51. Correctional Training Revolving Fund.

(1) There is hereby created in the State Treasury a special fund, which shall be known as the Correctional Training Revolving Fund. This fund shall be used to develop and implement the comprehensive correction training program authorized in Chapter 509, Laws of 1990. These funds may be used to construct and renovate training facilities, purchase training equipment for the hiring of instructors, and to pay operating expenses to accomplish and fulfill the purposes of the training program.

(2) The Commissioner of Corrections shall establish guidelines for the use and accountability of such funds.

(5) For attending meetings of the commission, members of the commission shall receive per diem as provided by Section 25-3-69, and reimbursement of expenses as provided by Section 5-1-47. The members of the commission

shall obtain the approval of the Management Committee of the House of Representatives and the Contingent Expense Committee of the Senate for per diem and travel expense expenditures of the commission. All expenses incurred by and on behalf of the commission shall be paid from the contingency funds of the Senate and the House of Representatives.

(6) In conducting its activities pursuant to this section, the commission may elicit the support of and participation by federal, state and local agencies and interested associations, organizations and individuals. UNIFORM ACT FOR OUT-OF-STATE PAROLEE SUPERVISION

SEC.

47-7-71. Uniform act for out-of-state parolee supervision.

47-7-73. Notification to county and municipal officials; probation or parole of out-of-state parolee.

§ 47-7-71. Uniform act for out-of-state parolee supervision.

I. The governor of this state is hereby authorized and directed to execute a compact on behalf of the state of Mississippi with any of the United States legally joining therein in the form substantially as follows:

A Compact

Entered into by and among the contracting states, signatories hereto, with the consent of the congress of the United States of America, granted by an act entitled "An act granting the consent of Congress to any two (2) or more states to enter into agreements or compacts for cooperative effort and mutual assistance in the prevention of crime and for other purposes."

The contracting states solemnly agree:

(1) That it shall be competent for the duly constituted judicial and administrative authorities of a state party to this compact (herein called "sending state"), to permit any person convicted of an offense within such state and placed on probation or released on parole to reside in any other state party to this compact (herein called "receiving state"), while on probation or parole, if

(a) Such person is in fact a resident of or has his family residing within the receiving state and can obtain employment there;

(b) Though not a resident of the receiving state and not having his family residing there, the receiving state consents to such person being sent there.

Before granting such permission, opportunity shall be granted to the receiving state to investigate the home and prospective employment of such person.

A resident of the receiving state, within the meaning of this section, is one who has been an actual inhabitant of such state continuously for more than one (1) year prior to his coming to the sending state and has not resided within the sending state more than six (6) continuous months immediately preceding the commission of the offense for which he has been convicted.

(2) That each receiving state will assume the duties of visitation of and supervision over probationers or parolees of any sending state and in the exercise of those duties will be governed by the same standards that prevail for its own probationers and parolees.

(3) That duly accredited officers of a sending state may at all times enter a receiving state and there apprehend and retake any person on probation or parole. For that purpose no formalities will be required other than establishing the authority of the officer and the identity of the person to be retaken. All legal requirements to obtain extradition of fugitives from justice are hereby expressly waived on the part of states party hereto, as to such persons. The decision of the sending state to retake a person on probation or parole shall be conclusive upon and not reviewable within the receiving state: Provided, however, that if at the time when a state seeks to retake a probationer or parolee there should be pending against him within the receiving state any criminal charge, or he should be suspected of having committed within such state a criminal offense, he shall not be retaken without the consent of the receiving state until discharged from prosecution or from imprisonment for such offense.

(4) That the duly accredited officers of the sending state will be permitted to transport prisoners being retaken through any and all states parties to this compact, without interference.

(5) That the governor of each state may designate an officer who, acting jointly with like officers of other contracting states, if and when appointed, shall promulgate such rules and regulations as may be deemed necessary to more effectively carry out the terms of this compact.

(6) That this compact shall become operative immediately upon its execution by any state as between it and any other state or states so executing. When executed it shall have the full force and effect of law within such state, the form of execution to be in accordance with the laws of the executing state.

(7) That this compact shall continue in force and remain binding upon each executing state until renounced by it. The duties and obligations hereunder of a renouncing state shall continue as to parolees or probationers residing therein at the time of withdrawal until retaken or finally discharged by the sending state. Renunciation of this compact shall be by the same

authority which executed it, by sending six (6) months' notice in writing of its intention to withdraw from the compact to the other state party hereto.

II. This section may be cited as the uniform act for out-of-state parolee supervision.

In turn, Laws, 1984, ch. 471, § 128, provided for the automatic repeal of these provisions from and after July 1, 1986. JUDICIAL DECISIONS

1. In general.
2. No private right of action.
3. Construction.

1. In general.

When a victim was raped by a parolee accepted from another state for supervision, summary judgment was correctly granted to the State in the victim's action against it for negligently accepting supervision of the parolee and negligently supervising him because acceptance of the parolee's supervision was mandatory under the Uniform Act for Out-of-State Parolee Supervision, Miss. Code Ann. § 47-7-71, as he had family and a job in Mississippi, and decisions made by the parolee's supervising parole officer in the course of the parolee's supervision were discretionary, so the State could not be held liable under the Mississippi Tort Claims Act, Miss. Code Ann. § 11-46-1 et

seq. *Doe v. State ex rel. Miss. Dep't of Corr.*, 859 So. 2d 350 (Miss. 2003).

2. No private right of action.

When a victim was raped by a parolee accepted from another state for supervision, the Uniform Act for Out-of-State Parolee Supervision, Miss. Code Ann. § 47-7-71, did not imply a private right of action on the victim's behalf against the State for accepting supervision of the parolee. *Doe v. State ex rel. Miss. Dep't of Corr.*, 859 So. 2d 350 (Miss. 2003).

Where the inmate, while on probation, left Mississippi and went to Tennessee, the suspension of the inmate's sentence was properly revoked despite the fact that the suspended sentence order permitted the inmate's supervision to be transferred to Tennessee; the transfer was not automatic, there was no evidence that the inmate complied with the procedures necessary to transfer, and as a result, a trans-

fer did not occur pursuant to Miss. Code Ann. § 47-7-71(1). *Atwell v. State*, 848 So. 2d 190 (Miss. Ct. App. 2003).

Parolee fell under Miss. Code Ann. § 47-7-71(1) of the Uniform Act for Out-of-State Parolee Supervision because the parolee's parents lived in the state and the parolee indicated that parolee had a job in the state, and thus the State's acceptance of the parolee under the Act was proper and mandatory; because there was nothing in the Act or the state corrections department regulations that required a field officer to revoke one's parole, the officer's decision not to revoke the parole after the parolee failed to timely report was an exercise of discretion, and because (1) there was no evidence of a gross, reckless, or wanton failure in the State's supervision of the parolee, and (2) there was no sufficient causal connection or element of foreseeability between the alleged violated statutory duty and the injuries sustained by the victim when raped by a parolee, the State maintained the benefit of immunity under Miss. Code Ann. § 11-46-9(1) of the Mississippi Tort Claims Act, Miss. Code Ann. §§ 11-46-1 to 11-46-23, and the State was properly granted summary judgment in the victim's action for damages. *Connell v. State*, 841 So. 2d 1127 (Miss. 2003).

Where a parolee was arrested in Mississippi by agreement between Mississippi and sending state, pending his being retaken by authorities of the sending state under the statute which provides that a parolee who is in receiving state by agreement between receiving and sending state may be retaken, this did not violate the

parolee's constitutional right. *Stone v. Robinson*, 219 Miss. 456, 69 So. 2d 206 (1954).

A certificate of parole issued by authorities of Louisiana was sufficient for parolee's arrest, and communications from authorities of Louisiana were sufficient to justify the chairman of Mississippi Parole Board in issuing a warrant for parolee's arrest pending his being retaken by authorities from Louisiana. *Stone v. Robinson*, 219 Miss. 456, 69 So. 2d 206 (1954).

The Uniform Act for Out-of-State Parolee Supervision, Miss. Code Ann. § 47-7-71, known as the "Compact," does not create a private right of action. *Connell v. State*, 841 So. 2d 1127 (Miss. 2003).

3. Construction.

Use of the conjunction "or" in Miss. Code Ann. § 47-7-71(1)(a) of the Uniform Act for Out-of-State Parolee Supervision allows a parolee to be sent to the receiving state if such person is a resident or the person has family in the receiving state. *Connell v. State*, 841 So. 2d 1127 (Miss. 2003).

When deciding whether to accept supervision of a parolee or probationer from another state, under the Uniform Act for Out-of-State Parolee Supervision, Miss. Code Ann. § 47-7-71, it mattered not whether the probationer or parolee was actually a resident of the receiving state because the use of the conjunction "or" in § 47-7-71(1)(a) allowed a parolee to be sent to the receiving state if such person was a resident or had family in the receiving state. *Doe v. State ex rel. Miss. Dep't of Corr.*, 859 So. 2d 350 (Miss. 2003).

INTERSTATE COMPACT FOR ADULT OFFENDER SUPERVISION

SEC.

- 47-7-81. Interstate Compact for Adult Offender Supervision.
- 47-7-83. Supervision of offenders from participating states.
- 47-7-85. Application fee for out-of-state transfer; funds received to defray compact expenses.

§ 47-7-81. Interstate Compact for Adult Offender Supervision.

The Governor, on behalf of this state, may execute a compact, in substantially the following form, and the Governor, on behalf of this state, may execute a compact, in substantially the following form, and the Legislature signifies in advance its approval and ratification of such compact:

THE INTERSTATE COMPACT FOR ADULT OFFENDER SUPERVISION

ARTICLE I

PURPOSE

The compacting states to this interstate compact recognize that each state is responsible for the supervision of adult offenders in the community who are authorized, pursuant to the bylaws and rules of this compact, to travel across state lines both to and from each compacting state in such a manner as to: track the location of offenders; transfer supervision authority in an orderly and efficient manner; and when necessary, return offenders to the originating jurisdictions.

The compacting states also recognize that Congress, by enacting the Crime Control Act, 4 USCS Section 112 (1965), has authorized and encouraged compacts for cooperative efforts and mutual assistance in the prevention of crime.

It is the purpose of this compact and the interstate commission created under this compact, through means of joint and cooperative action among the compacting states: to provide the framework for the promotion of public safety and to protect the rights of victims through the control and regulation of the interstate movement of offenders in the community; to provide for the effective tracking, supervision and rehabilitation of these offenders by the sending and receiving states; and to equitably distribute the costs, benefits and obligations of the compact among the compacting states.

In addition, this compact will: create an interstate commission that will establish uniform procedures to manage the movement between states of adults placed under community supervision and released to the community under the jurisdiction of courts, paroling authorities, corrections or other

criminal justice agencies that will promulgate rules to achieve the purpose of this compact; ensure an opportunity for input and timely notice to victims and to jurisdictions where defined offenders are authorized to travel or to relocate across state lines; establish a system of uniform data collection, access to information on active cases by authorized criminal justice officials, and regular reporting of compact activities to heads of state councils, state executive, judicial and legislative branches and criminal justice administrators; monitor compliance with rules governing interstate movement of offenders and initiate interventions to address and correct noncompliance; and coordinate training and education regarding regulations of interstate movement of offenders for officials involved in such activity.

The compacting states recognize that there is no "right" of any offender to live in another state and that duly accredited officers of a sending state may enter a receiving state and apprehend and retake any offender under supervision subject to the provisions of this compact and bylaws and rules promulgated under the compact.

It is the policy of the compacting states that the activities conducted by the interstate commission created in this compact are the formation of public policies and are therefore public business.

The interstate commission shall have all the responsibilities, powers and duties set forth in this compact, including the power to sue and be sued, and such additional powers as may be conferred upon it by subsequent action of the respective legislatures of the compacting states in accordance with the terms of this compact.

(B) The interstate commission shall consist of commissioners selected and appointed by resident members of a state council for interstate adult offender supervision or the Governor for each state. While each member state may determine the membership of its own state council, its membership must include at least one (1) representative from the legislative, judicial and executive branches of government, victims groups and compact administrators. The Mississippi state council will be appointed by the compact administrator. (E) The interstate commission shall meet at least once each calendar year. The chairperson may call additional meetings and, upon the request of twenty-seven (27) or more compacting states, shall call additional meetings. Public notice shall be given of all meetings and meetings shall be open to the public.

(F) The interstate commission shall establish an executive committee that shall include commission officers, members and others as determined by the bylaws. The executive committee has the power to act on behalf of the interstate commission during periods when the interstate commission is not in session, with the exception of rule-making or amendment to the compact, or both. The executive committee: oversees the day-to-day activities managed by the executive director and interstate commission staff; administers enforcement and compliance with the provisions of the compact, its bylaws and as directed by the interstate commission; and performs other duties as directed by the commission or set forth in the bylaws.

(19) To establish uniform standards for the reporting, collecting and exchanging of data.

ARTICLE V ORGANIZATION AND OPERATION OF THE INTERSTATE COMMISSION

Section A. Bylaws

The interstate commission, by a majority of the members within twelve (12) months of the first interstate commission meeting, shall adopt such bylaws to govern its conduct as may be necessary or appropriate to carry out the purposes of the compact, including, but not limited to:

- (a) Establishing the fiscal year of the interstate commission;
- (b) Establishing an executive committee and such other committees as may be necessary;
- (c) Providing reasonable standards and procedures: (i) for the establishment of committees; and (ii) governing any general or specific delegation of any authority or function of the interstate commission;
- (d) Providing reasonable procedures for calling and conducting meetings of the interstate commission, and ensuring reasonable notice of each commission meeting;
- (e) Establishing the titles and responsibilities of the officers of the interstate commission;
- (f) Providing reasonable standards and procedures for the establishment of the personnel policies and programs of the interstate commission. Notwithstanding any civil service or other similar laws of any compacting state, the bylaws shall govern exclusively the personnel policies and programs of the interstate commission;
- (g) Providing a mechanism for concluding the operations of the interstate commission and the equitable return of any surplus funds that may exist upon the termination of the compact after the payment or reserving, or both, of all of its debts and obligations;
- (h) Providing transition rules for the “start up” administration of the compact; and
- (i) Establishing standards and procedures for compliance and technical assistance in carrying out the compact.

Section B. Officers and Staff

(1) The interstate commission shall elect from among its members, by a majority of the members, a chairperson and a vice chairperson, each of whom shall have such authorities and duties as may be specified in the bylaws. The chairperson or, in the chairperson’s absence or disability, the vice chairperson, shall preside at all meetings of the interstate commission. The officers so elected shall serve without compensation or remuneration from the interstate commission; however, subject to the availability of budgeted funds, the officers shall be reimbursed for any actual and necessary costs and expenses incurred by them in the performance of their duties and responsibilities as officers of the interstate commission.

(2) The interstate commission, through its executive committee, shall appoint or retain an executive director for such period, upon such terms and conditions and for such compensation as the interstate commission may deem appropriate. The executive director shall serve as secretary to the interstate commission, and hire and supervise such other staff as may be authorized by the interstate commission, but the executive director shall not be a member of the interstate commission.

Section C. Corporate Records of the Interstate Commission

The interstate commission shall maintain its corporate books and records in accordance with the bylaws.

Section D. Qualified Immunity, Defense and Indemnification

(1) The members, officers, executive director and employees of the interstate commission shall be immune from suit and liability, either personally or in their official capacity, for any claim for damage to or loss of property or personal injury or other civil liability caused or arising out of any actual or alleged act, error or omission that occurred within the scope of interstate commission employment, duties or responsibilities; however, nothing in this paragraph may be construed to protect any such person from suit or liability, or both, for any damage, loss, injury or liability caused by the intentional or willful and wanton misconduct of any such person.

(2) The interstate commission shall defend the commissioner of a compacting state, or the commissioner's representatives or employees, or the interstate commission's representatives or employees, in any civil action seeking to impose liability, arising out of any actual or alleged act, error or omission that occurred within the scope of interstate commission employment, duties or responsibilities, or which the defendant had a reasonable basis for believing occurred within the scope of interstate commission employment, duties or responsibilities if the actual or alleged act, error or omission did not result from intentional wrongdoing on the part of such person.

(3) The interstate commission shall indemnify and hold the commissioner of a compacting state, the appointed designee or employees, or the interstate commission's representatives or employees, harmless in the amount of any settlement or judgment obtained against such persons arising out of any actual or alleged act, error or omission that occurred within the scope of interstate commission employment, duties or responsibilities, or which such persons had a reasonable basis for believing occurred within the scope of interstate commission employment, duties or responsibilities if the actual or alleged act, error or omission did not result from gross negligence or intentional wrongdoing on the part of such person.

ARTICLE VI**ACTIVITIES OF THE INTERSTATE COMMISSION**

(1) The interstate commission shall meet and take such actions as are consistent with this compact.

(2) Except as otherwise provided in this compact and unless a greater percentage is required by the bylaws, in order to constitute an act of the interstate commission, the act must be taken at a meeting of the interstate commission and must receive an affirmative vote of a majority of the members present.

(3) Each member of the interstate commission has the right and power to cast a vote to which that compacting state is entitled and to participate in the business and affairs of the interstate commission. A member shall vote in person on behalf of the state and may not delegate a vote to another member state. However, the compact administrator shall appoint another authorized representative, in the absence of the commissioner from that state, to cast a vote on behalf of the member state at a specified meeting. The bylaws may

provide for members' participation in meetings by telephone or other means of telecommunication or electronic communication. Any voting conducted by telephone or other means of telecommunication or electronic communication shall be subject to the same quorum requirements of meetings where members are present in person.

(4) The interstate commission shall meet at least once during each calendar year. The chairperson of the interstate commission may call additional meetings at any time and, upon the request of a majority of the members, shall call additional meetings.

(5) The interstate commission's bylaws shall establish conditions and procedures under which the interstate commission shall make its information and official records available to the public for inspection or copying. The interstate commission may exempt from disclosure any information or official records to the extent that they would adversely affect personal privacy rights or proprietary interests. In promulgating such rules, the interstate commission may make available to law enforcement agencies records and information otherwise exempt from disclosure, and may enter into agreements with law enforcement agencies to receive or exchange information or records subject to nondisclosure and confidentiality provisions.

(6) Public notice shall be given of all meetings and all meetings shall be open to the public, except as set forth in the rules or as otherwise provided in the compact. The interstate commission shall promulgate rules consistent with the principles contained in the "Government in Sunshine Act," 5 USCS Section 552(b), as may be amended. The interstate commission and any of its committees may close a meeting to the public where it determines, by two-thirds (2/3) vote, that an open meeting would be likely to: (a) relate solely to the interstate commission's internal personnel practices and procedures; (b) disclose matters specifically exempted from disclosure by statute; (c) disclose trade secrets or commercial or financial information which is privileged or confidential; (d) involve accusing any person of a crime or formally censuring any person; (e) disclose information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy; (f) disclose investigatory records compiled for law enforcement purposes; (g) disclose information contained in or related to examination, operating or condition reports prepared by, or on behalf of or for the use of, the interstate commission with respect to a regulated entity for the purpose of regulation or supervision of such entity; (h) disclose information, the premature disclosure of which would significantly endanger the life of a person or the stability of a regulated entity; (i) specifically relate to the interstate commission's issuance of a subpoena, or its participation in a civil action or proceeding.

(7) For every meeting closed pursuant to this provision, the interstate commission's chief legal officer shall certify publicly that, in the legal officer's opinion, the meeting may be closed to the public and shall reference each relevant exemptive provision. The interstate commission shall keep minutes

that shall describe fully and clearly, all matters discussed in any meeting and shall provide a full and accurate summary of any actions taken and the reasons therefor, including, a description of each of the views expressed on any item and the record of any roll call vote (reflected in the vote of each member on the question). All documents considered in connection with any action shall be identified in such minutes.

(8) The interstate commission shall collect standardized data concerning the interstate movement of offenders as directed through its bylaws and rules, which shall specify the data to be collected, the means of collection and data exchange and reporting requirements.

ARTICLE VII RULE-MAKING FUNCTIONS OF THE INTERSTATE COMMISSION

(1) The interstate commission shall promulgate rules in order to effectively and efficiently achieve the purposes of the compact, including transition rules governing administration of the compact during the period in which it is being considered and enacted by the states.

(2) Rule-making shall occur pursuant to the criteria set forth in this article and the bylaws and rules adopted pursuant thereto. Such rule-making shall substantially conform to the principles of the federal Administrative Procedure Act, 5 USCS Section 551 et seq., and the Federal Advisory Committee Act, 5 USCS App. 2, Section 1 et seq., as may be amended (hereinafter "APA").

(3) All rules and amendments shall become binding as of the date specified in each rule or amendment.

(4) If a majority of the legislatures of the compacting states rejects a rule, by enactment of a statute or resolution in the same manner used to adopt the compact, then that rule shall have no further force and effect in any compacting state.

(5) When promulgating a rule, the interstate commission shall: (a) publish the proposed rule stating with particularity the text of the rule that is proposed and the reason for the proposed rule; (b) allow persons to submit written data, facts, opinions and arguments, which information shall be publicly available; (c) provide an opportunity for an informal hearing; and (d) promulgate a final rule and its effective date, if appropriate, based on the rule-making record.

(6) Not later than sixty (60) days after a rule is promulgated, any interested person may file a petition in the United States District Court for the District of Columbia or in the federal district court where the interstate commission's principal office is located for judicial review of the rule. If the court finds that the interstate commission's action is not supported by substantial evidence (as defined in the APA) in the rule-making record, the court shall hold the rule unlawful and set it aside.

(7) Subjects to be addressed within twelve (12) months after the first meeting must include, at a minimum: (a) notice to victims and opportunity to be heard; (b) offender registration and compliance; (c) violations and

returns; (d) transfer procedures and forms; (e) eligibility for transfer; (f) collection of restitution and fees from offenders; (g) data collection and reporting; (h) the level of supervision to be provided by the receiving state; (i) transition rules governing the operation of the compact and the interstate commission during all or part of the period between the effective date of the compact and the date on which the last eligible state adopts the compact; and (j) mediation, arbitration and dispute resolution.

The existing rules governing the operation of the previous compact superseded by this compact shall be null and void twelve (12) months after the first meeting of the interstate commission created under this compact.

(8) Upon determination by the interstate commission that an emergency exists, the interstate commission may promulgate an emergency rule that shall become effective immediately upon adoption; however, the usual rule-making procedures provided under this compact shall be applied retroactively to that rule as soon as reasonably possible, and in no event, later than ninety (90) days after the effective date of the rule.

ARTICLE VIII

OVERSIGHT, ENFORCEMENT, AND DISPUTE RESOLUTION BY THE INTERSTATE COMMISSION

Section A. Oversight

(1) The interstate commission shall oversee the interstate movement of adult offenders in the compacting states and shall monitor such activities being administered in noncompacting states which significantly may affect compacting states.

(2) The courts and executive agencies in each compacting state shall enforce this compact and shall take all actions necessary and appropriate to effectuate the compact's purposes and intent. In any judicial or administrative proceeding in a compacting state pertaining to the subject matter of this compact which may affect the powers, responsibilities or actions of the interstate commission, the interstate commission shall be entitled to receive all service of process in any such proceeding and shall have standing to intervene in the proceeding for all purposes.

Section B. Dispute Resolution

(1) The compacting states shall report to the interstate commission on issues or activities of concern to them and shall cooperate with and support the interstate commission in the discharge of its duties and responsibilities.

(2) The interstate commission shall attempt to resolve any disputes or other issues that are subject to the compact and which may arise among compacting states and noncompacting states.

(3) The interstate commission shall enact a bylaw or promulgate a rule providing for both mediation and binding dispute resolution for disputes among the compacting states.

Section C. Enforcement

The interstate commission, in the reasonable exercise of its discretion, shall enforce the provisions of this compact using any or all means set forth in Article XI, Section B, of this compact.

Section D. Retaking Cases From Another Jurisdiction

The duly accredited officers of a sending state may enter a receiving state and apprehend and retake any person on probation or parole according to the laws of the United States. For that purpose, the sending state must establish the authority of the officer and the identity of the person or persons to be retaken. The person or persons must be afforded a preliminary hearing consistent with due process requirements under the United States Constitution as interpreted by the Supreme Court of the United States. All legal requirements to extradition of fugitives from justice are waived expressly on the part of states that are parties to this compact as to such persons. The decision of the sending state to retake a person on probation or parole is conclusive and not reviewable within the receiving state; however, if, at the time a state seeks to retake a probationer or parolee, there is pending against him within the receiving state a criminal charge or if he is suspected of having committed within that state a criminal offense, the probationer or parolee may not be retaken without the consent of the receiving state until the probationer or parolee is discharged from prosecution or from imprisonment for such offense. The duly accredited officers of the sending state may transport prisoners being retaken through any state that is a party to this compact without interference.

**ARTICLE IX
FINANCE**

(1) The interstate commission shall pay or provide for the payment of the reasonable expenses of its establishment, organization and ongoing activities.

(2) The interstate commission shall levy on and collect an annual assessment from each compacting state to cover the cost of the internal operations and activities of the interstate commission and its staff, which levy must be in a total amount sufficient to cover the interstate commission's annual budget as approved each year. The aggregate annual assessment amount shall be allocated based upon a formula to be determined by the interstate commission, taking into consideration the population of the state and the volume of interstate movement of offenders in each compacting state. The interstate commission shall promulgate a rule binding upon all compacting states which governs the assessment.

(3) The interstate commission shall not incur any obligations of any kind before securing the funds adequate to meet the obligations. The interstate commission may not pledge the credit of any of the compacting states, except by and with the authority of the compacting state.

(4) The interstate commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the interstate commission shall be subject to the audit and accounting procedures established under its bylaws. However, all receipts and disbursements of funds handled by the interstate commission shall be audited yearly by a certified or licensed public accountant, and the report of the audit shall be included in and become part of the annual report of the interstate commission.

ARTICLE X**COMPACTING STATES, EFFECTIVE DATE AND AMENDMENT**

(1) Any state, as defined in Article II of this compact, is eligible to become a compacting state.

(2) The compact shall become effective and binding upon legislative enactment of the compact into law by no less than thirty-five (35) of the states. The initial effective date shall be the later of July 1, 2004, or upon enactment into law by the thirty-fifth jurisdiction. Thereafter, it shall become effective and binding, as to any other compacting state, upon enactment of the compact into law by that state. The governors of nonmember states or their designees will be invited to participate in interstate commission activities on a nonvoting basis before adoption of the compact by all states and territories of the United States.

(3) Amendments to the compact may be proposed by the interstate commission for enactment by the compacting states. No amendment shall become effective and binding upon the interstate commission and the compacting states unless it is enacted into law by unanimous consent of the compacting states.

ARTICLE XI**WITHDRAWAL, DEFAULT, TERMINATION, AND JUDICIAL ENFORCEMENT****Section A. Withdrawal**

(1) Once effective, the compact shall continue in force and remain binding upon every compacting state; however, a compacting state may withdraw from the compact ("withdrawing state") by enacting a statute specifically repealing the statute that enacted the compact into law.

(2) The effective date of withdrawal is the effective date of the repeal.

(3) The withdrawing state shall notify immediately the chairperson of the interstate commission in writing upon the introduction of legislation repealing this compact in the withdrawing state.

(4) The interstate commission shall notify the other compacting states of the withdrawing state's intent to withdraw within sixty (60) days of its receipt of the notification.

(5) The withdrawing state is responsible for all assessments, obligations and liabilities incurred through the effective date of withdrawal, including any obligations, the performance of which extend beyond the effective date of withdrawal.

(6) Reinstatement following withdrawal of any compacting state shall occur upon the withdrawing state reenacting the compact or upon such later date as determined by the interstate commission.

Section B. Default

(1) If the interstate commission determines that any compacting state has at any time defaulted ("defaulting state") in the performance of any of its obligations or responsibilities under this compact, the bylaws or any duly promulgated rules, the interstate commission may impose any or all of the following penalties:

(a) Fines, fees and costs in such amounts as are deemed to be reasonable, as fixed by the interstate commission;

(b) Remedial training and technical assistance as directed by the interstate commission;

(c) Suspension and termination of membership in the compact. Suspension shall be imposed only after all other reasonable means of securing compliance under the bylaws and rules have been exhausted. Immediate notice of suspension shall be given by the interstate commission: to the Governor, the Chief Justice or chief judicial officer of the state; the majority and minority leaders of the defaulting state's Legislature; and the state council. The grounds for default include, but are not limited to, failure of a compacting state to perform such obligations or responsibilities imposed upon it by this compact, interstate commission bylaws or duly promulgated rules. The interstate commission shall immediately notify the defaulting state in writing of the penalty imposed by the interstate commission on the defaulting state pending a cure of the default. The interstate commission shall stipulate the conditions and the time period within which the defaulting state must cure its default. If the defaulting state fails to cure the default within the time period specified by the interstate commission, in addition to any other penalties imposed, the defaulting state may be terminated from the compact upon an affirmative vote of a majority of the compacting states and all rights, privileges and benefits conferred by this compact shall be terminated from the effective date of suspension.

(2) Within sixty (60) days of the effective date of termination of a defaulting state, the interstate commission shall notify the governor, the chief justice or chief judicial officer and the majority and minority leaders of the defaulting state's legislature and the state council of such termination.

(3) The defaulting state is responsible for all assessments, obligations and liabilities incurred through the effective date of termination including any obligations, the performance of which extends beyond the effective date of termination.

(4) The interstate commission shall not bear any costs relating to the defaulting state unless otherwise mutually agreed upon between the interstate commission and the defaulting state.

(5) Reinstatement following termination of any compacting state requires both a reenactment of the compact by the defaulting state and the approval of the interstate commission pursuant to the rules.

Section C. Judicial Enforcement

The interstate commission by majority vote of the members, may initiate legal action in the United States District Court for the District of Columbia or, at the discretion of the interstate commission, in the federal district where the interstate commission has its offices to enforce compliance with the compact, its duly promulgated rules and bylaws against any compacting state in default. If judicial enforcement is necessary, the prevailing party shall be awarded all costs of the litigation, including reasonable attorney's fees.

Section D. Dissolution of Compact

(1) The compact dissolves effective upon the date of the withdrawal or default of the compacting state which reduces membership in the compact to one (1) compacting state.

(2) Upon the dissolution of this compact, the compact becomes null and void and shall be of no further force or effect, and the business and affairs of the interstate commission shall be concluded and any surplus funds shall be distributed in accordance with the bylaws.

ARTICLE XII**SEVERABILITY AND CONSTRUCTION**

(1) The provisions of this compact shall be severable, and if any phrase, clause, sentence or provision is deemed unenforceable, the remaining provisions of the compact shall be enforceable.

(2) The provisions of this compact shall be liberally construed to effectuate its purposes.

ARTICLE XIII**BINDING EFFECT OF COMPACT AND OTHER LAWS****Section A. Other Laws**

(1) Nothing in this compact prevents the enforcement of any other law of a compacting state which is not inconsistent with this compact.

(2) All compacting states' laws conflicting with this compact are superseded to the extent of the conflict.

Section B. Binding Effect of the Compact

(1) All lawful actions of the interstate commission, including all rules and bylaws promulgated by the interstate commission, are binding upon the compacting states.

(2) All agreements between the interstate commission and the compacting states are binding in accordance with their terms.

(3) Upon the request of a party to a conflict over the meaning or interpretation of interstate commission actions, and upon a majority vote of the compacting states, the interstate commission may issue advisory opinions regarding such meaning or interpretation.

(4) If any provision of this compact exceeds the constitutional limits imposed on the legislature of any compacting state, the obligations, duties, powers or jurisdiction sought to be conferred by such provision upon the interstate commission shall be ineffective, and such obligations, duties, powers or jurisdiction shall remain in the compacting state and shall be exercised by the agency of that state to which the obligations, duties, powers or jurisdiction are delegated by law in effect at the time this compact becomes effective.
